Annual Report

PLAINVILLE
MASSACHUSETTS
1971

Resolution

APRIL 1971

WHEREAS, the citizens of Plainville have learned with deep regret and sorrow of the death of ELMER PEASE, and

WHEREAS, Elmer Pease had served the Fire Department, the Police Department as a Patrolman and as its Chief of Police, and

WHEREAS, he had served faithfully as a loyal and dedicated servant to the inhabitants of the Town of Plainville, and

WHEREAS, he labored tirelessly and diligently with a profound desire to improve the Town of Plainville, and

WHEREAS, by his example and his interest he won not only the respect of those who served with him, but also the citizens of Plainville, and the citizens of surrounding communities,

THEREFORE, BE IT RESOLVED, that as a symbol of our respect and admiration of a dedicated servant of the Town of Plainville, that a copy of this resolution be inserted in the minutes of our regular meeting, and a copy of this resolution be inserted in the next Annual Town Report.

Resolution

MAY 2, 1971

WHEREAS, the citizens of Plainville have learned with deep regret and sorrow of the death of MRS. EDNA TELFORD, and

WHEREAS, Edna Telford had served this Community as a REPRESENTATIVE TO THE GENERAL COURT, State of Massachusetts, and

WHEREAS, Edna had served faithfully as a loyal and dedicated servant to the inhabitants of this Community

WHEREAS, she labored tirelessly and diligently with a profound desire to improve this district

WHEREAS, by her example and her interest she won not only the respect of those who served with her, but also the representatives of surrounding districts in the Commonwealth of Massachusetts,

THEREFORE, BE IT RESOLVED, that as a symbol of our respect and admiration of a dedicated servant of this community, that a copy of this resolution be inserted in the minutes of our regular meeting, and a copy of this resolution be inserted in the next Annual Town Report.

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1971

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

March 4, 1971

To: Bessie Barton of said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation,
I do hereby appoint you Assistant Town Clerk of said Plainville, with
all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, March 1, 1971

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FIRST DAY OF MARCH 1971 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health, One Assessor, One Treasurer, One Tax Collector, One Water Commissioner, One Park Commissioner, One Trustee Public Library, Two Members of the School Committee for Three Years. Two Members of the Planning Board; One for Five Years and One for Two Years. Four Members of the Finance Committee; Three for Three Years and One for One Year. Two Members of the Housing Authority; One for Five Years and One for One Year; and the following questions:

Question No. 1

"Shall an Act passed by the General Court in the year nineteen hundred and seventy, entitled 'An Act Providing Tenure of Office until age seventy for Everett W. Skinner, incumbent of the office of Highway Superintendent in the Town of Plainville', be accepted?"

YES
NO

Question No. 2

"Shall an Act passed by the General Court in the year nineteen hundred and seventy, entitled 'An Act providing tenure for the present incumbent of the offices of chief of police and sergeant, and for any patrolman who has served in such position for a period of one year, in the police department of the Town of Plainville', be accepted?"

YES	
NO	

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1970	Requested 1971
Moderator	\$25.00 each	\$25.00 each
	meeting	meeting
Town Clerk	\$ 900.00 per year	\$1,000.00 per year
Town Treasurer	2,500.00 per year	2,500.00 per year
Selectmen, Chairman	900.00 per year	1,100.00 per year

To see if the Town will vote to raise and appropriate the sum of \$1,294.00, or any other sum, for the control of insects and Dutch Elm Disease (\$594.00 for Insect Pest Control and \$700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of Three

Thousand Dollars (\$3,000.00) to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful Well Site, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to accept as public ways, the streets shown as Valerie Drive, and Ellen Drive, only between Valerie drive and Walnut St., on a definitive plan of a subdivision entitled "Walnut Terrace, Plainville, Mass., December 1962. Scale 1"=60'. The W. T. Whalen Engineering Co.," which plan is recorded with the Norfolk County Registry of Deeds in Plan Book 216, as No. 182 of 1964, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to authorize the installation of sidewalks on Deerfield Drive a distance of 250 feet northerly from Appletree Drive, and on Pinetree Drive 200 feet southwesterly from Appletree Drive, under the direction of the Highway Superintendent, and to raise and appropriate for this purpose the sum of \$1,500.00, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purpose of installing the necessary services and building or rebuilding of the following streets: Pinetree Drive, Azalea Drive, Oak Drive and Birchwood Drive as shown on that plan entitled "Section III, Highland Meadows Park, Plainville, Mass. June 1962, The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds as #780 1965 in plan book 218, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to accept Appletree Drive and Deerfield Drive and that part of Pinetree Drive of approximately 297 feet as shown on that plan entitled "Section I of Highland Meadow Park in Plainville, Mass., October, 1961, Scale 1" = 40'. The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Registry of Deeds, and further to accept Pinetree Drive as shown on that plan entitled "Section II, Highland Meadow Park, Plainville, Mass., January 1962. The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds, being a distance of 250 feet more or less.

The same to be public streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to accept as Public Ways, the streets shown on that sub-division plan of land entitled "Highland

Meadow Park, Section III, Plainville, Mass. June 1962" which plan is filed as #780 1965 in plan book 218 of Norfolk Registry of Deeds, the streets being as follows: Azalea Drive, Birchwood Drive, Oak Drive, Pinetree Drive, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise, appropriate or transfer the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for use of the Conservation Commission, for the purpose of surveying land of the Commission, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 for the purpose of the control of submerged vegetation in Turnpike Lake, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to amend the Zoning By-Laws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the classification CA:

Easterly by Taunton Street

Southerly by the existing CA Zone;

Westerly by a line parallel to and 300 feet westerly from the westerly line of Taunton Street; and

Northerly by a line parallel to and 400 feet northerly from the northerly line of the existing CA Zone.

or take any action in relation thereto. (A petitioned article)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the erection and originally equipping of a building for the housing of at least two Town Departments on the land of the Town at the corner of Spring Street and School Street, the erection and equipping to be under the direction of the Board of Selectmen, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of Eighty Dollars (\$80.00) to pay Mr. James A. Freeman, Civil Engineer, for pre-colation tests, sewage disposal design and inspection of construction, for October, 1969, on Hillside Road three (3) house lots for Albo Construction Company (Alfred Bolduc) and one (1) house lot on Bow Street for Alfred Bolduc, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer \$1,500.00 to be used to survey the Ten Mile River, to be expended under the direction of the Ten Mile River Task Force, or do or act in any manner relative thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate or transfer \$3,000.00 for the purpose of paying overdrafts in the Town Insurance, Street Lights, Zoning Board of Appeals and Police Department Budgets for 1970, or do or act in any manner relative thereto.

ARTICLE 36. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 2nd day of February in the year of our Lord one thousand nine hundred and seventy-one.

ROBERT E. LOEW, Chairman

RAY P. FELIX, Clerk

ROBERT W. ROOT

Selectmen of Plainville

A true copy, Attest: CHARLES O. PEASLEY, Constable

This 20th day of February 1971

I have this day posted up seven copies of the within Warrant in seven (7) public places in said Town of Plainville, seven (7) days before said meeting.

CHARLES O. PEASLEY, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PLANNING BOARD**Plainville, Massachusetts**

March 12, 1971

Town Clerk
Mr. Austin Grant
Town Offices
Plainville, Mass.

Dear Sir,

Please be advised that the Planning Board has held a public hearing on Monday, February 1, 1971. This was for the application of Mr. Peterson to rezone a section of his property on Taunton St. to Zone "CA".

This hearing was advertised as required, in a local newspaper, and a copy of that notice is attached.

Mr. Peterson and his attorneys have initiated a petition, with required signatures, to have this request for rezoning placed as an Article in the Warrant for the next Town Meeting. This has been done, and is Article No. 31 on that Warrant.

Many abutters and neighbors and interested parties were present at the meeting, most of whom were objecting to the petition.

The Planning Board has voted to recommend as follows:

That this petition not be granted, for the following reasons:

1. The owner would not indicate any specific use for the rezoned land, therefore we feel there is no financial hardship.

2. It would seem to be the intent of the people that the section in question not be rezoned, because that section was specifically removed from the original application at a previous Town Meeting, by amendment and so voted.

3. This Board feels that granting of this application would be "spot" rezoning, because there seems to be plenty of property available in the immediate nearby area, that is already zoned "CA".

These are our recommendations; however, the finding is up to the voters at the Town Meeting.

Very truly yours,

DONALD CARTER, Secretary

PROCEEDINGS OF THE SIXTY-SIXTH ANNUAL TOWN ELECTION**TOWN OF PLAINVILLE, MASSACHUSETTS****March 1, 1971**

Pursuant to the foregoing Warrant, the sixty-sixth annual town election was held in the Elementary School Auditorium, South Street, Plainville, Norfolk County, Massachusetts on March 1, 1971.

The following election workers, having been previously appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk, Austin F. Grant.

Warden: Robert C. Keniston (R); Deputy Warden: Bessie Barton (R); Clerk: Marion McCabe (D); Deputy Clerk, Gael Kelly (D); Ballot Box Officer: Stanley Myers.

Tellers: Violet Osterholm (R), Helen Cobb (R), Lucille Keniston (R) alternate; Marie J. Diede (D), Evelyn Soule (D) and Jacqueline DiGiantommaso (D).

The ballot box was inspected by Evelyn Soule, Jacqueline DiGiantommaso, Lucille Keniston and Helen Cobb. Found empty, the dial was set at zero and the keys turned over to the Ballot Box officer, Stanley Myers.

At 8:00 A.M. the call of the meeting was read by Moderator Charles O. Peasley and the polls declared officially open.

Voting continued steady throughout the day and at 8:00 P.M. the polls were declared closed by Warden Robert C. Keniston. The ballot box was inspected by Jean Henrich, Jane Esten, Esther Grant and Marion Reilly and a check with the voting lists showed a total of 1048 voters casting ballots, of which five were absentee votes. 541 women and 507 men.

At 8:00 P.M. the following counters were sworn in by Town Clerk Austin F. Grant: Catherine Ashworth, Rita Pimental, Marion Reilly, David Dion, John Flynn, Jane Esten and Pauline Walsh (D); Jean Henrich, Myrna Harmon, Esther Grant, Lucille Keniston, Allie B. C. McAlpine, Beverly Armstrong and Irene Tremblay (R).

At 11:50 P.M. the results of the counting showed the following:

AUSTIN F. GRANT, Town Clerk

ADJOURNED SESSION MARCH 15, 1971

At 7:30 P.M. on Monday evening March 15, 1971 due to the lack of a quorum Moderator Charles O. Peasley declared that the business of the Annual Town Meeting would be adjourned to Monday evening, March 29, 1971 at 7:30 P.M. in the Auditorium of the Plainville Elementary School, South Street, Plainville, Massachusetts.

The following voters were checked by Robert Keniston (R) and Francis McCabe (D). Moderator Charles O. Peasley, Town Clerk Austin F. Grant, Ray P. Felix, Chairman Board of Selectmen, Richard M. Cobb, Bessie Barton and Carl W. Green, and Esther F. Grant.

AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-SIXTH ANNUAL TOWN MEETING**PLAINVILLE, NORFOLK COUNTY, MASSACHUSETTS****March 29, 1971**

The adjourned business session of the Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by the Moderator, Charles O. Peasley at 7:30 P.M. in the Auditorium of the Plainville Elementary School, South Street, Plainville, Massachusetts.

The meeting was opened with an invocation by Rev. Robert Smith, pastor of the Plainville Methodist Church.

Voters were checked into the hall by means of Registrars Voting Lists by Robert C. Keniston (R) and Marion McCabe (D). The total of the voters checked at the end of the evening was 235; 141 men and 94 women.

The Moderator declared the bounds of the hall to be the seats set up on the floor of the Auditorium. Anyone wishing to participate in the Town Meeting and vote must be within these bounds.

The Moderator appointed the following counters for the evening; right side of the hall, Clayton Cate and Walter Edwards; left side of the hall, Henry Neveux and Francis McCabe. Town Clerk, Austin F. Grant was

appointed Ballot Box Officer in the event of a ballot vote. The Moderator declared if there were no objections the minutes of the meeting of March 1, Election of Officers, would be omitted. No objections were voiced.

ARTICLE 2. Motion by Robert W. Root and seconded by Robert E. Loew and unanimously voted that Robert R. Faille, Charles O. Peasley and Larry H. Simpson be appointed as Fence Viewers and Field Drivers for the ensuing year.

Motion by Robert W. Root and seconded by Robert E. Loew and unanimously voted that Alec H. Frederickson, Francis W. Simmons and Everett W. Skinner be appointed as Measurers of Wood, Bark and Lumber, for the ensuing year.

At this time David B. Lomasney moved that Article 35, which deals with overdrafts be taken up at this time. Seconded by George Pray and unanimously voted.

ARTICLE 35. Motion by Robert Barney and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of \$2,566.96 for the purpose of paying overdrafts in the following departments: Police Department, \$2,362.59; Street Lights \$154.47; Town Insurance \$33.90; Zoning Board of Appeals \$16.00. This motion was recommended by the Finance Committee, as they felt these bills should be paid. Mr. Robert E. Loew, Selectman, explained the reason for these overdrafts. Result of the voice vote was unanimous.

ARTICLE 3. Motion by Robert E. Loew and seconded by David B. Lomasney and unanimously voted that the Reports of the Selectmen, Treasurer and other Town officers, as amended, be accepted. Police Department should show an overdraft balance of \$2,362.59, Street Lighting \$154.47, Town Insurance \$33.90 and Zoning Board of Appeals \$16.00.

ARTICLE 4. Motion by Robert W. Root and seconded by Robert E. Loew that the Town vote to accept the provisions of Chapter 81 of the General Laws and unanimously voted.

ARTICLE 5. Motion by George Pray and seconded by David B. Lomasney that the Town vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws, as amended, as follows:

Moderator
Town Clerk

\$25.00 each meeting
900.00 per year

Town Treasurer	2,500.00 per year
Selectmen, Chairman	900.00 per year
Second Member	800.00 per year
Third Member	800.00 per year
Board of Health, each member	100.00 per year
Assessors, Chairman	1,200.00 per year
Second Member	1,200.00 per year
Third Member	1,200.00 per year
Tax Collector	2,000.00 per year
Water Commissioners, Chairman	250.00 per year
Second Member	250.00 per year
Third Member, Secretary	500.00 per year
Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour

Unanimously voted.

ARTICLE 6. Motion by Gerard L. Jeannotte and seconded by Robert E. Barney that the Town vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Selectmen placed with a fidelity or guarantee company and unanimously voted.

ARTICLE 7. Motion by Robert E. Barney and seconded by David B. Lomasney that this article be accepted as printed in the Warrant. (Compensation Plan, Personnel By-Law). Mr. Lomasney pointed out that the only exception to the motion of last year's town meeting was in the department heads salary schedule, ranging from \$8,500. to \$10,000. Employees salary increases would be retroactive to March 15 and department heads would be retroactive to January 1, 1971. Mr. John Giesselman of the Personnel Board pointed out that the Compensation Plan for 1972 included the words "and Thereafter". As this is a by-law change the Moderator declared a two-thirds vote was necessary. Result of standing vote: 180 Yes; 0 No. Declared unanimous by the Moderator.

ARTICLE 8. Motion by Joseph A. Solito and seconded by George Pray that the town vote to install street lights at the following locations:

- 7 street lights on Rhodes Street
- 5 street lights on Treasure Island Road
- 1 street light on Hillside Road
- 1 street light corner of Bugbee and Grove Streets

and unanimously voted. (Money to pay for same included in Article 10, Street Lights.)

ARTICLE 9. Motion by David B. Lomasney and seconded by Robert E. Barney that the Town vote to raise and appropriate the sum of \$100. to indemnify certain municipal officers designated by the Board of Selectmen, for expenses or damages incurred in the defense or settlement of a claim, which claim arose while such official or officer was acting within the scope of his official duties or employment. Unanimously voted.

ARTICLE 10. Motion by Thomas Levis that the Town vote to raise and appropriate by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1971 and expressly for the following purposes to wit:

1. For Support of Public Library, Salaries and Expenses	\$6,109.00
This amount to include the transfer of \$440.21 Dog Tax, \$33.56 from the Post War Rehabilitation Fund and State Aid, when available.	
2. Selectmen Administration, Salaries and Expenses	23,690.00
3. Board of Health, Salaries and Expenses	22,800.00
4. Wire Inspector, Salary and Expenses	400.00
5. Building Inspector, Salary and Expenses	500.00
6. Gas Inspector, Salary and Expenses	300.00
7. Plumbing Inspector, Salary	300.00
8. Payment of Insurance: Town Schedule	16,107.00
Blue Cross-Blue Shield—Group Insurance	14,215.20
9. Memorial Day	250.00
10. Support of Town Ambulance	2,000.00
11. For Heating and Maintenance Town Office Building, Fire Station and Garford Building	8,025.00
12. For Zoning Board of Appeals	200.00
13. For Appeals Board	00.00
14. For Veterans' Benefits and Services	7,250.00
15. For Street Lights	10,800.00
16. For Vocational Education	1,500.00
17. For Town Treasurer, Salary and Expenses	4,400.00
18. For Town Auditor	250.00
19. For Interest on Temporary Loan and Maturing Debt	26,000.00
20. For Tax Title	200.00
21. For Maturing Debt	52,200.00
22. For Finance Committee	200.00
23. For Norfolk County Retirement, Town's Share	14,356.29
24. For Town Clerk, Salary and Expenses	3,040.00
25. For Board of Registrars, Salaries and Expenses	2,350.00
26. For Assessors, Salaries and Expenses	7,900.00
27. For Tax Collector, Salary and Expenses	4,000.00
28. For Fire Department, Salaries and Expenses	63,700.00

Under Section 29, the Chief of Police explained the reason for the request of \$105,976.26 for the salaries and expenses of his department. Within this budget there was an item for rental of quarters for the police department, an additional cruiser, which would be an un-marked vehicle and four additional men. As a result of the discussion on the need for additional police quarters, a motion was made by Thomas LaMothe and seconded by Joseph Doiron that Article 32 be taken up at this time. The voice vote was doubted and the Moderator called for a standing vote. Result of standing vote: Yes 106, No 89. Article 32 was taken at this time, before the completion of Section 29 of Article 10.

ARTICLE 32. Motion by David Lomasney and seconded by George Pray that the Town vote to transfer the sum of \$60,000. from the Stabilization Fund for erection and originally equipping of a building for the housing of at least two town departments on the land of the town at the corner of Spring and School Streets, the erection and equipping to be under the direction of a committee of five, one member of the Board of Selectmen and four qualified residents of the Town to be appointed by the Moderator.

Much discussion ensued on this article, after which a substitute motion was presented by Bruce Hastings and seconded by Thomas Levis, that the town vote to transfer \$60,000. from the Stabilization Fund to a Building Fund to be voted out at a Special Town Meeting, after a finding by a committee of five, to be one member of the Board of Selectmen and four qualified residents of the Town, to be appointed by the Moderator.

The Moderator declared that this would require a two-thirds vote, to transfer money from the Stabilization Fund. A standing vote was taken, results: Yes 174, No 18. The substitute motion carried.

The Moderator declared a ten minute recess after which we would return to Article 10, Section 29, Police Budget.

At 9:35 P.M. the Moderator called the meeting to order.

29. For Police Department Salaries and Expenses	81,000.00
30. For Dog Officer	1,500.00
31. For Water Department, Salaries and Expenses	24,455.00
32. For Highway: Exclusive of Chapter 81 and 90	22,550.00
33. For Snow Removal	30,000.00
34. Tree Warden	1,000.00
35. For Town Forest Committee	75.00

36. Park Department Wages and Expenses	7,885.00
37. For Support of Local Schools, Salaries and Expenses	485,605.00
38. For Regional School District Committee, Operating and Capital Costs	584,500.81

The amount for the Regional School District was amended by William E Clarke, School Committee member, to read \$570,372.80 for Operating Costs and Capital Costs of \$17,972.20 for the King Philip High School and \$27,339.83 for the King Philip Junior High School, for a total budget of \$615,684.83, amendment seconded by Thomas Reynolds II. Mr. Clarke explained the need for the additional amount for the budget, and also requested permission of the meeting for Superintendent Charles Manos to speak for the purpose of further explanation and answering questions. The voice vote for this request was doubted and a standing vote was taken. Result of standing vote Yes 104, No 69. Mr. Manos was allowed to speak to the meeting, he also pointed out the need for the amended figure, advising the need for an amount of \$36,000. at the beginning of the year to carry for two months expenses. After the transfer of \$83,000. from the King Philip surplus, it left a little less than \$36,000. and the amended figure would be necessary for the town of Plainville's share of the King Philip Budget. It was pointed out by the Finance Committee, upon question by the voters, that the town could be liable to a suit by the School Committee, however, both Wrentham and Norfolk voted at their town meetings a reduced figure, and with the three towns voting in this manner, they would all be liable for a law suit. Mr. Lomasney pointed out that this could well be carried through until December of this year.

The question was called and the Moderator declared that the NO vote carried. This was doubted and a standing vote was taken. Results of a standing vote: Yes 55, No 131. The amendment was lost and the original figure recommended by the Finance Committee of \$584,500.81 carried.

Section 39. Industrial Development Commission	9.00
40. Planning Board	350.00
41. Conservation Commission	500.00
42. Civil Defense	1,000.00
43. Elementary School Expansion Commission	00.00
44. Personnel Board	150.00
Section 45. By-Law Review Committee	\$100.00
46. Industrial Development Financing Authority	50.00

The total amount of money, raised and appropriated or transferred under Article 10 was \$1,533,239.53, raised and appropriated and \$473.77 transferred total \$1,533,713.30, so voted, but not unanimously.

ARTICLE 11. Motion by George Pray and seconded by Robert E. Barney and unanimously voted that the town vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972, in accordance with provisions of General Laws Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 12. Motion by Gerard Jeannotte and seconded by Robert Barney that the town vote to raise and appropriate the sum of \$15,000. for a Reserve Fund to provide for any extra-ordinary unforeseen expenses as authorized by Section 6, Chapter 40, General Laws. Unanimously voted.

ARTICLE 13. Motion by Joseph Solitto and seconded by Gerard Jeannotte that "NO ACTION" be taken on this article. (Stabilization Fund). Unanimously voted.

ARTICLE 14. Motion by Everett W. Skinner and seconded by Robert E. Loew that the Town vote to accept the provisions of Chapter 90 of the General Laws, and the sum of \$3,550. be raised and appropriated for the Town's share of Chapter 90 Maintenance, and that in addition, the sum of \$7,000. be borrowed to meet the State and County's share of the cost of the work, and to authorize the issuance of bonds or notes of the Town therefore. The Moderator declared a two thirds vote would be necessary as the motion entailed borrowing. Result of standing vote: Yes 156, No 0. Unanimously voted.

ARTICLE 15. Motion by Everett W. Skinner and seconded by Robert E. Loew that the town vote to raise and appropriate the sum of \$4,750. to meet the Town's share of the cost of Chapter 81 Highways, and that in addition, the sum of \$9,900. be borrowed to meet the State's share of the cost of the work, and to authorize the issuance of bonds or notes of the Town therefore. Results of a standing vote. Yes 146, No 0. Unanimously voted.

ARTICLE 16. Motion by Everett Skinner and seconded by Robert E. Loew that the sum of \$12,050. be raised and appropriated to continue the laying out and construction on Messenger Street and George Street under Chapter 90 of the General Laws. The money to be raised as follows: \$3,050. the Town's share to be raised and appropriated by taxation, and the State and County's share of the work, \$9,000. to be borrowed, and to authorize the issuance of bonds or notes of the Town therefore. Results of standing vote: Yes 138, No 0. Unanimous vote.

ARTICLE 17. Motion by Robert E. Barney and seconded by Gerard Jeannotte that the Town vote to raise and appropriate the sum of \$11,000. for the purchase of a new truck and body for the Highway Department. Unanimously voted.

ARTICLE 18. Motion by David B. Lomasney and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of \$3,500. for the purchase of a new sander for the Highway Department, and unanimously voted.

ARTICLE 19. Motion by George Pray and seconded by Thomas Levis that the Town vote to transfer \$1,200. from the Road Machinery Account for the purchase of a new plow and frame for the Highway Department and unanimously voted.

ARTICLE 20. Motion by Gerard Jeannotte and seconded by Thomas Levis that Article 20 be accepted as printed. To accept Route 1A (South Street) from North Attleboro line (Station 390+90) to the Wrentham line (Station 517+90+) provided an adequate drainage system is installed as well as resurfacing and otherwise improve the road with the Board of Selectmen to approve the work upon its completion and accept it for the Town of Plainville. Under the discussion of this article it was pointed out by Mr. Skinner, Highway Superintendent, that the work would be done by the State and needed to be approved by the Selectmen before accepting this road. Route 1A is now considered a secondary road, and in time could be turned over to the Town without this work being done, and it would be to the advantage of the town to accept this article at this time. It would fall in the category of a Chapter 90 road with reimbursement coming from both the State and County. A voice vote was declared unanimous by the Moderator.

ARTICLE 21. Motion by Robert E. Barney and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of \$1,000. for the control of insects and Dutch Elm Disease as provided by Chapter 132, Section 14, of the General Laws, and to be expended under the direction of the Moth Superintendent, and unanimously voted.

ARTICLE 22. Motion by Joseph Solito and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of \$1,000. for the Conservation Fund to be used by the Conservation Commission for conservation purposes, including the purchase of land, and unanimously voted.

ARTICLE 23. Motion by David B. Lomasney and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of \$3,000. to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful Well Site, and unanimously voted.

ARTICLE 24. Motion by Thomas Levis and seconded by Joseph Solito that the Town accept this article as printed. To accept Valerie Drive, and Ellen Drive, only between Valerie Drive and Walnut Street and unanimously voted.

ARTICLE 25. Motion by Joseph Solito and seconded by Thomas Levis that the Town vote to authorize the installation of sidewalks on Deerfield Drive a distance of 250 feet northerly from Appletree Drive and on Pine-tree Drive 200 feet southwesterly from Appletree Drive, under the direction of the Highway Superintendent, and to transfer from the escrow account of Highland Meadow Park Section 1, the sum of \$1,500. for this purpose. Unanimously voted.

ARTICLE 26. Motion by Gerard Jeannotte and seconded by Thomas Levis that NO ACTION be taken on this article. (\$15,000. for the purpose of installing the necessary services and building or rebuilding of the following streets: Pinetree Drive, Azalea Drive, Oak Drive, and Birchwood Drive, as shown on Plan entitled "Seciton III Highland Meadows Park.") Unanimously voted NO ACTION on this article.

ARTICLE 27. Motion by Bruce Hastings and seconded by George Pray that the Town vote to accept Appletree Drive and Deerfield Drive and that part of Pinetree Drive of approximately 297 feet as shown on that plan entitled "Section 1 of Highland Meadow Park in Plainville, Mass., October 1961, Scale 1" = 40'. The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds, and further to accept Pinetree Drive as shown on that plan entitled "Section II, Highland Meadow Park, Plainville, Mass. January 1962, the W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds, being a distance of 125 feet more or less.

The same to be public streets for all purposes, and unanimously voted.

The Town Meeting was assured that this area accepted complied with the Town of Plainville By-Laws relative to streets, etc.

ARTICLE 28. Moderator Charles O. Peasley ruled NO ACTION on this article. (Accept as public ways Section III Highland Meadow Park, streets being as follows: Azalea Drive, Birchwood Drive, Oak Drive and

Pinetree Drive.) Unanimously voted. Does not comply with Town of Plainville By-Laws.

ARTICLE 29. Motion by Charles Mason and seconded by David Lomasney that NO ACTION be taken on this article. (\$2,500. for Conservation Commission for the purpose of surveying land of the Commission.) NO ACTION unanimously voted.

ARTICLE 30. Motion by Thomas Levis and seconded by David Lomasney and unanimously voted that the Town vote to raise and appropriate the sum of \$3,000. and to borrow the sum of \$9,000. to meet the State's share, for the purpose of the control of submerged vegetation in Turnpike Lake. As this included a motion to borrow, a standing vote was taken. Results: Yes 99, No 0.

ARTICLE 31. Motion by Reginald Keyes and seconded by Everett Skinner to "Lay on the Table". (Amend Zoning). Unanimously voted.

ARTICLE 33. Motion by George Pray and seconded by Thomas Levis that the Town vote to raise and appropriate \$80.00 to pay Mr. James A. Freeman, Civil Engineer for percolation tests, sewerage disposal design and inspection of construction for October 1969, on Hillside Road, three house lots for Albo Construction Co. (Alfred Bolduc) and one house on Bow Street for Alfred Bolduc and unanimously voted.

ARTICLE 34. Motion by Gerard Jeannotte and seconded by Thomas Levis that NO ACTION be taken on this article. (Transfer \$1,500. to be used to survey the Ten Mile River.) Unanimously voted.

ARTICLE 36. Appoint committees. Hear reports of committees. The following committees were voted for appointment.

Motion by William E. Clarke that the Board of Selectmen be instructed to appoint an Advisory Board consisting of nine members. The sole purpose of this board will be to advise the Plainville Members of the King Philip Regional School Committee where the people of Plainville would prefer to have reductions made in the school budget, this report must be completed by July 1, 1971 in order to be effective for the 1972-1973 school budget. Seconded by Robert M. Loew and unanimously voted.

Motion by Joseph Solito and seconded by Thomas Levis that the Selectmen appoint a committee of three (3) qualified persons to investigate the future use and/or disposition of the "Garford Property". Unanimously voted.

Thomas G. Reynolds III moved that the voters extend their thanks to the Board of Selectmen and Finance Committee for their work in preparation of the Town Meeting.

Moderator Charles O. Peasley thanked the counters for their fine work during the evening.

Motion by David Lomasney and seconded by George Pray that the sixty-sixth Annual Town meeting be adjourned at 12:00 o'clock midnight.

AUSTIN F. GRANT, Town Clerk

WARRANT

FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, OCTOBER 18, 1971

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate a sum of money to hire an architect to proceed with the plans for renovations to the Town Offices, Police Station, Highway Building and Fire Station, for the Municipal Building Committee, and to determine how said appropriation shall be raised, and to appoint a committee of Five (5) to work with the architect and follow through with the architectural plans, or do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to install Four (4) street lights on Mill Brook Drive, and to determine how money shall be raised, or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to transfer from available funds the amount of One Thousand Eight Hundred Thirty-Nine Dollars and Forty-One Cents (\$1,839.41) to the New Well Site Account, or to act in any manner relative thereto.

ARTICLE 4. To see if the Town will vote to adopt a Leash Law in the following manner or do or act in any manner thereto.

Section A. No person owning or keeping a dog within the Town shall permit it to go at large on any public ways, parks, playgrounds, school yards, or public properties or buildings, unless it is restrained or controlled by a leash of suitable material, and being not more than six (6) feet in length.

Section B. Any working dogs, such as police dogs, farm dogs hunting dogs, or watch dogs, shall be allowed to perform their necessary duties with the proper restraint and control as may be required by its master or person in whose charge the dog is so assigned.

Section C. Owners or keepers found in violation of this ordinance will be liable for a fine of not more than Fifteen (\$15.00) Dollars for each violation.

ARTICLE 5. To see if the Town will vote to authorize that a request be made to the General Court for passage of an act, providing for tenure in office to age 65 for Robert R. Faille, incumbent of the position of Police Chief for the Town of Plainville, or do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, Seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 7th day of October in the year of Our Lord one thousand nine hundred and seventy-one.

RAY P. FELIX

ROBERT W. ROOT

ROBERT E. LOEW

Selectmen of
Plainville

A true copy. Attest: Charles O. Peasley, Constable.

October 8th, 1971.

I hereby certify that the within warrant was posted in seven (7) public places in said Town of Plainville, seven (7) days before said meeting.

AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SPECIAL TOWN MEETING

October 18, 1971

TOWN OF PLAINVILLE, MASSACHUSETTS

A special town meeting was held in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts on Monday evening, October 18, 1971.

The Moderator called the meeting to order at 7:40 P.M. and the call of the meeting was read by Town Clerk Austin F. Grant. The Moderator appointed the following as tellers for the evening: Right side of the hall, Richard Cooper and Theodore A. Wickman, left side of the hall, Irving Henrich and Donald Cook. Town Clerk Austin F. Grant was appointed ballot box officer in the event of a ballot vote.

The bounds of the hall were declared to be the seats set up on the auditorium floor.

A total of one hundred and thirty-five (135) voters were present, having been checked into the hall by means of voting lists by Robert Keniston and Marion McCabe.

Under Article 1, the Moderator called upon the Municipal Building Study Committee to read its report. This report is made a part of these minutes and was read by Everett W. Skinner, Jr., Secretary of the Committee.

REPORT OF TOWN BUILDING ADVISORY COMMITTEE

TO: Plainville Board of Selectmen.

REFERENCE: Committee Report.

BUILDING FUND

We hereby submit the report of the Plainville Municipal Building Study Committee.

Our first meeting was held on Thursday, May 13th and it was agreed at this meeting to meet with the various Town Departments at individual meetings.

The departments concerned were:

1. Police Department.
2. Highway Department.
3. Fire Department.
4. Town Offices.

Due to the enormous impact of planning the future residence of the town departments, the study committee asked for and received the cooperation of the Southeastern Regional Planning and Economic Development District.

Mr. Alan Bowser acted as a representative of S.R.P.E.D.D. Mr. Bowser gave the committee splendid cooperation and brought back to his office the needs of our request.

Mr. Bowser and Mr. Yankopolous came to Plainville and reviewed our problems. At a later date, Mr. Bowser submitted to our committee a projection of the plant needs of each department that would meet its needs up to and including the year 1990 to 2000 A.D.

After a thorough study of the report, the planning committee came to the conclusion that the best and most economical presentation submitted and studied was Plan A of S.R.P.E.D.D.

We the committee, therefore, respectfully submit to the Plainville Board of Selectmen our unanimous decision on Plan A.

With the additional funding of \$131,000, the total inception of this plan can be achieved.

Respectfully submitted,

WARREN PAGLARI
Chairman of Advisory Committee

SOUTHEASTERN REGIONAL PLANNING AND
ECONOMIC DEVELOPMENT DISTRICT

68 Winthrop Street, Taunton, Mass.

To: Plainville Municipal Building Study Committee

From: Gus Yankopolous and Alan Bowser, Senior Planners

Date: July 22, 1971

Subject: Requested Analysis of Municipal Facility Plan Alternatives
and Costs

Final Report

The Plainville Municipal Building Committee was appointed for the purpose of recommending to the town plans for providing additional facilities for the housing primarily of Police and Town offices. Upon a request signed by Robert Loew, member of Plainville's Board of Selectmen, SRPEDD representatives have attended several meetings of the study committee, and on June 17, 1971, presented to that committee a Preliminary Report and Analysis.

After a field investigation by the SRPEDD Municipal Advice Staff, in conjunction with the Chiefs of Fire and Police, of the facilities under consideration, it became obvious that although primary consideration was to be given to the Town Hall and Police Department housing problems, other Town departments were to be simultaneously effected (namely Fire and Streets and Highways). It became the considered opinion of the staff that priority consideration should be given to the several departments as listed below:

1. Police Department
2. Fire Department
3. Town Offices
4. Public Works

A projection was then calculated of Plainville's expected population growth. The following data represents the outcome of that estimate:

1. Present — 4,953
2. 1975 — 6,100
3. 1990 — 8,400

Based upon this population projection, needs were projected and

facility accommodations to meet those needs were developed department by department The results were as follows:

Town Offices

1. Full time employees	11	1,900 sq. ft. office space
2. Large meeting room	30-40	580
3. Small committee room	15-20	300
4. Plus wasted space		566
	Total	3,336
	Round	3,400 sq. ft.

Police Station

1. Lock-up 4—6' x 8' x 8'	192 sq. ft.
2. Office (Chief)	100
3. Ident., Interro., Information	150
4. Squad Room, Meeting Room	120
5. Counter Area	80
6. Files	100
7. Halls	236
	Total
	1,000 sq. ft.

Fire Station

1. Full Time Employees	11	
2. Watch Office		225 sq. ft.
3. Office (Chief)		100
4. Dormitory (4)		300
5. Lunch and Kitchen		156
6. Locker Space		214
7. Toilets		120
8. Tower		99
9. Small Meeting Room		225
10. Shower Space		110
11. Wasted Space		152
	Sub-total	1,700
12. Apparatus Room		5,050 sq. ft.
	Total	6,750 sq. ft.

Public Works

1. Need	*5,500 sq. ft.
---------	----------------

(*—Equipment and maintenance storage)

The town has several options that it can exercise to meet the above cited needs that run the entire spectrum from providing newly constructed facilities for all, or limited renovation of existing structures to make the most efficient use of that which is already available. The intent of the following analysis and recommendation is to provide a framework by which other alternatives might be explored, and hopefully a mechanism by which a decision can be reached to alleviate the currently existing cramped quarters of Plainville's municipal departments.

Cost Estimating Procedure

Table I presents a summary of costs for facilities as applicable in the various plan alternatives. Appropriate techniques were used to arrive at costs using architectural standards, provisions for future expansion and growth (as stated earlier) and building construction cost data, for 1971, published by the R. S. Means Company. The costs as outlined are considered to be conservative and sufficiently accurate to provide an economic analysis of planning alternatives.

Table I
PLAINVILLE COMMUNITY FACILITY
PLAN ALTERNATIVES AND COSTS

Town Office Site			Garford Site	Town Garage Site	New Construction
Plan A					
Total Cost	Police Dept.	\$28,000	Fire Dept.	Equipment & Maint. Garage	
\$191,000	Town Hall	17,000	\$116,000	\$30,000**	-----
		<u>\$45,000</u>			
		10% for Planning			
Plan B					
Total Cost			Police	\$32,500	Equipment & Maint. Garage
\$212,100	Town Hall	\$33,600	Fire	116,000	\$30,000**
				<u>\$148,500</u>	-----
Plan C					
Total Cost	Police Dept.	\$32,500	Equipment & Maint. Garage		Town Hall
\$174,900	Fire Dept.	14,200	\$11,700	-----	\$116,500
		<u>\$45,700</u>			

* Recommended

** New Construction

Discussion of Planning Alternatives

Table I represents three facility plan alternatives including total project costs. Although several other possibilities were reviewed by the staff, they were eliminated because of economic or logistical incompatibilities.

Plan A (Recommended Option)

Relocate the Fire Department from the existing Town Hall site to the Garford building. Renovate and upgrade the Town Hall to accommodate both the Police Department and Town offices, and rebuild the Garford site to house a modern fire fighting operation. A newly constructed steel building would serve the street and highway department as an equipment and maintenance garage. (See Sketch Plans A, B).

1. Town Office Site

- a. Elements included for first floor Police Department renovation are: dropped suspended ceiling, security wall divider, lock-up, lighting, flooring, interior carpentry, electrical and wiring, and brick veneer front to include windows.
- b. First floor level renovations for Town office include: walls and folding partitions, dropped suspended ceiling, lighting, flooring, interior carpentry, electrical and wiring.
- c. Second floor level renovation for Town office space include: fire exit door and escapeway, interior carpentry, flooring, and insulation.
- d. Air conditioning would be provided throughout building by use of standing and/or window cooling units.

2. Garford Site

- a. Renovation to include: flooring with drainage, two motorized overhead doors, roofing, skylights, windows, new walling, heating and ventilating, carpentry and masonry, electrical, interior furnishing, exterior brick veneer.
- b. New construction to include an addition to provide 1700 sq. ft. of office space.
- c. A thirty foot tower.
- d. Landscaping.

3. Town Garage Site

A newly constructed rigid frame steel building with cement block foundation would provide needed equipment storage space, plus a maintenance pit. Included in the plan would be: a poured

cement floor, drainage, motorized overhead doors, windows, and all utilities. The new building would be placed in close proximity to the existing garage so that a connecting canopy could be built if desired.

Plan B

Relocate both Police and Fire Departments from the existing Town Hall (which would be used for Town offices only) to the Garford building, where accommodations would be built for a combined Police and Fire operation. A newly constructed steel building would serve the street and highway department as an equipment and maintenance garage. In addition to being the most costly alternative, the use of the Town Hall would be uneconomical due to the inefficient use and wasted space.

Plan C

Relocate Town offices to a newly constructed Town Hall, renovate and upgrade the existing Town Hall to more adequately house Police and Fire Departments. The Street and Highways Department would utilize the Garford building for equipment storage and maintenance. Even though this plan is the least costly in dollars, the Town Focal Point would be disrupted and the use of the Garford site uneconomic.

Discussion of Recommended Plan A

Plan Alternative A is considered by this staff to be the most practical and economical solution to housing Plainville's Town departments. This plan is closest to maintaining a focal point of town activity by maintaining the Town offices in their present location. Economic use of the Garford building only affords the housing of rolling equipment (hence the reason for discarding the possibility of combining Police and Town offices at the site), and would best meet the needs of the Fire Department. And since the Street and Highway Department is currently maintaining and intends to repair all its own vehicles in the future, a building needs to be constructed for extra storage space to include a maintenance pit.

Under **Plan A**, it is anticipated that facilities at each of the sites will be utilized to their planned potential as the population reaches 8,400 in 1990. During the 20-year interim period, each facility would have adequate space in which to expand to accommodate the rising demand for services. However, it is felt that if the Town Hall were utilized for the purposes of Town offices solely at this time, an uneconomic and costly use of the facility would result

ARTICLE 1. Motion by Everett W. Skinner, Jr. and seconded by Robert E. Loew that the Town vote to transfer from available funds in the Treasury, the sum of \$5,000.00 for the purpose of hiring an architect to prepare plans based on the report of the Municipal Building Study Committee and to have the Moderator appoint five (5) qualified persons to a Committee to be known as the Municipal Building Committee; said Committee having the authority to hire the architect and expend the necessary monies to obtain preliminary plans based on the report of the Municipal Building Study Committee.

Much discussion ensued on this report, the concensus of opinion being that by accepting the recommendation of the committee for Plan A it would be about two years before the Police Department could be moved to larger quarters and the Fire Department would have first preference. The Moderator ruled that the article did not call for any new construction, that it specified hiring an architect for preliminary plans and renovations to the Town Offices, Police Station, Highway Building and Fire Station.

An amendment was presented by Frank Buiting and seconded by Mrs. Lynn Reynolds specifying that "Plan B" be inserted after "report of the Municipal Building Study Committee".

By accepting Plan B it would make certain that the Police Department could be taken care of first and then progress could go forward to house the Fire Department in the Garford Building. This plan most closely follows the article as written, wherein any new construction would be in conjunction with the renovations to the Garford Building to house the Police and Fire Departments. Mr. Donald Carter called for the question. A secret ballot was called for and the voice vote on this was declared to be negative by the Moderator.

The voice vote on the amendment was doubted and the Moderator called for a standing vote. Result of standing vote: Yes 78 No 24. The amendment carried.

Before voting on the article as amended Mr. George Pray requested that Mr. Robert B. Loew, Selectman and member of the Municipal Study Committee give a summary of Plan B as outlined in the report, as some of the people did not understand what they were voting for. This was reviewed by Mr. Loew and Mr. Skinner, Jr.

Vote on amended article: The town vote to transfer from available funds in the treasury the sum of \$5,000. for the purpose of hiring an

architect to prepare preliminary plans based on the report of the Municipal Building Study Committee, specifically Plan B., and to have the Moderator appoint five (5) qualified persons to a committee to be known as the Municipal Building Committee; said committee having the authority to hire the architect and expend the necessary monies to obtain preliminary plans based on the report of the Municipal Building Study Committee.

The Moderator declared the YES voice vote carried. Not unanimously.

ARTICLE 2. Motion by David Lomasney and seconded by George Pray that the town vote to transfer from available funds in the Treasury, the sum of \$75.00 to install four (4) street lights on Mill Brook Drive. Unanimously voted.

ARTICLE 3. Motion by George Pray and seconded by Joseph Solito that the Town vote to transfer from available funds the sum of \$1,839.41 to the new well site account; \$840.59 from the Water Main Reserve Account, \$953.00 from the Water Extension Account, \$45.82 from Well #2 and Pumping Station Account. Unanimously voted.

ARTICLE 4. Motion by Mrs. Lynn Reynolds and seconded by Robert E. Loew that the Town vote to adopt a Leash Law. The Moderator declared a "NO" vote on this article.

ARTICLE 5. Motion by Robert E. Loew and seconded by George Pray that the Town vote to authorize that a request be made to the General Court for passage of an act, providing for tenure of office to age 65 for Robert R. Faille, incumbent of the position of Police Chief for the Town of Plainville. A voice vote was taken and the Moderator declared a "NO" vote. This was doubted and Mr. Reginald Keyes moved that a secret ballot be taken, this motion was seconded by Mrs. Grenith Rose and passed on a voice vote. Result of secret ballot: Yes 28 No 93. Motion defeated.

Before calling for a motion to adjourn, the Moderator thanked the tellers for their fine work during the evening. Mr. Francis Buiting moved that the meeting be adjourned at 9:15 P.M. and unanimously voted.

Re: King Philip Regional School
vs. Town of Plainville, et als

Dear Mr. Mason:

The Superior Court entered the final decree yesterday, June 1, 1971.
A copy is enclosed for your file.

Would you kindly insure that the Selectmen, Assessors and Treasurer
are properly notified since the decree provides for taxation in accordance
with G.L., Chapter 9, Section 23.

Very truly yours,

NEIL J. ROCHE

SUPERIOR COURT
IN EQUITY
NO. 103160

CHARLES F. WINTER, ET ALS

VS.

TOWN OF PLAINVILLE, ET ALS

FINAL DECREE

To The Honorable Justices Of The Superior Court:

Now come the parties in the above-entitled matter and upon agreement consent that a final decree be entered in the above-entitled matter as follows:

1. That the amount of money provided by the Town of Plainville for the support of the King Philip Regional District schools for the year 1971 as required by the General Laws, Chapter 71, was insufficient and that the deficiency therein was in the sum of \$31,184.02.
2. That the Respondents, Town of Plainville and its Treasurer, Selectmen and Assessors are hereby ordered to provide a sum of money equal to said deficiency, to wit: \$31,184.02.
3. That since this Final Decree shall take effect prior to the fixing of the annual tax rate of said Town, such sums shall be provided by taxation in the manner set forth in section twenty-three of Chapter Fifty-nine of the General Laws.
4. That the sum of said deficiency above-described, to wit: \$31,184.02 shall be appropriated by the Town of Plainville and added to the amount previously appropriated for the school purposes of the King Philip Regional District schools for the year 1971.

5. That the Petitioners waive any right to the collection of any further sums, penalties or costs.
6. That all parties hereto waive all rights of appeal.

By the Court,

(TOMASELLO, J.)

Report of Town Counsel

Board of Selectmen

Dear Sirs:

It was another busy year.

The following cases are still outstanding:

Nirvana Trust Vs: Town of Plainville

James Jenks Vs: Town of Plainville

Florent Baker Vs: Town of Plainville

Town of Plainville Vs: William D. Smith Estate — tax title foreclosure

During the year 1971, I attended meetings at the Board of Selectmen and many other Town Boards and Departments when requested. Throughout the year I rendered numerous legal opinions to various Town Boards, and Departments and assisted in the drafting of Town Meeting Articles, etc. I consulted with or was consulted by nearly every Town Department and advised on various instruments, etc.

In conclusion, I would like to express my gratitude to the Board of Selectmen for appointing me as Town Counsel and for their faith and confidence in me. I would like to thank the Selectmen and all Town Departments and Boards and Officials for the full cooperation during the year.

The year 1972 looks to be another busy year, town business increasing as the population and Town Departments work loads increasing making it necessary for the Town Counsel's work to increase.

Respectfully submitted,

CHARLES R. MASON

Town Counsel

Report of the Police Department

Honorable Board of Selectmen
Town Offices,
Plainville, Mass.

Gentlemen:

The Town of Plainville's Police Department had a very busy year in 1971 as you can see by the great increase in activity in our reports as compared to 1970. A check of our activities indicates a breakdown in respect for authority of any kind and today's society does not seem to be rebuilding this respect. We have had a great influx of criminals from other areas come into our Town because of its easy access and spread out area, and it is very difficult to come to satisfactory conclusions on crimes because of the size of our department, so the most we can hope for is a delaying action at present.

I would like to take this opportunity to thank your Board for its help and cooperation in all areas of this department but especially in getting the wheels rolling on new quarters.

I would also like to thank the Fire Department, Highway Department and all other departments and people that have assisted us in the past year to try and give the People of Plainville the best protection we could and hope that 1972 will see a continuing spirit of help and understanding with each other.

I want to take this opportunity to publicly thank and praise the men working for me in this department, because without their zeal this job would be impossible.

Sincerely,

ROBERT R. FAILLE
Chief of Police

TRAFFIC ENFORCEMENT ACTIVITIES

During the year of 1971 the Plainville Police Department issued 271 traffic citations for moving violations:

164 court complaints
84 written warnings
23 traffic arrests

During the year of 1971 the Plainville Police Department issued a total of 112 parking violations.

Dues	10.00
C.D. Police	72.50
Radio	480.00

Total Expended		669.95
----------------	-------	--------

Balance		\$330.05
---------	-------	----------

Although severely hampered again this year by a lack of funds, C.D. did make some progress.

During this year we continued training the Auxiliary Police force.

The Auxiliary Fire Department continued their training program during the course of the year.

We wish at this time to express our sincere thanks to all the other Municipal Departments for their help and cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT
Director

Report of Board of Health Agent and Sanitation Inspector

Soil investigation was made at each proposed building site for the suitability for installation of on site sewage disposal systems, design and final inspection before backfill was made, as well as progress inspections when indicated.

Standard bacteriological water analysis was made at Town Swimming Pool on weekly basis during season.

Inspection of eating and drinking establishments were made and bacteria swab tests of utensils used in serving public.

Laboratory analysis was made of milk and cream sold in Town on quarterly basis.

Complaints were investigated and resolved as promptly as possible. Advice given and sewage repairs designed on old installations as requested.

Respectfully submitted,

PUTNAM STEELE, R.S.

Board of Health Agent
Sanitary Inspector

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1971.

This represented the issuance of twenty-six (26) licenses. A call was made to each business with nine (9) dairies in Boston, Foxboro, Franklin, Attleboro, North Attleboro, Taunton, Pawtucket, R. I. and Lincoln, R. I. and to seventeen (17) local stores and restaurants.

Paid to the Town Treasurer from license fees the amount of twenty-six (26) dollars.

Respectfully submitted,

ROBERT C. KENISTON

Inspector of Milk and Dairies

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the Town of Plainville for the year ending December 31, 1971.

All monthly reports required by the State were sent to the Department of Health with the necessary information.

There were no reported slaughterings in the Town for the year 1971.

Respectfully submitted,

ROBERT C. KENISTON

Inspector of Slaughtering

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for the year ending December 31, 1971.

An inventory of all animals in the Town is now in the process and has not been completed at this time as necessary papers have not been received from the Department of Health.

Another year with a marked increase in dog bites with a showing of a 100% increase in the past two years. A total of thirty-five (35) dogs have been placed in quarantine, then released after inspection for rabies with two (2) separate reports for each bite sent to the Department of Health.

With Rabies outbreaks increasing, I wonder if we must have a fatality before we have proper restraint laws in Plainville.

Again this year, I note the number of dogs involved in bites that have not been properly licensed in the Town.

Respectfully submitted,

ROBERT C. KENISTON

Inspector of Animals

Report of the Gas Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Gas Inspector for the year ending December 31, 1971.

Fifty-one (51) Inspections Were Made		
Fees Collected		\$159.00
Paid to Town Treasurer		159.00
Appropriation		\$300.00
Expended: Salary	\$250.00	
Expenses	50.00	
Total	\$300.00	\$300.00
Balance		000.00

Respectfully submitted,

RUSSELL MULLIGAN
Gas Inspector

Report of the Plumbing Inspector

To the Honorable Board of Selectmen

Gentlemen:

Permit money taken in	\$321.50	
Money expended	300.00	
Balance		\$21.50

Respectfully submitted,

RONALD LaPORTE
Plumbing Inspector

Report of the Housing Authority

To the Honorable Board of Selectmen:

Hilltop Terrace has completed its second year of operation. Two vacancies occurred during the year and they were filled from our waiting list.

In January, Joseph A. Doiron resigned from the Authority and in March Rubena Cole was elected to fill this opening.

During the year maple trees were planted along the East Bacon Street side of the project and also walks and clothes reels were installed behind each building.

The Authority would like to thank the Plainville Lions Club, the local Church groups, the Womens clubs and the Girl Scouts for their thoughtfulness during the year. We also want to thank the Police, Fire and Highway Departments for their cooperation.

Respectfully submitted,

FRANCIS W. SIMMONS, Chairman
CLINTON E. BARTON, Vice Chairman
WALTER T. FINK, Treasurer
LeROY B. WILSON, Asst. Treasurer
RUBENA COLE
MELVIN F. DWYER, Executive Dir.

Norfolk County Mosquito Control Project

To the Citizens of Plainville:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1971.

Aerial larvicide	290 acres
Misting from trucks	2290 acres
Winter pre-hatch dusting	40 acres
Drainage ditches cleaned	1995 feet
Brush cut	1100 feet
Culverts cleaned	12 culverts

Respectfully submitted,

ALBERT W. HEUSER
Superintendent

Industrial Development Commission

To the Honorable Board of Selectmen

Gentlemen:

The Industrial Development Commission sees its major role as identifying the status of industry within the town in terms of actual activity, zoning, available land, resources and utilities, jobs in the community and the attitude of the townspeople toward existing and future industry.

We have, during the past year, listed and contacted each business within the town in an effort to encourage their continued property and assure them of our cooperation in possible expansion. We have investigated the availability of land within commercial and industrial zones of the town, cataloging each plot in a readily available reference. Inquiries have been received by the Commission concerning the location of several businesses and an apartment complex in our community. In each case, the real estate agent has seemed enthusiastic until utilities became the prime issue. Of particular importance, as you well know, has been our present water problem. This has brought us to a complete standstill in every instance of inquiry.

It has been brought to our attention that even existing water supplies are inadequate for the present demands. In view of this fact, we as a commission feel that our ability to function has become rather limited. We would like to point out that new industry and the jobs it may offer our citizens are of ultimate importance. Plainville does have land which, if not immediately made available for commercial development, might well leave us a target for lower income-producing ventures.

We have been charged by the Board of Selectmen with the obligation to fulfill certain duties which obviously cannot be met until such time as the aforementioned situation is remedied. We feel that we have accomplished all that can be expected under such limitations. We must now turn to you, the leaders of our town, to take the necessary action to open Plainville's doors to prosperity and progress.

Respectfully submitted,

CHARLES CHOMA, Chairman
DEWEY BEACH, Vice-chairman
ROBERT ROOT, Financial Coordinator
WENDY REYNOLDS, Secretary
CLAIRE HARRISON
THOMAS LUMNAH

January 25, 1972

By-Law Review Committee

To the Honorable Board of Selectmen

Gentlemen:

We hereby submit our annual report to you and the residents of the Town of Plainville for the year 1971.

As was hoped, the Committee delivered 300 copies each of the General Personnel and Building By-Laws updated to your office on October 5, 1971.

It will be noted that they are now in a new format. Along with this and the new indexing, it will be a much easier task to maintain their currency as they are changed.

Approximately one-half the original task of updating is now done for about one-third the \$1,000.00 allotted by the townspeople.

The remaining by-laws will be done as soon as is practical.

Our financial status for the year 1971 is as follows:

1970 Reprinting Appropriation	\$1,000.00
Expended in 1971	285.25
Continuing Balance	\$717.75
1971 Committee Appropriation	\$100.00
Expended in 1971 (Binders)	22.85
Balance Returned to Town	\$77.15
1971 Budget Request	\$100.00

Respectfully submitted,

BY-LAW REVIEW COMMITTEE

CHARLES PEASLEY, Chairman

DAVID W. KELLY, Secretary

CHARLES MASON

REGINALD KEYES

RAYMOND MILLER

Report of the Building Inspector

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Building Inspector for the Town of Plainville for 1971.

A total of 121 permits were issued at an estimated value of \$1,133,231.00, and fees turned over to the Town Treasurer total \$1,090.56

54	New dwellings	\$912,500.00
1	Garage remodeled in to dwelling	8,000.00
1	Dwelling moved onto new foundation	1,500.00
38	Additions, alterations and garages	83,480.00
7	Private swimming pools	18,065.00
1	Special permit for house trailer during fire damage repairs	1,000.00
3	Sheds and stable	1,300.00
2	Rooms in private dwelling converted to Beauty shops	2,000.00
3	New industrial buildings; this item includes a new Environmental Laboratory at Wentworth Institute	59,141.00
2	New buildings at Golf Club	22,500.00
1	Tennis Court at Turnpike Racquet Club	250.00
1	Addition to Restaurant	7,000.00
1	Repair to factory building	1,000.00
1	Replace old part of factory building with steel building	3,000.00
1	Building for Town Conservation Committee	200.00
1	Store building remodeled for lunch room	800.00
1	Building demolished in part and rebuilt for store	11,500.00
3	Old buildings demolished	

Construction has increased greatly during 1971. New Dwellings have been erected in all areas of town. Many remodeling and addition permits have been issued which is a good sign of progress for the town.

The Board of Selectmen appointed a committee to review the town building by-laws. After several meetings we presented the recommendations, which appear in the Warrant for the Town Meeting as amendments to the building by-laws, to the Board of Selectmen.

The members of this committee were William Hurkett, Warren Paglari, Charles R. Mason and myself. We feel these amendments are necessary to up-date our by-laws and ask for the sincere consideration of the townspeople at Town Meeting.

In October we were notified that a Standard Building Code had been adopted by the Commonwealth and was now in effect in Massachusetts.

My sincere thanks to Warren Paglari, Assistant Building Inspector, for his assistance during the year.

It has been my pleasure to serve as Building Inspector and wish to thank the Board of Selectmen and Health for the privilege of serving in this capacity. My thanks also to all town officials, townspeople and contractors for their cooperation during the past year.

Very truly yours,

CLINTON E. BARTON

Building Inspector

Appropriation		\$500.00
Salary	\$400.00	
Expenses	100.00	

Report of the Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the year ending December 31, 1971. All applicants for veterans services in 1971 were approved by the state commissioner of veterans' services. Fifty per cent of all monies paid to recipients by the town will be reimbursed by the commonwealth of Massachusetts.

Approximately 160 inquiries for veteran's services were received in 1971.

Respectfully submitted,

DONALD C. SOULE

Veterans' Agent

Appropriation	\$8,000.00
Expenses	200.00

SUPERINTENDENT OF SCHOOLS

Mr. William J. Costa
49 Forest Road
Millis, Mass. 02054

SUPERINTENDENT'S OFFICE

Mrs. Paul F. Sheehan	Mrs. Elton I. Franklin, Jr.
Mrs. Peter Kosten	Mr. William B. White

Regular meetings of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P.M.

Report of the Chairman

The past year has seen a complete change in the top level of administrators in the District. In February Mr. Robert J. O'Donnell became Principal of the High School. In July Mr. William J. Costa became Superintendent of Schools. In September Mr. Antone S. Cabral became Director of the Vocational High. In November Mr. Samuel P. Strickland became Principal of the North School. The Committee is confident that these gentlemen will actively direct the educational programs of the District toward meeting the rapid changes occurring in today's society.

Collective bargaining results during 1971 were believed to be equitable to all parties. For 1972, however, the Committee anticipates considerable difficulty in determining how the Phase II guideline of 'not more than 5.5%' relates to the various salary schedules in a fair manner.

A most important problem facing the Committee will be to make a decision early in 1972 concerning the next step of its building program. One of the following alternatives will undoubtedly be presented to the Towns for consideration.

1. An addition to the present North building in Norfolk.
2. An addition to the present High School building in Wrentham.
3. A new building on District owned land in Plainville.

The Chairman respectfully requests that the Townspeople take every available opportunity too discuss these choices with their Committee Members.

Respectfully submitted,

CHARLES F. WINTER, Chairman
King Philip Regional School District Committee

Report of the Superintendent of Schools

1971

It is with pleasure that I submit my first annual report as the Superintendent of the King Philip Regional School District.

A new Superintendent is an unknown quantity to most of the parents and they express a natural interest in his educational philosophy because it becomes a part of the philosophy of the system where their children are educated. In brief, it is my desire to work with the total school staff to develop a school environment that is effective academically and efficient economically.

To be effective academically a school must be prepared to meet the changing needs of students. This implies that we must continually evaluate, modify or eliminate existing programs as well as to add well-conceived innovations of substantial educational value.

Presently we are planning and will have in effect on or before September, 1972 several new or improved programs:

- (1) Independent study at the junior and senior high schools utilizing school and community resources
- (2) Quarter year and half year length courses for subject matter that can be taught in that time span
- (3) The selection of alternative courses within the same subject matter area to satisfy course requirements
- (4) The removal of prerequisite courses where sequence is not necessary
- (5) Provisions for students to attend additional courses without grading (auditing)
- (6) Pass-fail grading in areas in which it is more significant than letter grades
- (7) An increased number of students in work-study and co-operative programs (earn while you learn)

(8) A Distributive Association course in marketing and merchandising as an additional occupational co-operative program

A unique feature is the substitution of college level courses from the local community college or any other accredited institution in lieu of equivalent high school courses for both high school and college credit. Another change of great assistance to many students is a change in the vocational school curriculum making the grade nine curriculum exploratory in nature thereby allowing prospective students to take their time in selecting a vocational program rather than moving into one immediately upon their arrival at the high school from the junior high school. The junior high school will offer typing, an independent study pilot program and a careers development information program to improve students' knowledge of trades and professions thereby forming a better background for making future choices.

Increasing the amount of choice and the number of options available to students does not mean increasing costs. For instance, it is possible to offer five different grade twelve social studies courses in place of five sections of the same course. It is a test of ingenuity, interest and enthusiasm of the teachers and students. I feel that both are more than equal to the challenge. Federal funding is also very important. A substantial part of our summer reading-mathematics program (100%), distributive education program (75%), purchases of educational equipment (50%), junior high school typing (100%), library assistance (20%), junior high school careers development program (100%) and many others presently in effect have been financed by the pursuit of federal/state funding by the teachers and administrators. We expect to expand the acquisition of these funds.

Our ultimate goals include the provision of educationally sound and relevant options for those who want further education, a terminal occupational curriculum or career development programs leading toward future selection of careers through experience in career areas.

We have a present need for additional housing at the senior high level. The school committee is carefully investigating several possibilities before

determining which one best meets the criteria of satisfying the needs of the educational program of the future and the economical use of the public's funds.

It is our intention to constantly advance the quality of education in the District by making changes based upon the needs of youth and sound educational principles. It will be accomplished through a strong diversified curriculum well-taught to receptive youngsters by highly motivated teachers.

I would like to express my sincere appreciation to all of those who have contributed to the quality of the District schools — students, parents, the school committee, teachers, counselors, administrators, office staff, custodians and cafeteria workers. Each has made a contribution which would be sorely missed if it were not for their desire for excellence in their school system.

Respectfully submitted,

WILLIAM J. COSTA

Superintendent of Schools

Report of the Principal

I hereby submit my first annual report as principal of King Philip Regional High School.

Two concerns have received paramount attention during this year: the problems of space and curriculum revision.

For the past several years we have been utilizing conference rooms, a bus lobby, music room and storage rooms for professional purposes in order to accommodate a growing student population. Additional students have taxed our cafeteria to the utmost. This year we have had to create a fourth lunch period, an arrangement which has placed additional burdens on cafeteria personnel. We are very appreciative of the cafeteria workers who have accepted the additional strain graciously.

We do feel that the lack of space has hampered our educational offerings in a number of subject areas. There is need for more room in core facilities such as the cafeteria, library and gymnasium. Additions of vari-sized classrooms would allow us flexibility in allocating instructional space and providing significant elective courses.

The popularity of courses in home economics, art and industrial arts call for additional space. The lack of adequate room has severely hampered their programs, limiting the number of students in the courses and the frequency with which the classes meet.

Despite the restrictions of space we are implementing innovative programs within our present building to accommodate the changing needs of our students. Planned semester additions to our English, mathematics and social studies departments will add flexibility for our students to make a wider choice of programs more consistent with their interests.

Within present courses there has grown a realization that there should be an upgrading of content to reflect fully the best of modern thought. English classes have added units geared to contemporary thinking; social studies classes have introduced topics which allow students to explore problems such as ecology, modern political thought and evolving social issues. The science department has expanded its program in environmental science and the mathematics department has focused attention on the growing needs of terminal students to acquire the basic mathematics required for entry jobs in business and industry.

Sidney Marland, the Commissioner of Education, has focused attention on the need for more career information at all educational levels. It is his feeling that every student should be prepared at the end of his formal public schooling to enter college or the labor market with a saleable skill. This is a viewpoint with which we wholeheartedly concur.

Two programs currently operative in the high school are consistent with the philosophy of Commissioner Marland. The work/study program and the cooperative office education program provide opportunities to students to work under the supervision of Mr. Robert Browne and Mr. John Robbins, respectively, in order to develop valuable job experience.

In September we hope to offer a distributive education program which will prepare additional students for responsible positions in the retailing, marketing, merchandising, advertising and transportation fields. The long-range plans for distributive education will include the placement of students in jobs during the school day to permit acquisition of skills in the retailing field. Job placement will be preceded by a two year orientation course to help students learn the broad spectrum of vocations from which they may choose.

It is hoped that the distributive education course will meet with the same success as the cooperative office education program. This latter phase of the business department has been funded by the federal government to the amount of \$50,000. The equipment purchased with these funds has contributed immeasurably to the success of the program.

Other departments have begun to reinforce the need for more student career information. Our English and social studies departments are offering course content exploring professional fields to emphasize the need for students to widen consideration of vocational alternatives. The guidance department has expanded its occupational education resources so that students may explore possible career choices to greater depth.

Every ten years member institutions of the New England Association of Schools and Colleges undergo an evaluation process in order to retain membership in this prestigious organization. Membership in the Association assures colleges that our students are matriculated at an accredited secondary school. Since the New England Association is the only regional accrediting body, continued membership is vital to the acceptance of our students in colleges of their choice.

Association standards, however, do not concern themselves exclusively with the needs of the college preparatory students. Indeed, a stringent requirement for membership is that there be significant courses for the full range of students from special education to the academically talented who attend our school.

The visit by the Association is preceded by a year-long self-evaluation by the faculty and administration in order to prepare ourselves for inspection by the visiting committee.

Since we shall be evaluated by the Association in April we have been reviewing our offerings, both curricular and extra-curricular, to ensure that our programs are consistent with the evaluative criteria of the Association.

We wish to thank the School Committee for allowing two half-days each month for the self-evaluation process. The faculty has found the task to be difficult, time-consuming but of immense professional value. We are certain that our programs have already profited from the searching review that we have been conducting since last spring.

I am grateful to the School Committee, Mr. William Costa, Mr. William White and the faculty of the high school for the complete support they have given me in my first year at King Philip.

Sincerely,

ROBERT J. O'DONNELL
Principal

King Philip Regional School — North

I herewith submit my First Annual Report as Principal of King Philip Regional School — North.

Upon my arrival the third week in November I was particularly impressed with the educational opportunities offered to the Junior High School students in the District. As we were approaching the end of the first term, I found the curriculum well in-hand, the students settled and actively engaged in their daily routines, the faculty organized and capable of handling their assignments and the physical appearance of the school in excellent condition. Through various discussions with the Administration, Guidance, Department Coordinators and the Faculty, I became aware of the procedures and progress accomplished during this past year.

To mention a few of the innovations which were initiated I would make reference to: the establishment of a complete Reading Program consisting of a laboratory, tutorial and classroom experience for all students not taking French; A.L.M. (Audio-Lingual Method) French Program was just recently introduced to provide continuity between the Junior and Senior High School French Courses; a new Course, I.I.S. (Ideas and Investigations in Science), has been instituted at the 8th Grade Level structured to encourage the involvement of every student so that he may see clearly what he is expected to learn through the use of the laboratory; through an evaluative assessment in the Spring of 1971 the need of a new service was discovered. Commencing in September a Learning Disabilities Teacher was added to the Staff at King Philip — North to work in tutorial sessions with those students who are in need of remedial training, perceptual activities and distractibilities which might interfere with their learning capacities.

In order to summarize briefly other educational changes and offerings initiated for our students at King Philip — North, I have incorporated the following reports from our Department Coordinators:

LANGUAGE ARTS — Miss Mary Kelleher, Coordinator ,

English — The emphasis in the English Curriculum is placed on an understanding of the application of grammatical concepts, vocabulary development and spelling in an attempt to improve oral and written expression. Students are given the opportunity to improve both written and oral communication through book reports, paragraph and composition writing, oral talks and discussion. An exposure to the various forms of Literature and a critical approach to these works are also integral parts of the Curriculum.

French — The French Department offers one level of French taught in two years with emphasis on speaking, listening comprehension, reading, writing and culture. The Language Laboratory is used to improve individual speaking and listening abilities. The Junior High School Program is the first level in a continuous French Program to be completed at the High School.

Reading — The Reading Program at the Junior High School is divided into three phases: Developmental, Corrective and Remedial. It utilizes a variety of Reading Machines as well as a vast amount of standardized and teacher-prepared materials in order to meet the individual needs of the pupils. The goal of the Program is to help each individual to reach his highest level of attainment in Reading.

MATHEMATICS & TECHNOLOGY — Mr. William Skulley, Coordinator

Mathematics — The Mathematics "year" started with an intensive review and/or refresher of the four basic operations of whole numbers, fractions and decimals before moving on to Mathematics more in fitting with the pupils' grade level, i.e. Modern Math and Algebra. Programmed Algebra Texts continue to be used and is in year two of a three year study.

SCIENCE & HEALTH — Mr. Luis Nosiglia, Coordinator

Science — New laboratory equipment and an experimental Program of Studies, utilizing a number of notebooks designed for developing concepts and for conducting investigations, have been purchased for non-college bound students. If successful, these workbooks will be substituted for hardbound texts. I.P.S. continues to be taught to our students who desire to continue their educations beyond high school.

CULTURAL STUDIES — Mr. Hugh McComb, Coordinator

Cultural Studies — This year in Cultural Studies we are concentrating on four areas — the Middle East, Russia, Africa and Latin America. In each area we are going into more depth taking into account the physical and cultural forms along with the ideological and sociological aspects of the areas. To enrich the Program we have added more film-strips, tapes, magazines and paperback books on various Countries. In Grade Eight United States History we cover the period of time from early exploration to the early Twentieth Century. Greater emphasis is being placed on Negro-American History, Current Events and World Affairs.

Future Programs — In January a Program concerning Drugs, Alcohol and Tobacco, sponsored by the Norfolk County District Attorney's Office in conjunction with the Police Departments of Norfolk, Plainville and Wrentham and the Faculty at King Philip — North, will be introduced for the benefit of our students. This Program has been carefully planned by all of the Personnel involved and it will commence in January with a Faculty Meeting to be followed by a Parents' Night and conclude with student group sessions.

In the Spring we will institute another series of group meetings concerned with "Occupational Information." Our Guidance Department will meet with all of our students to discuss, explain and introduce the various occupational opportunities open to them. The following topics are planned: Overview of Occupations, Jobs That Do Not Require Further Education and Jobs That Require Further Education.

Because of overcrowded conditions at the High School in September the College Prep students in Grade Nine will be housed at King Philip — North. Their Program of Studies will relate to the present Program as offered at the King Philip Regional High School. All Courses and Electives will be included in our Program.

Conclusion — I would first like to express my sincere thanks to Mr. William J. Costa, Superintendent of Schools and Mr. Anthony J. DiRe, Assistant Principal at King Philip — North, for their hard work and forethought in planning the Educational Program for this past year. Upon my arrival at King Philip — North I have found a great deal of evidence supporting this fact. Much credit is to be given to our Secretaries, Mrs. Mildred Hill and her able Assisitant, Mrs. Dorothy Mitchell, for their efficiency in our School Office.

The Staff is well trained and they are specialists in their areas. Most of them have done graduate work in their particular field. No school can function properly without competent and cooperative teachers and I feel that our Faculty is functioning extremely well. They have pride in their school and this is evident at all times.

We are looking forward to a continuing successful school year with a future that will enhance the quality of education for your young people in the District.

Most sincerely,

SAMUEL P. STRICKLAND

Principal

Report of the King Philip Regional Vocational High School

Annual Report of the Director—1971

On June 6, 1971, the Vocational House Building Program's annual open house was held at the site on Myrtle Street in Norfolk. The eleventh house, in the series of houses constructed for residents in the Region, is owned by Mr. and Mrs. Louis Candella. The event was well attended and many favorable comments were received. Currently the students are occupied with the construction of house number twelve on Valerie Drive, in Plainville, for Mr. and Mrs. Alfred Felici.

The Class of 1971, counted, among its members graduating on June 8, thirty students from the three vocational programs: Machine Shop Practice, House Carpentry, and Home Economics.

In August, Mr. Preston Titus, Director of Vocational and Adult Education for the past thirteen years, retired. Mr. Titus' tenure was characterized by a genuine interest in the educational needs of the non-college bound student and a dedication to help satisfy those needs. His leadership in this field of education will be greatly missed.

The school year 1971-1972 opened with an enrollment of one hundred boys and thirty girls. The thirty girls are in the high school vocational home economics program.

It has been said that vocational education is the right of everyone who can profit from it and in no way should it be limited or denied. The citizens of the King Philip Regional School District can justifiably feel proud of their response to this concept. For more than a decade, the King Philip Regional Vocational High School has made available to the youth in the area, the opportunity to acquire the specific knowledge, skills, and attitudes for mastery in Machine Shop Practice and House Carpentry. The Vocational House Building Program, has been, and continues to be, one of the finest in the state. The success of the Machine Shop graduates speaks for itself.

The time has come, however, to consider a greater effort in this special area of education. More young people must be prepared for successful, initial-entry into the skilled occupation of their choice, while many more must, at graduation, possess the competency to become employed, contributing members of society. Hopefully, this will be accomplished in two stages. For the present, as the result of the

exploration for ways to maximize the number of vocational offerings at King Philip, and for the future, through the construction of the Bristol-Norfolk Regional Vocational Technical School, whose planning committee is once again active and working diligently to bring the ten-community enterprise to fruition.

I look with confidence to the residents of the region, and the area, for support and encouragement as we strive to produce occupational education programs which will accommodate the needs and interests of those students who will terminate their education at the secondary level.

In conclusion, I wish to express my appreciation to all who helped make 1971 the successful year that it was.

Respectfully submitted,

ANTONE S. CABRAL, Director

Adult Education Yearly Report

This year the enrollment will be in excess of four hundred students in the various classes being conducted at the King Philip Regional High School, Vocational School, and King Philip Regional School—North.

There are twenty-three instructors teaching thirty-four different classes, and classes are being held four evenings each week. The length of classes range from six to twenty-five weeks, and are from twenty to one hundred fifty clock hours duration. Students successfully completing a class are issued a certificate of achievement.

This year the evening courses are divided into the following three different classifications:

I. Vocational Apprenticeship:

Courses are being held for apprentice machinists and apprentice bricklayers. These courses are for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

II. Vocational Practical Arts:

These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral craft and decorations, cake decorating, draperies and bedspreads, and interior decorating.

III. Academic Classes:

The classes being held this year are in typing I and II, painting, tennis I and II, golf, safe boating, woodworking, high school equivalency preparatory, office machine, German, gymnastics, and speedwriting.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Bureau of Adult Education and Extended Services High School Equivalency Certificate Program, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

JOHN ROBBINS, Director

Report of the Director of Guidance and Pupil Personnel Services

1971 has been a fruitful year for this department. Our efforts have been focused on three areas of interest — first and foremost, the improvement of existing services; secondly, expansion of services in guidance and special education, and thirdly, investigating and planning programs that will be of service to the students of the district.

The King Philip Regional High School is presently going through the process of self-evaluation and reaccreditation under the guidelines of the National Study of School Evaluation. This evaluation should be helpful in establishing our strong areas and pointing out any weak spots. We are attempting to improve our services by having district meetings in guidance and special education which should lead to improved communications and understanding of each other's role in these areas. We have recognized our weak areas, such as lack of physical space in the high school guidance office, and are making every effort to compensate for this problem. Records storage and retrieval are becoming a great problem and, with the cooperation and assistance of the school's administration, systems are being designed to eliminate this problem.

In January, 1971, we became involved in a community service program with members of the staff of the Medfield State Hospital. The outgrowth of this program has been a local mental health clinic — The Norfolk-Medfield Clinic — which uses the high school guidance office on Tuesday evenings from 5:00 to 10:00 P.M. This clinic is independent of the school and is for the residents of the area who feel the need to discuss their personal or home problems with a professionally trained counselor. There is no cost to either the client or the school.

The various publications and research projects conducted annually have been continued and distributed to the appropriate staff members. The work-study program for special education students has met with good success. The efforts of the junior and senior high school special education staff to improve communications with state referral agencies has been commendable. A close liaison has been established with the families of these students through home visits by all personnel. Speech therapy at both schools is an on-going professional service that is excellent. I do see a need to expand this service in the near future, particularly at the junior high school level. Professional literature and speech consultants agree that speech problems can be better resolved if more time and effort is

expended at a younger age. We are presently enrolling students in speech therapy on a priority of need basis and it would be more beneficial if all students with a need could take advantage of this service.

The services of our school nurses are outstanding. Mrs. Webb and Mrs. Mulligan certainly assist the total staff in the understanding of the health needs of the child. They participate in case conferences on students and assist in counseling students, along with their many other duties. I feel that their professional services are of great benefit to all students and their parents.

The second area of importance has been the expansion of guidance services at the high school. The addition of Mr. Robert Doherty and the resultant reduction of the counselor-pupil ratio to 1 to 280 this year, has permitted more time to be spent with each student. It is particularly noteworthy that at both the junior and senior high schools, many of the students visit the guidance office on their own to use the educational and occupational information library and to talk with the counselors.

The addition of Miss Joan Donahue, Learning Disabilities Teacher, to the Junior High School staff is another effort on the part of the administration and school committee to provide assistance in areas of student need. Miss Donahue's program is primarily tutorial, based on the recognition of the students' singular learning problems. Recognition is accomplished by testing, using conventional instruments, recommendations by classroom teachers, and observation of the students. Teaching is focused on the problems of the students and considerable effort is expended by the teacher in trying to provide a success-oriented learning experience for the child. Miss Donahue is encouraging close parental interest and involvement in the activities of these children.

The occupational information service at both junior and senior high schools has been expanded through the purchase of the Chronicle Occupational Information System. This system is a data retrieval system whereby students can select occupational fields based on their interests, academic preparation, likes, dislikes, physical characteristics, and skills. This will be an excellent supplement to our occupational information libraries of pamphlets, books, monographs, and tape recordings that are already being used.

Future plans include more occupational information programs at both junior and senior high schools. These are tentatively planned around small group meetings. At the junior high school, they will be focused primarily on orientation and exploration of a variety of occupational fields. At the

high school, this occupational information program will be more student-interest oriented. The program will also include information on job requirements, future outlooks in job areas, how to obtain jobs, and, most important, correlating the person and his goals to the world of work. Programs will be offered based on a survey of students' interests. The Northeastern University Career Forum program has been used for the past ten years, but we shall make every effort to supplement this program by enlisting community support and participation. Another aspect of the high school occupational program will be initiation of a student advisory group. It seems logical to have the students we seek to assist in their developmental years contribute their thoughts and recommendations on how to improve the services of the guidance department.

CONCLUSION:

1971 has been a good year in many ways; however, it has provided its frustrations. The single most important frustration is the lack of space in the high school guidance office. This office is taxed to capacity. There are no rooms available for college representatives or business personnel managers to meet with students, students' records are inaccessible to teachers because they are stored in four different offices, the educational and occupational information library cannot be expanded, there is room for only five students to read these materials at any one time, and there is no room for an additional clerk to handle records.

I certainly appreciate the cooperation and assistance of the School Committee, Administration, and Staff.

Report of the School Committee

The year 1971 brought many fine opportunities to the Plainville Elementary School system, its pupils, teachers and administration. Modular grouping and scheduling were continued to aid pupils in attaining their potentials. This program will receive the further strengthening it needs in 1972.

A new penmanship system was adopted and implemented this year. The Math curriculum committee presented its first report and recommendations to strengthen this program. The final report will be completed in 1972. The School Committee completed its revision and updating of the policy manual. The learning disabilities program was strengthened in 1971 and will be further strengthened by additional staffing in 1972.

A new program, released time, was adopted this year. This program provides the teaching staff with two half days per month to examine curriculum, new programs and teaching effectiveness. In addition, this program provides time to the staff to coordinate the programs in the local schools and time for the administration to coordinate programs with the other schools in our district.

The total elementary school budget continues to increase each year due to increasing salaries, staff expansion and increased operating costs. However, increasing state aid has kept the net cost to the town relatively stable. The figures below indicate the state aid (estimated) for the elementary schools only and the net operating costs. The state aid figures do not include transportation reimbursements.

	1969	1970	1971
Total Budget	\$374,190	\$434,763	\$485,605
Est. State Aid	67,059	127,316	173,901
Net Cost	\$307,131	\$307,447	\$311,704

The school committee urges all members of the town to take an active roll in the schools, especially by attending school functions, and assisting as room mother and aids, library helpers and in any other

manner possible. The committee appeals to all parents to "know your schools" and its personnel. Only through the mutual cooperation of the home and the school will your children develop their social, emotional, and scholastic potentials to their maximum.

The committee wishes to extend thanks to all those associated with the schools, including the town departments for their cooperation and assistance during the past year. We thank especially the P.T.A. and those who helped as room mothers, and as aides in special classes and those who assisted in the library program.

Respectfully submitted,

BRUCE A. HAYES, Chairman
SALLY ROBERTS, Secretary
RAYMOND ANNIO
ELMA M. UNDERHILL
THOMAS LEVIS

Report of the Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my twelfth annual report.

Introduction

Most items listed in their report are matter of record for future reference or for comparisons with other years.

Enrollment

Figures are as of October 1, 1971. Total enrollment was 767, with 539 at the Elementary School and 228 at the Jackson School. This compares with 776 a year ago.

Teaching Staff

Mrs. Catherine Plante replaced Mrs. Phyllis Martin on January 4, 1971, and Miss Anne Sullivan replaced Mrs. Barbara O'Hara on January 18, 1971. Miss Ann Spellman became Special Class teacher, replacing Mrs. Betty George, and Mrs. Nancy Bellavance was added as a new fourth grade position with the beginning of school in September 1971.

School Facilities

All twenty rooms at the Elementary School and all ten rooms at the Jackson School are used, as follows:

	Elementary School	Jackson School
Kindergarten	2	0
Grade 1	3	1
Grade 2	3	1
Grade 3	3	2
Grade 4	3	2
Grade 5	1	2
Grade 6	5	0
CRAM	0	1
Special Class	0	1

Also, the all-purpose room at the Elementary School has been utilized as a classroom for the 1971-72 school year. This is not because of overcrowding but is to better organize the pupils.

Federal Programs

1971 Federal Fund totals were: Title I, ESEA, \$8,570; Title II, ESEA, \$1,083; Summer Head Start, \$5,314; NDEA, \$1,341.45—TOTAL \$16,308.45.

State Aid

A change in the State Aid formula will benefit the town in 1972. Aid under Chapter 70 in 1971 was \$332,347.60. Receipts and estimates are listed elsewhere in the Town Report.

Lunch Program

There has been no major change in the lunch program this year but the trend is toward a breakfast program and lunch services available for elderly people. If there is a need or demand for these added programs, they may be provided at little or no cost to the town.

Custodians

No changes were made in personnel.

Emphasis continued on learning disabilities and modular grouping and scheduling. The major change has been release time on the first and third Wednesdays each month for teacher workshops. All schools in the Region have this arrangement now. Topics covered in Plainville to date are:

September 8—Behavioral Objectives

September 15—Behavioral Objectives

October 6—N.D.E.A., New England Film Service

October 20—Macmillan Handwriting

November 3—Varied projects

November 17—"Talking Page"—Jackson School

Cutler Clinic—Elementary School

December 1—Varied projects

December 15—Hyperkinetic child

These workshops will be constantly evaluated, and if they are not productive they will be discontinued.

Conclusion

The 1971 year has been one of change. Regional coordination has been advanced. Modular grouping is becoming established but modular scheduling will take more time. New media is used more and more in the classroom and teachers are more aware of different learning patterns in children.

Respectfully submitted,

CARL W. GREEN,
Superintendent of Schools

Report of the Principal of the Plainville Elementary School

Dear Mr. Green:

I respectfully submit this fifth annual report to you as Principal of the Plainville Elementary School.

Kindergarten

The school year ending June 1971 was most significant for the Town of Plainville in that the first year of public Kindergarten was completed. Early childhood education has been the focus of much research and assessment by concerned individuals and groups, and the overwhelming evidence supports the many positive advantages that accrue to children who have attended Kindergarten.

Plainville should feel especially fortunate in that they are one of the few towns in our general area that do provide Kindergarten education. The observations of our first grade teachers have indicated that the Kindergarten has been a tremendous help in preparing the children for their first grade learning experience.

In-service Workshops

In the fall of 1971, Plainville initiated teacher workshops scheduled for the first and third Wednesdays of each month. Children are released early on these days, and the teachers are involved with activities appropriate to their grade level or subject area. The other towns in the region are on the same schedule, and this has afforded the opportunity for many meet-

ings between teachers in the region, with the purpose of exchanging ideas and discussion of programs which would be mutually beneficial. Formally coordinated activities are planned for 1972, especially in the areas of Art, Music and Physical Education.

The administrators in the region have continued to meet on a regular basis for purposes of greater coordination.

Curriculum

Continued emphasis toward development of modular grouping and scheduling has taken place, but progress has been limited due to the complexity of this concept. Hopefully, greater progress will be shown in the coming year as those factors necessary for its implementation become clearer.

In order to facilitate the modular process, many instructional aids have been purchased and the teachers have been utilizing them.

In grades 4, 5 and 6 the teachers have been utilizing modular learning units entitled "Investigating Man's World." The Social Studies disciplines of anthropology, economics, geography, history, political science, and sociology are covered in this series.

The new reading program ended its first year of implementation utilizing the tri-basal approach. Mrs. Carpenter should be again extended our appreciation for their efforts in coordinating this program and providing her expertise in advising the staff concerning questions relative to it.

Penmanship

Starting in the fall of 1971, the Plainville School System initiated a new penmanship program, "Adventures in Handwriting", distributed by the Macmillan Company and developed by The Peterson System, Inc., one of the foremost handwriting consultant and publishing firms in the country.

Prior to adoption of this system a committee of teachers, administrators, and Mrs. Underhill of the School Committee, evaluated various programs and decided on The Peterson System for our purpose.

The entire teaching staff of both schools have been utilizing the system on a regular basis. In the fall, a workshop was conducted to iron out any questions the teachers may have had concerning the program. The system will be continually evaluated for purposes of effective implementation and for the prime objective of improving the handwriting skills of our youngsters.

Learning Disabilities

During 1971, we provided greater in-put in the area of Learning Disabilities than ever before, and it is evident to us that we need even greater emphasis in this area for the future.

Mrs. Reynolds has been working full-time in this area, along with speech therapy, and Mrs. Carpenter has provided help at the upper elementary level.

Along with the aid of the above-mentioned specialists, many teachers have become increasingly sensitive to the learning-disabled child. They have attended lectures, seminars and taken courses which deal with this problem and its many aspects. From my personal observation, we compare very favorably with other communities in attempting to handle this complex situation.

Conclusion and Acknowledgements

This has been a year of change and progress at the Elementary School. The teachers have continued to exhibit a sincere dedication with regard to their professional roles. Many have availed themselves of the various avenues of professional improvement offerings and it can be said that they are truly committed to "their" children. For this, and their help and cooperation throughout the year, I wish to thank them.

Further, my thanks to Mrs. Pray, our school nurse, Mrs. Lunn, our secretary, Mr. Pothier and the custodial staff, and Mrs. Snell and the lunchroom personnel.

I would also like to extend my thanks and appreciation to all town departments for their involvement and help with the operation of the school program.

To the volunteer mothers, under the direction of Mrs. Watson and Mrs. Weaver, I wish to extend my thanks and appreciation for their efforts in operating the school library, and also to the Parent-Teacher Association for their contribution to the school program during the year, I wish to express my gratitude.

It has been very gratifying to have worked with Mr. Cashman and his staff at the Jackson School, and I wish to extend to them my thanks for their help and cooperation.

It has again, as in the past, been most rewarding and satisfying to be associated with such wonderful children and parents as are found in the town of Plainville.

I would also like to thank the School Committee for their efforts in helping to maintain quality education for the children of the town.

Lastly, I wish to thank you for your invaluable aid and support to me during this past year.

Respectfully submitted,

EDWARD L. KEANEY, Principal

Report of the Principal of the Anna Ware Jackson Elementary School

Dear Mr. Green:

I consider a great privilege to submit to you my second annual report of the Anna Ware Jackson School for the year ending December 31, 1971.

Many important and educationally noteworthy events have occurred at the Jackson School during the past year.

The Plainville Public Schools are continuing to use a tri-basal approach to reading. We are utilizing three distinct reading series, as well as many new supplementary materials, some of which include the Talking Page and the System 80 Reading Machine. A new Math Curriculum Guide is being developed by the Mathematics Committee. In this we are trying to list specific behavioral objectives for each grade level, also a continuous checklist of math skills is being developed so that each teacher will know exactly where each child left off in the previous year.

I was fortunate to prepare a proposal for and receive an N.D.E.A. federal grant for new math materials, as well as audio-visual equipment. Some of the new materials include language masters and cards, many new math transparencies, numerous teaching tapes and math games.

The Jackson School library has grown considerably since last year. In addition to books purchased through the school budget, we have many new books which were purchased with money that was earned by the Room Mothers last year. Also, as a result of a Title II federal grant, I have been able to purchase approximately 70 new books for the library, as well as many new audio-visual devices.

I would like to take this opportunity to commend the library volunteers for the wonderful job they have done this year. The ladies have given many hours for scheduling, cataloging and staffing our library.

The Special Class has undergone considerable change for we not only have a new Special Class teacher but also have a full-time aide, as well as many volunteer mothers.

Mrs. Pray, our school nurse, has tested children's eyes and ears and has weighed each child. The Health Committee prepares a monthly cur-

riculum guide—Safety, Physical Health and Mental Health have been developed so far this year. At this time dental health, environmental health, alcohol and drug prevention are being developed.

Each month the students at Jackson School were able to attend and participate in many fine assembly programs.

I was fortunate to attend many important regional principals' meetings. These meetings were extremely beneficial for they afforded me an opportunity to discuss regional as well as internal school problems.

Ten new tape recorders were donated by the Plainville Parent-Teacher Association. Also a new merry-go-round found its place at Jackson due to money that was collected for a student-teacher basketball game which many watched and enjoyed.

The Lorge-Thorndike Intelligence Test and Iowa Test of Basic Skills were given to help us determine each child's unique needs and potentials.

Teachers have continued to indicate their concern for self-improvement by taking many specialized courses and have demonstrated an eagerness and responsiveness to many in-service workshops and seminars. This year has been one of experimentative and increased awareness on the part of the Jackson School faculty for children's individual needs.

I am indeed fortunate to have an excellent faculty and staff with whom I work.

In closing, let me express my deep appreciation to the people of Plainville, Plainville Teachers' Association, Police and Fire Departments, Mr. Frank Sienko (our custodian), Mrs. Sylvia Botka and her wonderful group of volunteers, and particularly Mr. Green and Mr. Keaney, who have helped me greatly this year. I have received great satisfaction working with all parties that I have mentioned and I feel we have truly had a successful, interesting year.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

Report of the Town Ambulance

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1971.

Trips	330
Patients	324
Mileage	5806.1
Man Hours	751
Oxygen	48 Tanks
Billing	\$4,900.00

Appropriation:	\$2,000.00
Transferred fro E & D	1,400.00

Total	\$3,400.00
-------	------------

Expended:

Wages	\$2,139.20
Radio Maintenance	54.75
Ambulance Maintenance	154.67
Gas & Oil	180.10
Laundry	378.45
Oxygen	63.74
Supplies	274.82
Schooling (Two men)	100.00
Dues	50.00

Total Expended:	\$3,395.73
-----------------	------------

Balance	\$4.27
---------	--------

With the ever increasing demand for the services of the ambulance each year I find the problems we are faced with to increase beyond imagination. The most complex of which is the proper manning of same twenty-four hours a day, seven days a week.

The full time firefighters and some call firefighters have attended courses at Sturdy Memorial Hospital during the year on Cardiopulmonary Resuscitation sponsored by the Southeast Chapter of the Massachusetts Heart Association.

This year firefighters Raymond Clontz and Allan Reed attended the three day Emergency Care Course sponsored by the American Academy Orthopaedic Surgeons. This is the most complete and advanced course furnished for ambulance attendants.

The preliminary work has been completed on obtaining matching Federal Funds from the Federal Government for replacing the present ambulance and I would request that an article for same be inserted in the Annual Town Warrant.

Respectfully yours,

C. E. SKINNER, JR.

Chief of Fire Department

Report of the Board of Appeals

To the Honorable Board of Selectmen:

Gentlemen:

This Board reports another year of inactivity.. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the townspeople to the extent that no situation or dispute requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

We sincerely hope 1972 will be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman

ROBERT KENISTON

MELVIN DWYER

Board of Appeals

Report of the Conservation Commission

To the Honorable Board of Selectmen

Gentlemen:

The report for 1971 of the Conservation Commission is submitted as follows:

The Conservation Commission has had a busy and rewarding year. The conservation area has been used by youth groups and seen increasing use of the nature trail and picnic facilities by families.

During the month of April operation 'Litter Pick-up' was launched. Youth groups, adults and children cleaned up litter along our roadways. The commission provided lunch for over 100 volunteers.

Training sessions in conservation were conducted for Boy Scouts and Girl Scouts. Projects completed by youth groups include the following:

Snow-mobile trail

Footbridge

Entrance signs

Seeding of food plots for wildlife

Dam for water retention

Clearing firetrails

An Adirondack camping shelter was built under the direction of Mr. Simeon Ober assisted by Boy Scouts of Troop 132.

The surveying of the conservation area by Mr. William Skinner is progressing satisfactorily.

Future projects will see the completion of the nature trail, building of another camping shelter, larger food plots for wildlife and training sessions in conservation. The commission will again sponsor a clean-up of the roadways in April. Remember our motto for the conservation area: 'Yours to Use — But Not to Abuse.'

Respectfully submitted,

Members of the Commission:

RONALD FREDERICKSON

STAN MYERS

RAYMOND SMITH

RITA WATSON

EVERETT SKINNER

ROBERT PROAL

ROBERT DARLING

CLAYTON CATE, Associate Member

ARTHUR WASHBURN, Associate Member

Appropriation	\$500.00	
Expended	478.06	
Balance of		\$21.94

Report of Dog Officer

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Dog Officer for the Town of Plainville for the year ending December 31, 1971.

Itemized report:

- 492 — Complaints
- 75 — Reported Lost
- 42 — Found
- 64 — Strays picked up
- 63 — Animals buried
- 36 — Sold for town

Respectfully submitted,

JOSEPH CALZARETTA

Dog Officer

Report of the Fire Department

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1971.

The following is a list of calls answered by this Department.

Buildings	23
Mobile Homes	2
Grass & Brush	69
Cars & Trucks	29
Accidents	38
Transportation	59
Illegal Burning	58
Mutual Aid	7
Lock-Outs	12
Practices & Meetings	18
Investigations	78
Flooded Cellars	6
Bomb Threats	5
False Alarms	4
Lost Children	2
Miscellaneous	97
Animal Rescue	5
Sprinkler Alarms	6
Accidental Alarms	1
First Aid	18
Total	537
Ambulance Trips	330
Grand Total	867
1970 Totals	783
1969 Totals	700

As you can see by the above listings this has been another busy year for this Department. In addition to this many hours were spent on inspections; Schools, Churches, Nursing Home, Local Businesses, Industries, Apartments, and Oil Burners.

Firefighter Calvin Lessard was promoted from Private to the position of Captain on April 15th. This has proven to be an asset to me in the operation of this Department. Besides his regular duties he and Training Officer Raymond Clontz have done an exceptional job of training and instructing not only in our Department but with many outside groups in the Town.

The State No Burning Law which is in effect should help us in reducing the number of grass and brush fires. I would like to take this opportunity to publicly express my thanks to the people of this Town for their excellent cooperation in complying with this regulation.

The Two-way Base Station and remote unit authorized at the last Town Meeting is in operation and gives us a much more efficient radio operation.

Due to strikes and circumstances beyond the control of the Manufacturer we have not received the Fire Engine that was ordered in 1970 as of this date.

The water tank in the 1948 Engine had to be replaced and the hose body modified during the year. This work was done by the Farrar Company of Woodville.

The motor in the 1952 Ford Pumping Engine is in need of replacing and will be included in my budget for 1972.

Also in my budget for 1972 will be two other items. First, I am again requesting another full time man for day-time duty. This, in my opinion is very urgent because of the increased demands of this Department, especially the Ambulance, and also the inavailability of trained personnel during these hours. Secondly, I will have an item in my budget to transfer the 1968 Chief's Car.

I am very proud and happy to report to your Board and the townspeople that the men of this Department made three most important and valuable donations this year for the safety and more efficient operation of the Department.

First, they purchased new fire helmets for all personnel which were in need of replacing.

Second, they purchased a power rescue saw, an item we have never owned for rescue work at accidents and also very valuable at building fires for ventilation purposes.

Third, they purchased a 2600 gallon Tank Truck from the Federal Surplus Program through Civil Defense. The men are working on remodeling same and should be in operation in the near future. This truck should prove to be very helpful on all fires outside of the water district.

I would like to thank these dedicated people for their generosity and also their devotedness to this Department over the past years. Without these men we could not begin to furnish to people of this Town the protection and service we render.

Also, I wish to thank your Honorable Board, Police Chief Robert Faille and the men of his Department, Superintendent of Streets, Everett Skinner and the men of his Department, the Officers and men of this Department, and all others who have assisted and cooperated with me during the year.

Respectfully submitted,

CLARENCE E. SKINNER, JR.
Chief of Department

Report of the Planning Board

To the Honorable Board of Selectmen:

Gentlemen:

During the year the Planning Board considered numerous form "A" plans and signed fourteen for recording.

No new residential developments were started this year.

One street "Millbrook Drive" was completed and is ready for voter acceptance.

Bond has been set for the completion of two more streets in the Millbrook Estates development.

The planned surfacing of streets in Highland Meadow Park was not completed due to the failure of the builder to install water services before cold weather.

The Planning Board wishes to express its appreciation to all the town departments who gave assistance to it during the past year.

Respectfully submitted,

BRUCE E. HASTINGS, Chairman
Plainville Planning Board

Report of the Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 School Street from South Street to Pleasant Street, Highland Ave., Crestwood Ave., Evergreen Road, Brunner Street, Robins Street, Wade Road, Lynn Ave., Pearl Street, Grant Street, Park Ave., Huntington Ave., Garfield Street, State Street, Harvard Street, Cross Street from Lynn Ave. to South Street, Pleasant Street from School Street to Cottage Street and Mirimichi Street from Taunton Street to Oak Street were surface treated with one-quarter gallon per square yard of M.C. 800 asphalt with a sand cover.

Under Chapter 90 Maintenance 970 tons of bituminous concrete type I-1 was applied on Taunton Street. The guard rail posts on East Bacon Street, Messenger Street, George Street and Taunton Street were repaired and painted.

The Old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department program drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled; bituminous patching, and maintenance of roads was realized.

Under Federal Funds received from the Emergency Employment Act, two employees, David Grzenda and John Meade were hired for a one year period.

The truck and body, sander, and snow plow are on order and should be received in the near future.

The sidewalks on Deerfield Drive and Pinetree Drive were constructed.

On October of 1971 I was informed that under a new Federal Road Program Urban System Early Start, Messenger Street from East Bacon Street to the North Attleboro Town Line, would come under this program. The Board of Selectmen have applied for this program; however, no word has been received as of this date.

If this program does go, I will ask that the funds accumulated under Chapter 90 New Construction be transferred to other streets.

It has been a pleasure to work with and for the other departments during the year.

In submitting this report, I again wish to thank your Board, the employees of the Highway Department and the other department heads of the Town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER, SR.
Superintendent of Streets

Report of the Library Trustees

To the Honorable Board of Selectmen:

Gentlemen:

We hereby submit our annual report to you and to the residents of Plainville.

We have made a few improvements this year to the library building. Six windows were replaced in the front of the building and some of the floors were refinished with a few yet to be done. In the coming year the bathrooms will be painted and also we hope to work on a plan to make more room for bookcases, all of which will have to be made to order.

This year we have purchased the large National Atlas of the United States put out by the United States Department of the Interior and the sixteen volumes of the Popular Mechanics Do-It-Yourself Encyclopedia. The library has purchased over 1,500 books this year including many new childrens books. Several times during the year our librarians have gone on their own time to exhibits of new books and magazines for children. The Bookmobile also visits us about once a month which gives us many more books for our reading public.

During the year we received a check to get something for the library which we did in the shape of a record cabinet that holds about 350 records.

Once more we would like to express our appreciation to Mrs. Cobb and Mrs. Keniston for the interest they take in making our library as valuable as it is. We would also like to thank Mr. Cobb who we count on for many small tasks.

We would like to make note that \$145.00 in library fines was turned over to the Town Treasurer.

Report of Park Commissioners

To the Honorable Board of Selectmen

Gentlemen:

Each year shows the wisdom of our forefathers in establishing the local park facilities in a most favorable location. This year the Plainville Packers and the Plainville Lions Club helped expand further with no increase in the park budget.

The Packers donated and erected a lighting system for their practice sessions which may be used by the park. The Lions Club built a new skating rink for the use of the younger children. It is hoped that these will be expanded for future use. The Lions Club's donation of money for needed equipment will be gratefully received.

Swimming instruction was given to over 200 children. Red Cross cards were presented to 103 who qualified. Weekly swim meets, field events and ball games were held for both boys and girls.

The staff in 1971 was supervised by Ron DiFiore. He was assisted by Mrs. Paula Garrigus, swimming instructor; Steve Andrews and Michael Kelley, lifeguards; Carolyn Slowe, arts and crafts instructor; with Tom Armitage and Randolph Thornley sharing groundskeeper duties.

Our thanks to all for a most successful season.

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

The following is the report of the Water Department for the year ending 1971. In the year 1970, 207,384,323 gallons were pumped and in the 1971, 274,200,300 gallons were pumped, 66,815,907 gallons more than 1970, 752,603 gallons per day, 31,358 gallons per hour, 522.63 gallons per minute.

Well #3 on West Bacon Street was put into service during the summer of 1971. This has proven to be an excellent source of water supply and the Water Department anticipates a gravel packed well which will put this new well on full time service. This new well is proving to be a valuable asset to the progress of the town.

We wish to thank Superintendent Everett Skinner, Sr., Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, Camp Dresser and McKee and any other departments who in any way assisted the Water Commissioners during the year 1970.

Report of the Board of Registrars

To the Honorable Board of Selectmen:

Gentlemen:

The activities of the Board of Registrars for 1971 follows closely along the activity lines of preceding years with of course, the registration of younger voters the major exception. We on the board feel that the younger age group are not coming forth to register in numbers we originally expected. To date we have had but forty-eight of the younger group registered.

The Norfolk County Registrars Association had their annual meeting in Plainville this year and were deeply impressed with the hospitality shown them during their visit.

The most difficult job the Board of Registrars has is to keep accurate records of Plainville voters, we urge all residents to notify the board of any changes that may occur.

The latest figures are as follows:

Republicans	951
Democrats	315
Independents	1243

Respectfully submitted,

PLAINVILLE BOARD OF REGISTRARS

RICHARD M. COBB, Chairman

ROBERT B. THIBEDEAU, Secretary

MAURICE R. THERIAULT

Report of Wire Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Wires for the Town of Plainville for the year ending December 31, 1971.

A total of 98 permits were issued and \$255.00 in fees was turned over to the Town Treasurer.

A revised fee schedule will be submitted to the voters at the March, 1972 Town Meeting. It is my hope that this schedule will be accepted by the townspeople, as it will enable the department to run at a point where it will not be a burden to the taxpayers.

I would like to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, Contractors, and the townspeople for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS,
Inspector of Wires

Massachusetts Department of Mental Health

To the Honorable Board of Selectmen

Gentlemen:

Plainville representatives to the Medfield - Norwood Mental Health and Retardation Area Board, Department of Mental Health are:

Mrs. S. Robert Adams
39 Hancock Street
Plainville, Mass.
(695-5189)

Chief of Police Robert R. Faille
34 School Street
Plainville, Mass.
(699-8892)

Area Boards consist of citizens appointed by the Governor of the Commonwealth of Massachusetts to help develop plans and generally supervise the comprehensive delivery of services needed for the mentally ill and retarded in their specific area and particularly for citizens of their town.

Respectfully submitted,

MRS. S. ROBERT ADAMS

Report of the Board of Selectmen

To the Citizens of Plainville:

We the Selectmen of Plainville, herewith submit our report for the year ending December 31, 1971.

As in the past, several complaints were received by the Board and all were followed through.

Several hearings on New England Telephone and Telegraph Company and Massachusetts Electric Company for new poles and relocation of poles were held and the necessary permits were granted, and again these two companies were reminded to remove any old stubs that remained within the town after poles were replaced with new ones.

Close contact with all Department Heads and Finance Committee has been maintained throughout the past year with the aim of keeping the cost to the taxpayer down and still maintain a high level of service to the Townspeople.

Six (6) new double voting booths were purchased and are now in service. These were a must with the increase in the Town's population which has increased the number of registered voters.

The new copying machine purchased by the Board of Selectmen, has proved to be a valuable asset to all Town Departments.

A meeting with the youth center and their Board of Directors was held February 16, 1971, with much discussion in reference to the conduct during their nights of activities. Chief Faille stated he would not want to see the Center close down, but also his men should not be the target for any violence. The Youth Committee stated they would submit a set of rules and regulations to the Board of Selectmen, for their approval, which they did, and we the Board of Selectmen wish to congratulate them on their excellent cooperation.

The Board of Selectmen appointed Robert W. Root as Plainville's representative to the regional group, formed by the Attleboro Chamber of Commerce, to investigate the possibilities of a Community College in this area. The proposed site is in the Town of Wrentham, Massachusetts, which is a neighboring town and convenient for the residents of Plainville.

In April of 1971, the Board met and made several appointments to complete all committees, and throughout the year appointments were made to fill any vacancy that occurred.

Meetings were held with the Planning Board, Highway Superintendent, residents, Mr. Edward Molloy, Contractor and Bank Representatives, in reference to the completion of roads, sidewalks, and so forth, in the development off Mirimichi Street. Mr. Molloy was informed that these roads and sidewalks, water mains and so forth, must be completed and brought up to grade before the Town would accept same.

The Board of Selectmen congratulates the Police Department and Fire Department for the excellent way bomb scares were handled in the past year, especially the one at Rogers Nursing Home. This emergency was handled in a most efficient manner and without panic.

This Board has on several occasions contacted Massachusetts Electric Company in reference to the inefficient way of restoring power when lost through accidents, storms and so forth. The Board feels the consumers are not getting the service they are paying for.

The Board has kept in close contact with State, County and local problems by attending several meetings sponsored by the Massachusetts Selectmen's Association.

The Board has also encouraged Department Heads by making it possible for their employees to take advantage of courses available in order to widen their scope of knowledge in the job they are responsible for.

The Board met with Camp, Dresser & McKee in August, represented by Mr. Richard Estes and Mr. Robert Marini, on the proposed plans for Town Sewerage. They stated that the cost has increased sixty-six per cent. Mr. Marini advised the Board if we do not start doing something about the sewerage problem; the Commonwealth of Massachusetts would force us to start immediately, also the longer we wait the higher

the cost will be. Several meetings were also held with the North Attleborough Sewer Commisisoners to discuss the cost of the interceptor which will incorporate Plainville with the North Attleborough system. The Board of Selectmen has also kept in contact for the possibility of receiving aid from both State and Federal available funds.

This Board would like to thank the clerks of the Board of Selectmen, Clarence E. Skinner, Jr., Fire Chief; Robert R. Faille, Police Chief; Highway Superintendent Everett W. Skinner, Sr., Town Clerk and Assistant Town Clerk, Board of Assessors, Tax Collector and Town Treasurer, and all town employees, committees and commissions for their excellent cooperation in the past year.

Respectfully submitted,

RAY P. FELIX, Chairman

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Agent for the Board of Selectmen for the year ending December 31, 1971.

During the past year several building permit requests have been referred to the Zoning Board of Appeals. Some of these have resulted in hearings by the Zoning Board and others are pending.

Periodic examinations of all areas of town for unregistered, abandoned vehicles on private property have been made, and in most cases have been removed from the property. I would like to thank the townspeople for their cooperation in this endeavor. Traveling through other communities I notice that in comparison, junk or abandoned cars in Plainville are at a minimum.

All establishments holding alcoholic beverage licenses have been inspected, prior to issuance of their new license. The owners and managers of the clubs and restaurants are most cooperative in trying to maintain safety measures.

My sincere thanks to the Board of Selectmen and Health and all other town officials for their help during the past year.

Respectfully submitted,

CLINTON E. BARTON, SR.

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1971. This Board met on numerous Saturdays throughout the year 1971 to make necessary sanitary inspections, relative to complaints received and inspected all food establishments and any establishment that does not hold a common victuallers license. All complaints were investigated by this Board and necessary steps were taken to abate same. Complaints in regards to sewage problems were followed through upon the recommendations of Mr. Putnam Steele, Town Sanitary Inspector, and we wish to take this opportunity to thank Mr. Steele for a job well done during the year 1971.

Again this Board would like to remind the property owners of the town to take care of any sanitary problems before we receive complaints from neighbors and therefore eliminate us from sending you a notice to abate.

Various complaints were taken care of from residents relative to industries in the Town of Plainville causing air pollution. Several meetings were held with residents and company representatives and this board feels confident that much of the problem has been solved. At this time we wish to thank all involved for their excellent cooperation.

The Town Depository, maintained by the Highway Department, under the direction of Mr. Everett W. Skinner, Sr., is in excellent condition. Mr. Skinner has spent many hours keeping the dump up to State Board of Health regulations and with everyone's cooperation it should remain the same.

Again the Board of Health requests parents to notify this board regarding all communicable diseases, either by mail or phone 695-3142.

This Board has on file the following list of dangerous diseases:

Dog Bites	35
Mumps	1
Scarlet Fever	1
Chicken Pox	8
Hepatitis	1
German Measles	1

Beginning the year 1972 the Board of Health will be associated with the Community Health Agency Office in Attleboro, Mass. We anticipate a greater degree of service to the community.

A successful Rabies Clinic was conducted last Spring with the cooperation of the Fire Department and the assistance of Joseph Calzaretta our Dog Officer and the members of Kappa Sigma Sorority.

We would like to thank Mr. Putnam Steele, Sanitary Inspector; Mr. Robert Keniston, Inspector of Slaughtering, Animals and Milk and Mr. Joseph Calzaretta, Dog Officer, for their excellent job throughout the year 1971, and also all Department Heads and Townspeople for their support and cooperation extended to us in the past year.

Respectfully submitted,

RAY P. FELIX, Chairman
ROBERT W. ROOT

Report of the Finance Committee

To the Honorable Board of Selectmen:

Your Town Finance Committee has had frequent meetings throughout this year. We have had excellent representation and have enjoyed the cooperation of the Town Officials in resolving the problems that have arisen.

We sincerely regret the resignation of Mr. Joseph Solito whose presence and experience will be missed.

We have been fortunate in the appointments of Mrs. Jean Bumgardner and Mr. Robert Brothers to fill the vacancies on the committee.

The money appropriated at the Annual Town Meeting for extraordinary and unforeseen expenses has been dispersed as follows:

1. Fire Department (9-28-71)	\$500.00
Replacement of Water Tank Engine 1	
2. Ambulance Account (10-5-71)	1,400.00
Salaries and Expenses	
3. Veterans Benefits (10-19-71)	1,000.00
Insurance Claim	
4. Police Department (11-3-71)	500.00
Cruiser Maintenance	
5. Fire Department (11-9-71)	900.00
Expenses and Regular Department Salaries	
6. Water Department (11-10-71)	4,500.00
Operating Expense	
7. Police Department (11-22-71)	3,000.00
Telephone, Cruiser Maintenance and Gas Account	
8. Fire Department (12-6-71)	3,200.00
Call and Forest Fire Payroll	
Leaving an unexpended balance of	\$000.00

The following interpermental transfers were allowed:

- | | |
|---|----------|
| 1. Police Department (4-6-71) | \$394.00 |
| From Radio Maintenance to Capital Equipment | |
| 2. Water Department (7-26-71) | 9,000.00 |
| From Expense Account to Capital Account | |
| 3. Park Department (8-29-71) | 637.21 |
| From Expense Account to Salary Account | |
| Park Department (8-29-71) | 390.00 |
| From Capital Account to Expense Account | |
| 4. Fire Department (12-21-71) | 400.00 |
| From Expense Account to Salary Account (Call Dept. Payroll) | |

We again wish to thank all the officials of the town for their co-operation in our endeavors to give the town a sound financial base from which to operate.

Respectfully submitted,

GEORGE PRAY, Chairman

1972

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, March 6, 1972

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SIXTH DAY OF MARCH 1972 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health. One Assessor, One School Committee, One Regional School Committee, One Park Commissioner and One Trustee Public Library. Two Water Commissioners; One for Three Years and One for One Year. Two Members of the Planning Board; One for Five Years and One for One Year. Three Members of the Finance Committee; Two for Three Years and One for Two Years. One Member of the Housing Authority, for Five Years; and the following questions:

Question No. 1

Shall the Town vote to accept the provisions of Section 48 of Chapter 31 of the General Laws of the Commonwealth of Massachusetts and vote that the regular and permanent members of the police force, with the exception of the Office of Chief of Police, shall be subject to the provisions of said Chapter 31 and the rules established thereunder? (CIVIL SERVICE)

YES
NO

Question No. 2

Shall licenses be granted in this town for the operation, holding or conducting a game commonly called Beano?

YES |

NO |

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1971	Requested 1972
Moderator	\$25.00 each meeting	\$25.00 each meeting
Town Clerk	\$ 900.00 per year	\$ 900.00 per year
Town Treasurer	2,500.00 per year	2,700.00 per year
Selectmen, Chairman	900.00 per year	1,000.00 per year
Second Member	800.00 per year	900.00 per year
Third Member	800.00 per year	900.00 per year
Board of Health, each member	100.00 per year	150.00 per year
Assessor, Chairman	1,200.00 per year	1,200.00 per year
Second Member	1,200.00 per year	1,200.00 per year
Third Member	1,200.00 per year	1,200.00 per year
Tax Collector	2,000.00 per year	3,000.00 per year
Water Commissioner, Chairman	250.00 per year	250.00 per year
Second Member	250.00 per year	250.00 per year
Third Member, Secretary	500.00 per year	500.00 per year
Auditor	250.00 per year	250.00 per year
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerk of the Selectmen, placed with a fidelity or guarantee company and appropriate the sum of \$510.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to change the indexing system of all General and Special Laws of the Town to a standardized system and to authorize the By-Law Review Committee, to establish such an indexing system, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$360,000.00 for new construction and renovation of the so called Garford Building on South Street so as to house the fire and police department; for the construction at the highway department property on West Bacon Street of a highway department garage; and/or for renovations to the present town office and fire station building on South Street for Town Office purposes, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to maintain the present Municipal Building Committee for this purpose, or to do or act in any manner relative thereto. (If by borrowing, 2/3 vote required)

ARTICLE 9. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the word "authorized" to read "—who performs authorized extra time work—" and changing the words "one time" to ". . . one and one half times . . ." (2/3 vote required)

ARTICLE 10. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI, — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the words ". . . and other specified exceptions . . ." to read ". . . except the Supervisory Group and other specified exceptions . . ." And the addition of Paragraph 6.4.1

Any member of the Highway Department, except the supervisory Group, who performs authorized extra time work over his regularly scheduled work day or work week shall be paid for his overtime work at the rate of one and one half his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

ARTICLE 11. To see if the Town will vote to Amend the Personnel By-Law by the addition of Section XIX College Incentive Program. Said Section to read as follows:

Section XIX College Incentive Program

The Town of Plainville will compensate full-time, active town employees for college credits received which are related to occupation and in a specific degree program at the rate of ten dollars per credit hour per annum subject to the following conditions:

1. College Incentive Program Awards will be made only to full-time, active town employees.
2. All awards to be made only after the written approval of the relevant Department Head and the Personnel Board.
3. The compensation will be ten dollars per credit hour per annum for each credit hour received from an accredited college after a minimum of twelve credit hours.
4. Payment of compensation will be on the first day of December.
5. The closing date for the consideration of credits will be 1 September.
6. If termination of employment is prior to 1 September, compensation will not be awarded.

ARTICLE 12. To see if the Town will vote to change the Personnel By-Law Chapter II, Section XVIII — Classification Plan, Compensation Plan and Work Week, Part G — Inspection Group to read as follows:

	Annually
1. Meter Reader I-7	\$300.00
2. Building Inspector I-6	600.00
3. Wiring Inspector I-5	450.00
4. Plumbing Inspector I-4	400.00
5. Gas Inspector I-3	275.00
6. Inspector of Animals & Slaughtering I-2	200.00
7. Inspector of Milk and Dairies I-1	150.00
8. Assistant Electrical Inspector I-1	150.00

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 13. To see if the Town will vote to amend the Personnel By-Law Compensation Plan 1972 and thereafter by striking therefrom the following:

Department Head	8500.00	9000.00	9500.00	10,000.00
	Annual	Annual	Annual	Annual

and substituting in lieu thereof the following:

Department Head	10,000.00	13,000.00
	Annual Minimum	Annual Maximum

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 14. To see if the Town will vote to change the Personnel By-Law, Chapter II, Section XVIII Classification Plan, Part F — Part Time Group — Hourly, to read as follows:

(1) Mechanic, Part Time	M-7	\$2.90	\$3.15	\$3.45	\$3.70

ARTICLE 18. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972 and January 1, 1973 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of \$10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 24. To see if the town will vote to raise, appropriate or transfer the sum of \$1,200.00 for the purchase of a new cab for the road

grader of the Highway Department, or do or act in any manner relative thereto.

ARTICLE 25. To see if the town will vote to raise, appropriate or transfer the sum of \$2,000.00 for the purchase of two (2) new plows and frames for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to purchase a new front-end loader-backhoe for the Highway Department, and raise and appropriate for this purpose the sum of \$20,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 27. To see if the town will vote to raise and appropriate the sum of \$1,294.11, or any other sum, for the control of insects and Dutch elm disease (\$594.11 for insect pest control and \$700.00 for Dutch elm disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 28. To see if the town will vote to raise and appropriate or transfer the sum of \$1,500.00 for the conservation fund, to be used by the conservation commission for the purpose of surveying and the purchase of available land, or do or act in any manner relative thereto.

ARTICLE 29. To see if the town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 30. To see if the town will vote to approve, ratify and confirm the conveyance of a parcel of land located on the northerly side of King Street, Norfolk, by the King Philip Regional School District Committee to Georgia M. Bryant, by deed dated September 20, 1965, recorded with Norfolk County Registry of Deeds, book 4296, page 535, said parcel also being shown as parcel #1 on a plan filed with Norfolk Deeds as plan #994 of 1965; and to authorize the King Philip Regional School District Committee to execute and deliver a deed to Georgia M. Bryant or nominee in such form as the King Philip Regional School District Committee shall deem proper for this purpose; or take any other action relative thereto.

ARTICLE 31. To see if the town will vote to install the sewers shown as "Proposed Sewers, initial construction" and shown as solid red lines on figure 5 of the report on sewerage and sewage treatment for the town of Plainville, Massachusetts, March, 1966 prepared by Camp, Dresser, and McKee, Consulting Engineers, including connection from the sewerage system to the Intercept Line in the Town of North Attleborough and to raise and appropriate for such purpose, the sum of \$2,200,000.00 and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise and if by borrowing, to authorize the issuance of bonds or notes to the town therefor, and to apply for such reimbursement from the State and Federal Governments as may be available, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 32. To see if the town will vote to authorize the Board of Selectmen to ratify, and adopt as still in force and/or amend that certain contract between the Town and the Town of North Attleborough relating to sewerage disposal dated April 27, 1967 and that said contract be in accordance with the requirements and limitations of Chapter 40 Sections 4 and 4A, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to construct a waste-water treatment facility and interceptor sewer system in and in conjunction and cooperation with the Town of North Attleborough and in accordance with the agreement dated April 27, 1967, as ratified and/or amended, between the Town of North Attleborough and the Town of Plainville, and to raise and appropriate the sum of \$700,000.00 for this purpose and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to apply for such reimbursement from the State and Federal Government as may be available, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required.)

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 35. To see if the Town will vote to authorize the purchase or taking by eminent domain of land for water purposes (installation of

gravel packed well and pumping station) off West Bacon Street and being such portions of those lots shown on Sheet 12, lots 151, 112, and 64 of the Assessor's plats, as the Water Commissioners deem necessary and to raise and appropriate the sum of \$4,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to install a gravel packed well approximately fifty feet deep, a pump, and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum not to exceed \$60,000.00 to be expended by and under the direction of the Water Commissioners, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required.)

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to purchase or to take by eminent domain Turnpike Lake, and dam and water rights, for public water supply purposes, and to raise and appropriate a sum of money for this purpose, or to do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 38. To see if the Town will vote to authorize the purchase or the taking by eminent domain for street, water and other public purposes, the land shown on Plainville Assessors' plats sheet 5, lot 163; sheet 8, lot 164; sheet 8, lot 163; sheet 8, lot 162; sheet 5, lot 121; sheet 12, lot 151; sheet 12, lot 152; sheet 14, lot 88 and sheet 14, lot 89, being all of the land owned of record by the Penn Central Company in the Town of Plainville, under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220, and to raise and appropriate a sum of money for this purpose, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$151,000.00 to construct a continuation of the existing water line from a hydrant located on Taunton Street 300 feet south of Mirimichi Street, approximately 300 lineal feet northerly on Taunton Street and approximately 5,500 lineal feet easterly on Mirimichi Street and to construct an 8" water line off this proposed continuation approximately 300 lineal feet on Doreen Way and approximately 1,150 lineal feet on Treasure Island Road together with all incidental work, under the direction of the Board of Water Commisisoners, or do or act in any manner relative thereto. (A petitioned article)

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 to construct a continuation of the existing water line on George Street westerly from Ewald Avenue to service #46 and #48 George Street, under the direction of the Water Commissioners, or do or act in any manner relative thereto. (A petitioned article)

ARTICLE 41. To see if the Town will vote to purchase an ambulance and to raise and appropriate the sum of \$15,000.00 therefor and to apply for such reimbursement from the appropriate Federal Agency as may be available, or do or act in any manner relative thereto. (If by borrowing a 2/3 vote required)

ARTICLE 42. To see if the Town will vote to amend the Building By-Laws, Chapter V of the Town By-Laws, as follows:

(a) Amend Section I Provisions 1.1 (previously Section 1) by inserting between the words "construction" and "alteration" the word "repair."

(b) Amend Section V 5.1 (previously Section 5) by inserting in the third sentence between the words "erection" and "alterations" the word "repair" and between the words "built" and "altered" the word "repair."

(c) Amend Section VI, 6.1 (previously Section 6) by inserting between the words "construct" and "reconstruct" the word "repair" and between the words "building" and "construction" the word "repair."

To amend by striking from Section V5.2 (previously Section 5) the final sentence thereof and inserting in lieu thereof the following:

"The Building Inspector shall make a charge for such a building permit as follows:

1. \$.025 per square foot of first floor area of main structure.
2. \$.015 per square foot of other living or storage and garage areas.
3. \$.015 per square foot of swimming pool area on below ground pools.
4. \$.007 per square foot of swimming pool area above ground.
5. A minimum charge of \$2.50 for issuance of any building permit.

To amend by adding to Section IX Definitions:

H. Structure: A combination of materials assembled at a fixed location to enclose, support or shelter, such as a building, framework, retaining wall, tent, reviewing stand, platform, bin, fence, sign, flagpole,

mast for radio antenna, swimming pool or the like. The word "structure" shall be construed, where the context allows, as though followed by the words "or part or parts thereof."

To amend by striking from Section XV in the first sentence thereof the words "brick" and or "cement blocks."

To amend by striking therefrom under Section XVIII in its entirety thereof and inserting in lieu thereof the following:

15.1 Concrete masonry walls shall not be less than ten (10) inches thick. Concrete footings for Lally Columns or masonry piers shall not be less than twelve (12) inches in thickness and less than two (2) feet square.

To amend by striking therefrom Section XIX Structures less than ten (10) feet in its entirety.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 43. To see if the Town will vote to amend the By-Laws by striking out Section 2 of Article XII Electrical Wiring and insert in lieu thereof the following:

Section 2 Permits. Before any person, firm or corporation shall install any electrical wiring, said person, firm or corporation shall make application to the Inspector of Wires for a permit for that purpose, file with the Inspector of Wires, such information and specifications as may be required, and pay a fee in accordance with the following schedule:

1. RESIDENTIAL WIRING

A. Entire new single family dwelling	\$10.00
B. Service change per meter	4.00
C. Air Conditioner outlet — per outlet	2.00
D. Water Heater — per unit	2.00
E. Oil or Gas burner — per unit	2.00
F. Range — per unit	2.00
G. Clothes dryer, per unit	2.00
H. 1 to 3 outlets, total	1.00
I. Additions or alterations to existing dwellings over three outlets — total	3.00
J. Re-inspection for defective work will require additional permit	3.00

K. Swimming pools	3.00
L. Temporary Service	3.00
M Minimum Wiring Fee	3.00
Entire new multi-family dwelling will require Commercial permit.	

2. INDUSTRIAL AND COMMERCIAL WIRING:

O-50 KW at 50c per KW, 50-500 KW at 25c per KW,
Over 500 KW at 10c per KW.

Permit fees for new buildings and service changes to be based on the KW load determined by multiplying the rated ampere capacity of the main entrance switch or circuit breaker by the rated supply voltage and dividing by 1000 to obtain the KW load. Add amp ratings where more than one service switch is used.

Rated supply voltages to be used for figuring are 120, 240, 480 or rating of Massachusetts Electric Company for higher voltages. Three phase, 4 wire voltage (208) to be figured as 240 volts.

EXAMPLES:

Entrance SW. Capacity in amps	KW at 208 volts or 240 volts	Fee \$12.00
100	24	24.00
200	48	30.50
300	72	36.50
400	96	42.50
500	120	48.50
600	144	

All fractions of a KW to be rounded off to nearest KW.

KW loads for building additions, rewiring, and wiring additions using separate feeders to be determined by the feeder capacity in amperes and the voltage.

Motor Wiring fees figured at 746 watts. per HP.

Individual motor HP ratings to be added.

Minimum Wiring fee \$5.00

All other work — minimum fee \$5.00

Yearly electrical maintenance fee for commercial or industrial concerns \$25.00 per year.

Re-inspection for defective work will require additional permit
Fee \$3.00

3. No permit will be required to execute the following classes of electrical work:

(a) The replacing of electrical lamps or repair of electrical equipment and appliances which are plugged into a permanently installed electrical outlet.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 44. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this first day of February in the year of our Lord one thousand nine hundred and seventy-two.

WARRANT
For
Annual Town Meeting

1972

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, March 6, 1972

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SIXTH DAY OF MARCH 1972 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health, One Assessor, One School Committee, One Regional School Committee, One Park Commissioner and One Trustee Public Library. Two Water Commissioners; One for Three Years and One for One Year. Two Members of the Planning Board; One for Five Years and One for One Year. Three Members of the Finance Committee; Two for Three Years and One for Two Years. One Member of the Housing Authority, for Five Years; and the following questions:

Question No. 1

Shall the Town vote to accept the provisions of Section 48 of Chapter 31 of the General Laws of the Commonwealth of Massachusetts and vote that the regular and permanent members of the police force, with the exception of the Office of Chief of Police, shall be subject to the provisions of said Chapter 31 and the rules established thereunder? (CIVIL SERVICE)

YES
NO

Question No. 2

Shall licenses be granted in this town for the operation, holding or conducting a game commonly called Beano?

YES |

NO |

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1971	Requested 1972
Moderator	\$25.00 each meeting	\$25.00 each meeting
Town Clerk	\$ 900.00 per year	\$ 900.00 per year
Town Treasurer	2,500.00 per year	2,700.00 per year
Selectmen, Chairman	900.00 per year	1,000.00 per year
Second Member	800.00 per year	900.00 per year
Third Member	800.00 per year	900.00 per year
Board of Health, each member	100.00 per year	150.00 per year
Assessor, Chairman	1,200.00 per year	1,200.00 per year
Second Member	1,200.00 per year	1,200.00 per year
Third Member	1,200.00 per year	1,200.00 per year
Tax Collector	2,000.00 per year	3,000.00 per year

Water Commissioner, Chairman	250.00 per year	250.00 per year
Second Member	250.00 per year	250.00 per year
Third Member, Secretary	500.00 per year	500.00 per year
Auditor	250.00 per year	250.00 per year
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerk of the Selectmen, placed with a fidelity or guarantee company and appropriate the sum of \$510.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to change the indexing system of all General and Special Laws of the Town to a standardized system and to authorize the By-Law Review Committee, to establish such an indexing system, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$360,000.00 for new construction and renovation of the so called Garford Building on South Street so as to house the fire and police department; for the construction at the highway department property on West Bacon Street of a highway department garage; and/or for renovations to the present town office and fire station building on South Street for Town Office purposes, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to maintain the present Municipal Building Committee for this purpose, or to do or act in any manner relative thereto. (If by borrowing, 2/3 vote required)

ARTICLE 9. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the word "authorized" to read "—who performs authorized extra time work—" and changing the words "one time" to ". . . one and one half times . . ." (2/3 vote required)

ARTICLE 10. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI, — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the words ". . . and other specified exceptions . . ." to read ". . . except the Supervisory Group and other specified exceptions . . ." And the addition of Paragraph 6.4.1

Any member of the Highway Department, except the supervisory Group, who performs authorized extra time work over his regularly scheduled work day or work week shall be paid for his overtime work at the rate of one and one half his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

ARTICLE 11. To see if the Town will vote to Amend the Personnel By-Law by the addition of Section XIX College Incentive Program. Said Section to read as follows:

Section XIX College Incentive Program

The Town of Plainville will compensate full-time, active town employees for college credits received which are related to occupation and in a specific degree program at the rate of ten dollars per credit hour per annum subject to the following conditions:

1. College Incentive Program Awards will be made only to full-time, active town employees.
2. All awards to be made only after the written approval of the relevant Department Head and the Personnel Board.
3. The compensation will be ten dollars per credit hour per annum for each credit hour received from an accredited college after a minimum of twelve credit hours.
4. Payment of compensation will be on the first day of December.
5. The closing date for the consideration of credits will be 1 September.
6. If termination of employment is prior to 1 September, compensation will not be awarded.

ARTICLE 12. To see if the Town will vote to change the Personnel By-Law Chapter II, Section XVIII — Classification Plan, Compensation Plan and Work Week, Part G — Inspection Group to read as follows:

	Annually
1. Meter Reader I-7	\$300.00
2. Building Inspector I-6	600.00
3. Wiring Inspector I-5	450.00
4. Plumbing Inspector I-4	400.00
5. Gas Inspector I-3	275.00
6. Inspector of Animals & Slaughtering I-2	200.00
7. Inspector of Milk and Dairies I-1	150.00
8. Assistant Electrical Inspector I-1	150.00

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 13. To see if the Town will vote to amend the Personnel By-Law Compensation Plan 1972 and thereafter by striking therefrom the following:

Department Head	8500.00	9000.00	9500.00	10,000.00
	Annual	Annual	Annual	Annual

and substituting in lieu thereof the following:

Department Head	10,000.00	13,000.00
	Annual Minimum	Annual Maximum

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 14. To see if the Town will vote to change the Personnel By-Law, Chapter II, Section XVIII Classification Plan, Part F — Part Time Group — Hourly, to read as follows:

(1) Mechanic, Part Time	M-7	\$2.90	\$3.15	\$3.45	\$3.70
(2) Deputy Chief, Fire PT	M-6	2.65	2.90	3.15	3.45
(3) Lieutenant, Fire PT	M-5	2.55	2.75	2.95	3.15
(4) Patrolman, Relief PT	M-5	2.55	2.75	2.95	3.15
(5) Laborer, Skilled PT	M-4	2.35	2.55	2.70	2.85
(6) Driver, Highway PT	M-4	2.35	2.55	2.70	2.85
(7) Driver, Fire PT	M-4	2.35	2.55	2.70	2.85
(8) Matron, Police PT	M-4	2.35	2.55	2.70	2.85
(9) Librarian, PT	M-4	2.35	2.55	2.70	2.85
(10) Patrolman, Special PT	M-3	2.10	2.25	2.45	2.60
(11) Firefighter, PT	M-3	2.10	2.25	2.45	2.60
(12) Ambulance Driver, PT	M-3	2.10	2.25	2.45	2.60
(13) Ambulance Attendant PT	M-3	2.10	2.25	2.45	2.60
(14) Clerk, Senior PT	M-3	2.10	2.25	2.45	2.60
(15) Laborer, PT	M-2	1.85	1.95	2.05	2.15
(16) Custodian, PT	M-2	1.85	1.95	2.05	2.15
(17) Librarian Asst., PT	M-1	1.60	1.70	1.80	1.90
(18) Clerk, Part Time	M-1	1.60	1.70	1.80	1.90

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 15. To see if the Town will vote to authorize the payment of current salaries and expenses of the Water Department from revenues by the Water Department during the year 1972 and thereafter, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

1 Street light in front of Romeo J. Mailley, 4 Riley Street

4 Street lights on Hillside Road and Branch Avenue

ARTICLE 17. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1972 and expressly for the following purposes to wit:

1. Support of the Public Library, Salaries and Expenses	7,937.00
2. For Selectmen Administration, Salaries and Expenses	27,337.06
3. For Board of Health, Salaries and Expenses	16,663.00
Town Dump	20,710.00
4. For Wire Inspector, Salary and Expenses	675.00
5. For Building Inspector, Salary and Expenses	700.00
6. For Gas Inspector, Salary and Expenses	350.00
7. For Plumbing Inspector, Salary	400.00
8. For Payment of Insurance: Town Schedule	15,970.00
Group Insurance, Blue Cross-Blue Shield	13,098.96
9. For Memorial Day	250.00
10. For Support of Town Ambulance	4,000.00
11. For Heating and Maintenance of Town Office and Fire Station Building and Garford Building	4,875.00
12. For Zoning Board of Appeals	250.00
13. For Board of Appeals	100.00
14. For Veterans' Benefits and Services	8,250.00
15. For Street Lights	14,900.00
16. For Vocational Education	2,250.00
17. For Town Treasurer, Salary and Expenses	5,837.00
18. For Town Auditor	250.00
19. For Interest on Temporary Loan and Maturing Debt	20,000.00
20. For Tax Title	200.00
21. For Maturing Debt	52,200.00
22. For Finance Committee	200.00
23. For Town's Share of Norfolk County Retirement	15,284.50
24. For Town Clerk, Salary and Expenses	4,100.00
25. For Board of Registrars, Salaries and Expenses	2,900.00
26. For Assessors, Salaries and Expenses	7,800.00
27. For Tax Collector, Salary and Expenses	6,100.00
28. For Fire Department, Salaries and Expenses	90,261.99
29. For Police Department, Salaries and Expenses	131,327.85
30. For Dog Officer	1,500.00
31. For Water Department, Salaries and Expenses	31,123.25
32. For Highway Exclusive of Chapter 81 and 90	24,600.00

Wages and Expenses

33. For Snow Removal	30,000.00
34. For Tree Warden	2,000.00
35. For Town Forest Committee	75.00
36. For Park Department, Wages and Expenses	9,000.00
37. For Support of Local Schools, Salaries and Expenses	527,307.00
38. For Regional School District Committee	695,177.85

Operating and Capital Costs

39. For Industrial Development Commission	160.00
40. For Planning Board	470.00
41. For Conservation Commission	1,000.00
42. For Civil Defense	1,425.00
43. For Elementary School Expansion Committee	
44. For Personnel Board	100.00
45. For By-Law Review Committee	100.00
46. For Industrial Development Financing Authority	

or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972 and January 1, 1973 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of \$10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 24. To see if the town will vote to raise, appropriate or transfer the sum of \$1,200.00 for the purchase of a new cab for the road grader of the Highway Department, or do or act in any manner relative thereto.

ARTICLE 25. To see if the town will vote to raise, appropriate or transfer the sum of \$2,000.00 for the purchase of two (2) new plows and frames for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to purchase a new front-end loader-backhoe for the Highway Department, and raise and appropriate for this purpose the sum of \$20,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 27. To see if the town will vote to raise and appropriate the sum of \$1,294.11, or any other sum, for the control of insects and Dutch elm disease (\$594.11 for insect pest control and \$700.00 for Dutch elm disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 28. To see if the town will vote to raise and appropriate or transfer the sum of \$1,500.00 for the conservation fund, to be used by the conservation commission for the purpose of surveying and the purchase of available land, or do or act in any manner relative thereto.

ARTICLE 29. To see if the town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 30. To see if the town will vote to approve, ratify and confirm the conveyance of a parcel of land located on the northerly side of King Street, Norfolk, by the King Philip Regional School District Committee to Georgia M. Bryant, by deed dated September 20, 1965, recorded with Norfolk County Registry of Deeds, book 4296, page 535, said parcel also being shown as parcel #1 on a plan filed with Norfolk Deeds as plan #994 of 1965; and to authorize the King Philip Regional School District Committee to execute and deliver a deed to Georgia M. Bryant or nominee in such form as the King Philip Regional School District Committee shall deem proper for this purpose; or take any other action relative thereto.

ARTICLE 31. To see if the town will vote to install the sewers shown as "Proposed Sewers, initial construction" and shown as solid red lines on figure 5 of the report on sewerage and sewage treatment for the town of Plainville, Massachusetts, March, 1966 prepared by Camp, Dresser, and McKee, Consulting Engineers, including connection from the sewerage system to the Intercept Line in the Town of North Attleborough and to raise and appropriate for such purpose, the sum of \$2,200,000.00 and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise and if by borrowing, to authorize the issuance of bonds or notes to the town therefor, and to apply for such reimbursement from the State and Federal Governments as may be available, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 32. To see if the town will vote to authorize the Board of Selectmen to ratify, and adopt as still in force and/or amend that certain contract between the Town and the Town of North Attleborough relating to sewerage disposal dated April 27, 1967 and that said contract be in accordance with the requirements and limitations of Chapter 40 Sections 4 and 4A, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to construct a waste-water treatment facility and interceptor sewer system in and in conjunction and cooperation with the Town of North Attleborough and in accordance with the agreement dated April 27, 1967, as ratified and/or amended, between the Town of North Attleborough and the Town of Plainville, and to raise and appropriate the sum of \$700,000.00 for this purpose and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to apply for such reimbursement from the State and Federal Government as may be available, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required.)

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 35. To see if the Town will vote to authorize the purchase or taking by eminent domain of land for water purposes (installation of gravel packed well and pumping station) off West Bacon Street and being such portions of those lots shown on Sheet 12, lots 151, 112, and 64 of the Assessor's plats, as the Water Commissioners deem necessary and to raise and appropriate the sum of \$4,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to install a gravel packed well approximately fifty feet deep, a pump, and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum not to exceed \$60,000.00 to be expended by and under the direction of the Water Commissioners, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required.)

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to purchase or to take by eminent domain Turnpike Lake, and dam and water rights, for public water supply purposes, and to raise and appropriate a sum of money for this purpose, or to do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 38. To see if the Town will vote to authorize the purchase or the taking by eminent domain for street, water and other public purposes, the land shown on Plainville Assessors' plats sheet 5, lot 163; sheet 8, lot 164; sheet 8, lot 163; sheet 8, lot 162; sheet 5, lot 121; sheet 12, lot 151; sheet 12, lot 152; sheet 14, lot 88 and sheet 14, lot 89, being all of the land owned of record by the Penn Central Company in the Town of Plainville, under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220, and to raise and appropriate a sum of money for this purpose, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$151,000.00 to construct a continuation of the existing water line from a hydrant located on Taunton Street 300 feet south of Mirimichi Street, approximately 300 lineal feet northerly on Taunton Street and approximately 5,500 lineal feet easterly on Mirimichi Street and to construct an 8" water line off this proposed continuation approximately 300 lineal feet on Doreen Way and approximately 1,150 lineal feet on Treasure Island Road together with all incidental work, under the direction of the Board of Water Commisisoners, or do or act in any manner relative thereto. (A petitioned article)

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 to construct a continuation of the existing water line on George Street westerly from Ewald Avenue to service #46 and #48 George Street, under the direction of the Water Commissioners, or do or act in any manner relative thereto. (A petitioned article) *to Wash S*

ARTICLE 41. To see if the Town will vote to purchase an ambulance and to raise and appropriate the sum of \$15,000.00 therefor and to apply for such reimbursement from the appropriate Federal Agency as may be available, or do or act in any manner relative thereto. (If by borrowing a 2/3 vote required)

ARTICLE 42. To see if the Town will vote to amend the Building By-Laws, Chapter V of the Town By-Laws, as follows:

(a) Amend Section I Provisions 1.1 (previously Section 1) by inserting between the words "construction" and "alteration" the word "repair."

(b) Amend Section V 5.1 (previously Section 5) by inserting in the third sentence between the words "erection" and "alterations" the word "repair" and between the words "built" and "altered" the word "repair."

(c) Amend Section VI, 6.1 (previously Section 6) by inserting between the words "construct" and "reconstruct" the word "repair" and between the words "building" and "construction" the word "repair."

To amend by striking from Section V5.2 (previously Section 5) the final sentence thereof and inserting in lieu thereof the following:

"The Building Inspector shall make a charge for such a building permit as follows:

1. \$.025 per square foot of first floor area of main structure.
2. \$.015 per square foot of other living or storage and garage areas.

3. \$.015 per square foot of swimming pool area on below ground pools.

4. \$.007 per square foot of swimming pool area above ground.

5. A minimum charge of \$2.50 for issuance of any building permit.

To amend by adding to Section IX-Definitions:

H. Structure: A combination of materials assembled at a fixed location to enclose, support or shelter, such as a building, framework, retaining wall, tent, reviewing stand, platform, bin, fence, sign, flagpole, mast for radio antenna, swimming pool or the like. The word "structure" shall be construed, where the context allows, as though followed by the words "or part or parts thereof."

To amend by striking from Section XV in the first sentence thereof the words "brick" and or "cement blocks."

To amend by striking therefrom under Section ~~XVIII~~¹⁵ in its entirety thereof and inserting in lieu thereof the following:

15.1 Concrete masonry walls shall not be less than ten (10) inches thick. Concrete footings for Lally Columns or masonry piers shall not be less than twelve (12) inches in thickness and less than two (2) feet square.

To amend by striking therefrom Section ~~XIX~~¹⁶ Structures less than ten (10) feet in its entirety.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 43. To see if the Town will vote to amend the By-Laws by striking out Section 2 of Article XII Electrical Wiring and insert in lieu thereof the following:

Section 2 Permits. Before any person, firm or corporation shall install any electrical wiring, said person, firm or corporation shall make application to the Inspector of Wires for a permit for that purpose, file with the Inspector of Wires, such information and specifications as may be required, and pay a fee in accordance with the following schedule:

1. RESIDENTIAL WIRING

A. Entire new single family dwelling	\$10.00
B. Service charge per meter	4.00
C. Air Conditioner outlet — per outlet	2.00
D. Water Heater — per unit	2.00
E. Oil or Gas burner — per unit	2.00
F. Range — per unit	2.00

G. Clothes dryer, per unit	2.00
H. 1 to 3 outlets, total	1.00
I. Additions or alterations to existing dwellings over three outlets — total	3.00
J. Re-inspection for defective work will require additional permit	3.00
K. Swimming pools	3.00
L. Temporary Service	3.00
M. Minimum Wiring Fee	3.00
Entire new multi-family dwelling will require Commercial permit.	

2. INDUSTRIAL AND COMMERCIAL WIRING:

O-50 KW at 50c per KW, 50-500 KW at 25c per KW,
Over 500 KW at 10c per KW.

Permit fees for new buildings and service changes to be based on the KW load determined by multiplying the rated ampere capacity of the main entrance switch or circuit breaker by the rated supply voltage and dividing by 1000 to obtain the KW load. Add amp ratings where more than one service switch is used.

Rated supply voltages to be used for figuring are 120, 240, 480 or rating of Massachusetts Electric Company for higher voltages. Three phase, 4 wire voltage (208) to be figured as 240 volts.

EXAMPLES:

Entrance SW. Capacity in amps	KW at 208 volts or 240 volts	Fee
100	24	\$12.00
200	48	24.00
300	72	30.50
400	96	36.50
500	120	42.50
600	144	48.50

All fractions of a KW to be rounded off to nearest KW.

KW loads for building additions, rewiring, and wiring additions using separate feeders to be determined by the feeder capacity in amperes and the voltage.

Motor Wiring fees figured at 746 watts per HP.

Individual motor HP ratings to be added.

Minimum Wiring fee \$5.00

All other work — minimum fee \$5.00

Yearly electrical maintenance fee for commercial or industrial concerns \$25.00 per year.

Re-inspection for defective work will require additional permit
Fee \$3.00

3. No permit will be required to execute the following classes of electrical work:

- (a) The replacing of electrical lamps or repair of electrical equipment and appliances which are plugged into a permanently installed electrical outlet.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 44. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this first day of February in the year of our Lord one thousand nine hundred and seventy-two.

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1972

OFFICE OF TOWN CLERK

Town of
Plainville, Massachusetts

March 7, 1972

To: Bessie Barton of said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation,
I do hereby appoint you Assistant Town Clerk of said Plainville, with
all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, March 6, 1972

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SIXTH DAY OF MARCH 1972 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health, One Assessor, One School Committee, One Regional School Committee, One Park Commissioner and One Trustee Public Library. Two Water Commissioners; One for Three Years and One for One Year. Two Members of the Planning Board; One for Five Years and One for One Year. Three Members of the Finance Committee; Two for Three Years and One for Two Years. One Member of the Housing Authority, for Five Years; and the following questions:

Question No. 1

Shall the Town vote to accept the provisions of Section 48 of Chapter 31 of the General Laws of the Commonwealth of Massachusetts and vote that the regular and permanent members of the police force, with the exception of the Office of Chief of Police, shall be subject to the provisions of said Chapter 31 and the rules established thereunder? (CIVIL SERVICE)

YES |

NO |

Question No. 2

Shall licenses be granted in this town for the operation, holding or conducting a game commonly called Beano?

YES |

NO |

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1971	Requested 1972
Moderator	\$25.00 each meeting	\$25.00 each meeting
Town Clerk	\$ 900.00 per year	\$ 900.00 per year
Town Treasurer	2,500.00 per year	2,700.00 per year
Selectmen, Chairman	900.00 per year	1,000.00 per year
Second Member	800.00 per year	900.00 per year
Third Member	800.00 per year	900.00 per year
Board of Health, each member	100.00 per year	150.00 per year
Assessor, Chairman	1,200.00 per year	1,200.00 per year
Second Member	1,200.00 per year	1,200.00 per year
Third Member	1,200.00 per year	1,200.00 per year
Tax Collector	2,000.00 per year	3,000.00 per year
Water Commissioner, Chairman	250.00 per year	250.00 per year
Second Member	250.00 per year	250.00 per year
Third Member, Secretary	500.00 per year	500.00 per year
Auditor	250.00 per year	250.00 per year

Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerk of the Selectmen, placed with a fidelity or guarantee company and appropriate the sum of \$510.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to change the indexing system of all General and Special Laws of the Town to a standardized system and to authorize the By-Law Review Committee, to establish such an indexing system, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$360,000.00 for new construction and renovation of the so called Garford Building on South Street so as to house the fire and police department; for the construction at the highway department property on West Bacon Street of a highway department garage; and/or for renovations to the present town office and fire station building on South Street for Town Office purposes, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to maintain the present Municipal Building Committee for this purpose, or to do or act in any manner relative thereto. (If by borrowing, 2/3 vote required)

ARTICLE 9. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the word "authorized" to read "—who performs authorized extra time work—" and changing the words "one time" to "... one and one half times ..." (2/3 vote required)

ARTICLE 10. To see if the Town will vote to amend the Personnel By-Law, Chapter II, Section VI, — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the words "... and other specified exceptions ..." to read "... except the Supervisory Group and other specified exceptions ..." And the addition of Paragraph 6.4.1

Any member of the Highway Department, except the supervisory Group, who performs authorized extra time work over his regularly

scheduled work day or work week shall be paid for his overtime work at the rate of one and one half his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

ARTICLE 11. To see if the Town will vote to Amend the Personnel By-Law by the addition of Section XIX College Incentive Program. Said Section to read as follows:

Section XIX College Incentive Program

The Town of Plainville will compensate full-time, active town employees for college credits received which are related to occupation and in a specific degree program at the rate of ten dollars per credit hour per annum subject to the following conditions:

1. College Incentive Program Awards will be made only to full-time, active town employees.
2. All awards to be made only after the written approval of the relevant Department Head and the Personnel Board.
3. The compensation will be ten dollars per credit hour per annum for each credit hour received from an accredited college after a minimum of twelve credit hours.
4. Payment of compensation will be on the first day of December.
5. The closing date for the consideration of credits will be 1 September.
6. If termination of employment is prior to 1 September, compensation will not be awarded.

ARTICLE 12. To see if the Town will vote to change the Personnel By-Law Chapter II, Section XVIII — Classification Plan, Compensation Plan and Work Week, Part G — Inspection Group to read as follows:

	Annually
1. Meter Reader I-7	\$300.00
2. Building Inspector I-6	600.00
3. Wiring Inspector I-5	450.00
4. Plumbing Inspector I-4	400.00
5. Gas Inspector I-3	275.00
6. Inspector of Animals & Slaughtering I-2	200.00
7. Inspector of Milk and Dairies I-1	150.00
8. Assistant Electrical Inspector I-1	150.00

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 13. To see if the Town will vote to amend the Personnel By-Law Compensation Plan 1972 and thereafter by striking therefrom the following:

Department Head	8500.00	9000.00	9500.00	10,000.00
	Annual	Annual	Annual	Annual

and substituting in lieu thereof the following:

Department Head	10,000.00	13,000.00
	Annual Minimum	Annual Maximum

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 14. To see if the Town will vote to change the Personnel By-Law, Chapter II, Section XVIII Classification Plan, Part F — Part Time Group — Hourly, to read as follows:

(1) Mechanic, Part Time	M-7	\$2.90	\$3.15	\$3.45	\$3.70

or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1972 and January 1, 1973 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of \$10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 24. To see if the town will vote to raise, appropriate or transfer the sum of \$1,200.00 for the purchase of a new cab for the road grader of the Highway Department, or do or act in any manner relative thereto.

ARTICLE 25. To see if the town will vote to raise, appropriate or transfer the sum of \$2,000.00 for the purchase of two (2) new plows and frames for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to purchase a new front-end loader-backhoe for the Highway Department, and raise and appropriate for this purpose the sum of \$20,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 27. To see if the town will vote to raise and appropriate the sum of \$1,294.11, or any other sum, for the control of insects and Dutch elm disease (\$594.11 for insect pest control and \$700.00 for Dutch elm disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 28. To see if the town will vote to raise and appropriate or transfer the sum of \$1,500.00 for the conservation fund, to be used by the conservation commission for the purpose of surveying and the purchase of available land, or do or act in any manner relative thereto.

ARTICLE 29. To see if the town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 30. To see if the town will vote to approve, ratify and confirm the conveyance of a parcel of land located on the northerly side of King Street, Norfolk, by the King Philip Regional School District Committee to Georgia M. Bryant, by deed dated September 20, 1965, recorded with Norfolk County Registry of Deeds, book 4296, page 535, said parcel also being shown as parcel #1 on a plan filed with Norfolk Deeds as plan #994 of 1965; and to authorize the King Philip Regional School District Committee to execute and deliver a deed to Georgia M. Bryant or nominee in such form as the King Philip Regional School District Committee shall deem proper for this purpose; or take any other action relative thereto.

ARTICLE 31. To see if the town will vote to install the sewers shown as "Proposed Sewers, initial construction" and shown as solid red lines on figure 5 of the report on sewerage and sewage treatment for the town of Plainville, Massachusetts, March, 1966 prepared by Camp, Dresser, and McKee, Consulting Engineers, including connection from the sewerage system to the Intercept Line in the Town of North Attleborough and to raise and appropriate for such purpose, the sum of \$2,200,000.00 and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise and if by borrowing, to authorize the issuance of bonds or notes to the town therefor, and to apply for such reimbursement from the State and Federal Governments as may be available, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 32. To see if the town will vote to authorize the Board of Selectmen to ratify, and adopt as still in force and/or amend that certain contract between the Town and the Town of North Attleborough relating to sewerage disposal dated April 27, 1967 and that said contract be in accordance with the requirements and limitations of Chapter 40 Sections 4 and 4A, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to construct a waste-water treatment facility and interceptor sewer system in and in conjunction and cooperation with the Town of North Attleborough and in accordance with the agreement dated April 27, 1967, as ratified and/or amended, between the Town of North Attleborough and the Town of Plainville, and to raise and appropriate the sum of \$700,000.00 for this purpose and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to apply for such reimbursement from the State and Federal Government as may be available, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required.)

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 35. To see if the Town will vote to authorize the purchase or taking by eminent domain of land for water purposes (installation of gravel packed well and pumping station) off West Bacon Street and being such portions of those lots shown on Sheet 12, lots 151, 112, and 64 of the Assessor's plats, as the Water Commissioners deem necessary and to raise and appropriate the sum of \$4,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to install a gravel packed well approximately fifty feet deep, a pump, and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum not to exceed \$60,000.00 to be expended by and under the direction of the Water Commissioners, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required.)

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to purchase or to take by eminent domain Turnpike Lake, and dam and water rights, for public water supply purposes, and to raise and appropriate a sum of money for this purpose, or to do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 38. To see if the Town will vote to authorize the purchase or the taking by eminent domain for street, water and other public purposes, the land shown on Plainville Assessors' plats sheet 5, lot 163; sheet 8, lot 164; sheet 8, lot 163; sheet 8, lot 162; sheet 5, lot 121; sheet 12, lot 151; sheet 12, lot 152; sheet 14, lot 88 and sheet 14, lot 89, being all of the land owned of record by the Penn Central Company in the Town of Plainville, under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220, and to raise and appropriate a sum of money for this purpose, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$151,000.00 to construct a continuation of the existing water line from a hydrant located on Taunton Street 300 feet south of Mirimichi Street, approximately 300 lineal feet northerly on Taunton Street and approximately 5,500 lineal feet easterly on Mirimichi Street and to construct an 8" water line off this proposed continuation approximately 300 lineal feet on Doreen Way and approximately 1,150 lineal feet on Treasure Island Road together with all incidental work, under the direction of the Board of Water Commisisoners, or do or act in any manner relative thereto. (A petitioned article)

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$18,000.00 to construct a continuation of the existing water line on George Street westerly from Ewaid Avenue to service #46 and #48 George Street, under the direction of the Water Commissioners, or do or act in any manner relative thereto. (A petitioned article)

ARTICLE 41. To see if the Town will vote to purchase an ambulance and to raise and appropriate the sum of \$15,000.00 therefor and to apply for such reimbursement from the appropriate Federal Agency as may be available, or do or act in any manner relative thereto. (If by borrowing a 2/3 vote required)

ARTICLE 42. To see if the Town will vote to amend the Building By-Laws, Chapter V of the Town By-Laws, as follows:

(a) Amend Section I Provisions 1.1 (previously Section 1) by inserting between the words "construction" and "alteration" the word "repair."

(b) Amend Section V 5.1 (previously Section 5) by inserting in the third sentence between the words "erection" and "alterations" the word "repair" and between the words "built" and "altered" the word "repair."

(c) Amend Section VI, 6.1 (previously Section 6) by inserting between the words "construct" and "reconstruct" the word "repair" and between the words "building" and "construction" the word "repair."

To amend by striking from Section V5.2 (previously Section 5) the final sentence thereof and inserting in lieu thereof the following:

"The Building Inspector shall make a charge for such a building permit as follows:

1. \$.025 per square foot of first floor area of main structure.
2. \$.015 per square foot of other living or storage and garage areas.

3. \$.015 per square foot of swimming pool area on below ground pools.

4. \$.007 per square foot of swimming pool area above ground.

5. A minimum charge of \$2.50 for issuance of any building permit.

To amend by adding to Section IX Definitions:

H. Structure: A combination of materials assembled at a fixed location to enclose, support or shelter, such as a building, framework, retaining wall, tent, reviewing stand, platform, bin, fence, sign, flagpole, mast for radio antenna, swimming pool or the like. The word "structure" shall be construed, where the context allows, as though followed by the words "or part or parts thereof."

To amend by striking from Section XV in the first sentence thereof the words "brick" and or "cement blocks."

To amend by striking therefrom under Section XVIII in its entirety thereof and inserting in lieu thereof the following:

15.1 Concrete masonry walls shall not be less than ten (10) inches thick. Concrete footings for Lally Columns or masonry piers shall not be less than twelve (12) inches in thickness and less than two (2) feet square.

To amend by striking therefrom Section XIX Structures less than ten (10) feet in its entirety.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 43. To see if the Town will vote to amend the By-Laws by striking out Section 2 of Article XII Electrical Wiring and insert in lieu thereof the following:

Section 2 Permits. Before any person, firm or corporation shall install any electrical wiring, said person, firm or corporation shall make application to the Inspector of Wires for a permit for that purpose, file with the Inspector of Wires, such information and specifications as may be required, and pay a fee in accordance with the following schedule:

1. RESIDENTIAL WIRING

A. Entire new single family dwelling	\$10.00
B. Service change per meter	4.00
C. Air Conditioner outlet — per outlet	2.00
D. Water Heater — per unit	2.00
E. Oil or Gas burner — per unit	2.00
F. Range — per unit	2.00

G. Clothes dryer, per unit	2.00
H. 1 to 3 outlets, total	1.00
I. Additions or alterations to existing dwellings over three outlets — total	3.00
J. Re-inspection for defective work will require additional permit	3.00
K. Swimming pools	3.00
L. Temporary Service	3.00
M. Minimum Wiring Fee	3.00
Entire new multi-family dwelling will require Commercial permit.	

2. INDUSTRIAL AND COMMERCIAL WIRING:

O-50 KW at 50c per KW, 50-500 KW at 25c per KW,

Over 500 KW at 10c per KW.

Permit fees for new buildings and service changes to be based on the KW load determined by multiplying the rated ampere capacity of the main entrance switch or circuit breaker by the rated supply voltage and dividing by 1000 to obtain the KW load.

Add amp ratings where more than one service switch is used.

Rated supply voltages to be used for figuring are 120, 240, 480 or rating of Massachusetts Electric Company for higher voltages. Three phase, 4 wire voltage (208) to be figured as 240 volts.

EXAMPLES:

Entrance SW. Capacity in amps	KW at 208 volts or 240 volts	Fee
100	24	\$12.00
200	48	24.00
300	72	30.50
400	96	36.50
500	120	42.50
600	144	48.50

All fractions of a KW to be rounded off to nearest KW.

KW loads for building additions, rewiring, and wiring additions using separate feeders to be determined by the feeder capacity in amperes and the voltage.

Motor Wiring fees figured at 746 watts per HP.

Individual motor HP ratings to be added.

Minimum Wiring fee \$5.00

All other work - minimum fee \$5.00

Yearly electrical maintenance fee for commercial or industrial concerns \$25.00 per year.

Re-inspection for defective work will require additional permit Fee \$3.00

3. No permit will be required to execute the following classes of electrical work:

- (a) The replacing of electrical lamps or repair of electrical equipment and appliances which are plugged into a permanently installed electrical outlet.

or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 44. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this first day of February in the year of our Lord one thousand nine hundred and seventy-two.

RAY P. FELIX, Chairman

ROBERT W. ROOT

ROBERT E. LOEW

Selectmen of Plainville

A true copy, Attest: ROBERT R. FAILLE, Constable

This 25 day of February, 1972

I have this day posted seven (7) copies of the within Warrant, in seven (7) days before said meeting.

ROBERT R. FAILLE, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE
SIXTY-SEVENTH ANNUAL TOWN MEETING
TOWN OF PLAINVILLE, MASSACHUSETTS

March 6, 1972

Pursuant to the foregoing warrant, the sixty-seventh Annual Town Meeting for the Town of Plainville was opened by Moderator Charles O. Peasley at 8:00 A.M. in the Elementary School Auditorium, South Street, Plainville, Norfolk County, Massachusetts.

The following officials, having been appointed by the Selectmen, were sworn in to the faithful performance of their duties by Town Clerk, Austin F. Grant; Warden, Robert C. Keniston; Deputy Warden, Stanley Cole; Clerk, Marion McCabe; Deputy Clerk, Gael Kelly; Ballot Box Officer, Stanley Myers; Tellers, Helen Cobb, Violet Osterholm, Lucille Keniston, alternate; Evelyn Soule, Marie Diede, Jacqueline DiGiantomasso, alternate..

This meeting being for the purpose of election of town officers, the ballot box was inspected by Gael Kelly, Evelyn Soule, Lucille Keniston and Helen Cobb. Declared empty, locked and the key turned over to the ballot box officer.

The police on duty during the hours of voting and until the ballots were counted were; William Salamone, Gerald Jillson, Harry Schaefer and Chief Robert Faille.

Richard Cobb and Maurice Theriault, members of Board of Registrars were in attendance during the hours of voting for the purpose of answering questions pertaining to voting lists.

At 8:00 P.M. the polls were declared closed by Moderator Charles O. Peasley, also declaring that all other business in the Warrant for this Annual Town Meeting is postponed until Monday, March 20, 1972 at 7:30 P.M. in the Auditorium of the Plainville Elementary School, South Street, Plainville.

The ballot box showed 910 voters; 908 plus 2 absentee votes. Voting lists were checked and the following noted; 447 men, 1 absentee; 461

women, 1 absentee. The ballot box was inspected by Gael Kelly, Marion McCabe, Lucille Keniston and Bessie Barton. The number of ballots counted checked with the tellers lists.

At 8:00 P.M. the following counters were sworn in by Town Clerk, Austin F. Grant; Allie B. C. McAlpine, Beverly Armstrong, Irene Tremblay, Lucille Keniston, Natalie Rammel, Bessie Barton, Helen Theriault, Marion Reilly, John Flynn, Rita Pimental, Douglas McCabe, and Catherine Ashworth.

The following is the result of the voting:

**PROCEEDINGS OF THE
SIXTY-SEVENTH ANNUAL TOWN MEETING**

March 20, 1972

The adjourned session of the Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by the Moderator Charles O. Peasley, at 7:40 P.M. in the Auditorium of the Plainville Elementary School, South Street, on Monday evening, March 20, 1972.

Rev. Robert M. Smith, pastor of the Plainville Methodist Church was called upon to give the invocation by the Moderator.

Voters were checked into the hall by means of the Registrars voting lists by Robert C. Keniston and Marie Diede. The total number of voters checked at the end of the evening was 188; 107 men and 81 women.

The bounds of the hall for participation in the meeting and voting were declared to be the two sections of chairs set up on the auditorium floor by the Moderator.

Counters appointed were: right side of Moderator, Frank Miller and Theodore Wickman; left side, Raymond Smith and Russell Mulligan. At 10:30 P.M. Ronald Fredrickson replaced Theodore Wickman as a counter.

Ballot box officer in case of a ballot vote, Austin F. Grant.

The call of the meeting was read by Town Clerk, Austin F. Grant.

ARTICLE 2. Motion by Robert E. Loew and seconded by George Pray that Robert R. Faille, Charles O. Peasley and Maynard G. Grant be appointed Fence Viewers and Field Drivers for the ensuing year. Unanimously voted.

Motion by Robert E. Loew and seconded by George Pray and unanimously voted that Alec H. Fredrickson, Francis W. Simmons and Everett W. Skinner, be appointed Measurers of Wood, Bark and Lumber for the ensuing year.

ARTICLE 3. Motion by Robert E. Loew and seconded by George Pray that the reports of the Selectmen, Treasurer and other town officers, with the exception of those omitted due to lateness of the committees, and typographical errors, be accepted as printed. The Moderator declared a Yes vote. Not unanimous.

ARTICLE 4. Motion by Robert E. Loew and seconded by Robert Brothers that the provisions of Chapter 81 of the General Laws be accepted. Unanimously voted.

ARTICLE 5. Motion by Gerard L. Jeannotte and seconded by David Lomasney that the town vote to fix the salary and compensation of all elective officers of the town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

Moderator	\$25.00 each meeting
Town Clerk	900.00 per year
Town Treasurer	2,650.00 per year
Selectmen, Chairman	900.00 per year
Second Member	800.00 per year
Third Member	800.00 per year
Board of Health, each member	150.00 per year
Assessor, Chairman	1,200.00 per year
Second Member	1,200.00 per year
Third Member	1,200.00 per year
Tax Collector	2,125.00 per year
Water Commissioner, Chairman	250.00 per year
Second Member	250.00 per year
Third Member, Secretary	500.00 per year
Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour

ARTICLE 6. Motion by Roland Ferland and seconded by George Pray that the Town vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerk of the Selectmen placed with a Fidelity or Guarantee Company and unanimously voted.

ARTICLE 7. Motion by Robert Brothers and seconded by Warren Paglari that the Town vote to change the indexing system of all General and Special Laws of the Town to a standardized system and to authorize the By-Law Review Committee to establish such an indexing system. Unanimously voted.

ARTICLE 8. Mr. Robert E. Loew requested permission for the architect to speak to the Town Meeting if the need arose under the discussion of this article. Moderator Charles O. Peasley placed this request before the meeting and as there were no objections, the request was granted.

Motion by David Lomasney and seconded by George Pray that the sum of \$358,963.10 be appropriated as follows:

(1) That the sum of \$44,056.70 be and hereby is appropriated for the purpose of remodeling, reconstructing or making extraordinary repairs to the Garford Building located on South Street so as to house the fire and police departments and that to meet said appropriation the sum of \$4,405.67 shall be transferred from the Municipal Building Account, and the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$39,651.03 at one time, or from time to time and to issue bonds or notes of the Town therefor under and pursuant to Chapter 44, Section 7, clause (3A), of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than ten (10) years from its date;

(2) That the sum of \$197,414.80 be and hereby is appropriated for the purpose of constructing, originally equipping and furnishing an addition to the Garford Building located on South Street so as to house the fire and police departments and that to meet said appropriation the sum of \$47,563.73 shall be transferred from the Municipal Building Account and the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$149,851.07 at one time or from time to time and to issue bonds or notes of the Town therefor under and pursuant to Chapter 44, Section 7, clause (3) of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than twenty (20) years from its date;

(3) That the sum of \$53,122.30 be and hereby is appropriated for the purpose of constructing, originally equipping and furnishing a highway department garage on the Highway Department property on West Bacon Street and that to meet said appropriation the sum of \$1,593.67 shall be transferred from the Municipal Building Account, and the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$51,528.63 at one time or from time to time and to issue bonds or notes of the Town therefor, under and pursuant to Chapter 44, Section 7, clause (3), of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than twenty (20) years from its date;

(4) That the sum of \$64,369.30 be and hereby is appropriated for the purpose of remodeling, reconstructing or making extraordinary repairs to the Town Office and Fire Station Building located on South Street for Town Office facilities, and that to meet said appropriation, the sum of \$6,436.93 shall be transferred from the Municipal Building Account and the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$57,932.37 at one time or from time to time and to issue bonds or notes of the Town therefor, under and pursuant to Chapter 44, Section 7, clause (3A) of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than ten (10) years from its date.

This article was amended by David Lomasney seconded by George Pray to add, "and to maintain the present building committee for this purpose."

Vote on amendment: Yes 135 No 5

Standing vote on article: Yes 147 No 9 Moderator declared the motion carried.

ARTICLE 9. Motion by Robert Brothers and seconded by George Pray that the Town vote to amend the Personnel By-Law, Chapter 11, Section VI — Hours, Days and Weeks of Work, Paragraph 6.4 by the addition of the word "authorized" to read, "—who performs authorized extra time work—" and changing the words "one time" to "... one and one half times . . .". Result of standing vote: Yes 146 No 2. Motion carried.

ARTICLE 10. The Moderator declared No Action necessary on this article as it had been taken care of under Article 9.

ARTICLE 11. Upon a motion by Mrs. Thomas Reynolds and seconded by George Pray this article was tabled temporarily until the Chairman of the Personnel Board could be present. Unanimously voted.

ARTICLE 12. Motion by George Pray and seconded by Jean Baumgardner that the Town vote to change the Personnel By-Law Chapter II, Section XVIII — Classification Plan, Compensation Plan and Work Week, Part G. — Inspection Group to read as follows:

		Annual Maximum
1. Meter Reader	I-7	\$300.00
2. Building Inspector	I-6	\$600.00
3. Wire Inspector	I-5	\$450.00
4. Plumbing Inspector	I-4	\$400.00
5. Gas Inspector	I-3	\$275.00
6. Inspector of Slaughtering and Animals	I-2	\$200.00
7. Inspector of Milk and Dairies	I-1	\$150.00
8. Assistant Electrical Inspector	I-1	\$150.00

Unanimously voted. Yes 148 No 0

ARTICLE 13. Motion by Gerard Jeannotte and seconded by David Lomasney that the Town vote to amend the Personnel By-Law Compensation Plan 1972 and thereafter by striking therefrom the following:

	Annual	Annual	Annual	Annual
Department Head	8,500.00	9,000.00	9,500.00	10,000.00

and inserting in lieu thereof the following:

	Annual Minimum	Annual Maximum
Department Head	\$10,000.00	\$13,000.00

Mr. Lomasney explained this change by advising it would give the Town the authority to include the Highway Superintendent in this category along with the Chief of Police and Chief of the Fire Department. Result of standing vote: Yes 146 No 1

ARTICLE 14. Motion by Jean Baumgardner and seconded by Robert Brothers that the Town vote to change the Personnel By-Law, Chapter II, Section XVIII Classification Plan, Part F — Part Time Group — Hourly, to read as follows:

(1) Mechanic, Part Time	M-7	\$2.90	\$3.15	\$3.45	\$3.70
(2) Deputy Chief, Fire PT	M-6	2.65	2.90	3.15	3.45

(3) Lieutenant, Fire PT	M-5	2.55	2.75	2.95	3.15
(4) Patrolman, Relief PT	M-5	2.55	2.75	2.95	3.15
(5) Laborer, Skilled PT	M-4	2.35	2.55	2.70	2.85
(6) Driver, Highway PT	M-4	2.35	2.55	2.70	2.85
(7) Driver, Fire PT	M-4	2.35	2.55	2.70	2.85
(8) Matron, Police PT	M-4	2.35	2.55	2.70	2.85
(9) Librarian, PT	M-4	2.35	2.55	2.70	2.85
(10) Patrolman, Special PT	M-3	2.10	2.25	2.45	2.60
(11) Firefighter, P T	M-3	2.10	2.25	2.45	2.60
(12) Ambulance Driver, PT	M-3	2.10	2.25	2.45	2.60
(13) Ambulance Attendant PT	M-3	2.10	2.25	2.45	2.60
(14) Clerk, Senior PT	M-3	2.10	2.25	2.45	2.60
(15) Laborer, PT	M-2	1.85	1.95	2.05	2.15
(16) Custodian, PT	M-2	1.85	1.95	2.05	2.15
(17) Librarian Asst. PT	M-1	1.60	1.70	1.80	1.90
(18) Clerk, Part Time	M-1	1.60	1.70	1.80	1.90

Result of standing vote: Yes 145 No 0 Unanimously voted.

ARTICLE 15. Motion by David Lomasney and seconded by George Pray that the Town vote to authorize the payment of current salaries and expenses of the Water Department from anticipated revenues by the Water Department during the year 1972 and thereafter. Unanimously voted.

ARTICLE 16. Motion by Jean Baumgardner and seconded by David Lomasney that the Town vote to install street lights at the following locations:

1 street light in front of Romeo J. Mailley, 4 Riley Street

4 street lights on Hillside Road and Branch Avenue

The money to pay for same is included in Section 15, Street Lights, under Article 17. Unanimously voted.

At this time upon motion by David Lomasney and seconded by Jean Baumgardner is was unanimously voted to change the order of business and take up Articles 31, 32 and 33.

ARTICLE 31. Motion by David Lomasney and seconded by George Pray. The Finance Committee recommends and I so move that the sum of \$2,200,000.00 be and hereby is appropriated for the purpose of constructing the sewers shown as "Proposed Sewers, initial construction" and

shown as solid red lines on figure 5 of the report on sewerage and sewage treatment for the Town of Plainville, Massachusetts, March, 1966, prepared by Camp, Dresser and McKee, Consulting Engineers, including the connection from the sewerage system to the Intercept Line in the Town of North Attleborough and that to meet said appropriation the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$2,200,000.00 at one time or from time to time and to issue bonds or notes of the Town therefor under and pursuant to Chapter 44, Section 8, Clause (15), of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than thirty (30) years from its date, provided that the total amount to be borrowed shall be reduced by the amount of Federal and State grants or aid received for said project prior to the sale of said bonds or notes and the Selectmen are hereby authorized to apply for and accept such Federal and State grants or aid.

After much discussion the article was brought to a vote. Result of a standing vote: Yes 123 No 27 Motion carried.

ARTICLE 32. Motion by David Lomasney and seconded by George Pray that the Selectmen be hereby authorized to enter into a contract with the Town of North Attleborough under and pursuant to Chapter 40, Section 4, of the General Laws, relating to sewerage disposal, generally in accordance with the Agreement dated April 27, 1967, between the Town of Plainville and the Town of North Attleborough. Unanimously voted.

ARTICLE 33. Motion by David Lomasney and seconded by George Pray that the sum of \$700,000.00 be and is hereby appropriated as the lump-sum payment of the cost of the tie-in to the sewerage system and sewage treatment and disposal facilities of the Town of North Attleborough in accordance with the Agreement approved and authorized under Article 32 of this Warrant for this meeting, and that to meet said appropriation, the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of \$700,000.00 at one time or from time to time and to issue bonds or notes of the town therefor under and pursuant to Chapter 44, Section 8, Clause (15), of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than thirty (30) years from its date.

This article was amended by Edward Serwinski and seconded by Reginald Keyes. The Moderator declared a five minute recess in order to have the amendment written.

Meeting called to order and the amendment read: Moved that the following be added to the motion on the floor; that the method of assessment to each individual thereby be specified by the Selectmen and approved by the townspeople.

During discussion on the amendment it was brought out that the motion and agreement specified a lump-sum payment and therefor could not be done by assessment. Mr. Serwinski agreed to withdraw his amendment with agreement by Mr. Keyes. Vote on article: Yes 124 No 0 Unanimously voted.

At this time Mr. Serwinski moved that Article 31 be reconsidered. Seconded by Reginald Keyes. A standing vote was taken and results: Yes 73 No 59

As a vote to reconsider must be a 2/3 vote, the Moderator declared the motion defeated and the original vote on Article 31 stands.

Upon motion by John Atkins and seconded by Simeon Ober it was voted to change the order of business and consider Articles 39 and 40 at this time.

ARTICLE 39. Motion by John Atkins and seconded by Mrs. Paul Nevins that the Town vote to raise and appropriate the sum of \$151,000 to construct a continuation of the existing water line from the present termination of the existing 12" main on Taunton Street, located at the entrance to Engelhard Industries, D. E. Makepeace Division, approximately 3400 lineal feet northerly on Taunton Street to the intersection of Mirimichi Street and Taunton Street, with approximately 3400 lineal feet of 12" cement lined cast iron pipe, thence easterly on Mirimichi Street a distance of approximately 5,500 lineal feet with approximately 5,500 lineal feet of cement lined cast iron pipe not to exceed 12" and to construct an 8" water line off this proposed continuation approximately 300 lineal feet on Doreen Way with 8" cement lined cast iron pipe and approximately 1,150 lineal feet on Treasure Island Road with 8" cement lined cast iron pipe; and to see if the Town will vote to authorize the Town through its Water Commissioners to take by eminent domain under G.L. C 79 all lands, rights of way and or easements necessary for installing the 8" cement lined cast iron pipe on Treasure Island Road and Doreen Way, said work to contain all necessary appurtenances together with all incidental work to be done under the supervision of the Board of Water Commissioners.

An amendment was made by John Atkins and seconded by Mrs. Nevins that this motion be amended to read "by borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, not to exceed ten (10) years."

Much discussion ensued on this motion. The question of legality was asked of Town Counsel, Charles Mason, as this is an unaccepted street in the Town. Mr. Mason stated that as this is an unaccepted street in the town it is contrary to the Town By-Law; however, it could be the intention of the Town Meeting to over-ride the Town By-Law. The ruling of the Moderator was that we consider.

Russell Mulligan moved that this article be laid on the table until the Water Commissioners could be present. Seconded by Mrs. Thomas Reynolds. A voice vote was taken and the Moderator declared the NO's have it. This was doubted and a standing vote showed 55 in favor and 44 opposed. The article was laid on the table until next Monday evening.

At 10:55 P.M. upon a motion by George Pray and seconded by David Lomasney it was voted to postpone the meeting until next Monday, March 27, 1972 at 7:30 P.M. and the Moderator so declared.

MONDAY, MARCH 27, 1972

PLAINVILLE ELEMENTARY SCHOOL, SOUTH STREET

The postponed Town Meeting was called to order at 7:40 P.M. by Moderator Charles O. Peasley. The following counters were appointed: Theodore A. Wickman and Simeon Ober, right side of the hall; Neal Avery and George Flanagan, left side of the hall. Austin F. Grant, Town Clerk, ballot box officer.

The voters were checked into the hall by the registrars voting lists, the count at the end of the evening showed 112 men and 64 women, a total of 176 voters present.

The bounds of the hall were determined by the Moderator to be the seats set up on the floor of the hall.

Mr. John Atkins moved that Article 39 as amended be placed before the meeting for discussion. Seconded by Reginald Keyes. The Moderator

declared that it seemed a YES vote had it, this was doubted and the results of a standing vote were YES 97 NO 12. Yes vote declared by the Moderator.

Russell Mulligan asked the Water Commissioners what their feelings on this article were, and if there was adequate water for this additional system?

Mr. Everett Skinner, Superintendent of the Water Department advised that until the new well is completed we do not have adequate water for any new mains. After considerable discussion Mrs. Thomas Reynolds asked if it would be out of order to table this article until the article for the well is considered and voted upon. The Moderator declared it could be re-tabled. This was made a motion by Mrs. Reynolds and seconded by Mr. Reginal Keyes. YES vote declared by the Moderator. The article is placed upon the table until Article 36 is disposed of.

ARTICLE 17. Motion by George Pray and seconded by David Lomasney that the sum of \$1,724,486.17 be raised and appropriated to defray Town charges for the financial year ending December 31, 1972 and expressly for the following purposes, to wit:

1. Support of Public Library		\$7,937.00
(of which \$1,963.91 State Aid, \$973.09 County Dog Tax)

23. Norfolk County Retirement System, Town's share	15,284.50
24. Town Clerk, Salaries and Expenses	4,100.00
25. Board of Registrars, Salaries and Expenses	2,800.00
26. Assessors, Salaries and Expenses	7,800.00
27. Tax Collector, Salary and Expenses	4,725.00
28. Fire Department, Salaries and Expenses	84,113.04
29. Police Department, Salaries and Expenses and New Equipment	107,254.82
30. Dog Officer, Salary	1,500.00
31. Water Dept. Salaries, Expenses and New Equipment (Under Article 15, this money does not have to be raised.)	30,000.00
32. Highway Dept. Salaries, Expenses and New Equipment	24,600.00
33. Highway Department Snow Account	27,000.00
34. Tree Warden	1,000.00
35. Town Forest Committee	75.00
36. Park Dept. Salaries, Expenses and New Equipment	9,000.00
37. Local Schools	527,307.00
38. King Philip Regional School District	695,177.85
39. Industrial Development Commission \$60.00 This amount was increased by \$100 by amendement by Dewey Beach, seconded by Mrs. Thomas Reynolds	160.00
40. Planning Board	375.00
41. Conservation Commission, Expenses and New Equipment	1,000.00
42. Civilian Defense	750.00
43. Elementary School Expansion Committee	—
44. Personnel Board	100.00
45. By-Law Review Committee	100.00

The amount of money to be raised and appropriated or transferred as amended is \$1,726,586.17; of this amount \$1,963.91 to be from State Aid to Libraries and \$973.09 transferred from County Dog Refund. Unanimously voted.

Under Article 17 much discussion was held on the duties of the Dog Officer. Mr. Clifton DeMotte spoke relative to this and explained some of the duties. Chief Robert Faille also spoke in defense of the Dog Officer.

Under Section 39, Mr. Dewey Beach moved that the appropriation for the Industrial Development Commission be increased by \$100, this

was seconded by Mrs. Thomas Reynolds. The Moderator declared the voice on this amendment in the affirmative. Section 39 increased to \$160.00.

At 8:45 P.M. a five minute recess was declared by the Moderator.

Meeting again called to order by the Moderator. Mr. John Atkins moved that Articles 35 and 36 be taken up, and then Articles 39 and 40. Seconded by Reginald Keyes. Moderator declared a YES vote on this motion.

ARTICLE 35. Motion by George Pray and seconded by Everett Skinner that the Town vote to authorize the purchase or taking by Eminent Domain of land for water purposes (installation of gravel packed well and pumping station) off West Bacon Street, and being such portions of those lots shown on Sheet 12 lots 151, 112 and 64 of the Assessors plats, as the Water Department deems necessary for this purpose to raise and appropriate the sum of \$4,000. Unanimously voted.

ARTICLE 36. Motion by George Pray and seconded by Everett Skinner, Sr. that the Town vote to install a gravel packed well approximately fifty (50) feet deep, a pump and pumping station connected to the public water distribution system, with electric power line and a chain link fence to enclose the well area and access road and to appropriate the sum of \$60,000.00, to be raised by borrowing for a period not to exceed five (5) years, and to authorize the issuance and sale of bonds or notes of the Town therefor. Said monies to be expended by and under the direction of the Water Commissioners.

A standing vote showed: Yes 145 No 0 Unanimously voted.

Motion by John Atkins and seconded by Reginald Keyes that Article 39 be taken from the table. The Moderator declared an affirmative vote on this motion.

ARTICLE 39. The Moderator declared that Article 39 with pending amendments was before the house; amendments specified the manner in which the money for this article is to be raised.

Fire Chief Clarence Skinner requested the opinion of Counsel relative to the legality of this article. Moderator Charles O. Peasley advised that he feels this article is illegal that no notice was given of intent to change

the Town By-Laws to allow the Town to install mains on Treasure Island Road, Doreen Way. It would be the chairs opinion that it would be an illegal motion to allow this to be done at this time.

Mr. Atkins moved that the Counsel for their article be allowed to speak to the meeting. The Moderator declared that if it was the wish of the Town meeting to allow this it could be done. However, one NO vote would disallow it. Russell Mulligan was the one dissenter. The Moderator declared the Counsel could not speak.

Mr. Thomas Armitage and Mr. Robert Loew both spoke in favor of allowing Mr. Clapp, the attorney, to speak, stating that other outside persons had been allowed to speak at various times and even at this town meeting permission was granted for the architect on the proposed new town building to speak. Upon consideration of the meeting, Mr. Clapp was allowed to speak in behalf of the article on the floor.

Mr. Atkins presented two Contracts of Sale from the original owners of the area to the buyers of the land. The Moderator accepted these as part of the record. An amendment to the amendment was made by Charles Mason, Town Counsel, that the cost of the mains in Treasure Island Road and Doreen Way be paid for by the owners of the property to be served thereby under Chapter 1, Section 17.2 of the Town By-Laws. The Moderator declared that the YES voice vote carried. The standing vote on Article 39 as amended was YES 110 NO 15.

NOTE: Contract of Sale on file in Town Clerk's Office.

CONTRACT OF SALE

AGREEMENT made this 27th day of November, 1951

BETWEEN WHITE SANDS DEVELOPMENT COMPANY, INC., A Massachusetts corporation having its principal place of business in Boston, Massachusetts, hereinafter called the "Seller," and Ivan and Bernice Barnaby (jointly and severally), hereinafter called the "Buyer," residing at 78 Tower Street, Jamaica Plain, Massachusetts.

WITNESSETH: That the Seller in consideration of (\$2,900.00) Twenty-nine Hundred Dollars to be fully paid to it as hereinafter stipulated, hereby agrees to sell to the said Buyer, who agrees to purchase from the Seller a certain lot situated in Plainville, Mass., County of Norfolk, Mass., designated as Lot No. 60 and Cabin on a plan of Treasure Island Lake

Shores surveyed by G. Bertrand Bibeault, Civ. Eng. said plan being recorded in the Norfolk Registry of Deeds.

AND the Buyer, his, hers, their, heirs, executors, administrators and assigns, covenant and agree to and with the Seller, its successors and assigns as follows:

1. No tents, quonset huts or trailers or temporary buildings shall be placed on said land.

2. Crossed out.

3. No building shall be constructed or erected on the premises other than a one-family dwelling with private garage and boat house, for private use only. All buildings constructed of wood or metal shall be either shingled stained or painted with two coats of paint.

4. No livestock, animal or poultry shall be kept or maintained on the premises except household pets.

5. The lot(s) hereby conveyed shall be used for residential purposes only.

6. No signs for advertising purposes shall be erected or placed on the premises.

7. All structures or additions thereto, shall be built upon a masonry foundation.

8. The land to be conveyed hereunder shall be subject to an assessment in the amount of \$50.00 payable to the Seller or its successor in title for providing a water supply for said land. The payment of said \$50.00 is to be made at such time as said water supply system is completed and made available to the land hereinabove described.

9. Said premises in addition to the restrictions and conditions herein contained, are to be conveyed subject to all rules, regulations and ordinances of the Town of Plainville, if any, relative to the construction and erection of buildings and nothing herein contained shall be construed as a waiver by the Seller or compliance with such rules, ordinances or regulations.

10. Sewage from all buildings erected on the premises shall be cared for by the owners or occupants by installing a septic tank which shall at all times be maintained in a proper sanitary condition. No privy vaults shall be maintained on said premises.

11. The foregoing restrictions shall be deemed and considered covenants running with said premises and shall be binding upon the Buyer's heirs, executors, administrators and assigns.

The Seller, for itself, its successors and assigns, hereby reserves the right without further assent or permit from the Buyer his, her or their successor in title, to itself or to grant to any public utility company, municipality or water company the right to erect and lay or cause or permit to be erected, laid, maintained, removed or repaired in all roads, streets, avenues or ways on which said above described land abuts, electric light, telephone and telegraph poles and wires; water, sewer and gas pipes and conduits; catch basins, surface drains and such other customary or usual appurtenances as may from time to time in the opinion of the seller or any public utility company, water company or municipality be deemed necessary or useful in connection with the beneficial use of said roads, streets, avenues and ways as shown on the plan entitled "Treasure Island Lake Shores," and only in and on said land hereinbefore described when necessary to effectuate any of the foregoing purposes, and all claims for damages, if any, by the construction, maintenance and repair thereof, or on account of temporary or other inconvenience caused thereby against the Seller or any public utility company or municipality or any of its agents or servants are hereby waived by the Buyer for (him, her, their, self) and (his, her, their, self) successor in title.

AND the Buyer agrees to pay said purchase price of (\$2900.00) Twenty-nine Hundred Dollars as follows; (\$Cash) Cash Dollars the receipt whereof is hereby acknowledged, and the balance to be paid as follows viz: To be paid on (Paid in Full) thereafter \$0000 per month, to be paid monthly; all in 0000 years, from this date, with interest at the rate of six per cent per annum, payable semi-annually, on the whole sum remaining from time to time unpaid, and to pay the taxes as billed by the Seller.

The Seller further agrees and covenants that upon full payment as aforesaid together with all the interest, taxes then due and payable it, shall at its own cost and expense execute, acknowledge and deliver, or cause to be delivered to the Buyer, his heirs or assigns, a good and sufficient quit claim deed subject to and with the benefit of all easements, rights of ways, and stipulations, as may appear of record and be applicable, and restrictions herein contained.

This Agreement shall not be assigned by the Buyer without the written consent of the Seller, and all representations affecting this sale are expressed herein, and no waiver, or modification of this agreement shall be of any force or effect unless set forth in writing and signed by the parties hereto, specifically referring to this agreement.

It is further mutually agreed that any representations or statements made by any Agent affecting this sale and not embodied in this agreement shall not be binding upon the Seller.

Should the Buyer default in any payments of any installment of principal or interest as above set forth, the Seller may at its option declare this agreement breached and retain as fixed, ascertained and liquidated damages, or as compensation for the damages and expenses it has been put to, including the use of said land, and not as a penalty, any and all sums of money paid hereunder by the Buyer, or at the option of the Seller it may demand the entire unpaid balance hereunder including interest and taxes to be paid forthwith.

In the event that any of the conditions or terms of this contract shall be considered void, the same shall not affect any other provisions or terms of this contract.

If the Buyer is sick and under a doctor's care, the Seller upon receipt of a doctor's certificate, shall accept for a period not exceeding four months, a payment of ten cents a month on account of the monthly payments due hereunder.

EXECUTED as a sealed instrument the day and year first above written.

WHITE SANDS DEVELOPMENT COMPANY, INC.

By ROBERT H. OSTROW

ARTICLE 40. Motion by Donald McKillop and seconded by Everett W. Skinner that the Town vote to construct a continuation of the existing water line on George Street westerly from Ewald Avenue to service No. 46 and No. 48 George Street, and to appropriate the sum of \$18,000 to be raised by borrowing for a period not to exceed three (3) years, and to authorize the issuance of bonds or notes of the Town therefor. Said monies to be expended by and under the direction of the Water Commissioners.

This article was amended by Everett W. Skinner Sr. to read, "a continuation of the existing water line on George Street, westerly from Ewald Avenue to Washington Street a twelve inch main to service No. 46 and No. 48 George Street."

This amendment was seconded by George Pray. The Moderator declared a YES voice vote on the amendment. Vote on amended motion YES 112 No 0 Unanimously voted.

ARTICLE 11. Motion by Thomas Reynolds and seconded by Mrs. Reynolds that the Town vote to accept Article 11. Standing vote YES 54 NO 43. A 2/3 vote not available the motion was defeated.

At 11:00 P.M. upon motion by Robert E. Loew and seconded by George Pray the meeting was adjourned until next Monday evening, April 3, at 7:30 P.M. in the auditorium of the Elementary School, South Street. Unanimously voted.

ADJOURNED SESSION, APRIL 3, 1972

The adjourned session of the Annual Town Meeting, was called to order by Moderator Charles O. Peasley at 7:40 P.M. in the auditorium of the Plainville Elementary School, South Street, Plainville. Mr. Peasley appointed the following as counters for the evening: Theodore A. Wickman and Simeon Ober, right side of the hall; Nicholas Reybrock and George Flanagan, left side of the hall. Austin F. Grant, Town Clerk, ballot box officer. The bounds of the hall for voting were declared to be the seats as set up on the auditorium floor.

Upon a motion by Clinton E. Barton and seconded by Robert E. Loew, Articles 42 and 43 were considered first on the business of the evening. Unanimously voted.

ARTICLE 42. Motion by Clinton E. Barton and seconded by Robert E. Loew that Article 42, Building By-Laws be accepted as printed. Motion by David Kelly, seconded by Gael Kelly that this article be amended by striking out Sections A, B and C only and the remaining be as printed in the Warrant. Mr. Charles Mason also amended the motion by changing the sections numbers to correspond with the new numbering system.

Mr. Peasley advised that this amendment could be made after Mr. Kelley's amendment had been taken care of. Standing vote on first amendment; Yes 49 No 21 Amendment carried.

Mr. Peasley requested the change proposed by Mr. Mason be in writing. Motion by Charles Mason seconded by Frederick Metters that this article be amended by changing "Section XV" to read Section XIV, 14.1

(previously Section 15) by changing "Section XVIII" to read Section XV (previously Section 18) and by changing "Section XIX" to read Section XVI (previously Section 19). Vote on amendment Yes 72 No 0
Vote on amended motion Yes 60 No 18 Motion carried.

ARTICLE 43. Motion by Frederick Metters and seconded by Robert E. Loew that this article, Electrical Wiring, be accepted as printed. Vote: Yes 66 No 7 Motion carried.

ARTICLE 18. Motion by Gerard Jeannotte and seconded by George Pray that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for financial years beginning January 1, 1972 and January 1, 1973, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, and unanimously voted.

ARTICLE 19. Motion by David Lomasney and seconded by George Pray that the Town vote to transfer the sum of \$15,000 from the Overlay Reserve Account to the Reserve Account to provide for the extraordinary expenses of the Town, as authorized by Chapter 40, Section 6 of the General Laws. Unanimously voted.

ARTICLE 20. Motion by David Lomasney and seconded by George Pray that the town vote to transfer the sum of \$40,000. from available funds to the Stabilization Fund under authority of Chapter 40, Section 5B of the General Laws. Unanimously voted.

ARTICLE 21. Motion by Everett Skinner and seconded by Robert E. Loew that the town vote to accept the provisions of Chapter 90 of the General Laws, and the sum of \$3,550. be raised and appropriated for the town's share of Chapter 90 Maintenance, and that in addition the sum of \$7,000. be borrowed to meet the State and County's share of the cost of the work, and to authorize the issuance of bonds or notes of the town therefore. Unanimously voted.

ARTICLE 22. Motion by Everett Skinner and seconded by Robert E. Loew that the town vote to raise and appropriate the sum of \$4,750. to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of \$9,998. be borrowed to meet the State's share of the cost of the work, and to authorize the issuance of bonds or notes of the Town therefore. Unanimously voted.

ARTICLE 23. Motion by Everett Skinner and seconded by Robert E. Loew that the sum of \$12,050. be raised and appropriated to continue the laying out and construction on Messenger Street and George Street under Chapter 90 of the General Laws. The money to be raised as follows: \$3,050. the town's share to be raised and appropriated by taxation, and the State and County's share of the work, \$9,000. to be borrowed, and to authorize the issuance of bonds or notes of the Town therefore. Unanimously voted.

ARTICLE 24. Motion by Jean Baumgardner and seconded by Everett Skinner that the town vote to raise and appropriate the sum of \$1,200. for the purchase of a new cab for the road grader of the Highway Department. Unanimously voted.

ARTICLE 25. Motion by Gerard Jeannotte and seconded by George Pray that the Town vote to raise and appropriate the sum of \$2,000. for the purchase of two new plows and frames for the Highway Department. Unanimously voted.

ARTICLE 26. Motion by George Pray and seconded by Gerard Jeannotte that this article be laid on the table. The Moderator declared the YES vote carried on this article. (New front-end loader and backhoe.)

ARTICLE 27. Motion by Gerard Jeannotte and seconded by George Pray that the town vote to raise and appropriate the sum of \$1,000. for the control of insects and Dutch Elm Disease, as provided by Chapter 132, Section 14 of the General Laws and to be expended under the direction of the Moth Superintendent and unanimously voted.

ARTICLE 28. Motion by Roland Ferland and seconded by George Pray that the town vote to raise and appropriate the sum of \$1,500. for the Conservation Fund, to be used by the Conservation Commission for the purpose of surveying and the purchase of available land. Unanimously voted.

ARTICLE 29. Motion by George Pray and seconded by Roland Ferland an unanimously voted that the town vote to raise and appropriate the sum of \$1,000. for the Conservation Fund, to be used by the Conservation Commission for conservation purposes, including the purchase of land.

ARTICLE 30. Motion by Robert Brothers and seconded by Robert E. Loew that this article be accepted as printed. Unanimously voted. (Ratify and Confirm King Philip Land Deed.)

ARTICLE 34. Motion by Robert Barney and seconded by George Pray that the town vote to raise and appropriate the sum of Eleven thousand (\$11,000.) dollars to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and unanimously voted.

ARTICLE 37. Motion by Robert Root and seconded by Robert E. Loew that the town vote to authorize the Board of Selectmen to purchase or take by eminent domain Turnpike Lake, and dam and water rights, for public water supply purposes. The Moderator declared a YES vote on this article.

ARTICLE 38. Motion by Robert E. Loew and seconded by Everett Skinner that the town vote to authorize the purchase or the taking by eminent domain for street, water and other public purposes, the land shown on Plainville Assessor's plats sheet 5, lot 163; sheet 8, lot 164, sheet 8, lot 163, sheet 8 lot 162, sheet 5, lot 21, sheet 12, lot 151; sheet 12, lot 152; sheet 14, lot 88 and sheet 14, lot 89; being all of the land owned of record by the Penn Central Company in the Town of Plainville under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220. The Moderator declared a YES vote, but not unanimous.

ARTICLE 41. Motion by George Pray and seconded by Roland Ferland that NO ACTION be taken on this article. (Ambulance) Unanimously voted.

ARTICLE 44. As there were no reports of committees or committees to be appointed at this meeting, the Moderator declared the Town Meeting closed. He expressed his thanks to the counters for all three sessions, stating that they had done a fine job at all sessions, and there were several articles carrying two-thirds votes, which they had taken care of well.

The motion to adjourn at 9:45 by George Pray seconded by Everett Skinner was unanimously accepted. The count of voters as checked into the auditorium by the Registrars voting lists showed 65 men and 37 women, total of 102 voters present.

AUSTIN F. GRANT, Town Clerk

NOTE: A complete tape recording of the proceedings of this Town Meeting, including the Minority Report by Mrs. Jean Baumgardner on Section 28, Article 17 is on file with the Town Clerk.

EMERGENCY FINANCE BOARD

State House, Boston

May 31st, 1972

Mr. Robert E. Loew
Municipal Building Committee
The Town Hall
Plainville, Massachusetts 02762

Dear Mr. Loew:

I am enclosing two votes passed by this board on May 31st, 1972, authorizing the Town of Plainville to borrow in accordance with Chapter 44, Section 7, Clause (3A) of the General Laws, as amended, for making extraordinary repairs to the Garford Building; and the Town Office and Fire Station Building.

Very truly yours,

WILLIAM G. SCOTTI, Chairman

TOWN OF PLAINVILLE, MASSACHUSETTS

I hereby certify that the following is a true copy of the articles and votes taken thereon at the Annual Town Meeting, held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on March 20, 1972, adjourned to March 27 and April 3, 1972. An official quorum was present at each session.

AUSTIN F. GRANT, Town Clerk

ARTICLE 42. To see if the Town will vote to amend the Building By-Laws, Chapter V of the Town By-Laws, as follows:

(a) Amend Section I Provisions 1.1 (previously Section 1) by inserting between the words "construction" and "alteration" the word "repair".

(b) Amend Section V 5.1 (previously Section 5) by inserting in the third sentence between the words "erection" and "alterations" the word "repair" and between the words "built" and "altered" the word "repair".

(c) Amend Section VI, 6.1 (previously Section 6) by inserting between the words "construct" and "reconstruct" the word "repair" and between the words "building" and "construction" the word "repair".

To amend by striking from Section V 5.2 (previously Section 5) the final sentence thereof and inserting in lieu thereof the following:

"The Building Inspector shall make a charge for such a building permit is follows:

1. \$.025 per square foot of first floor area of main structure.
2. \$.015 per square foot of other living or storage and garage areas.
3. \$.015 per square foot of swimming pool area on below ground pools.
4. \$.007 per square foot of swimming pool area above ground.
5. A minimum charge of \$2.50 for issuance of any building permit.

To amend by adding to Section IX Definitions:

H. Structure: A combination of materials assembled at a fixed location to enclose, support or shelter, such as a building, framework, retaining wall, tent, reviewing stand, platform, bin, fence, sign, flagpole, mast for radio antenna, swimming pool or the like. The word "structure" shall be construed, where the context allows, as though followed by the words "or part or parts thereof."

To amend by striking from Section XV in the first sentence thereof the words "brick" and or "cement blocks."

To amend by striking therefrom under Section XVIII in its entirety thereof and inserting in lieu thereof the following:

15.1 Concrete masonry walls shall not be less than ten (10) inches thick. Concrete footings for Lally Columns or masonry piers shall not be less than twelve (12) inches in thickness and less than two (2) feet square.

To amend by striking therefrom Section XIX Structures less than ten (10) feet in its entirety.

or do or act in any manner relative thereto.

VOTE: Motion by Clinton E. Barton seconded by Robert E. Loew that Article 42, Building By-Laws be accepted as printed.

Motion by David Kelly and seconded by Gael Kelly that this article be amended by striking out Sections A, B and C only the remaining be as printed in the Warrant.

Mr. Charles Mason also amended the motion by changing the section numbers to correspond with the new numbering system.

Moderator Charles O. Peasley advised that this amendment could be taken care of after the first amendment had been voted.

Vote on amendment	Yes 49	No 21	Amendment carried.
-------------------	--------	-------	--------------------

Motion by Charles Mason seconded by Frederick Metters that this article be amended by changing "Section XV" to read Section XIV 14.1 (previously section 15) and by changing Section XVIII to read Section XV (previously Section 18) and by changing Section XIX to read Section XVI (previously Section 19).
Vote on Amendement Yes 72 No 0.

Vote on amended motion:	Yes 60	No 18	Motion carried as amended.
-------------------------	--------	-------	----------------------------

ARTICLE 43. To see if the Town will vote to amend the By-Laws by striking out Section 2 of Article XII Electrical Wiring and insert in lieu thereof the following:

Section 2. Permits. Before any person, firm or corporation shall install any electrical wiring, said person, firm or corporation shall make application to the Inspector of Wires for a permit for that purpose, file with the Inspector of Wires, such information and specifications as may be required, and pay a fee in accordance with the following schedule:

1. Residential Wiring

A. Entire new single family dwelling	\$10.00
B. Service change per meter	4.00
C. Air Conditioner outlet — per outlet	2.00
D. Water Heater — per unit	2.00
E. Oil or Gas burner — per unit	2.00
F. Range — per unit	2.00
G. Clothes dryer, per unit	2.00
H. 1 to 3 outlets, total	1.00
I. Additions or alterations to existing dwellings over three outlets — total	3.00
J. Re-inspection for defective work will require additional permit	3.00

K. Swimming pools	3.00
L. Temporary Service	3.00
M. Minimum Wiring Fee	3.00

Entire new multi-family dwelling will require
Commercial permit.

2. Industrial and Commercial Wiring:

0-50 KW at 50c per KW, 50-500 KW at 25c KW, Over 500
KW at 10c per KW.

Permit fees for new buildings and service changes to be
based on the KW load determined by multiplying the rated
ampere capacity of the main entrance switch or circuit
breaker by the rated supply voltage and dividing by 1000
to obtain the KW load.

Add amp ratings where more than one service switch is
used.

Rated supply voltages to be used for figuring are 120, 240,
480 or rating of Massachusetts Electric Company for high-
er voltages.

Three phase, 4 wire voltage (208) to be figured as 240
volts.

EXAMPLES:

Entrance SW capacity	KW at 208 volts	Fee
in amps	or 240 volts	
100	24	\$12.00
200	48	24.00
300	72	30.50
400	96	36.50
500	120	42.50
600	144	48.50

All fractions of a KW to be rounded off to nearest KW.

KW loads for building additions, rewiring, and wiring
additions using separate feeders to be determined by the
feeder capacity in amperes and the voltage.

Motor Wiring fees figured at 746 watts per HP

Individual motor HP ratings to be added.

= Minimum wiring fee	\$5.00
All other work — minimum fee	5.00

Yearly electrical maintenance fee for commercial or industrial concerns \$25.00 per year.

Re-inspection for defective work will require additional permit — Fee \$3.00.

3. No permit will be required to excute the following classes of electrical work:

(a) the replacing of electrical lamps or repair of electrical equipment and appliances which are plugged into a permanently installed electrical outlet.

or do or act in any manner relative thereto (2/3 vote required)

VOTE: Motion by Frederick Metters and seconded by Robert E. Loew that this article, Electrical Wiring, be accepted as printed.

Standing vote: Yes 66 No 7 Motion carried.

Boston, Mass.

June 12, 1972

The foregoing amendments to by-laws adopted under Articles 42 and 43 are approved.

ROBERT H. QUINN. Attorney General

WARRANT

FOR PRESIDENTIAL PRIMARY

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

PRESIDENTIAL PREFERENCE

- 20 Delegates at Large to the National Convention of the Democratic Party
- 12 Alternate Delegates at Large to the National Convention of the Democratic Party
- 10 Delegates at Large to the National Convention of the Republican Party
- 10 Alternate Delegates at Large to the National Convention of the Republican Party
- 7 District Delegates to the National Convention of the Democratic Party
10th Congressional District
- 4 Alternate District Delegates to the National Convention of the Democratic Party
10th Congressional District
- 2 District Delegates to the National Convention of the Republican Party
10th Congressional District
- 2 Alternate District Delegates to the National Convention of the Republican Party
10th Congressional District

District Members of State Committee (one man and one woman) for each Political Party for the Norfolk-Bristol Senatorial District.

20 MEMBERS OF THE DEMOCRATIC TOWN COMMITTEE

15 MEMBERS OF THE REPUBLICAN TOWN COMMITTEE

The polls will be open from 10:00 A.M. to 8:00 P.M.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this Fourth day of April, A.D., 1972.

ROBERT E. LOEW

ROBERT W. ROOT

RAY P. FELIX

Selectmen of Plainville, Mass.

A true copy,

Attest: MAYNARD G. GRANT, Constable

Monday, April 17th, 1972.

I have this day posted up seven copies (7) of the Within Warrant in seven (7) places in the Town of Plainville, seven (7) days before said meeting.

MAYNARD G. GRANT, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS FOR PRESIDENTIAL PRIMARY**TOWN OF PLAINVILLE****APRIL 25, 1972**

Pursuant to the foregoing Warrant the Presidential Primary was opened by Austin F. Grant, Town Clerk at 10:00 A.M. in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts. The call of the meeting was read by Mr. Grant and the following officials, having been appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Mr. Grant.

Warden: Robert Keniston, Deputy Warden: Stanley Cole.

Clerk: Marion McCabe, Deputy Clerk: Gael Kelly, Ballot Box Officer: Stanley Myers. Tellers: Marie J. Diede, Evelyn Soule, Jacqueline DiGiantommaso, Alternate; Catherine Ashworth, Alternate; Helen Cobb, Violet Osterholm and Lucille Keniston, Alternate.

The ballot box was inspected by Marie Diede, Marion McCabe, Violet Osterholm and Lucille Keniston, declared empty and the dial set at zero and the key turned over to the Ballot Box Officer Stanley Meyers.

At 8:00 P.M. the polls were officially closed by Warden Robert Keniston, the following counters were sworn in by Town Clerk Austin F. Grant: Allie B. C. McAlpine, Natalie Rammel, Bessie Barton, Myrna Harmon, Margaret Frederiksen, Jean Henrich, Eva Hatt, Esther Grant, Naomi Beckman and Robert McLacklan, all Republicans. Helen Theriault, Catherine Ashworth, Rita Pimental, Douglas McCabe, Fred Briggs, Kevin Flynn, Camillo DiGiantommaso, John Diede, Laurie Kenney and Pauline Walsh, Democrats.

The ballot box was inspected by Robert Keniston, Bessie Barton, Marion McCabe and Gael Kelly and showed a total of 429 votes cast. The voting lists were checked and showed 159 Republican Ballots cast and 270 Democratic Ballots cast; total 429.

The results of the counting follows:

AUSTIN F GRANT, Town Clerk

W A R R A N T

FOR A SPECIAL TOWN MEETING

Monday, August 7, 1972

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, AUGUST 7, 1972

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to validate, confirm and ratify all proceedings taken at the March 20 adjourned session of the 1972 Annual Town Meeting regardless of any defects in the Warrant or notice for said Meetings in order to remove any doubt with respect to the legality of said proceedings. (2/3 VOTE REQUIRED)

ARTICLE 2. To see if the Town will vote to rescind the action taken pursuant to Article 40 of the Warrant for the 1972 Annual Town Meeting and to raise and appropriate the sum of \$18,000.00 to lay water mains of not less than six inches but less than sixteen inches in diameter consisting of the continuation of the existing water line on George Street westerly from Ewald Avenue to the existing main at the corner of George Street and Washington Street, under the direction of the Board of Water Commissioners and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto.

(2/3 VOTE REQUIRED)

ARTICLE 3. To see if the Town will vote to rescind the action taken pursuant to Article 38 of the Warrant for the 1972 Annual Town Meeting and to authorize the purchase or taking by eminent domain for street water and other public purposes, the land shown on Plainville Assessors' plats sheet 5, lot 163; sheet 8, lot 164; sheet 8, lot 163; sheet 8, lot 162; sheet 5, lot 21; sheet 12, lot 151; sheet 12, lot 152; sheet 14, lot 88 and sheet 14, lot 89, being all the land owned of record by the Penn Central Company in the Town of Plainville under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220 and to raise and appropriate or borrow, the sum of \$21,200.00 for this purpose, and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto.

(If borrowed 2/3 VOTE REQUIRED)

ARTICLE 4. To see if the Town will vote to ratify and confirm in all respects the vote adopted under Article 39 of the warrant for the 1972 annual town meeting and more particularly to ratify and confirm said action notwithstanding any omission to include in said Article 39 specific notification that funds appropriated thereunder may be raised by borrowing and that a two-thirds vote would be required.

(2/3 VOTE REQUIRED)

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$3,000.00 for Bonding expense, or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$3,000.00 for vocational education, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to install a street light on Pole #20 on Warren Street, and to raise and appropriate or transfer from available funds in the treasury the sum of \$40.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$200.00 for the Zoning Board of Appeals for expenses, or do or act in any manner relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$200.00 for the Finance Committee expense account, or do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 20th day of July in the year of Our Lord, one thousand nine hundred and seventy-two.

ROBERT E. LOEW

ROBERT W. ROOT

RAY P. FELIX

Selectmen of Plainville

Attest: ROBERT R. FAILLE, Constable

This 28th day of July, 1972.

I have this day posted seven copies (7) of the within Warrant in seven (7) public places within said town, seven (7) days before said meeting.

ROBERT R. FAILLE, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SPECIAL TOWN MEETING**TOWN OF PLAINVILLE, MASSACHUSETTS****AUGUST 7, 1972**

The Special Town Meeting for the Town of Plainville was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts on Monday evening, August 7, 1972 at 7:30 P.M.

The meeting was called to order by Town Clerk, Austin F. Grant at 7:40 P.M.

Mr. Grant declared that for the purpose of this meeting, in the absence of our Moderator, prior to the election of a Temporary Moderator he would appoint Edward Fontaine and Theodore Wickman as counters. In case of a ballot vote, Mrs. Bessie Barton, Assistant Town Clerk, as Ballot Box Officer.

The bounds of the hall for voting and participation in the Town Meeting were declared to be the seats up on the floor of the Auditorium.

Motion by Robert E. Loew and seconded by Robert W. Root that David B. Lomasney be elected Temporary Moderator. Motion by Everett W. Skinner and seconded by Robert Brothers that nominations be closed.

David B. Lomasney is elected Temporary Moderator and was sworn in to the office immediately by Austin F. Grant, Town Clerk.

The voters were checked into the hall by means of the Registrars voting lists and the count showed 46 men and 42 women, total 88 voters present.

ARTICLE 1. Motion by Robert Brothers and seconded by Robert Barney that Article 1 be accepted as printed. (Validate, ratify and confirm all proceedings taken at the March 20 adjourned session.) Result of standing vote YES 67 NO 0. Unanimously voted.

ARTICLE 2. Motion by Robert Barney, The Finance Committee recommends and I so move, that the town vote to rescind the action taken pursuant to Article 40 of the Warrant for the 1972 Annual Town Meeting, and to raise and appropriate the sum of \$18,000, by the issuance of bonds

for the period not to exceed three years, to lay water mains of not less than six inches but less than sixteen inches in diameter consisting of the continuation of the existing water line on George Street westerly from Ewald Avenue to the existing main at the corner of George Street and Washington Street, under the direction of the Board of Water Commissioners. Seconded by Everett Skinner. Results of standing vote YES 73 NO 0. Unanimously voted.

ARTICLE 3. Motion by Gerard Jeannotte, the Finance Committee recommends and I so move, that the town vote to rescind the action taken pursuant to Article 38 of the Warrant for the 1972 Annual Town Meeting, and to authorize the treasurer to issue notes of the town for an amount not to exceed \$20,000 for a period not to exceed one year, for the purchase or taking by eminent domain for street, water and other public purposes, the land shown on Plainville Assessors' Plats sheet 5, lot 163, sheet 8, lot 164, sheet 8, lot 163, sheet 8, lot 162, sheet 5, lot 21, sheet 12, lot 151, sheet 12, lot 152, sheet 14, lot 88, and sheet 14, lot 89, being all the land owned of record by the Penn Central Company in the Town of Plainville under that certain deed recorded in Norfolk County Registry of Deeds in book 4572, page 220. Seconded by Robert Brothers. Result of standing vote: YES 75 NO 0. Unanimously voted.

ARTICLE 4. Motion by Jean Baumgardner, the Finance Committee recommends and I so move, that the Article be accepted as read, and that the amount of \$151,000 be raised by borrowing for a period not to exceed ten years. Seconded by Robert Barney. Result of standing vote: YES 75 NO 0. Unanimously voted.

ARTICLE 5. Motion by Roland Ferland, the Finance Committee recommends and I so move, that the amount of \$3,000 for bonding expense, be transferred from available funds in the treasury. Seconded by Jean Baumgardner and unanimously voted.

ARTICLE 6. Motion by Robert Brothers, the Finance Committee recommends and I so move, that the amount of \$3,000 for Vocational Education, be transferred from available funds in the treasury. Seconded by Gerard Jeannotte and unanimously voted.

ARTICLE 7. Motion by Robert Barney, the Finance Committee recommends and I so move that the amount of \$40.00 be transferred from available funds for the purpose of installing a street light on Pole #20 on Warren Street. Seconded by Roland Ferland and unanimously voted.

ARTICLE 8. Motion by Gerard Jeannotte that the Finance Committee recommends that the amount of \$200 for the Zoning Board of Appeals Expenses, be transferred from available funds. Seconded by Robert Barney and unanimously voted.

ARTICLE 9. Motion by Jean Baumgardner and seconded by Roland Ferland that the sum of \$200 for Finance Committee Expenses be transferred from available funds. As an explanation of this article it was stated that this money is to be used by the Finance Committee for schooling due to the change in fiscal year for the towns, from January to July. Vote on this article was unanimous.

At 8:05 P.M. upon motion by Robert E. Loew and seconded by Everett Skinner the Special Town Meeting was adjourned.

ANSTIN F. GRANT, Town Clerk

PROCEEDINGS OF STATE PRIMARY**HELD IN THE TOWN OF PLAINVILLE****TUESDAY, SEPTEMBER 19, 1972**

Pursuant to the foregoing Warrant the State Primary was called to order by Town Clerk, Austin F. Grant, in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Mass., at 10:00 A.M. on Tuesday, September 19, 1972.

The following workers were sworn in to the faithful performance of their duties by Mr. Grant.

Warden: Robert Keniston, Deputy Warden: Stanley Myers, Clerk: Marion McCabe, Deputy Clerk: Gael Kelly, Ballot Box Officer: Theodore A. Wickman, Tellers: Marie J. Diede, Evelyn Soule; Jacqueline Di-Giantommaso, Alternate. Helen Cobb, Lucille Keniston, Bessie Barton, alternate.

The ballot box was inspected by Gael Kelly and Marie Diede, Lucille Keniston and Helen Cobb. Found empty and the dial set at zero and the keys turned over to the Ballot Box Officer.

The call of the meeting was read by Town Clerk Austin F. Grant and the meeting opened.

At 8:00 P.M. the polls were declared closed by Town Clerk, the ballot box inspected by Kevin Flynn, Catherine Ashworth, Myrna Harmon and Allie B. McAlpine. The box showed a total of 177 voters and the voting lists after checking confirmed 118 Republican votes and 59 Democratic votes; total 177.

The following counters were sworn in by the Town Clerk: Allie B. C. McAlpine, Beverly Armstrong, Natalie Rammel, Myrna Harmon, Eva Hatt, Esther Grant, Naomi Beckman, all Republicans. Helen Theriault, Marion Reilly, Rita Pimental, Douglas McCabe, Catherine Ashworth, Kevin Flynn, Pauline Walsh, Democrats.

AUSTIN F. GRANT, Town Clerk

W A R R A N T

FOR STATE ELECTION

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville, to meet in the Auditorium of Plainville Elementary School, South Street, in said Plainville, on

TUESDAY, THE SEVENTH DAY OF NOVEMBER, 1972

at 6:00 o'clock A.M., it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

PRESIDENTIAL ELECTORS	For President and Vice President
SENATOR IN CONGRESS	For This Commonwealth
REPRESENTATIVE IN CONGRESS	For Tenth Congressional District
COUNCILLOR	For the Second District

SENATOR	For Norfolk, Bristol and Plymouth Districts
REPRESENTATIVES IN GENERAL COURT (2)	For Fourteenth Norfolk Representative District
REGISTER OF PROBATE AND SOLVENCY	For Norfolk County
COUNTY COMMISSIONERS (2)	For Norfolk County
COUNTY TREASURER	For Norfolk County

And also to vote "YES" or "NO" on the following questions:

QUESTION NO. 1

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 221 votes in the affirmative and 22 in the negative, and in a joint session of the two branches held May 12, 1971, received 238 votes in the affirmative and 14 in the negative?

YES	☐
NO	☐

Summary

The proposed amendment would authorize the Legislature to enact a law that agricultural and horticultural lands shall be valued, for taxation purposes, according to their agricultural or horticultural uses. No parcel of land less than five acres which has not been actively devoted to such uses for two years preceding the tax year could be valued at less than fair market value.

QUESTION NO. 2

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 143 votes in the affirmative and 113 in the negative, and in a joint session of the two branches held May 12, 1971, received 243 votes in the affirmative and 11 in the negative?

YES	☐
NO	☐

Summary

The proposed amendment would bring the State Constitution into conformity with the 26th Amendment to the Constitution of the United States by setting the minimum age for voting at eighteen.

QUESTION NO. 3**Proposed Amendment to the Constitution**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 258 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 12, 1971, received 262 votes in the affirmative and 1 in the negative?

YES	_____
NO	_____

Summary

The proposed amendment would remove the prohibition against paupers from voting.

QUESTION NO. 4**Proposed Amendment to the Constitution**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 264 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1971, received 264 votes in the affirmative and 0 in the negative?

YES	_____
NO	_____

Summary

The proposed amendment would authorize the Legislature to enact a law to permit the Commonwealth to make loans for tuition and board at any college, university or institution of higher learning to students who are residents of the Commonwealth.

QUESTION NO. 5**Proposed Amendment to the Constitution**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 5, 1969, received 239 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 12, 1971, received 266 votes in the affirmative and 0 in the negative?

YES	_____
NO	_____

Summary

The proposed amendment would annul Article 49 of the Articles of Amendment to the Constitution and substitute a new amendment which declares that the people have the right to clean air and water, freedom from excessive and unnecessary noise, and the natural, scenic, historic and esthetic qualities of their environment. It further declares that the protection of the right to the conservation, development and utilization of

the agricultural, mineral, forest, water, air and other natural resources is a public purpose.

The Legislature is authorized to adopt necessary legislation and to provide for eminent domain takings where required for the purposes of the amendment. Any property so taken may only be used for other purposes or disposed of upon a two-thirds vote of the Legislature.

QUESTION NO. 6

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 2, 1969, received 204 votes in the affirmative and 49 in the negative, and in a joint session of the two branches held May 12, 1971, received 245 votes in the affirmative and 20 in the negative?

YES	_____
NO	_____

Summary

The proposed amendment would authorize, but not require, the Legislature to modify the Massachusetts income tax laws by the use of graduated rates instead of the present flat or uniform rates. The Legislature could do this in any one of three ways:

1. Apply a uniform rate or percentage to an individual's federal income tax liability; or
2. Apply graduated rates to an individual's federal taxable income; or
3. Apply graduated rates to income determined to be taxable under Massachusetts law.

The Legislature would also be authorized to provide for reasonable exemptions, deductions and abatelements and make the definition of any term used in the state tax law automatically the same as it is under Federal Law.

QUESTION NO. 7

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 198 votes in the affirmative and 63 in the negative, and in a joint session of the two branches held May 12, 1971, received 231 votes in the affirmative and 31 in the negative?

YES	_____
NO	_____

Summary

The proposed amendment would require that all judges must retire upon reaching seventy years of age.

QUESTION NO. 8

Do you approve of an act passed by the general court in the year nineteen hundred and seventy-two, entitled "An Act lowering to ~~eighteen~~ the age requirement of a person licensed to sell or allowed to purchase alcoholic beverages?"

YES		
NO		

QUESTION NO. 9

"Shall the voluntary recitation of prayer be authorized in the public schools of the commonwealth?"

YES		
NO		

QUESTION NO. 10

"Shall the Representative from this district be instructed to vote to approve the passage of a constitutional amendment reducing the size of the Massachusetts House of Representatives from 240 members to 160 members?"

NO		
YES		

The Polls will be open from 6:00 o'clock A.M. to 8:00 o'clock P.M.

Hereof fail not and make return of this Warrant with your doings thereon at the and place of said meeting.

Given under our hands this twenty-fourth day of October, A.D. 1972.

ROBERT E. LOEW
ROBERT W. ROOT
RAY P. FELIX

Selectmen of Plainville

A true copy, Attest: MAYNARD G. GRANT, Constable
This 30th day of October, 1972

I have this day posted seven (7) copies of the within Warrant, in seven (7) places in the Town, seven (7) days before said meeting.

MAYNARD G. GRANT, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF STATE ELECTION**HELD IN THE TOWN OF PLAINVILLE****NOVEMBER 7, 1972**

Pursuant to the foregoing Warrant the State Election was called to order by the Town Clerk, Austin F. Grant, in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts at 6:00 A.M. on Tuesday, November 7, 1972.

The following workers were sworn in to the faithful performance of their duties by Mr. Grant:

Warden: Robert C. Keniston, Deputy Warden: Stanley G. Cole, Clerk: Marion McCabe, Deputy Clerk: Gael Kelly, Ballot Box Officer: Stanley Meyers, Tellers: Marie J. Diede, Evelyn Soule, Helen Cobb, Violet Osterholm, alternate tellers: Jacqueline DiGiantommaso, and Luccille Keniston.

Ballot Box inspected by: Lucille Keniston, Helen Cobb, Evelyn Soule, and Marion McCabe. Found empty and dial set to zero and keys turned over to the Ballot Box Officer, Stanley Meyers.

At 6:00 A.M. the call of the meeting was read by Town Clerk, Austin F. Grant and the polls declared officially open.

At 4:05 p.m. the first Ballot Box was deemed filled to capacity and second Ballot Box was put into use. Figure showing on first ballot box 1248. At 6:10 P.M. the second ballot box was deemed full. First ballot box was opened and ballots were transferred to cardboard cartons and sealed; cartons containing ballots were locked in a separate room and kept under police surveillance. The above procedure was observed by Gael Kelly, Robert Keniston, Richard Cobb, Marion McCabe and Poice Chief Robert Faille.

Ballot Box changed back to large ballot box, a total of 690 showing on small box. Large ballot box showed 1248 when it was resumed.

At 8:00 P.M. the polls were declared closed by Warden Robert Keniston. Both ballot boxes were inspected by Natalie Rammel, Kevin Flynn, Douglas McCabe and Esther Grant. A check of the voting list resulted in a confirmation of votes cast in boxes.

At 8:00 P.M. the following counters were sworn in by Town Clerk, Austin F. Grant:

Beverly Armstrong, Naomi Bechman, Juliet C. Darling, Esther Grant, Myrna J. Harman, Robert Darling, Eva Hatt, Allie B. C. McAlpine, Edward Piculell, Natalie Rammel, all Republicans; Catherine Ashworth, John W. Flynn, Kevin C. Flynn, Douglas R. McCabe, Kenneth McCabe, Jean B. Mathews, Joseph T. Mathews, Rita G. P. Pimental, Helen M. Theriault, and Pauline S. Walsh, Democrats.

The result of counting is as follows:

Report of Town Counsel

Board of Selectmen
Town of Plainville
142 South Street
Plainville, Mass.

Gentlemen:

I hereby submit my report as Town Counsel.

The following cases are still outstanding:

Nirvana Trust Vs: Town of Plainville

James Jenks Vs: Town of Plainville

Town of Plainville Vs: William D. Smith Estate (Tax Title Foreclosure)

There are files still open and pending on the Railroad Land, Turnpike Lake, Well Site, Sanitary Land Fill, and Transfer of Plat 4, Lot 34 to Conservation Commission.

In addition to rendering opinions to the Board of Selectmen and other Town Departments, Appearances were made before Administrative Boards and Courts on behalf of the Town and Assistance was given in formulating instruments and documents as well as approving contracts.

Respectfully submitted,

CHARLES R. MASON

Town Counsel

Regular meetings of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P.M.

Report of the Chairman

The year 1972 was a time for many changes and diverse activities in the King Philip Regional School District.

As in 1971, there were many administrative changes. In August, Mr. Edward Switzer became high school principal and Mr. Joseph Nicastro was appointed director of the vocational school.

After many hours of discussion, the Committee voted to proceed with the planning for a 600-pupil vocational school addition on the present high school site in Wrentham. A previous plan for a junior high school on committee-owned land in Plainville was adversely received by state authorities.

The high school received accreditation for a five-year period from the New England Association of Schools and Colleges after undergoing a four-day evaluation in April.

The Committee meets every other month with members of the Student Advisory Committee. This committee is a group of pupils elected by the students to provide liaison between the Committee and the high school student body.

I wish to thank the members of the Committee for their attendance and participation at many, many meetings throughout the year.

Respectfully submitted,

RICHARD C. AMOLING, Chairman
King Philip Regional School
District Committee

Report of the Superintendent of Schools

It is with pleasure that I submit my second annual report as Superintendent of the King Philip Regional School District.

Without question today, as perhaps at no other time, education is confronted by varied problems of substantial consequence. Schools mirror the societies in which they exist therefore the direction and intensity of societal concerns including the various liberation movements, economic conditions, student activism, the international and internal issues of war and peace, racial strife, the attacks upon traditional values, changes within the teaching profession and practically any important feeling generated by involved citizens have a direct impact upon the schools. This accelerating rate of change and the accompanying sense of a loss of stability contribute to the parental disenchantment with the educational process and the difficulties of the profession's establishing meaningful direction.

Parents question whether or not their children are receiving the types of education that they need. They further question whether or not the educational results are consistent with the financial input. Americans hold a deeply rooted belief that education is a primary method to achieve upward social mobility, economic success and informed citizenship that lead to successful adult lives. In spite of the obvious difficulties I sincerely believe that the goals are within reach and at a cost that although not inexpensive is at least consistent with the immensity of the task within the present society.

Extremely wide ranging changes have been initiated in the regional schools. These changes are outlined in the reports of the administrators, but in essence the goals include not change for the sake of change, but the provision of those universals that all students need, certain specialties in the academic and occupational areas as well as an increased variety of options and alternatives made available to all students with access improved through the removal of artificial prerequisites and sequence where they are not applicable. This does not imply more room, staff, or money but rather greater diversity through the use of half-year courses and the preparation of different rather than duplicate courses. There are also additional provisions being made for the students with special needs. Accompanying this is a stronger program of elementary-secondary cooperation as well as cooperation among the regional schools.

Aside from the continuing efforts of the administrators and teachers in curriculum change the foremost need is additional space at the high school level. The proposal under consideration is a 600-pupil addition to

the vocational high school complex which would include space for additional occupational areas for both boys and girls, the updating of older facilities, and the provision of the additional stations required for a 1500-1600 student body. The net result of this would be an occupational center and academic facility that would constitute a truly comprehensive high school where there would be no general course but rather the opportunity for each student to select according to his needs and desires an academic curriculum, occupational curriculum, or a combination of both for those who are searching for a career area. It would also be possible to change areas should needs and desires be altered.

Academic students could take occupational electives and those in the occupational area would take required and elective academic courses with the students who selected an academic curriculum. This would maximize educational opportunities while keeping costs to a minimum and, more importantly, integrate the entire student body.

The occupational center would provide educational services to the elementary schools and junior high schools as well as evening, weekend, and summer courses for students and adults who desire to upgrade their skills or learn new skills not only in a professional sense, but also for personal improvement. The federal manpower retraining and drop-out prevention programs would also be served.

I feel very strongly that this type of addition would best serve the total District well into the future. Economically, it would represent one building project, at one place, at one time on property presently owned by the District.

Presently, there is no vocational school in the state that offers anything approaching this concept of quality education, student choice and integration. In these days of difficult entrance examinations and selective vocational-technical school quotas coupled with rising needs it is doubtful that they ever will.

I would like to express my sincere appreciation to all of those who have contributed to the quality of the District schools — students, parents, the school committee, teachers, counselors, administrators, office staff, custodians and cafeteria workers. Each has made a contribution which would be sorely missed if it were not for their desire for excellence in their school system.

Respectfully submitted,

WILLIAM J. COSTA
Superintendent of Schools

Eighteen Month Budget Report of the Treasurer King Philip Regional School District

I would like to take this opportunity to briefly explain the 18 month budget and its effect on the towns and the taxpayers. Every city, town and district in Massachusetts is facing this problem at this time and some of the results are unexpected and unexplained. The general feeling has been that an 18 month budget would be approximately one and one-half times the normal calendar year budget that we have had in the past; unfortunately a school budget does not work this way. Some of the major factors adversely affecting the 18 month budget as opposed to the 12 month budget are as follows:

(a) Estimated receipts, those reimbursements from the State for transportation, vocational education, and special education are normally received in November or December of each year. These are applied to the gross budget to reduce the amounts due from the towns. In the 18 month period we will receive these payments only once, therefore our receipts will be approximately the same as for a 12 month budget.

(b) Teaching salaries are generally paid over the school year from September through the following August. Salaries are earned and payable, however, after the last day of school in June. Therefore, we must include sufficient funds in the budget to pay all teaching personnel for the full 1973-1974 school year. This amounts to one and two thirds of the annual salary.

(c) Additionally in the salary area, due to the increased number of students and additional areas that were added to the vocational school, new teachers were added in September, 1972. While only four months of their salary was reflected in the 1972 budget the full 18 month salaries will be reflected in the 1973-1974 budget. In addition due to the expected increase in 1973 it will be necessary to add more instructional personnel to the staff.

(d) There is a large increase in transportation costs because of two factors. One is that our new bus contract effective in September, 1972 shows a significant increase over the old contract due to increased operating costs and the need for additional buses. The other factor is the division of the school year. We pay for buses for six months in the first

half of the year (Jan.-June) and four months in the last half (Sept.-Dec.) therefore we shall be paying for six tenths of the annual bus costs in the six months of 1974, the last six months of the 18 month budget.

(e) The division of the school year also applies to several items such as utilities, and supplies. The six month period from Jan. June is always more expensive than the last half of the year due to the fact that the school is in constant use during this period as opposed to only four months in the last half. Also this period has by far the most severe weather which tends to increase utility costs for this period.

(f) Insurance costs for the 18 month period are almost double the annual costs, because of the dates our insurances fall due-primarily in April or May meaning that most insurance policies will be paid twice in the 18 month period.

(g) One additional factor which adversely affects the 18 month budget is the Capital Costs (payment of principal and interest on buildings). In 1972 the towns paid no capital costs on the high school building due to excess funds returned by the state. In the next 18 months two capital cost payments must be made on the high school building with only one reimbursement due from the state because of high school capital payments being due in May of each year. By way of comparison the three towns paid a total capital cost in 1972 of \$66,443. Total amount due for the 18 month budget is \$291,396.

The above are just a few of the reasons for the abnormal increase in the 18 month budget. Be assured that the School Committee and the Administration will try to hold actual costs to a minimum.

Respectfully submitted,

WILLIAM B. WHITE
Treasurer

Report of the Principal

Upon assuming the position of Principal of the high school in August 1972, I found the school staffing and scheduling to be in excellent order. Recognition must be given to the efforts of Mr. O'Donnell, Mr. White, Mr. O'Regan and their staffs for advancing the school's programs.

The housing situation at the high school is becoming very critical. With the increased enrollment, the school facilities are being taxed to the utmost. This will hinder future curriculum development. We have been utilizing conference rooms, space in the bus lobby, music room and storage rooms for classroom purpose. There is also a need for more room in the core facilities such as the cafeteria, library, gymnasium and administrative offices. When an addition is forthcoming, vari-sized classrooms will allow us more flexibility in instruction and the election of courses.

During the spring, an important event was the evaluation of King Philip Regional High School conducted by representatives of the New England Association of Colleges and Secondary Schools. As alluded to in last year's Town Report, this evaluation was a two-prong program. The faculty and administration went through a self-evaluation process and developed a philosophy for the school. Each department of the school was studied in-depth by a staff committee which reported the findings to the entire faculty. The School Committee provided two half days each month for the self-evaluation process. On April 9, 10, 11, and 12, twenty seven teachers and administrators spent busy days studying and evaluating the entire school. They were extremely impressed with our self-evaluation and with the preparations which had been made for their visitation. The Commission on Public Secondary Schools, voted to recommend the KPRHS for continued membership and accreditation for a period of five years.

A significant development at the high school is the establishment of a Student Advisory Committee. The major purpose of this group is to meet with the school committee and discuss school related problems.

Another student advisory committee was formed to assist in the area of curriculum. The main function of this group is to study and make recommendations regarding the curriculum. This group meets on a weekly basis in an advisory capacity and makes recommendations to the department head for further discussion at the administrative level.

In September, a change in the credit system was put into affect. King Philip changed over from the Carnegie Unit to the credit system: (1 class per day equals 1 credit). This system will be of great advantage to our students enrolled in the non-academic areas.

On December 5, a swimming program in our fifth period boys' physical education class was inaugurated in conjunction with the State School. This has proved to be very successful and we hope to expand it to include girls physical education classes. Also, it is hoped to have a coed intramural evening program for our young people.

The intramural program was expanded greatly this year. The various activities include bowling, hiking, roller skating, basketball, archery, golf, ice skating to name a few.

Members of the Guidance Department have instituted a program of group meetings with members of the senior class. The objectives of these meetings are to provide information relative to the students' future upon completing high school. We hope to use this procedure to schedule the freshmen, juniors and seniors for their next year's program. This procedure would greatly facilitate the completion of the master schedule for the next school year, 1973-74, at an earlier date.

One of the principal's responsibilities is to provide a pleasant atmosphere which is conducive to learning. In order that this responsibility may be properly discharged, the cooperation of the community, parents, faculty, and students is most necessary to develop a set of values which will enable young people to enjoy a successful and rewarding educational experience.

In general the changes planned for next year are largely in the area of curriculum. Many of these changes are discussed in the following departmental reports:

English Department

The department was given commendations by the visiting committee in the following areas: improvement in curriculum, a development of a more meaningful course of study, enthusiasm of staff members, variety of methods demonstrated, and the good learning atmosphere in the classroom.

The development of elective courses was expanded with the addition of journalism and the modern short story to the English curriculum. The

elective program will be expanded in the school year 1973-74 to include twenty electives open to juniors and seniors. This expansion within the curriculum is possible with the semester courses program.

The department is continuing to increase the number of paperback books in the teaching of literature as this gives the classroom teacher greater flexibility in the selection of titles for instruction.

The English Department has a fine AVA library with many tapes, records and filmstrips for classroom use.

Business Department

As a result of the extensive self-evaluation conducted this year many changes have taken place in the business department. General business is required of all business students. Filing was placed in the curriculum as a separate course and required of all business students. Machine transcription was added to the curriculum to allow students another office skill and to satisfy the needs of the business community for qualified people in this area. A project in distributive education was approved for funding by the State Department of Education and added to the curriculum in September for a full year. Typing II, Stenography I, and Introduction to Accounting have now been open to the students in the college curriculum.

Many other changes are being investigated. We would like to offer all students a course in consumer economics for their personal use. A course in principles of data processing should be included in our curriculum as an elective course for students interested in the theory of this complex field. A basic business course in business management and principles should be added as a term course for all students in the high school.

Foreign Language Department

In addition to the five year sequence in French, four in Spanish and three in German, Latin has been a revival this year. The introduction of two semester courses, one in German language and culture and one in Russian language and culture has also made it possible for students in grades 10-12 to have the experience of learning about a language and culture other than their own. These courses have been designed mainly for students who do not wish to follow a regular sequence of a foreign language.

Despite the fact that in some schools the enrollment in foreign languages has decreased, at King Philip it has increased. The foreign

language teachers are constantly implementing new methods and techniques in teaching. In French, Spanish and German classes three levels of materials are used. In Spanish IV, French IV, and French V, a variety of materials is used. In all foreign language classes extensive use is made of audio-visual materials, those directly related to the texts as well as supplementary materials.

The language laboratory continues to be an important adjunct to the foreign language curriculum. However, a lab technician is greatly needed in order to get maximum utilization of the lab. Such a person could do minor repairs, duplicate and make tapes, and make it possible for the lab to be available for students to do independent study.

Library

Before school, during study periods and after school, students are permitted to come to the library to look up materials on subjects they are studying or for pleasure reading. The library added 557 books to its collection to bring the total number of books to 13,104 volumes. Aside from books, there were six newspapers and 78 periodicals available. One new set of encyclopedias was purchased. In order to keep the reference collection up-to-date, old editions were replaced by new ones. As many current books as the budget would permit were purchased.

The year 1972 will bring to a successful conclusion a 15-year span of the so called traditional library at King Philip. We are anticipating a student-oriented Media Center in 1973 with the addition of slides, films, Phonograph records, tapes, video tapes, etc.

Mathematics Department

The department has introduced four new semester courses: "Statistics and Probability," "Computer Languages," "Matrix Algebra," and "Problem Solving." Interest in these courses are high.

The course "Computer Languages" will begin in January 1973 and will consist of two phases, classroom theory and practical applications in the use of a computer. We utilize an on-line terminal at Dean Academy connected to a computer at Babson Institute. We wish to thank the Officials at Dean and Babson for allowing our students to use their hardware. It is planned in the near future to have a computer center at King Philip which will allow the mathematics department the opportunity to include all students in the program.

Music Department

Music Appreciation is offered as an elective in Grades 9-12. The course was designed to attract students who enjoy music and wish to enrich their backgrounds in a broad program ranging from the Classics to the very latest in modern music.

Music Theory is an elective in Grades 11 and 12 only. This course is for the serious music student or for those students who intend to further their education in the fields of Elementary or Music Education.

The Band and Choir were active and busy during this past year. The concert band and choir presented two very successful concerts, one at Christmas and their annual Spring Concert and staged two assemblies at King Philip School North which were thoroughly enjoyed by the students in Grades 7, 8, and 9.

Physical Education

Our main objectives are the maintaining of healthy minds and bodies through vigorous exercise but with the addition of the social aspect of coeducational activities and other pursuits on an elected basis. Courses offered with this concept are archery, golf, dance, volleyball and tennis.

Science Department

Two changes were made in the curriculum in an effort to update and make it more relevant to the students which it serves. The science requirement for students in the business curriculum was changed from two to one year giving those students a greater opportunity to become more involved in business subjects. A new program, the Intermediate Science Curriculum Study Level III, was introduced into grade nine. This program provides a new direction for the grade nine student who has not elected to enter the business, vocational, or college preparatory curriculum. It is an activity oriented program whereby students work on an individual basis and proceed at their own pace through a series of activities. The department was fortunate to have one of its members trained in the teaching of this course having received a grant by the National Science Foundation in this area.

As a further result of the extensive evaluation carried on, a number of recommendations such as courses in microbiology, anatomy and physiology, organic chemistry, research and independent study, and a senior science seminar are planned for introduction into the curriculum in 1973.

Social Studies

One of the major accomplishments of the department has been the semesterization of most of its courses this year and proposed courses for next year in General Psychology, State and Local History and Advanced Contemporary Issues. Also proposed for next year is the semesterization of the current Cultural Geography course into Latin America Studies and Middle Eastern Studies. American/Russian Studies has also been divided into American Political and Russian Studies as semester courses. We have restructured the United States History course into semester courses: Survey to 1865, Survey from 1865, Modern American History from 1945, American Social and Intellectual History. These courses may be elected by juniors with two semester courses fulfilling the graduation requirement. Seniors may wish to elect the last two courses for a more in-depth study. Sophomores may elect U.S. History if qualified.

Students were invited to attend and participate in these curriculum discussions for change and revision. Their recommendations were incorporated in our proposal.

This past year we introduced a semester law course which has been very successful with our students. Also, we semesterized African/Asian Studies, Contemporary Issues, and Sociology/Economics. These have provided students with a more diversified program of social studies electives.

Through the efforts of the three Boards of Selectmen of the region, Mrs. Dusty of Wrentham serving as coordinator, and the members of the department, we have implemented a Municipal Government Project.

In conclusion, I would like to thank the community, the students, the faculty, the School Committee and the Superintendent for the cooperation I have enjoyed. In addition, I wish to acknowledge in particular, the contribution of my Assistant Principal, Mr. Walter White. Because of many fine efforts by many people, this year has been a most rewarding experience.

Respectfully submitted,

EDWARD W. SWITZER

Principal

Report of King Philip Regional Vocational High School

Annual Report of the Director—1971

I hereby submit my first report as Director of King Philip Regional Vocational High School.

The challenge to provide relevant, broad and improved vocational-occupational programs for preparing youth and adults for the world of work is urgent in the King Philip Regional School District. The problems associated with vocational-occupational education in the training of students is a multiplicity of skills for successful and fruitful employment are manifestly complex. Viewing these problems in the environment of a regional school district compounds the problem.

Occupational education must be sufficiently broad and varied in scope and be offered at all levels of career preparation to meet the needs of all youth and the communities. Programs of occupational education must be an integral part of the educational process; they must be embraced in the total program of education.

Career education must develop from a broad base in the early years to more specialized occupational, vocational, technical programs in later years as individual interests and needs are identified. Occupational education must provide opportunities beyond the secondary school level to encourage upward social and economic mobility and to provide motivation for adequate career development.

To help students decide whether they want to pursue careers in any of the fields of machine division, carpentry and house carpentry division, and small engines repair, the vocational school instituted an exploratory program for ninth grade students this year for the first time. They spend time in each division on a rotating basis each semester. The students must be made aware in the early grades what different jobs are like so that they are better prepared to choose a specific area.

Early this year the school committee asked the school administrators to prepare plans for a vocational school addition. Engelhardt and Engelhardt Inc. of New York were secured to do a study for a new design which primarily is to release overcrowding in the district, but would also serve to upgrade and expand career, vocational and occupational education.

The Vocational High School has continued to offer established programs to an increased enrollment. These programs include machine shop, house carpentry, and mill carpentry. However, in addition there have been several significant changes incorporated because of the increased enrollment and student interest. They include:

Distributive Education

This year a Distributive Education program was instituted in the junior year at King Philip High School. It is a career development program in marketing and distribution which relates on the job training to classroom instruction and experiences. The students have the opportunity to apply classroom theory to their cooperative jobs as well as to their role in the operation of the distributive education laboratory store.

Reading Program

This year a Reading Program was instituted at King Philip Regional Vocational High School.

The Vocational School program for the Basic Language Arts operates under funding from Title I, ESEA. Participants in the project are selected on the basis of test scores, teacher, and guidance recommendations, and parental request. Fifty-two students in grades 9-12 are currently involved. Teaching methods and procedures are oriented to meet the individual needs of the students. The program utilized reading aides in order to maximize the opportunity for one-to-one instruction. Class time is divided between instruction to develop the language arts skills with an emphasis on remedial reading and free-reading time to develop a positive attitude toward language and learning. The curriculum will be enriched by way of planned field trips that give added exposure to cultural and historical experiences.

Small Engine Repair Program

Another new program introduced this year in the King Philip Regional Vocational High School is referred to as: The Small Engine Repair Course. In this course the students are given an opportunity to realize the complexities involved in the operation and repair of small engines as used on lawnmowers, motorcycles, snowmobiles, etc. In addition, this course is also designed as a foundation to introduce the students into the automotive repair field. The students spend one half of their time in the classroom where they have the opportunity to learn the theory of engine design and operation. The other half of the time is spent in the

shop where they get actual experience in engine repair, service, troubleshooting, and basic knowledge. This course is designed to build interest in next year's automotive program.

Individualized Instructional Systems

This year a form of teaching called "Individualized Instructional Systems" was initiated and is being used in the ninth grade carpentry (exploratory) program. Here the students work on a series of projects, each designed to teach one or more skills. The advantage here is that students can work at their own pace. By working at his own pace and mastering one skill before tackling another, the student ends up learning more. It is not experimental — it is new but has been proven successful elsewhere.

In conclusion, I am grateful to the School Committee, Superintendent William Costa, Mr. William White, the vocational school faculty, Mr. John Robbins, Director of the Adult Evening Programs and Mrs. Jean Webster my secretary for the support they have given me in my first year at King Philip Regional Vocational High School.

Respectfully submitted,

MR. JOSEPH NICASTRO

Report of the Director of Guidance and Pupil Personnel Services

In 1972 our school population continued to grow as the District's administrators have reported to you. The college preparatory division of grade 9 is currently being housed in the junior high school. Mr. Robert Doherty was reassigned to the junior high school in order to maintain a reasonable counselor-pupil ratio for all junior high school students. At the present time, we have three counselors at the junior high school and three at the high school serving a total population of almost 1,950 students.

Our efforts in guidance continue to be in three main areas: educational, vocational, and personal counseling. It is a national trend that the numbers of students planning on furthering their education immediately after high school has declined. This trend in part is caused by economics, high tuition costs at private colleges, and also the student's desire to "wait and see" before he commits himself to some form of further education and the concomitant expense.

The renewed emphasis on career and vocational education is certainly welcomed by guidance counselors. Counselors have long recognized that a primary goal of guidance is to assist students in making wise vocational decisions taking into consideration their interests and their academic strengths and weaknesses. With these points in mind, we have continued to expand our occupational information library both at the high school and junior high school. At the junior high school, several group sessions were established to introduce students to the occupational materials that are available and to explain the many possibilities that exist so that they may have a broader background in order to make sound educational and vocational decisions.

Most notable among the new additions are the cassette recordings now in use at the junior high school and the Chronicle Occupational Viewdeck which is available to students at both the junior and senior high schools.

At the high school, we have long recognized the need to improve our record storage system. During the summer of 1972, the counselors at the high school prepared all of the graduate records for microfilming. This was a monumental task as over 2500 records were microfilmed. We now have records stored at the high school and have a duplicate set in a safe deposit box in the South Shore National Bank in Wrentham. This, of course, will be an ongoing program and all records of graduating students will be microfilmed during the summer after their graduation.

At the high school the counselors have expanded the use of group informational meetings in order to provide information more quickly to the students attending the high school. During the fall these meetings focused on future school plans or entrance into the job market. These group meetings will be expanded in 1973 to include planning programs of study for the following year.

In 1972, the King Philip Regional School District and the three elementary schools were fortunate to have authorized on a joint basis the position of school psychologist. Mr. Stephen Rosenzweig was appointed to the position. Mr. Rosenzweig acts in three major capacities: as a consultant to teachers, guidance counselors, and families in the handling of personal or emotionally based student problems; as a counselor, on a limited basis, with students on the approval and consent of the parents; and as a psychometrist conducting all of the testing programs within the special education area.

Major changes in the special education area were caused by the publication of new regulations for the assessment and evaluation of special education students. This evaluation is a much more comprehensive program and a much more involved procedure than was previously the case. It is obvious that in the next two to three years there will be a rapid growth and expansion of so-called special needs programs both at the junior high school and at the senior high school. It will be necessary to expand the facilities for special needs programs to meet the requirements of the new laws in special education.

I would like to take this opportunity to express my appreciation and gratitude to the School Committee, the administration, and faculty of the King Philip Regional School District for their continued support and assistance in Guidance and Special Education.

Respectfully submitted,

FRANCIS X. O'REGAN, JR.

Director of Guidance and
Pupil Personnel Services

King Philip Regional School — North

I herewith submit my second annual report as Principal of King Philip Regional School — North.

In the Junior High School we emphasize the principle of a broad exploratory program which includes the regular academic classes; English, Mathematics, Science and Social Studies. In addition courses are offered in French, Reading, Industrial Arts, Technical Drawing, Home Economics, Art, Music, Physical Education and Health.

Commencing in September the college bound section of grade nine (177 students) remained at North because of the overcrowded conditions at the King Philip Regional High School. This increased our school population to 920 students in a building built to house 750.

The grade nine program encompasses all the regular required subjects plus the addition of Typing and Technical Drawing. The staff was increased by eight teachers plus two physical education interns from Northeastern University to enable us to carry on the entire program.

For the first time scheduling was done by computer which made it possible for us to ability group all of our students by subject. In this way all students are given the opportunity to work and advance at a level and rate commensurate with their abilities.

To mention some of the innovative programs we have initiated during the school year let me make reference to — student aides (both in and out of school), Independent Study, Drug Program for Students and Parents (in conjunction with representatives from the Norfolk County District Attorney's Office), Occupational Information through our Guidance Department, Mini Courses and Personal Typing.

One other change we are experiencing at this time is the complete reorganization of our Reading Program. During the spring and summer our three Reading Instructors rebuilt the Reading Course which now includes Language Arts, Developmental and Remedial Programs with a complete revamping of the physical laboratory so as to achieve maximum learning capability of our students. This program is already showing promising results with high hopes for the future.

In order to summarize briefly other educational changes and offerings initiated for our students at King Philip - North, the following reports from our Department Coordinators are presented:

Language Arts

English — The main objectives of the Junior High Curriculum general areas for the seventh, eighth and ninth grades are: (1) To think, speak and write well enough so that those situations which challenge the ability of the individual to communicate ideas, purposes and experiences may be adequately met; (2) To develop the power to understand and evaluate the spoken and written word; (3) To promote habits of reading with enjoyment a variety of standard classical and contemporary publications on as high a level as possible; (4) To stimulate and strengthen the desire to use whatever expressional talent the individual may have, not only for his own, but also for the common good.

French and Spanish — The Junior High French section offers two levels of French. Level I is taught in grades seven and eight with Level II being taught in grade nine. The Spanish section offers one level of Spanish taught in grade nine.

The emphasis in teaching Foreign Language in Junior High is on speaking, listening, comprehension, reading, writing and culture. The Language Laboratory is used to improve individual speaking and listening ability. The Junior High Foreign Language Program is the first step in a continuing program to be completed at the High School level.

Reading — The new Reading Program at the Junior High for the seventh and eighth grades is voluntary and highly individualized. Each child is programmed into one of the three broad divisions based on his immediate needs and abilities. Furthermore each child is closely supervised by one of the three reading teachers who regularly evaluates his progress in both the reading classes and reading laboratory. Shifts are continually made in each child's program as his reading performance changes.

Mathematics and Technology

Mathematics — The Mathematics Curriculum for grades seven and eight is designed to meet the needs of students who are mathematically adept as well as the needs of students who must have the emphasis placed upon the computations in basic operations and their practical applications to everyday life. Thus, there is a traditional Mathematics Program at both grade levels as well as a Modern Mathematics Program. One grade eight section is taking Algebra I, using a programmed text which will be evaluated in June 1973 after a three year study.

All ninth grade students are enrolled in the College Course and must take the required Algebra I or Geometry if Algebra I was successfully completed in grade eight.

Industrial Arts — Grade seven classes are involved in an exploratory program in the fields of Woodworking, Line Production, Plastics and Technical Drawing. Grade eight students are given practical experience in basic Sheet Metal and Bench Metal, Technical Drawing and an introduction to basic Electricity.

Grade nine Industrial Arts Woodworking Program is designed to assist student development of individual skills and expression. Grade nine Technical Drawing classes follow the same course of study as the High School to ensure the continuity of the program.

Science and Health

Science — In the seventh grade students take life Science, A Problem Solving Approach. This program is designed to teach life science concepts in such a way that students discover facts and concepts for themselves and they proceed through the experiments.

Introductory Physical Science (I.P.S.) continues to be taught to those eighth grade students who desire an in-depth study of our physical world.

The Ideas and Investigations in Science (I.I.S.) Program is three-fourths laboratory work especially designed for students who may find the I.P.S. course irrelevant.

Biology, offered in grade nine, is a program designed to help students see the interdependence of organisms in the living world. Classification, anatomy and genetics are covered with a constant emphasis on student activity and conceptual understanding.

The Earth Science Program is a laboratory based program exploring five major areas: Meteorology, Astronomy, Oceanography, Geology and Historical Geology. The program is designed to give students basic knowledge in areas that are practical in terms of adult living and yet preparatory for a student intending to attend college.

Home Economics — The Home Economics Program at the Junior High level is divided into Foods for seventh grade girls and Clothing for the eighth grade.

The Foods Program includes preparation of breakfast and luncheon foods. Along with the actual preparation, consumer education, nutrition and good grooming are part of the program.

The Clothing Course includes making of clothes using a commercial pattern, knitting, crocheting and other related projects. Consumer education is also taught in connection with Clothing.

Physical Education — The Physical Education Curriculum is designed to meet the needs of each student through both individual activities and team sports. Emphasis is placed on those activities involving carry-over value in later life. A special adaptive program has been initiated for those students requiring special physical needs. The Intramural Program has been expanded to include co-ed roller skating, public ice skating, figure skating and hiking; boys' and girls' camping, boys' team handball and floor hockey. Because of the larger size of classes, two interns have been hired to assist the physical education teachers.

Cultural Studies

Cultural Studies — This year, in grade seven Cultural Studies, we are concentrating on four areas; basic geographic skills and concepts, both physical and cultural; the Soviet Union; the Far East; and Latin America. Time permitting, optional areas of study would include the Middle East, the United Nations and Africa. In each area we are taking into account not only the physical and cultural forms, but also the ideological and sociological aspects of the areas.

In grade eight United States History we cover the period of time from early exploration to the last part of the Nineteenth Century. To enrich both the seventh and eighth grade program of studies, wide use is made of filmstrips, tapes and supplementary reference materials. In grade nine American Government we cover the structure and organization of the Federal, State, County and Local Governments. Through a comparison of these levels of government, we study the workings of our Democratic System. At the same time we have integrated a study of current events, world affairs and social issues into our course of studies at all grade levels.

Art — Seventh and eighth grades have a comprehensive Art Course. Studied in various media are figure drawing, portraiture, still life composition, poster making and perspective drawing. Techniques taught include drawing, water color painting, tempera painting, papier-mache sculpture, printing making, ceramic pottery, montage and collage, crayon etching and India ink.

As there is no ninth grade art class, there is a ninth grade Art Club that meets after school twice a week. Students have a chance to work in the above media as well as to work in oil paint on canvas board, ceramic clay on the potters' wheel and printing by the silk-screen process.

Music — Students in grades seven and eight are scheduled for two general music classes per week on a half year basis.

The Band and Chorus performed at school assemblies and presented a very successful Spring Concert. The Band toured the Elementary Schools in the District and they were enthusiastically welcomed at each school. I commend the administration for approving such a program as this not only provides experience for these young instrumentalists, but it also promotes interest and incentive for youngsters at the elementary level.

Typing — For the first time the curriculum at the Junior High School offered Typing to the students. This program was made possible through funding under the V.E.A., P.L. 90576. The personal typing applications presented in this course will enable the students to begin to use the typewriter as a personal writing tool in his school work. Each student develops the basic skill of typewriting by the touch method which will give him a basic degree of proficiency acceptable for personal use. The students receive three periods of formal instruction each week for a full year.

Multi-Media Services

Library and Audio-Visual — In order to meet the needs of the students in grades seven and eight, and the more sophisticated requirements of the students in grade nine, the Media Center has expanded this year, both in acquisitions and services. Emphasis was placed on securing materials applicable specifically to the grade nine curriculum, including American Government, Earth and Biological Science, Geometry and Spanish. Additional materials were purchased in the areas of Literature and French, all at a more advanced level.

The success or failure of a Media Center can be evaluated by the response of the students and faculty, so I am particularly pleased that utilization and circulation of materials have increased steadily throughout the current year. I am most appreciative of the cooperation of the administration and faculty at King Philip - North; they have devoted both time and energy to help make our program successful.

Future Programs

Within the next few months we hope to open a Curriculum Resource Center that will serve all the Educational Disciplines. Materials for student research, Independent Study, Quest for Knowledge, Browsing by Students, Teacher Usage, etc. will be placed into the Resource Center so that both teachers and students will benefit by its availability.

In working with our Science Department it is hoped we will be able to develop and build a Hothouse so that students may be able to gain some first hand knowledge about the care and growth of plants, flowers, seeds, etc. Furthermore, it is hoped that such an experience will, in the future, enhance their leisure hours and for some, provide them with the foundation for a lifetime occupation.

A beginning was made this fall in the area of Mini Courses. It is hoped that a more diversified program can be offered to our students in the future. One in which a great deal of enrichment type learning will take place. Many of our teachers have knowledge outside their immediate subject areas and would welcome the opportunity to present it in a manner that does not encompass the rigidity of a classroom situation. We feel a broadening of student learning can be accomplished and encouraged by this program.

Conclusion

It is my belief that the reason our Junior High functions so successfully despite the obvious overcrowded condition, is because of the dedication of our staff. Without their cooperation this would not be possible.

Let me express my sincere appreciation to the School Committee and Mr. William J. Costa, Superintendent of Schools, Mr. Anthony J. Dire, Assistant Principal, Mr. Curt Willard and his entire staff of custodians, and our secretaries, Mrs. Mildred Hill and her able assistant, Mrs. Dorothy Mitchell for their efficiency in our school office.

There is a definite belief at King Philip - North that education is important. This fact makes working to bring the best education to the District students a rewarding and enjoyable experience.

Most sincerely,

SAMUEL P. STRICKLAND

Principal

Adult Education Yearly Report

This year the enrollment will be in excess of 500 students in the various classes being conducted at the King Philip Regional High School, Vocational School, and King Philip Regional School-North.

There are 26 instructors teaching 34 different classes, and classes are being held four evenings each week. The length of classes range from 6 to 25 weeks, and are from 20 to 150 clock hours duration. Students successfully completing a class are issued a certificate of achievement.

This year the evening courses are divided into the following four classifications:

I. Vocational Apprenticeship:

Courses are being held for apprentice machinists and apprentice bricklayers. These courses are for men who are serving an apprenticeship or learning a trade and are held for 150 hours each year. The complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

II. Trade Extension:

A course is being held for carpenters and men in the masonry trades in blueprint reading. This course is open to any person in these trades and is for 75 hours.

III. Vocational Practical Arts:

These courses are designed to help people in homemaking or in achieving a more satisfying use of leisure time. Classes are being held in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral crafts and decorations, cake decorating, draperies and bedspreads, interior decorating, ceramics, and pottery.

IV. Academic Classes:

The classes are being held this year in typing I and II, painting, tennis I and II, golf, safe boating, woodworking, high school equivalency preparatory, office machines, yoga, women's physical education.

Several of the academic courses are offering credits that are acceptable to the State Department of Education and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

JOHN ROBBINS

Report of the School Committee

To the Citizens of Plainville:

This report will try to condense the activities of your local School Committee during 1972.

A full three-year contract with the Plainville Teachers' Association and the School Committee was negotiated under very amiable conditions, with the only open item left for re-negotiation being that of salaries. Most important was the fact that this was done without any outside negotiators.

The Math Curriculum Committee presented a Curriculum Guide with behavioral objectives and a record of each student's progress. This was adopted by the School Committee and immediately put into use for the school year 1972-73.

Mini-Course Week was tried at both schools, meeting with enough success to continue it again on a three-day basis.

The Committee accepted with deep regret the resignation of Chairman, Raymond Annino, who changed jobs and resumed teaching at Canisius College. Mrs. Nancy Loew was appointed to fill this vacancy.

A special meeting was called by the School Committee in October to meet with all the teaching personnel for an informal program to enable the members and staff to identify faces and names and positions. A most important facet of this meeting was that everyone realized that the main purpose of the School Committee and the staff is to provide the best possible education for all of the students.

New negotiations for salaries were opened and settled in the best time on record. Many thanks to the fine Professional Rights and Responsibilities Committee.

Our Learning Disabilities Program has been expanded with the addition of two teachers and three aides.

We sincerely appreciated the cooperation of townspeople to work with the staff and to become involved in special programs, i.e., library helpers, Mini-Course teachers.

Respectfully submitted,

SARA ROBERTS, Chairman	ALICE EDWARDS
THOMAS LEVIS, Secretary	NANCY LOEW
BRUCE A. HAYES	

Report of the Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my twelfth annual report.

Introduction

As in the past, this report contains items that are listed as a record for future reference or for comparisons with other years.

Enrollment

Figures are as of 1 October 1972. Total enrollment 753 with 537 at the Elementary School and 216 at the Jackson School. This compares with 767 a year ago. It should be noted that grades 4 and 5 are by far the largest in numbers in the system.

Teaching Staff

Mrs. Betty George returned to the teaching staff in September 1972. Mrs. Lynn Lynch replaced Mrs. Margaret Fiedler as Kindergarten teacher on 4 December 1972. Mrs. Fiedler requested maternity leave. Mr. Maurice Benson was added to the staff in March 1972 to assist in the Learning Disabilities Program. Mrs. Patricia Denton became our full-time Speech Therapist for the 1972-73 school year. Mr. Louis George left at the close of the 1971-1972 school year to pursue graduate studies. A complete listing of teaching staff may be found at the end of this report.

Aides

During the past twenty years the use of aides or para-professional personnel in the field of education has gained general acceptance. As doctors use nurses, nurses aides and secretaries, and as lawyers use law clerks, etc., teachers use these aides. Many tasks of a routine nature can be handled by the aides, freeing the teacher for more professional-type duties. In general, two or three aides release the equivalent of a full-time teacher. The use of the aide also increases the number of adults involved in the program and permits more flexibility in use of space and course offerings. All duties performed by aides with children are supervised by certified persons.

School Facilities

All twenty rooms at the Elementary School and all ten rooms at the Jackson School are used as follows:

	Elementary School	Jackson School
Kindergarten	2	0
Grade 1	3	1
Grade 2	3	1
Grade 3	3	1
Grade 4	3	2
Grade 5	1	3
Grade 6	5	0
A. I. D.	0	1
Resource Room	0	1

Also, the all-purpose room at the Elementary School is being used for fifth and sixth grade science classes to fully utilize space. Learning Disability teachers and aides use small rooms in both buildings, and Art, Music and Physical Education move around between cafeterias, gym, classrooms and other areas.

Our enrollment will peak in the 1972-73 school year to the point where if we used traditional grouping or self-contained classrooms, we would need two additional classrooms to keep our pupil-teacher ratio as it is now. Future building plans should recognize the trends away from a desk for every pupil for the entire time school is in session. A careful eye will be kept on new housing in town to predict future enrollments and space needs.

Educational Program

In the fall of 1970-71 the Plainville schools initiated a concept which we called Modular Group and Modular Scheduling. Behind the concept was the general belief that we could not justify each child devoting equal time to each subject. All children were placed in small groups of 1 and 6 who could read at the same level. These are the Modules. Each module is then scheduled for the amount of time that we feel is needed to teach those children to read. All children get as much time as before but some get double or triple time. This is the Modular Schedule. The same procedure as above is followed for Math next. Language Arts, Social Studies and Science are filled in to round out the schedule. The goal of this concept is to emphasize the acquisition of the basic skills in reading and mathematics.

Educational Goals for Massachusetts

In 1972 the State Board of Education set up the following goals:

1. Physical and Emotional Wellbeing
2. Basic Communication Skills
3. Effective Uses of Knowledge
4. Capacity and Desire for Lifelong Learning
5. Citizenship in a Democratic Society
6. Respect for the Community of Man
7. Occupational Competence
8. Understanding of the Environment
9. Individual Values and Attitudes
9. Individual Values and Attitudes
10. Creative Interests and Talents

Implementation of these goals is now in the hands of local school committees and communities.

Federal Programs

1972 Federal Fund totals were: Title I, ESEA, \$13,516.52; Title II, ESEA, \$1,266.90; NDEA, \$4,005.03; and Summer Head Start, \$5,490.56. Under Title III, ESEA, King Philip, Norfolk, Plainville and Wrentham received \$39,900 as a Title VI, NDEA Project. Next year's Federal Funds are very uncertain at this time.

State Aid

In 1972 \$394,092.21 was received as Chapter 70 State Aid. \$91,781.08 was received for being a member of a regional school. Estimated 1973 figures are shown elsewhere in this report. These estimates are the amounts we are entitled to but may be less if full funds are not provided in the state budget.

Lunch Program

There has been no change in this program.

Custodians

Mr. Aram Pothier passed away on August 12, 1972, just before his planned retirement. Mr. David Rushlow replaced him on July 3, 1972.

Aides

Mrs. Sylvia Botka, Mrs. Miriam Lomasney and Mrs. Karol Lunn began their duties as aides in the Learning Disabilities Program, and Mrs. Joyce Mowatt as aide in the Audio-Visual Program, with the opening of school in September 1972. Mrs. Jean Henrich began as aide in the Special Class in March 1972.

Early Release Days

The first and third Wednesdays each month have been used for various ways to improve the educational program of the schools. School is released one hour early for this purpose. Committees of principals, teachers and others have been appointed to work in most subject areas. Language Arts, Social Studies, Kindergarten, Reading, Learning Disabilities, Science, Mathematics, Spelling, Penmanship, Safety and Health Education committees are active. For 1972-73 Language Arts and Social Studies were designated as high priority with a need to up date the curriculum guide and collect or write behavioral objectives. For Reading the mission was to develop behavioral objectives. For Mathematics and Penmanship, evaluate the new programs just adopted. All other committees are to make recommendations in their area or subject.

Conclusion

1972 has been a very active year and much has been done. A new curriculum guide for Mathematics was one of our major accomplishments. The 18-month budget may be the greatest event for the next two years, but this is a one-time occurrence. Putting all Kindergarten, First and Second Grades at the Jackson School is a plan that I feel should be seriously considered. This change has many advantages.

Respectfully submitted,

CARL W. GREEN,
Superintendent of Schools

Report of the Principal of the Plainville Elementary School

Dear Mr. Green:

I respectfully submit this sixth annual report to you as Principal of the Plainville Elementary School.

Organization

The grade and class organization for the school year 1972 remained essentially the same as previously, with the primary grades, Kindergarten through grade 3 being basically self-contained, with some re-grouping of children for reading and math instruction at the first and second grade level. Grades 4 through 6 were organized on a semi and fully departmentalized basis as in the past, but children were re-grouped after homeroom assignment and scheduled according to their needs with respect to subject matter time allotment.

Mr. Maurice Benson, a new addition to our staff, was assigned a fifth grade homeroom in September 1972. After the homeroom change, Mr. Benson provided supportive help to children in grades 4-6, according to their individual needs. Mrs. Miriam Lomasney was hired as an aide to assist Mr. Benson in working with these children.

Learning Disabilities

The Learning Disabilities Program was given added impetus during 1972, with Mrs. Wendy Reynolds assigned full time as teacher-therapist for grades K-4, and Mrs. Sylvia Botka hired as an aide to work with Mrs. Reynolds. Mrs. Reynolds also did the screening of children at the Jackson School, referred by the classroom teachers for possible inclusion in the Learning Disabilities Program. Mrs. Ruth Carpenter continued to work with children at the grade 5-6 level, along with her regular assignment as reading teacher for Grade 6. Mr. Benson also provided added emphasis in this area, as previously mentioned. It is felt by the administration that positive emphasis in this area is warranted and that the children who are being helped by this service will greatly benefit.

School Facilities

Some changes were made in the location of activities during 1972. The playroom, or all-purpose room, located in the new wing was changed to a science area for Grades 4, 5 and 6. Miss Georgina Griswold was

assigned as the instructor of science for those grade levels, and children went to this area for science instruction at varying time allotments.

The other major locational change was the moving of the central school library from the first floor beside the Superintendent's office, downstairs to the boys' locker room and former teachers' eating area. The former library area has become a Curriculum Room, housing the texts and materials used in all subject areas.

The small room off the lunchroom was enclosed and now serves primarily as the teachers' eating area. This room continues to serve as lunchroom storage, and has also been utilized as an art instructional area. The old teachers' room located on the first floor now serves as the Learning Disabilities office and therapy area.

The change necessitating the greatest work was that of moving the library downstairs. Fortunately, one of our staff, Mrs. Barbara Fluck, was available, and she, along with help from the Neighborhood Youth Job Corps, and other young members of the community, did an excellent job in facilitating this change. Many thanks to Mrs. Fluck and her helpers.

Curriculum

The curriculum content remained the same during the year 1972, with the major accomplishment being the development of an up-dated Math Curriculum Guide completed during the summer of 1972 by Mr. Richard Cashman and a committee of teachers comprised of Mrs. Dorothea Donnelly, Miss Jo Ann Bourgeois and Mrs. Catherine Plante.

The major change in the area of curriculum took place in the varying amount of time allotted for the various subjects in grades 4-6. In the past, all or most of the children had equal time periods for of the subjects. In the fall of 1972, children were scheduled for their subjects according to their particular need. Primary emphasis was placed on giving extra time for reading and math and less time in language, social studies and science, for those children who were determined to benefit from extra time spent in the reading and math areas.

This scheduling necessitate change in the location of music and art from the homeroom to other classrooms and the cafeteria and auditorium areas. Needless to say, there was increased movement of children, and there were some adjustments to be made.

I do not see this as the ultimate or ideal situation, but with any new process there are a certain amount of growing pains involved, and we expect to be making adjustment and change as we go along, but I believe that the move toward modular scheduling and grouping is definitely a step in the right direction.

Miscellaneous

Much new equipment and many new materials were purchased during the year 1972 in order to facilitate the modular concept. We were fortunate to receive an N.D.E.A. Title III project in social studies for \$2,000. My thanks to Mrs. Patricia Brodka, social studies teacher for grades 5 and 6, for writing this project and enabling us to purchase helpful and valuable equipment and materials.

I would also like to thank the Plainville Parent-Teacher Association for the audio-visual equipment which they purchased for the school.

As in the past, the children went on many interesting and informative field trips which provided enrichment to their regular classroom programs.

In the fall of 1972 the children in grades 4, 5 and 6 were visited by a team from the District Attorney's office for the purposes of providing a mini Drug Education Program. This proved to be a most interesting and informative program.

In-service workshops for the teachers continued on a bi-monthly basis. Primary emphasis at the local level has been curriculum up date and development, with the writing of behavioral objectives in subject and activity areas as the ultimate goal.

Conclusion and Acknowledgments

1972 has been a year of change and progress, with the awareness, I am sure, on the part of our entire staff that much can be done to improve the educational program.

The teachers have continued to show a sincere dedication toward their task, and I wish to thank all of them for their cooperation and help during 1972.

Also, I would like to thank the custodial and lunchroom staff for their efforts and cooperation.

To the volunteer mothers, many thanks for their help in manning our library and being available to the children when help is needed.

I would like to thank all of the town departments for their help and cooperation throughout the year.

Again, I consider myself privileged to be associated with such wonderful children and parents as are found in Plainville.

I would also like to thank the School Committee for their continued effort in helping to build a sound educational program for the town.

Also, Mrs. Jeannette Pray, our school nurse, and Mrs. Gertrude Lunn, our secretary, for their untiring efforts.

Finally, I wish to thank you for your continued support and guidance.

Respectfully submitted,

EDWARD L. KEANEY, Principal

Report of the Principal of the Anna Ware Jackson School

Dear Mr. Green:

I consider it a great privilege to submit to you my third annual report of the Anna Ware Jackson School for the year ending December 31, 1972. Many significant and noteworthy events have occurred at the Jackson School this past year.

The Plainville Public Schools have adopted a new Math Curriculum Guide, K-6, for their schools. This new guide was prepared by the Math Committee and is done in terms of specific behavioral objectives for each grade level. Also, math score cards are being used, which chart the progress of each child in math and allows the student, as well as the teacher, to know how he is progressing at any given time.

Mini-courses found their place in the Plainville curriculum for a whole week at the Jackson School during February. Reading, writing and arithmetic were replaced for the week with such fascinating subjects as Ceramics, Mosaics, Police Work, Crocheting, Safety and Camping, just to name a few.

I was fortunate to prepare and receive an N.D.E.A. federal grant for new reading materials and audio-visual equipment.

The Jackson School library has grown considerably since last year due to monies from the school budget and Title II (federal grant.) I am indeed fortunate to have excellent library volunteers; these women have given many hours for scheduling, cataloging and staffing our library. My special thanks to Mrs. Robert Flynn, Mrs. Carl Grube, Mrs. Andrew Park and Mrs. Paul Nevins.

Jackson School this year has undergone considerable change, especially in the area of learning disabilities. We now have a full-time learning disabilities teacher and a full-time aide.

Mrs. Jeannette Pray, our school nurse, has tested children's eyes and ears and has weighed each child. Mrs. Pray has been busy working on health curriculum, as well as on health counseling with parents and children.

This year students at Jackson are fortunate to attend and participate in many fine assembly programs and interesting field trips. Some of the field trips included the Boston Ballet, the Fish Hatchery, Science Museum, Police and Fire Departments, and Sturbridge Village.

Many informative and interesting regional principals' meetings were held this year. These meetings were excellent for they afforded me an opportunity to discuss regional as well as internal school problems.

A Father and Son Night, as well as a Fashion Show, were held this year for the students and parents as well.

The Lorge-Thorndike Intelligence Test, the Iowa Test of Basic Skills, the Prescriptive Math Inventory Test, and the Test of Basic Experiences were all utilized this year to determine each child's unique needs and potentials.

This year we have continued to emphasize modular grouping and scheduling. This type of scheduling has allowed us to give more time to Math and Reading.

Many significant educational in-service workshops have taken place this year, and through these workshops teachers are planning many new curriculum revisions in an attempt to make the curriculum more relevant and meaningful.

This has been a year of change and progress at the Jackson School. Teachers have continued to indicate their concern for self-improvement by taking many specialized courses, and I think it can be said that the teachers in Plainville are truly committed to "their children".

In closing, I would like to extend my thanks and appreciation to all the people of Plainville who have helped to make this year a great one, and particular thanks to Mr. Green and Mr. Keaney, who have helped me greatly this year.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

Southeastern Regional Planning and Economic Development District Commission Report

Plainville's representative on the Southeastern Regional Planning and Economic Development District Commission is Stanley Widak, Jr. from the Planning Board.

The role of SRPEDD, one of the twelve regional planning agencies covering all of Massachusetts, is (1) to develop regional plans, particularly for issues of more than local concern, (such as transportation) thereby making member municipalities eligible for certain types of federal financial assistance; (2) to provide assistance to member communities in the areas of zoning, development planning, environmental protection, governmental structure and service; (3) review local plans and proposals for compatibility with regional plans and to ensure that a municipality does not create problems for its neighbors; (4) serve as a forum for the discussion of issues touching more than one municipality and as a liaison with some state and federal offices.

The SRPEDD's operating budget is derived from two major sources. Each member community provides funds at a rate of 15 cents per capita. Other funds come from federal and state grants. During 1972, over \$475,000 was spent on projects benefiting District communities.

Membership in the SRPEDD has greatly benefited the town in several ways. The District maintains certification of the member communities in such areas as land use, water and sewer, open space and recreation and economic development. Without such certification, communities would not be eligible for the federal funding of projects in these fields. The town's participation in an economic development district also increases in some cases the federal funding portion of a public works or technical assistance project from 67% - 75% of the total project cost.

The District is also carrying out solid waste management and transportation planning programs which are designed to alleviate some of the critical problems in these areas.

The District has provided specific services to Plainville. For example, the District staff coordinates the efforts of the Ten Mile River Basin Task Force. This will gain for Plainville an environmental quality study for the community, and an investigation of ways to control flooding.

SRPEDD itself does not have the legal mandate now to effect any of its plans. Each town itself, or in concert with others, or by direction of the General Court must make that "Let's Do It" decision. Through Plainville's membership and our representation, this town has a voice in matters of regional concern and is thus able to let Plainville's opinion be considered equally with the other 29 communities in SRPEDD.

The Commission meets monthly to discuss and vote on solutions to the area's problems. The staff and Commission have been immeasurably aided by the part-time (usually evening) efforts of citizen groups concerned with such topics as industrial development, housing, conservation, etc. These groups are open to all and we hope some of you will join with us in furthering orderly progress.

Everyone interested is urged to advise us of their concerns. They may also visit the regional office at 68 Winthrop Street, Taunton, or call 823-0796 or 636-8944.

ROBERT E. LOEW

Selectman's Representative

STANLEY WIDAK, JR.

Planning Board Representative

Report of the Police Department

Board of Selectmen
Town Offices
Plainville, Massachusetts

Gentlemen:

As we close the books on the year 1972, I would like to take this opportunity to thank the people of Plainville, your board and the various groups and individuals that helped to make many of my plans and dreams come true.

All can be proud of the facts that we have grown in size, equipment and knowledge. We have a department to be very proud of, enough equipment to do the job, and a new station that will be the biggest boost to all departments concerned.

We are proud of our advances and the fact that our town although growing rapidly, is still a town that you can walk the streets safely, knowing the young officers we have keep it that way by their interest and dedication.

We graduated our last four men from the State Police Academy in 1972 and they were all in the top ten of a class of fifty. This is something we can all be proud of.

We received grants for radar, radios and a breathalyzer giving us the tools to work with. All our personnel have graduated from the State Police Breathalyzer school and our Policewoman was the first and only woman to go and graduate.

We graduated two men from the State Police Investigators course giving us the first in the history of our Department to start trained investigators, and it has proved to be successful.

The only area I see that needs attention now is to bring the manpower up to a level where we are covering the town on all shifts with two men on patrol and the new station manned twenty-four hours a day, which is necessary with cells and alarm systems. As you are aware, now we only have our station manned on the day shift, from 8-4 and with the new station we will need coverage around the clock.

I would also ask the town's and your support in getting a traffic light installed at the intersection of Routes 1A and 106. This is a bad intersection for traffic, pedestrians, and the traffic officer, and I feel that we need these lights, even if we have to pay for them ourselves.

So, let me thank all of you in this town for your support, and especially the great people on my department, without whom it would be nothing, the Fire Chief and his department, the Highway Superintendent and his department and all others who helped make the job just a bit better.

Submitted,

ROBERT R. FAILLE

Chief of Police

Report of Civil Defense

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year
ending December 31, 1972.

Appropriation	\$750.00
---------------	----------

Expended:

Telephone	118.73
Dues	20.04
C.D. Police	244.80

Total Expended:	383.57
-----------------	--------

\$366.43

We wish at this time to express our sincere thanks to all the other
Municipal Departments for their help and cooperation throughout this
past year.

Respectfully submitted,

DANIEL H. HUNT
Director

Report of Auxiliary Police Department

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Chief of the Plainville Auxiliary Police Department for the year ending December 31, 1972.

During the past year the Auxiliary Police have averaged five (5) officers. These men have donated their time to the Town of Plainville, working in co-operation with the Regular Police Department. These men have performed duties such as Patrol of Plainville's streets and buildings in the Police Cruiser along with regular officers, as well as dispatching for the Police Department. During the summer months, house checks were made at homes where owners were on vacation. Other duties performed by the Auxiliary Police were assisting in traffic control during parades, working with the Police and Fire Departments in locating lost persons, this totaled approximately 1200 hours donated to the Town of Plainville.

We were awarded \$300.00 from the Civil Defense for the purpose of providing equipment for the safety of the Auxiliary Officers during tours of duty.

Expenses are as follows:

4 Orange & Black Raincoats	\$127.80
4 Whistles, Chains & Hooks	11.80
4 Nightsticks & Stoppers	20.80
4 Safety Belts	23.80
Total	\$183.20

The balance of \$116.80 was returned to the Civil Defense account.

During the year 1973 it is my desire that additional equipment be **purchased for the Auxiliary Police Department** by the Civil Defense. The reason being, because the time is donated, the individual men cannot afford the cost of proper equipment, such as flashlights, batteries, cruiser jackets and/or reefers (Winter Jackets). This equipment is only used by the Auxiliary Police and only while on duty and remains in the station. Although the Auxiliary Police already have purchased

partial uniforms, new ones are needed due to general wear and tear. I feel that the sum of \$250.00 would cover the cost of new equipment for the year 1973.

I would like to thank Mr. Hunt, Police Chief Faille, members of the regular Police Department for time donated instructing Police procedure, Board of Selectmen and all departments for their tireless assistance. With the completion of the new Police Station we hope that the activities of the Auxiliary Police may be greatly expanded and continue to serve the town to the best of our ability.

Respectfully submitted,

CHRISTOPHER COWLEY, Chief
Plainville Auxiliary Police

Report of Community Health Agency, Inc.

Board of Health
Plainville, Massachusetts

Gentlemen:

At the present time I cannot submit a final report for the year 1972. However, I can give an initial report of our activities this year in the Town of Plainville.

To date, Community Health Agency Staff have made a total of 90 home visits for the Board of Health this year. This shows a substantial increase over the total of 35 during last year, and an increase over our budget estimate of 75 visits. These home visits include health promotion visits to mothers and infants, the evaluation and follow-up of premature infants; and case finding, reporting and follow-up of cases and contacts of communicable diseases such as hepatitis and tuberculosis. These visits do not include over 250 home visits in Plainville for our therapeutic services.

In addition, C.H.A. Staff have assisted in 3 clinics conducted in the Plainville schools with over 40 hours in staff time. It has been several years since any public clinics have been held in the town, and this fact coupled with the lack of local medical care is reflected in the volume of immunizations needed. At the immunization program in June, 111 children in grades 1 and 6 received 167 immunizations. At the next two clinics in November and December 367 children received 579 immunizations. It would seem these 746 immunizations alone would justify the expenditure of the Board of Health for these services. It is expected that when the school population has been completely immunized we will be able to plan open Community Clinics. However, this is not realistic at the present time as we could not service this volume in Community Clinics.

Community Health Agency secured the services of Dr. Elsie Loeb for the school clinics and paid her \$75 for her services. I would like to discuss with the Board of Health the possibility of budgeting separately for the physician services.

Through December, Community Health Agency will have billed the town about \$2,000 for these services, i.e., over 91 home visits at a cost of over \$15.00 per visit, and \$75 in physician services. As you can see this exceeds the budgeted services for this year.

We are pleased to have been able to provide these much needed services for the people of Plainville and congratulate the Board of Health for their acceptance of this important responsibility. We expect that these services will continue to grow in the coming year and I shall be pleased to meet with you to discuss future plans and budgeting.

Sincerely,

JUNE H. BROWN (Mrs.)
Executive Director

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1972.

This year twenty-six (26) licenses were issued with a call made to each place of business. This represented nine (9) stores and restaurants dispensing milk to the public.

Paid to the town treasurer receipts from license sales the amount of twenty-six (26.00) dollars.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Milk and Dairies

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for the year ending December 31, 1972.

An inventory of all livestock in the town is now in the process of being taken but has not been completed as all necessary papers have not been received from the Department of Health.

We had thirty-one (31) dog bites this year with all dogs being placed in quarantine and rechecked after ten days for signs of rabies. Two reports are sent to the Massachusetts Department of Health on each bite.

With thirty-one (31) bites this year, we happily find a drop of five under last year's thirty-six (36), and I do hope that this is a sign of better dog control by owners.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Animals

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the Town of Plainville for the year ending December 31, 1972.

All monthly reports required by the state were sent to the Department of Health with the necessary information.

There were no reported slaughtering in the town for the year 1972.

Respectfully submitted,

ROBERT C. KENISTON

Inspector of Slaughtering

Report of the Gas Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Gas Inspector for the year ending December 31, 1972.

118 inspection were made.

Fees collected	274.00
Paid to Town Treasurer	
Appropriation	300.00
Expended: Salary	250.00
Expenses	50.00
Total	300.00

Respectfully submitted,

RUSSELL F. MULLIGAN

Gas Inspector

Report of the Plumbing Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Plumbing Inspector for the year ending December 31, 1972.

Permit money taken in	447.50	
Money expended	300.00	
Balance		147.50

Respectfully submitted,

RONALD LaPORTE
Plumbing Inspector

Report of the Housing Authority

To the Honorable Board of Selectmen

Gentlemen:

Hilltop Terrace has now been in existence for three years. During 1972 we had five vacancies occur and they were filled from our waiting list.

Last summer the Plainville Lions Club made us a gift of a 40 foot flag pole complete with installation. In addition, through the courtesy of Congressmanwoman Margaret Heckler, the Lions Club donated a flag which had flown over the Capitol building in Washington. A presentation ceremony was held in July with Congresswoman Heckler and members of the Lions Club present, together with members of the Housing Authority.

The Authority would like to express its appreciation to the Plainville Lions Club, the local church groups, the Woman's Clubs and to the others for their kindness to the residents of Hilltop Terrace during the year. We also want to thank the Police, Fire and Highway Departments for their continued cooperation.

Respectfully submitted,

FRANCIS SIMMONS, Chairman
CLINTON BARTON, Vice Chairman
WALTER T. FINK, Treasurer
LeROY B. WILSON, Asst. Treasurer
RUBENA COLE
MELVIN F. DWYER, Exec. Director

Norfolk County Mosquito Control Project

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1972.

Aerial applied larvicide	485 acres
Larvicide by backpack and mistblowers	135 acres
Catch basin application for larvicide and adulticide	238
Adulticide mistblowing from trucks	1975 acres
Drainage ditches cleaned	3820 feet
Brush obstructing drainage cut	180 feet
Culverts cleaned and opened	17
Recorded calls for information and assistance	12

Respectfully submitted,

ALBERT W. HEUSER, Supt.

Report of the Industrial Development Commission

To the Honorable Board of Selectmen

Gentlemen:

This year the commission has held several meetings, with prospective business representatives interested in locating in the town and with various town officials. We have found that a major drawback to locating in this town is the lack of water in certain areas of the town.

There has in the last year been one very interested prospect wishing to locate in the town of Plainville, and after many sessions we turned the final negotiations over to the Board of Selectmen and the Town Counsel. We hope that due to the expansion of water service combined with the expansion of business in general that we may be able to locate interested business into the town.

Respectfully submitted,

DEWEY BEACH, Chairman

WENDY REYNOLDS

ROBERT ROOT

JOHN ATKINS

THOMAS BLAISDELL

Report of the Building Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Building Inspector for the Town of Plainville for 1972.

A total of one hundred and twenty-one permits were issued at an estimated value of \$3,659,140. and the fees turned over to the Town Treasurer amounted to \$4,248.84.

15 additions to business and industrial buildings

41 new dwellings

1 apartment building

7 garages for dwellings

7 swimming pools

6 sheds

1 restaurant demolished and rebuilt

2 fences

3 signs

37 additions to dwellings

1 new factory building

The adoption of the change in the bylaws relative to fees has resulted in a substantial increase in the fees turned over to the Town.

I have submitted a budget for increase in salary for 1973 to \$1,000. and to comply with the new fiscal year, for the first six months of 1974 salary of \$1,000.

Also an increase in expenses for 1973 of \$200. and for the first six months of 1974 another expenses item of \$200.

Since October 1, 1972 I have taken notice of the mileage and time spent on inspections and feel that consideration should be given to the increases in salary and expenses requested, for just by estimating I find I have used an additional \$75.00 for gasoline, postage and telephone and spend an average of three hours per day on Building Inspectors work.

As you will note in my report, 121 building permits were issued. Each permit requires at least two inspections and the area covered averages from three to five miles.

Again I wish to thank Warren Paglari for acting as Assistant Building Inspector.

Also my thanks to the Board of Selectmen and Board of Health, and the Zoning Board of Appeals for their cooperation and assistance.

Appropriation:

Salary	400.00
Expenses	100.00
	500.00
Expended	500.00

Respectfully submitted,

CLINTON E. BARTON
Building Inspector

Report of the By Law Review Committee

To the Honorable Board of Selectmen

Gentlemen:

The Committee regrets the resignation of two of our original members, namely Charles Mason and Charles Peasley. We wish to thank them for their fine work during the years they spent with us.

Our financial status for 1972 is as follows:

1970 Reprinting appropriation	1,000.00
Expended in 1971	285.25
Expended in 1972	0.00
Continuing Balance	714.75

1972 Committee Appropriation	100.00
Expended	0.00
Monies return to Town	100.00
1973 Budget Request	50.00

Respectfully submitted,

REGINALD KEYES, Chairman

DAVID W. KELLY, Secretary

RAYMOND MILLER

CHARLES MASON, Resigned 1972

CHARLES PEASLEY, Resigned 1972

Report of the Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the year ending December 31, 1972. All applicants for veterans services in 1972. All applicants for veterans services in 1972 were approved by the state commissioner of veterans' services. Fifty per cent of all monies paid to recipients by the town will be reimbursed by the Commonwealth of Massachusetts.

Approximately 210 inquiries for veterans' services were received in 1972.

Appropriation	8,000.00
Expenses	250.00
	8,250.00
Expended:	
Services	7,409.01
Expenses:	250.00
Travel, Clerical, Supplies, Etc.	
	7,659.01
Balance	590.99

Respectfully submitted,

DONALD C. SOULE Veterans' Agent

Report of the Town Ambulance

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1972.

Trips	321
Patients	303
Mileage	5,588.7
Man Hours	751
Oxygen	44 Tanks
Billing	\$4,685.00

Appropriation:

Salaries:		\$3,000.00
Expenses:	\$1,000.00	
Trans. E&D	500.00	1,500.00
Total		\$4,500.00

Expended:

Wages	\$2,198.61
Ambulance Maintenance	458.46
Supplies	319.03
Oxygen	27.78
Radio Maintenance	24.90
Gasoline	216.97
Laundry	452.35
Total Expended	\$3,698.10
Balance	\$ 801.90

The ambulance continues to be one of the most required emergency services that we offer in the Town.

The full time firefighters have continued to attend all available courses on emergency care and I think we are most fortunate to have such dedicated men.

Last year we were working on Federal Matching Funds to replace the present ambulance but same were discontinued. The ambulance is a 1967 model, International and should be replaced this year.

Respectfully yours,

C. E. SKINNER, JR.

Chief of Fire Department

Report of The Board of Appeals

To the Honorable Board of Selectmen

Gentlemen:

This Board reports another year of inactivity. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the Townspeople to the extent that no situation or disputes requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

We sincerely hope 1973 will be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman

ROBERT KENISTON

MELVIN DWYER

Report of The Zoning Board of Appeals

To the Honorable Board of Selectmen
Plainville, Massachusetts

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1972.

There were 13 cases handled throughout the year, consisting of 5 gravel and loam permits, 1 kennel permit, 4 requests for variances, 2 permits for building additions, and 1 permit for an automotive dealership. Granted were 4 gravel and loam permits, 1 kennel permit, 3 variances, 2 permits for building additions, and 1 permit for an automotive dealership. Denied were 1 gravel and loam permit and 1 variance.

The Board received and paid to the Town Treasurer for applications and permit fees \$365.00. It spent from its established budget \$320.47 for postal fees, clerical work, advertising, stationery, and dues.

We sincerely thank all Town Departments for their support and assistance during the past year.

Respectfully submitted,

CONSTANCE BOUCHER, Secretary
DAVID DARWELL
RICHARD GUILLETTE
MAURICE POTHIER, Acting Chairman
JAMES RINALDI
ROBERT SAPITA

- 53 — Reported Lost
- 39 — Found
- 64 — Strays Picked up
- 37 — Destroyed
- 22 — Claimed by owners
- 5 — Sold for Town
- 75 — Dead animals removed and buried from town streets

Respectfully submitted,

JOSEPH CALZARETTA
Dog Officer

Report of the Conservation Commission

To the Honorable Board of Selectmen

Gentlemen:

The report of the Conservation Commission for 1972 is submitted as follows:

The Conservation Commission has had another busy and rewarding year. The conservation area has been used by several youth organizations as well as many individuals who enjoy the picnic facilities, the nature trail, and the natural beauty of the area which is irreplaceable.

During the month of April, the second annual "Litter pick-up" was sponsored by the commission. Youth groups, local organizations, and in-

dividual adults and children took part in cleaning up litter along our roadways to make our town a little cleaner. Lunch was provided by the commission.

The nature trail has undergone extensive work including the addition of two bridges and an extension which now brings the trail's termination point to the gravel pit. Over 200 hours labor on the trail was contributed by David Perry for which the Conservation Commission is indeed grateful as it has no paid laborers.

An Adirondack camping shelter is being built by Stephen Perry and is 90 per cent complete.

The commission has also repeated the tilling and seeding of food plots for wildlife.

Another section of the gravel pit has been graded and seeded, and it is the intent of the commission to convert the gravel pit into an entrance and parking lot for all those who enjoy the area.

The surveying of the conservation area by Mr. William Skinner is nearing completion and progressing satisfactorily.

Appropriation		\$1,000.00
Expended	\$994.02	
Balance		\$ 5.98

Respectfully submitted,

Report of the Fire Department

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1972.

The following is a list of calls answered by this Department.

Buildings	37
Grass and Brush	22
Illegal Burning	7
Transportation	57
False Alarms	7
Accidents	17
Mutual Aid	13
Rescue	12
Practices and Meetings	41
Car and Truck Fires	22
Flooded Cellars	30
First Aid	28
Sprinkler Alarms	2
Investigations	118
Miscellaneous	69
Accidental Alarms	1
Lock-outs	8
Missing Persons	4
Total	495
Ambulance Trips	321
Grand Total	816

During a fire in January the motor in our 1948 Maxim pumper broke down and required a replacement. Prices were obtained for an engine and it was found to cost approximately \$5,000.00 installed. Whereas, the truck was twenty-four years old and required further repairs it was the opinion of myself and other Town Officials that it would better serve the Town if

a new chassis was purchased and have the pump and body changed over to same. The Farrar Company of Woodville offered to furnish a 1972 heavy duty Ford Chassis and make the change over for the sum of \$8,500.00. This was accomplished in just over a weeks time. We now have the equivalent to a new pumping engine and should serve the Town for fifteen to twenty years.

We had the motor replaced in Engine 2 which is a 1952 Ford at Rodman Ford and this should serve us for another five to ten years.

The men of the Department spent many hours on this surplus tank truck we acquired getting it into service. We now have a 3,000 gallon tanker for any fires outside of the water district.

In May we received delivery of a 1972 Plymouth car to replace the 1968 Chief's car.

In July we accepted delivery of the 1,000 gallon per minute pumping engine from the Farrar Company that has been on order since 1970. The truck cost the Town \$35,000.00 fully equipped without the hose. This is one of the most modern and advanced designed trucks to be built. With this truck, the remodeling of Engine 1, and the replacement of the engine in Engine 2 we should not need another pumping engine for the next five to ten years.

Four of the full-time firefighters attended and completed two semesters of the Fire Science Courses offered by the Bristol Community College.

Seventeen members of the Department completed the American Red Cross Standard and Advanced First Aid Courses. Also, several classes in First Aid were provided for outside groups during the year by members of the Department who are qualified instructors.

Many hours were spent on training locally and with the State Fire Academy.

I wish to thank your Honorable Board, Police Chief Robert Faille and the men of his Department, Superintendent of Streets, Everett Skinner and the men of his Department, the Officers and men of this Department, and all others who have assisted and cooperated with me during the year.

Respectfully submitted,

CLARENCE E. SKINNER, JR.
Chief of Department

Report of The Planning Board

To the Honorable Board of Selectmen:

Gentlemen:

The Planning Board met the first and third Monday of each month.

During the year fifteen "approval not required" plans were examined and signed for recording. The Board later rescinded it's signatures on one plan when it was learned that the section of Pleasant Street where the lots were to have frontage had never been accepted by the town, although this street had been shown on all town maps for many years. The Board then determined this division of land to be subject to the subdivision control law.

Construction and development of Pineland Drive, a subdivision recorded in 1964 was started and will be completed in 1973.

A new section of the Millbrook Estates subdivision was submitted to the Board, this will encompass two new streets, hearings were held December 27 with approval to come during 1973.

The Planning Board wishes to express thanks to all those who have assisted us during the year and especially to Mr. Everett Skinner for his invaluable counsel.

Respectfully submitted,

BRUCE E. HASTINGS, Chairman
Plainville Planning Board

Report of the Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 George Street from School Street to Wampum Street, Cowell Street, Highland Avenue, Bacon Square and Potter Avenue, were all surface treated with one-quarter gallon per square yard of M.C. 800 asphalt with a sand cover.

Under Chapter 90 Maintenance 842 tons of bituminous concrete type-1 was applied on East Bacon Street from South Street to Washington Street.

The old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

It was a very wet year for outside work.

In conjunction with the Highway Department Program drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled; bituminous patching and maintenance of roads was realized.

The Department spent considerable time at the intersection of Route 106 and Route 152 removing the traffic islands, installing bituminous concrete curbing and other necessary work to complete the traffic light installation.

Under moneys held in escrow for the completion of Highland Meadows Park Section 111 an asphalt mix and place was applied on Oak Street, Azalea Drive and Birchwood Drive.

Under Chapter 90 new Construction the clearing, grubbing and excavating for the drainage system on East Bacon Street and George Street was completed. The construction of the drainage system will start in the early spring.

The new Highway Garage is under construction and should be complete some time in March.

The truck and body, sander, snow plows and the cab for the grader were purchased and are now in use.

This year the Highway Department is asking for funds to purchase a new front end loader-back-hoe to replace the 1962 Oliver.

It has been a pleasure to work with and for the other Departments during the year.

In submitting this report, I again wish to thank your Board, the employees of the Highway Department and the other Department heads of the Town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER
Superintendent of Streets

Report of the Library Trustees

To the Honorable Board of Selectmen
and the Citizens of the Town of Plainville

The following is a report of the Plainville Public Library.

We have done a few major improvements this year such as painting all the outside trim, with the main part of the building to be done this coming year. We refinished the remaining floors, we had to brace sections of the foundation where it had deteriorated, we had to put on new gutters and fix a few leaks, plus many small tasks.

The bookmobile visits the Library once a month which gives us a much larger selection of books. Our Librarian is constantly seeking new books to give our readers a better selection. We have purchased over 1,000 new books this year.

We would like to express our thanks to Mrs. Cobb and Mrs. Keniston, for their interest in making our library so nice and to Mr. Cobb for many small favors.

Our circulation this year including Bookmobile was 10,007, magazines 521, and records 168.

Our appropriation this year including State Aid and the Dog Tax was \$7,874.38. We returned \$579.11.

We collected \$163.00 in library fines which goes to the town treasurer.

Respectfully submitted,

JEAN HENRICH

GEORGE CURTIS

MARGARET FREDERIKSEN

Plainville Library Trustees

Report of Park Commissioners

To the Honorable Board of Selectmen

Gentlemen:

1972 proved to be an active year for the Plainville Park Commission. Among its achievements the park installed a new backstop for the ball field; repainted the bath houses and storage shed; and purchased new playground equipment.

The Park Commission wishes to extend their thanks to the Plainville Lions Club for the construction of a new combination ice skating rink-tennis court. It is sure to see many years of service as will the old tennis court which has been resurfaced. This coming year the Park Commission hopes to install lighting at the new court so its sports may be enjoyed after dark.

Swimming instruction was given to over 250 children. Red Cross cards were presented to 147 who qualified. Weekly swim meets, field events, and arts and crafts were offered to both boys and girls.

The 1972 staff was supervised by Mr. Ronald DiFiore. His staff consisted of Steven Andrews, swimming instructor and lifeguard; Cynthia Peck, swimming instructor and lifeguard; Gunnar Gustafson, swimming

instructor, lifeguard, and groundskeeper; Susan Brown, arts and crafts instructor.

Our thanks to all for a most successful year.

To the Honorable Board of Selectmen

Gentlemen:

The appropriation was used to take down dead trees, trimming dead wood and where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation		\$2,000.00
Expended: Wages	\$1,477.94	
Purchased Labor	519.95	
		1,997.89
Balance		\$ 2.11

Respectfully submitted,

EVERETT W. SKINNER, SR.
Tree Warden

Report of the Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1972.

This Board reports a year of inactivity.

We hope to have the Town Forest cleaned and trimmed in the year 1973.

Appropriation	\$75.00
Balance	\$75.00

Respectfully submitted,

EVERETT SKINNER, SR.

ROBERT J. PROAL

Town Forest Committee

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation		\$1,000.00
Expended: Wages	\$442.08	
Purchased Labor and Equipment Hire	554.25	
		996.33
Balance		\$ 3.67

Respectfully submitted,

EVERETT W. SKINNER, SR.

Moth Department

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

The following is the report of the Water Department for the year ending 1972. In the year 1971 274,200,300 gallons of water was pumped and in 1972 212,193,590 gallons of water was pumped, 62,006,710 gallons less than in 1971, 581,352 gallons per day, 24,223 gallons per hour, 403 gallons per minute.

During 1972 we entered into a contract with Camp Dresser & McKee, Inc. for professional services in conjunction with Town Meeting articles #34, #36, #39 and #40.
No. 34, No. 36, No. 39 and No. 40.

A series of exploration and ground water tests were done trying to obtain acceptable well sites to provide future water supplies to the town. Many exploratory wells were undertaken, however, only two sites were deemed satisfactory for future investigation. An 8" test well was installed in back of the school property and we expect a report in the near future from Camp Dresser & McKee, Inc. The other site should be investigated further when funds are available. All testing was done by Layne New England of Arlington, Massachusetts.

Final design of the new well and pumping station off West Bacon Street has been started. Completion expected during the winter 1973. Camp Dresser & McKee, Inc., has been working on the design of the pumping station and chemical feed equipment and it is expected that the Contract will be out for bids during the winter. Town is in the process of acquiring the necessary land prior to the station being operational.

Designs have been completed for the water mains for Taunton St., Mirimichi St., Doreen Way, Treasure Island Road and George St. Bids were received and low bidder was Joseph T. Iacuzzi Inc., of Plainville. Construction is expected to begin in the spring.

We wish to thank Superintendent Everett Skinner, Sr., Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, Camp Dresser & McKee, Inc. and other departments who in any way assisted the Water Commissioners during the year 1972.

Report of the Sewer Committee

To the Honorable Board of Selectmen

Gentlemen:

Throughout the year, numerous meetings of this committee were held. On several occasions, this committee met with the Board of Sewer Commissioners of the Town of North Attleborough in order to remain abreast of the status of the joint sewerage program. As you are aware, Plainville is totally dependent on North Attleboro for a means of sewerage disposal, North Attleboro is currently drawing plans for their sewer plant, and until such time as North Attleboro's Plant Expansion plans are finalized, the State and Federal Governments will not allow Plainville to proceed with bonding or construction of our sewer mains.

This committee has been in contact with Camp, Dresser & McKee, our consulting engineers and the Sewer Program has been reviewed with them on a number of occasions. This committee will in the near future, prepare rules and regulations relative to the use of sewers.

A complete photogrammetric and ground survey of the Town for the design of sewerage facilities has been completed this past year by our consulting engineers.

The sum of \$700,000.00 was voted at our 1972 Annual Town Meeting to cover the so-called entrance fee payable to North Attleborough as Plainville's share of the cost of the new treatment plant in North Attleboro and intercepting facilities to be constructed by North Attleborough. (Article 33 Annual Town Meeting)

Also the sum \$2,200,000.00 was voted at our 1972 Annual Town Meeting to construct the initial phase of the local sewerage program, (center of town area).

This Committee has applied to the Emergency Finance Board of the Commonwealth of Massachusetts for approval of the above two bonded articles, which is a necessity by State law prior to the sale of Bonds of the Town to pay for this sewerage program; and as of this writing we are awaiting a date for a hearing before that Board.

The Southeastern Regional Planning and Economic Development District Commission voted on November 29, 1972 to approve the Sewer-

age program between North Attleborough and Plainville and found the plan to be in conformance with regional plans, goals, and priorities.

Also, an application for Federal Assistance for Public Works and Facility type Projects was filed on December 20, 1972 with the Department of Housing and Urban Development (HUD) Washington, D. C.

On October 24, 1972, the Sewer Committee held an organizational meeting in the Town Office Building. Mr. Fred Fluck was elected Chairman and Mr. Maurice Pothier, Secretary.

Respectfully submitted,

FRED FLUCK, Chairman
MAURICE POTHIER, Secretary

Report of the Board of Registrars

To the Honorable Board of Selectmen

Gentlemen:

At years end the Board of Registrars look back at a very active year in 1972, with state and national elections being the most important part of our activities, and of our very existence for that matter.

Across the state and the country registrars have reported a very low rate of activity in political affairs by the younger voters. This board strongly urges the encouragement of more activity in political affairs by our younger voters. The future of our country rests in the hands of our politicians, and it might be wise to start with the young so they will be equipped to handle the complex problems of the future.

The Board of Registrars avails itself many times throughout the years so that the younger people can register. This is the first step in becoming a full fledged politician.

The annual meeting of the Registrars of Voters Association of Norfolk County was held at Medfield this year and a great many voting

problems were discussed. The latest figures of listed voters are as follows:

Republicans	1,021
Democrats	408
Independents	1,556

Respectfully submitted,

RICHARD COBB, Chairman
MAURICE THERIAULT

Report of the Wire Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Electrical Inspector for the Town of Plainville, for the year ending December 31, 1972.

A total of \$490.00 in electrical permit fees was turned over to the Town Treasurer. This represents a substantial increase over the same period in 1971.

The new fee schedule which became effective in June, 1972 should prove that the department can run on a "self-maintaining" basis, thereby relieving any burden on the general taxpayer.

I would like to thank the Board of Selectmen, Town Departments, The Committee for Revising Electrical Fees, Massachusetts Electric Company, Contractors, and the Townspeople, for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS
Electrical Inspector

Report of the Municipal Building Committee

To the Honorable Board of Selectmen

Gentlemen:

This Committee was appointed by Charles O. Peasley, Town Moderator as a result of voter action taken at the March 1971 Town Meeting, and continued by vote of the Town at the March 1972 Town Meeting, such action contained in Article 8. Article 8 of the 1972 Annual Meeting as voted accepted the Municipal Building Committee's proposed plan for the new construction of a Highway Department building, renovations to the present Town Office - Fire Station Building into Town Offices, and the construction of a Fire and Police facility at the corner of Cottage and South Streets. The sum of \$358,963.10 was voted to cover the cost of the programs, the monies to be raised by the sale of Bonds of the Town and the transfer of \$60,000.00 from the available funds in the treasury.

This Committee advertised for bids for the construction program, with bids opened in the Assembly Hall of the Town Office Building July 2, 1972. The low bid received at that time was from the Waynrich Co. of Framingham, Mass. in the amount of \$447,000.00, some \$89,000.00 higher than the monies voted. The Committee felt the plans should be revised, the bids rejected, and re-bid at some future date after the necessary revisions were made.

After considerable deletions to the original plans, this committee re-advertised for bids to be opened in the Assembly Room of the Town Office Building on August 24, 1972. The apparent low bidder was Francis X. Cannata of Foxboro, Mass. with a bid of \$354,572.00, still higher than the monies appropriated for the construction phase of the building program. After much deliberation, and as a result of a technicality raised by the Mass. Dept. of Labor and Industries, this bid was also rejected, and the Committee once again decided to re-bid the project rather than

to award to the second bidder, against the advice of the Architect and several interested townspeople who thought the third time, the bids would increase in price rather than go down.

The third bid opening was scheduled and advertised for opening of bids on October 19, 1972, once again in the Assembly Room of the Town Office Building. The low bidder at this time was the A. T. Scanzillo Const. Co. of Dedham, Mass. with a bid of \$318,380.00. After the checking of the bid for any defects in calculation or legalities, the bid was awarded to the Scanzillo Co. in the above amount. The contract was signed in the Town Office Building on October 26, 1972 and work commenced the following week.

As of year end, the foundations are erected for the Fire and Police building and the new highway department garage, and considerable site work and underground utility work performed at both locations. Work will start on the Town Office Building once the Fire and Police Departments have moved into their new facility, which at this writing we hope will be May 31st. The Highway Dept. garage should be completed by mid-March of 1973.

The Committee met on Thursday evenings throughout 1972 in the Town Office Building, and feel that the effort put forth by this Committee will pay dividends in the years to come.

We would like to thank all elected and appointed officials of the Town for their understanding and cooperation during 1972, and look forward to the completion of the project by the end of 1973. Especially we wish to thank Mr. Everett Ericson and Mr. John Reda for their cooperation from the architectural standpoint.

We trust the endeavors of this Committee will meet the approval of the citizens of Plainville.

Respectfully submitted,

WARREN PAGLARI, Chairman
EVERETT SKINNER, JR., Secretary

Report of the Medfield - Norwood Mental Health and Retardation Area

To the Honorable Board of Selection

Gentlemen:

Below is a brief description of the Medfield - Norwood Area Board and the names of the representatives from your town. We feel that inclusion of this information in your Annual Town Report will help make mental health and retardation services more available to the citizens of your town.

The Medfield - Norwood Mental Health & Retardation Area Board of the Department of Mental Health consists of 21 citizens appointed by the Governor to act as representatives of their communities in issues regarding the comprehensive delivery of mental health and retardation services.

The Area Board representatives from Plainville for 1972-1973 are Mrs. S. Robert Adams, 39 Hancock St., 695-5189 and Mrs. Stanley Cole, 80 Walnut St., 695-5616.

For questions or suggestions regarding mental health and retardation services, call your Area Board representative or the Area Office in Medfield at 359-2909.

Respectfully submitted,

**MEDFIELD - NORWOOD MENTAL
HEALTH AND RETARDATION
AREA OFFICER**

Annual Report

of the

SELECTMEN

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31, 1972

Report of The Board of Selectmen

To the Citizens of the Town of Plainville:

Submitted herewith is the report of the Board of Selectmen for the year ending December 31, 1972.

This Board has received from time to time various complaints in regards to Zoning Violations, etc., and followed them through to a conclusion.

Several hearings were held in relation to Mass. Electric Co. and New England Tel. and Tel. Co. pole locations, necessary permits were granted.

The Street Lights in the center of Town Area have been upgraded this past year as a result of voter action taken at the March 1972 Town Meeting, and in 1973 the Board will also have in its Street Light budget the necessary monies to upgrade street lighting in other areas of Town. Also, all street lights voted to be installed at the 1972 Town Meeting were installed by the Mass. Electric Co.

The Board of Selectmen have Senior Citizens cards issued by the King Philip Regional School District to distribute to citizens over years of age which will enable them to admittance to all K.P. events free of charge. These cards may be picked up at the Selectmen's office.

The Board of Selectmen, Fire Chief, and Police Chief met with Mr. Robert Wessa of the Telephone Co. to discuss the many advantages of the new emergency phone number for Police and Fire "911". We hope to be able to have this instituted in the not too distant future.

Several appointments were made by the Board to fill various vacancies created by resignations.

Numerous correspondence was forwarded to the Mass. Dept. of Public Works in regards to the very serious flooding conditions on Rte. 1-A South St., and we still receive their assurances that they will undertake a construction program to alleviate this serious problem.

Mrs. Kathleen Sandland resigned as Clerk as of January 31, 1972 and the Board accepted the resignation with regret, and appointed Mrs. Georgette Plante to fill the vacancy effective May 15, 1972. All necessary licenses and permits were granted, and several new alcoholic beverage licenses were approved by this Board.

The Board of Selectmen has held many discussions with Town Counsel Charles **Mason in regards to the land of the Penn Central Railroad** which land the Town is seeking to purchase as per vote of the 1972 Annual Town Meeting.

The Board of Selectmen was most happy to have a delegation of Boy Scouts attend a weekly meeting of the Board. The Scouts were accompanied by Scout Leader Jeffrey Plante. The Board is very happy to have young citizens interested in the running of Municipal Government. Also, the King Philip High School is conducting sessions with representatives from Plainville, Wrentham and Norfolk giving lectures on Municipal Government. Plainville was represented by Chairman Robert Loew, Wrentham by Selectmen George Dusty, and Norfolk by Chairman, Emil Petrovich.

Several Band Concerts were sponsored by the Board of Selectmen, the band under the direction of Manny Mignanelli. The Board paid for two concerts, and the band matched the concerts the Town paid for through the cooperation of the Musicians Trust Fund.

Several sessions were held with Mr. Clinton Barton, in reference to building permits and various complaints. Corrective action was taken and all complaints dealt with. The Board took pleasure with the election of Robert Loew to the office of Vice President of the Norfolk County Selectmen's Association at the Associations annual meeting held in Foxboro in October 1972. This is the first time the Town of Plainville has been recognized within the Association. Mr. and Mrs. Ray Felix, Mr. and Mrs. Robert Root, Mr. Robert Faille and Mrs. Robert Loew were present along with Mr. Loew to witness the installation.

In closing, we wish to thank Highway Supt. Everett Skinner, Police Chief Robert Faille, Fire Chief Clarence Skinner and the men of their departments for their cooperation throughout the year. Also, we would like to thank Mrs. Irene Tremblay, Mrs. Georgette Plante, Mrs. Kathleen Sandland, Mrs. Ruth Fulton, Town Clerk Austin Grant and any others who in **any way made our job** a little easier throughout the year. Especially do we wish to thank all for their understanding, it is greatly appreciated.

Respectfully submitted,

ROBERT E. LOEW
ROBERT W. ROOT
RAY P. FELIX

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Agent for the Board of Selectmen for 1972.

During the year several building permits were referred to the Zoning Board of Appeals for their approval and action.

I feel that the Zoning Bylaw should be reviewed and up-dated, and made more explicit for the citizens of Plainville and others inquiring about regulations in the Town, as interpretations have resulted in misunderstandings.

I receive as many inquiries on Zoning as on Building permits and in many cases builders cannot build until Zoning Laws are complied with.

All establishments holding alcoholic beverage licenses have been inspected, prior to issuance of their new license. The owners and managers of these establishments are most cooperative in maintaining safety measures.

Periodic examinations of all areas of town for unregistered, abandoned vehicles on private property have been made, and in most cases have been removed from the property. My thanks to the townspeople for their cooperation.

My thanks to the Board of Selectmen, Board of Health and the Zoning Board of Appeals for their cooperation during the past year.

Respectfully submitted,

CLINTON E. BARTON

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1972.

This Board met on numerous occasions throughout the year to make the necessary Board of Health inspections of all food handlers, all eating establishments, all common victualler license holders, and to follow up the numerous complaints filed with this Board.

All complaints received in regards to sewage problems were followed through, many times seeking the recommendations of Mr. James A. Freeman, the Board of Health Sanitary Disposal Inspector. This is Mr. Freeman's first year as agent for the Board of Health, and we would like to express our thanks for a job well done.

Several complaints in regards to air and noise pollution were received, and turned over to the State Board of Health, Area Director, Mr. Robert Donovan into whose jurisdiction these complaints now fall. Your local Board of Health has forwarded many complaints of its own to the State and are awaiting replies from the proper authorities dealing with the individual situations.

Four complete inspections of all food establishments in Town were performed by Reilly Laboratories of Weymouth during the year and written reports and recommendations for corrective action were turned over to the Board of Health.

The Town Dump or Sanitary Landfill as we should call it according to the State, was kept in excellent shape under the direction of Mr. Everett Skinner, and with the help and understanding of the townspeople it should continue to remain one of the best in the area.

This Board in conjunction with Dr. DeWitt of North Attleboro held a rabies clinic for dogs, which was well attended, and the Board would like to thank the Sigma Phi Gamma Sorority for their cooperation in lending a helping hand to this undertaking.

In closing, we would like to take this opportunity to thank the various departments and citizens for their help and understanding during 1972.

Respectfully submitted,

ROBERT E. LOEW
ROBERT W. ROOT
RAY P. FELIX

Report of the Community Family Service Volunteers

Sirs:

Since October 1972, trained Community Family Service Volunteers have answered over fifty requests for help from local residents.

Calls have resulted in referrals, transportation assistance and appointments with our own social worker. Volunteers also raised \$54.50 of which \$52.50 was paid for the telephone answering service. Secretarial supplies and postage have to date been donated by interested local citizens.

It is felt that there can and will be improvements made in the number of services offered by this organization. The social worker has already found the need to increase his appointment time from one-half to one full day.

Certainly the amount of response after so brief an existence proved the necessity for the continuation of this program.

We wish to thank the Board of Health for its continued encouragement and support.

Respectfully submitted,

L. W. REYNOLDS,
Secretary, Board of Coordinators

Report of the Family Service Referral Committee

Board of Health
Plainville, Mass.

Gentlemen:

As a sub-committee of your Board we wish to submit a report for the annual Town Report. We were appointed to attempt to make some of the Family Services that are available in Norfolk County more readily available to the Town, or at least set up contracts for referral so that we could at least refer Townspeople to the proper agency they needed.

We have had very good response since Family Services started and the credit must go to Mrs. Reynolds and Mrs. Pray for their hard work and guidance and especially to all the wonderful volunteers that gave of their time and energy to help friends and neighbors.

I feel that this group will make a success of this project, and with this would like to tend my resignation from this committee, but will always be available for any help I can give them.

I hope that maybe some of the men in Town will take an interest and help the women by volunteering some time to this worth while project.

Respectfully submitted,

ROBERT R. FAILLE

TOWN OF PLAINVILLE, MASS.

RAY P. FELIX, Chairman
ROBERT W. ROOT
ROBERT E. LOEW

Annual Report

of the

TREASURER

**TOWN OF PLAINVILLE
MASSACHUSETTS**

For the Year Ending December 31, 1972

Treasurer's Report

To the Honorable Board of Selectmen:

Gentlemen:

As directed by you, I submit herewith my report as Treasurer for the Town of Plainville for the accounting period from January 1, 1972 to December 31, 1972. This report reflects all financial transactions during the period under review and is supported by the following schedules:

Schedule of Cash Received
Schedule of Cash Disbursed
Schedules of Estimated Receipts
Schedule of Appropriation Accounts Activity
Schedules of Maturing Debt and Interest Payments due by years
Balance Sheet as of December 31, 1972, including Trust Accounts and Debt Accounts.

Respectfully submitted,

LAWRENCE H. CARPENTER,
Treasurer

Report of the Finance Committee

To the Honorable Board of Selectmen:

Your Town Finance Committee has held frequent meetings during 1972, and is grateful for the cooperation received from all town departments during the year. We are enthusiastic that any challenge in the future will be met with the same cooperative spirit.

The money appropriated at the annual Town Meeting for extraordinary and unforseen expenses has been transferred as follows:

1. Town Ambulance—Expenses	\$500.00
2. Personnel Board—Clerical	160.00
3. Selectmen—Expenses	4,500.00
4. Fire Department—Expenses	1,725.00
5. Town Dump—Expenses	550.00
6. Police Department—Expenses	1,250.00
7. Highway-Snow Account	5,000.00
8. Town Insurance	912.07
	\$14,597.07

Leaving an unexpended balance of \$402.93.

Of the \$300.00 appropriated for 1972 Finance Committee Expenses, we spent \$112.36.

Respectfully submitted,

ROBERT H. BROTHERS, Chairman
GEORGE PRAY, Vice Chairman
ROBERT LOEW, Chairman of Selectmen
LAWRENCE CARPENTER, Treasurer
ROBERT BARNEY
ROLAND FERLAND
DAVID LOMASNEY
GERARD JEANNOTTE
JEAN BUMGARDENER, Secretary

WARRANT

For

Annual Town Meeting

1973

**WARRANT
FOR THE ANNUAL TOWN MEETING**

Monday March 5, 1973

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FIFTH DAY OF MARCH 1973 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz:
One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectmen, Board of Health, One Assessor, One Water Commissioner, One Trustee Public Library, Two Members of the School Committee, One Member of the Regional School Committee, Two Members of the Finance Committee for Three Years. One Member of the Planning Board for Five Years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1972	Requested 1973-74
Moderator	\$25.00 per meeting	\$25.00 per meeting
Town Clerk	\$ 900.00	\$1,350.00
Town Treasurer	2,650.00	4,200.00
Selectmen, Chairman	900.00	1,800.00
Second Member	800.00	1,650.00
Third Member	800.00	1,650.00
Board of Health, each member	150.00	300.00
Assessor, Chairman	1,200.00	1,800.00
Second Member	1,200.00	1,800.00
Third Member	1,200.00	1,800.00
Tax Collector	2,125.00	4,725.00
Water Commissioner, Chairman	250.00	525.00
Second Member, Secretary	500.00	1,125.00
Third Member	250.00	525.00
Auditor	250.00	250.00
Constables	2.50 per hr.	2.50 per hr.
Tree Warden	2.50 per hr.	2.50 per hr.

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerks of the Selectmen, placed with a fidelity of guarantee company and appropriate the sum of \$1,180.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to install Street Lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 1 Street Light in front of Hilltop Terrace
- 1 Street Light on Cowell Street
- 1 Street Light on curve near 132 West Bacon Street
- 5 Street Lights in Town Park

- 4 Street Lights Azalea Drive
- 4 Street Lights Garrison Drive
- 2 Street Lights Birchwood Drive
- 3 Street Lights Appletree Drive
- 4 Street Lights Pinetree Drive
- 2 Street Lights Deerfield Drive
- 4 Street Lights Oak Drive
- 1 Street Light Millbrook Drive

or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1973 and January 1, 1974 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to authorize the Board of Selectmen to hire an Administrative Assistant at a salary not to exceed \$12,000.00 per year and raise and appropriate or transfer the sum of \$12,000.00 or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$5,000.00 to be used under the direction of the Municipal Building Committee for original furnishings and equipment of the Town Office Building and Police and Fire Department, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer \$2,400.00 for the purpose of paying unpaid bills for the Vocational Education account for 1972, or do or act in any manner relative thereto.

ARTICLE 12. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending June 30, 1974 and expressly for the following purposes to wit:

1. Support of the Public Library, Salaries and Expenses	\$11,300.00

46. For Industrial Development Financing Authority	—

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to authorize the Board of Selectmen to purchase a new Ambulance and to raise and appropriate or transfer from available funds in the Treasury the sum of \$15,000 for this purpose, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to purchase a front end Loader and back-Hoe for the Highway Department, and raise and appropriate for this purpose the sum of \$30,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the Treasury, by Taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$40,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$75,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of \$21,100.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$29,496.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$24,100.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$2,000.00, or any other sum, for the Control of Insects and Dutch Elm Disease (\$900.00 for Insect Pest Control and \$1,100.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$4,200.00 to be expended by and under the direction of the Park Commissioners for the purchase and erection of proper fencing to enclose in its entirety the existing tennis court and the newly constructed court, with proper back-stop between the two, including two gates, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for sanitary landfill purposes the following described parcel of real estate:

The land in Plainville, Norfolk County, Massachusetts, situated on the southerly side of Cowell Street, bounded and described as follows:

Beginning at a point in the southerly line of Cowell Street, said point being 1023.12 feet easterly of the northeasterly corner of land of Plainville Beagle Club as measured in the southerly line of said Cowell Street; thence

S 80° 05' 00" E. By said Cowel Street, 679.52 feet to an angle; thence

S 87° 17' 10" E. By said Cowell Street, 343.60 feet to a stake and land of Plainville Beagle Club; thence

S 11° 10' 20" E. By Plainville Beagle Club land 1284.23 feet to a stake and stones; thence

S 10° 12' 10" E. by land of the Town of Plainville, 453.86 feet to a drill hole at the corner of a wall; thence

S 30° 47' 20" E. by a wall and land of the Town of Plainville, 423.06 feet; thence

N 73° 50' 40" W. by land supposedly of the Town of Plainville, 283.04 feet to a stake and stones; thence

S 71° 30' 00" W. by land supposedly of the Town of Plainville, 530.64 feet; thence

N 16° 30' 00" E. by land of Higgins Mobile Homes, Inc. 330.00 feet; thence

N 04° 30' 00" W by land of Higgins Mobile Homes, Inc. 601.92 feet; thence

NORTHERLY in a straight line by other land of Southeastern Construction Inc. to the point of beginning.

and to raise and appropriate for such purpose the sum of \$24,000.00 and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, or by borrowing and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto (2/3 vote required).

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$500.00 for normal repair and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the Conservation Fund, to be used by the Conservation Commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to reduce the amount appropriated and authorized to be borrowed under Article 31 of the Warrant for the 1972 Annual Town Meeting, to appropriate a like amount for the cost of engineering services for plans and specifications for the project authorized under said Article 31, to see how said sum shall be raised, whether by taxation, transfer, borrowing or otherwise and to take any other action relating thereto. (If by borrowing 2/3 vote required)

ARTICLE 26. To see if the Town will vote to install 8" cast iron water mains on George Street from E. Bacon Street to Messinger a distance of 600 feet and on Messinger Street from George Street westerly a distance of 700 feet and to raise and appropriate for the aforesaid purpose a sum not to exceed \$11,000.00 to be expended by and under the direction of the Water Commissioner, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required)

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) dollars to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required).

ARTICLE 28. To see if the Town will vote to authorize a petition to the General Court for a special legislative act substantially as follows:

"An act establishing Civil Service status to certain employees of the Police Department of the Town of Plainville. Be it enacted by the Senate and House of Representatives in General Court assembled and by the authority of the same as follows:

Section I, That the following named persons be placed in Civil Service Statue: Gregory Fish, William McKenzie, Edward Orlando, and Stephen West, in spite of the fact that they were not employed for six months or more, prior to the placing of their positions under Civil Service.

Section II, This act shall take effect upon its passage" or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to accept as Public Ways those streets shown on a definitive plan of a subdivision entitled Highland

Meadows Park Section III filed as Plan No. 780 dated 1965 plan book No. 218, Azalea Drive from Station 0 + 00 to Station 10 + 73.93, Oak Drive from Station 0 + 00 to 9 + 89.81, Pinetree Drive from 0 + 00 to 6 + 50 and/or to that Point on Pinetree Drive previously accepted in 1971, Birchwood Drive from Station 0 + 25 to Station 6 + 25, the same to be public streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to accept as a Public Way the street shown as Millbrook Drive on a definitive plan of a subdivision entitled Millbrook Estates plan and profile by W. T. Whalen Engineering Co. dated June 1965, Land Court Plan No. 35213A A Pl. 67 and August 1969 from Station 0 + 00 to Station 11 + 59.63, the same to be Public Streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 so that the Conservation Commission may acquire by purchase the fee in the hereafter described land in accordance with and for the purposes set forth in Chapter 40, Section 8 C of the General Laws, and to authorize and approve the Taking by Eminent Domain as requested by the Conservation Commission to the hereinafter described land and waters which shall thereupon be under the jurisdiction and control of the Conservation Commission.

The parcel of land is described as follows:

The land in Plainville, Norfolk County, Massachusetts, together with the waters in, on and above the same, situated easterly of George Street and Northerly of East Bacon and Messenger Streets and bounded and described as follows:

Beginning at a point at the northeasterly corner of land of Baker Realty Trust, thence

SOUTH 82° West, 363 feet by a ditch and land of Baker Realty Trust; thence

SOUTH 88° West, by Baker Realty Trust land and land of the Town of Plainville, 320 feet; thence

SOUTH 78½° West, by a ditch and said Town of Plainville land 82.5 feet; thence

SOUTH 60° West, by a ditch and the said Town of Plainville land 165 feet; thence

SOUTH 49° West, by Town of Plainville land 148.5 feet; thence

NORTHWESTERLY by Town of Plainville land, 792 feet; thence

NORTHEASTERLY by Town of Plainville land, 1033 feet; thence

EASTERLY in part by Town of Plainville land and in part by land now or formerly of Elmer H. Bartlett, 85.8 feet; thence
EASTERLY by said Elmer H. Bartlett land, 561 feet; thence
SOUTHEASTERLY by said Elmer H. Bartlett land, 422.4 feet; thence
EASTERLY by said Elmer H. Bartlett land, 40 feet; thence
SOUTHWESTERLY to the point of beginning 436 feet more or less.

Or do or act in any manner relative thereto. (Two-thirds vote if by Eminent Domain or if by borrowing).

ARTICLE 32. To see if the Town will vote to amend, effective April 1, 1973, its Personnel By Law to read as follows:

**TOWN OF PLAINVILLE
PERSONNEL BY-LAW
CHAPTER II**

SECTION I — AUTHORIZATION AND APPLICATION

1.1 A Personnel By-Law is hereby established for the Town of Plainville under the authority of Section 21B of Chapter 40 and Sections 108A and 108C of the General Laws. The provisions of this By-Law, except as is otherwise provided herein, shall apply to all employees of the Town, except employees under the direction and control of the School Committee. Nothing in this By-Law shall be construed to conflict with any provisions of Chapter 31 or any other provisions of the General Laws.

SECTION II — DEFINITIONS

2.1 As used in this By-Law, unless otherwise expressly provided or unless a different construction is clearly required by the context or by the provisions of the General Laws, the following words and phrases shall have the following meanings:

- A. **Administrative Authority**—The elected official or board or the appointed official having jurisdiction over a function or activity.
- B. **Board**—The Personnel Board as defined in Section III hereof.
- C. **Department**—Any department, board, committee, commission or other agency of the Town employing persons who are subject to this By-Law.
- D. **Department Head**—The board, committee, commission or person having supervision and control over a department.
- E. **Classification Plan**—A plan classifying all positions, other than those filled by popular election and those under the direction and control of the School Committee, into groups and classes doing substantially similar work or having substantially equal responsibilities.

- F. **Compensation Plan**—A plan establishing the rates of compensation to be paid to employees in positions established under the Classification Plan.
- G. **Full-Time Employee**—A full-time employee is one who is employed to work on a regularly scheduled basis for not less than seven (7) hours per day for five (5) days a week for fifty-two (52) weeks per year.
- H. **Part-Time Employee**—A part-time employee is one who is employed to work for periods of time less than that prescribed for a full-time employee.
- I. **Seasonal Employee**—A seasonal employee is one who is employed in a position which is filled only on a seasonal basis.
- J. **Continuous Employment**—Full-time employment which is uninterrupted, except for absences on military leave, vacation leave, sick leave, court leave and other authorized leaves of absence provided for herein.
- K. **Overtime**—Hours worked by a full-time employee in excess of his regularly scheduled workday or workweek.
- L. **Holiday Pay**—Pay authorized for holidays in accordance with the provisions of this By-Law.
- M. **Promotion**—A change from a position of lower classification and compensation to a position of higher classification and compensation.
- N. **Veteran**—A person who is a veteran within the meaning of Section 21 of Chapter 31 of the General Laws.
- O. **Employee Organization**—Any lawful association, organization, federation or council having as a primary purpose the improvement of wages, hours and other conditions of employment.
- P. **Town**—The Town of Plainville.

SECTION III — PERSONNEL BOARD

3.1 Membership. A Personnel Board of five (5) unpaid members, appointed by the Board of Selectmen, shall be responsible for the administration of this By-Law. Members of the Board shall be voters of the Town and shall not be employees or officers of the Town.

3.2 Qualifications. In making appointments to the Board, the Board of Selectmen shall give consideration to persons who are knowledgeable and experienced in the fields of personnel administration and labor rela-

tions and who will best represent the interests of both the employees and the taxpayers of the Town in carrying out the duties and responsibilities of the Board.

3.3 Term of Office. Members of the Board shall serve overlapping terms of three (3) years; provided, however, that of the members originally appointed one shall serve for a term of one (1) year, two shall serve for a term of two (2) years, and two shall serve for a term of three (3) years, as designated by the Board of Selectmen. Each member of the Board shall serve until his successor has been appointed and qualified. If any member of the Board shall resign or otherwise vacate his office before the expiration of his term, his successor shall be appointed, as provided above, to serve for the balance of the unexpired term.

3.4 Organization. At its first meeting after the adoption of this By-Law and annually thereafter, the Board shall organize by electing a Chairman and a Secretary, both of whom shall be members of the Board. The Board shall appoint a clerk who shall not be a member of the Board. Meetings of the Board shall be held quarterly and may also be called by the Chairman at any time when the need arises. Meetings shall also be held upon the request in writing of an employee or his representative or of an employee organization or its representative.

3.5 Proceedings. The Board shall keep a record of its official proceedings and actions and shall establish its own rules of procedures. Three (3) members shall constitute a quorum for the transaction of the business of the Board, and the affirmative vote of a majority of the total membership of the Board shall be necessary for any official act of the Board.

3.6 Staff. The Board, subject to appropriation of funds therefor, may employ such professional and clerical assistance as it deems necessary for the performance of its duties.

SECTION IV — DUTIES OF PERSONNEL BOARD

The Board shall perform the following duties:

4.1 Administer the provisions of this By-Law, except for such duties as may be specifically assigned by statute or by Town By-Laws to other Town officers or boards, and decide all questions relating to the interpretation and application of this By-Law.

4.2 Maintain personnel records of all Town employees, including elected and appointed officials. Said records shall contain all the vital statistics and other pertinent data on each such employee and shall be kept in the Town Hall. It shall be the duty of each Town official and employee to furnish to the Board, upon its request, such information as

is required to complete such personnel records and such information as is required for the completion of personnel reports.

4.3 Investigate from time to time, but at intervals not exceeding three (3) years, the compensation of any and all positions subject to this By-Law; hold hearings for that purpose if such are deemed necessary; and recommend such amendments to the classification and compensation Plans and other provisions of this By-Law as the results of its investigation and hearings shall warrant.

4.4 Maintain written class descriptions or specifications for the classes established in the Classification Plan. Such descriptions or specifications shall describe the essential nature of work and the characteristics that distinguish one class from another.

4.5 Authorize, upon the recommendation of a Department Head and supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, an entrance rate for a position higher than the minimum or any other variance to the Classification and Compensation Plans it may deem necessary for the proper functioning of the services of the Town, but no such variance shall become effective until funds have been appropriated therefor.

4.6 Administer the Classification and Compensation Plans.

4.7 Determine which class and job title under the Classification Plan is applicable to an employee.

4.8 Reclassify a position found to be classified under an incorrect title, provided that the incumbent thereof has been given an opportunity to be heard and the recommendation of the Department Head has been obtained.

4.9 Establish a job title and compensation rate for each new or changed position, subject to the receipt of explanatory and substantiating data relative to the content of the position in such form as the Board shall require. Any new classes or titles added to the Classification Plan as a result of the Board's action shall be subject to ratification by vote of the Annual Town Meeting.

4.10 Recommend to the Town any changes in this By-Law, including the Classification Plan and Compensation Plan, which it considers necessary and desirable.

4.11 Represent the Town, when designated by the Board of Selectmen to do so, in collective bargaining with employee organizations under the provisions of Chapter 149 of the General Laws.

4.12 Make an annual report in writing to the Board of Selectmen not later than eight (8) weeks prior to the closing of the warrant for the Annual Town Meeting, said report to be printed in the Annual Town Report for the information of the voters and employees of the Town.

SECTION V — CLASSIFICATION PLAN

5.1 Authority. This Section establishes the Classification Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

5.2 Classification of Existing Positions. All positions in the service of the Town, except those filled by popular election and those under the direction and control of the School Committee, are hereby classified by titles in groups as set forth in Appendix A, which is attached hereto and made a part hereof.

5.3 Classification of New Positions. Whenever a new position is established or the duties of an existing position are so changed as in effect to create a new position, the Board, upon receipt of satisfactory substantiating data, shall allocate such new or changed position to its appropriate class. No position shall be reclassified until the Board has determined that such reclassification will be consistent with the Classification and Compensation Plans.

5.4 Title of Class. The title of each class, as established by the Classification Plan, shall, except as otherwise provided herein, be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position. If, in the case of any position subject to the Civil Service Law, a different title for the position shall be established by the Director of Civil Service, such title shall be the official title of the incumbent of the position and shall be used in lieu of the title established in the Classification Plan.

5.5 Classification Descriptions and Qualifications. The Board shall establish, maintain and amend from time to time, as it deems necessary, written definitions or job descriptions for each class of positions established by the Classification Plan. Said definitions or job descriptions shall describe the essential character of the duties and responsibilities of positions properly allocated to the class, with illustrative examples of work where desirable, setting forth the minimum qualifications for entrance to positions of the class. Such definitions or job descriptions shall be descriptive only and, except as provided herein with respect to minimum qualifications, not restrictive. They shall serve to define the scope of the several classes and not to prescribe in detail the duties or lines of promotion of any individual position. In the case of classes of positions subject to the Civil Service Law, the minimum qualifications of employment shall be those approved by the Director of the Civil Service. In the case of all other classes of positions, the minimum qualifications for alloca-

tion thereto shall be prescribed by the Board and shall be based upon the following:

- A. The minimum qualifications recommended to the Board for classification purposes by Department Heads.
- B. An examination by the Board of the work content of positions allocated to the class.
- C. The Board's study of comparable positions in private employment, in the service of other municipalities and in the State service.

SECTION VI — COMPENSATION PLAN

6.1 Authority. This Section establishes the Compensation Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

6.2 Determination of Compensation. The compensation of each employee of the Town, except elected officials and employees under the direction and control of the School Committee, shall be determined in accordance with and shall conform to the wage schedules and rates of compensation and the effective dates thereof established for the different positions set forth in said Appendix A. The Board shall determine in accordance with the provisions of this Section and said wage schedules and rates of compensation the rate of compensation of each such employee.

6.3 Present Employees. Each employee presently employed for whose position a wage schedule has not been established shall be paid at the rate of compensation established for the position in which he is employed. Each employee presently employed for whose position a wage schedule has been established shall be placed at the proper step on the wage schedule for the position in which he is employed in accordance with the number of years of his continuous employment in such position by the Town.

6.4 Periodic Step Increases. Each employee for whose position a wage schedule has been established shall receive a step increase to the next higher rate within his wage schedule upon the completion of fifty-two (52) workweeks of creditable service as defined in Paragraph 6.5 next below, provided, however, that his work performance for said period of fifty-two (52) weeks has been satisfactory.

6.5 Creditable Service for Step Increases. Service which is creditable in the computation of said fifty-two (52) workweeks required before an employee is eligible for a step increase shall include the following:

- A. Continuous full-time paid employment, including periods of vacation leave, sick leave, or other leave with pay.
- B. Leave without pay or other periods of absence in a non-pay status not to exceed the equivalent of thirty (30) workdays within said fifty-two (52) week period the total of an employee's leave without pay or other absence in a non-pay status is in excess of said thirty (30) workdays, he must serve in a pay status a number of days equal to the number of days of leave without pay or other absence in a non-pay status in excess of thirty (30) workdays in order to meet the length of service requirements for a step increase.
- C. Active military service when otherwise creditable service was interrupted.

6.6 Effective Date of Step Increases. Step increases shall be made effective at the beginning of the next pay period following the completion of the required waiting period.

6.7 New Employees. Except as is otherwise provided herein, a new employee of the Town shall be paid at the minimum rate of the wage schedule for the position in which he is employed. Upon the recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize for a new employee an entrance rate higher than the minimum rate established for the position in which he is to be employed. In addition an employee, who is transferred from a position subject to the Civil Service Law in another town or city to the same type position in this Town, shall be credited with all years of previous experience in such position and shall be placed at the proper step on the wage schedule for such position in accordance with the number of years of his experience.

6.8 Special Compensation. A patrolman, excluding officers of rank from sergeant on up, who is regularly assigned as a plainclothesman shall be paid compensation at the rate of three hundred(300.00) dollars per year in addition his regular compensation.

6.9 Promotion. In the event an employee is promoted from one position in the Classification Plan to another position in such Plan, he shall be placed at the step on the wage schedule for the position to which he is being promoted which provides him with an increase in compensation which is not less than the amount of the next step increase to which he would have been entitled had he remained in the position from which he was promoted.

6.10 Elected Officials. The compensation of elected officials shall be established annually by vote of the Annual Town Meeting.

SECTION VII — EMPLOYMENT, PROMOTION AND TRANSFER

7.1 Conditions. The employment, promotion and transfer of Town employees shall be subject to the following conditions:

- A. No permanent full-time employment in or transfer to a paid appointive position in the service of the Town shall take effect until the same has been approved by the Board as being in compliance with the requirements of the Classification Plan, Compensation Plan and other provisions of this By-Law. In the case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the department's appropriation and without prior approval of the Board, employ on a temporary or part-time basis employees in positions at the minimum rate of the appropriate wage schedule.
- B. No employment or promotion hereunder shall become effective until such time as the appropriation or other funds out of which the compensation therefor is to be paid shall be sufficient.
- C. No promotion shall be approved by the Board until it shall have been first approved by the Department Head of the department in which the employee being considered for promotion is employed.

7.2 Physical Examination of Job Applicants. Every applicant for permanent appointive employment by the Town shall, prior to his employment, be examined by a physician designated by the Town. Such physician shall report to the Board in such form as the Board shall determine the applicant's physical fitness to perform the duties of the position for which he has made application and shall also report any physical condition of the applicant which might adversely affect the insurance coverage of the Town under the provisions of Chapter 152 of the General Laws or the group insurance cover of other Town employees. If the Board deems such action necessary to the protection of the Town, it may require, in the same manner as for permanent appointive employment, a physical examination for an applicant for temporary appointive employment. The cost of any physical examination required by this Section shall be paid by the Town and shall be charged to the appropriation of the department in which the proposed employment is to be made

or to such special appropriation as the Town may make for the purposes of this Section.

SECTION VIII — HOURS OF DUTY

8.1 The administrative workweek for employees of the Town shall be Sunday through Saturday. The regular workweek of full-time employees shall be scheduled within said administrative workweek by the Department Head and shall consist of the number of hours established in said Appendix A for the different classes of positions.

8.2 The starting and ending times of the daily work schedules of all employees shall be determined and fixed by the Department Head, and such schedules may be changed from time to time to met changing conditions of operations.

8.3 Each Department Head shall submit to the Town Treasurer on Monday of each week in such form as the Board shall prescribe a report of all employees in the department who were absent from duty during the preceding calendar week. Such report shall indicate for each employee whether the employee was absent on sick leave, vacation leave, court leave, military leave, leave without pay or other authorized leave or was absent without leave.

SECTION IX — OVERTIME

9.1 Each full-time employee, except Department Heads, who shall be required to be on duty in excess of his regularly scheduled workday or in excess of his regular workweek shall be paid for such overtime duty at the rate of one and one-half times his regular hourly rate of compensation. Hours worked for the purpose of computing overtime shall include all hours the employee is in a pay status.

9.2 In the event an employee of the Police Department, except the Chief of the Department, is called back to duty after he has completed his regular tour of duty and left his place of employment and before the beginning of his next regular workday, or in the event such an employee is called back to duty on one or both of his scheduled days off, he shall be provided with not less than four (4) hours of pay at the rate of one and one-half times his regular hourly rate of compensation for each such call back.

9.3 Overtime work shall be required only when necessary operations cannot be performed by on duty employees during their regular work-week. Overtime work shall be distributed on an equitable basis among employees qualified to do the work.

SECTION X — COURT TIME

10.1 An employee of the Police Department, except the Chief of the Department, who attends as a witness for the Commonwealth a criminal case pending in a District Court or Superior Court at a time when he would not be regularly scheduled to be on duty may, in lieu of the witness fee to which he would otherwise be entitled, be paid for the time he is in attendance at such Court at one and one-half times his regular hourly rate of compensation, provided, that in no event shall he be paid less than three (3) hours of additional pay.

SECTION XI — HOLIDAY PAY

11.1 The following ten (10) days shall be considered holidays: the first day of January, the third Monday in February, the third Monday in April, the last Monday in May, the fourth day of July, the first Monday in September, the second Monday in October, the fourth Monday in October, Thanksgiving Day and Christmas Day.

11.2 Each full-time employee whose presence on duty is not required to maintain essential services shall be excused from duty on said holidays and shall receive holiday pay at his regular hourly rate for the number of hours equal to his regular daily work schedule.

11.3 Each full-time employee who is required to work on any of said holidays shall be paid, in addition to the holiday pay to which he is entitled as set forth in Paragraph 11.2 above, his regular hourly rate for each hour worked not to exceed the number of hours in his regular daily work schedule.

11.4 In the event any such employee's regular day off, vacation day or a day on which he is absent from duty because of injuries sustained in line of duty falls on any of said holidays, he shall be granted an additional day off or an additional day's pay equal to his regular daily rate of pay.

11.5 To be eligible for holiday pay, an employee must be in a pay status on his scheduled workday immediately prior to and his scheduled workday immediately after the holiday.

11.6 The Department Head will determine the number and categories of employees needed for holiday work. Any employee who is scheduled to work on a holiday and who does not report for work on said day shall not receive holiday pay but shall be charged as being absent without leave unless such absence is based on an extreme emergency situation and is excused by the Department Head.

SECTION XII — VACATION LEAVE

12.1 Vacation leave with pay will be granted in accordance with the provisions of this Section to each full-time employee commensurate with the length of his continuous employment with the Town.

12.2. Full-time employees shall be entitled to vacation leave as follows:

- A. An employee with six (6) months but less than one (1) year of continuous employment with the Town shall be entitled to five (5) days of vacation leave.
- B. An employee with one (1) year but less than ten (10) years of continuous employment with the Town shall be entitled to ten (10) days of vacation leave.
- C. An employee with ten (10) years but less than twenty (20) years of continuous employment with the Town shall be entitled to fifteen (15) days of vacation leave.
- D. An employee with twenty (20) or more years of continuous employment with the Town shall be entitled to twenty (20) days of vacation leave.

12.3 The Department Head shall determine the time when an employee shall be granted his vacation leave. Equitable and considerate treatment of all employees as well as work requirements will be the determining factors in the granting of vacation leave.

12.4 Vacation leave shall be taken in the calendar year in which it is earned and shall not be accumulated from year to year.

SECTION XIII — SICK LEAVE

13.1 Sick leave with pay will be granted in accordance with the provisions of this Section to each full-time employee when the employee:

- A. Is incapacitated for the performance of his duties by non-occupational sickness or injury, except any sickness or injury resulting in whole or in part from the voluntary use of intoxicating liquor, drugs or narcotics and any injury which is incurred in gainful

employment or self-employment other than as an employee of the Town.

- B. Is required to give care and attendance to his spouse, child, parent or other member of his immediate household who is afflicted with a contagious disease.
- C. Would jeopardize the health of others by his presence on duty because of exposure to a contagious disease.

13.2 Each said employee shall accrue sick leave at the rate of one day for each month of actual work performed for a total of twelve (12) days per year. Sick leave shall be cumulative from one calendar year to the next, subject to a maximum accumulation of sixty (60) days. An employee who has unused sick leave to his credit at the time his employment with the Town is terminated shall not be paid for such sick leave.

13.3 Notwithstanding the provisions of Paragraph 13.2 of this Section, an employee shall be entitled to sick leave only after being currently employed by the Town for a continuous period of ninety (90) calendar days. After completing said ninety (90) calendar day period, the employee shall be entitled to be credited with the sick leave that would have accrued to him during such period under said Paragraph 13.2 excepting for the provisions of this Paragraph 13.3.

13.4 The Department Head is authorized to approve or disapprove requests for sick leave. An employee who is absent from duty on account of sickness or injury shall notify the person authorized to approve sick leave of the reason for his absence before or at the beginning of his scheduled tour of duty. Sick leave not in excess of five (5) consecutive days will ordinarily be approved without a medical certificate from the employee's attending physician. However, in those cases that indicate excessive absence on account of sickness or where there appears to be an abuse of the sick leave privilege, a medical certificate may be required for any absence attributable to sickness. Absences on sick leave in excess of five (5) consecutive days must be supported by a medical certificate. In those cases where an employee's request for sick leave is not approved, his absence shall be considered to be unauthorized, and he shall receive no pay for the period of such absence.

13.5 An employee who is unable to work because of an occupational injury, which is incurred in the course of his employment by the Town and which is compensable under the provisions of the Massachusetts Workmen's Compensation Act, Chapter 152 of the General Laws, shall, upon his written request to his Department Head, receive as a charge against his accrued sick leave the difference between his current salary and the amount he receives as workmen's compensation.

SECTION XIV—PERSONAL INJURY SUSTAINED IN LINE OF DUTY

14.1 Each employee, subject to the provisions of said Chapter 152 of the General Laws, who is incapacitated for duty by reason of an injury or illness arising out of and in the course of his employment by the Town shall receive the benefits of said Chapter.

14.2 Whenever a police officer or firefighter is incapacitated for duty because of injury sustained in the performance of his duty without fault of his own, or such an employee assigned to special duty by his superior officer, whether or not he is paid for such special duty by the Town, is so incapacitated because of injuries so sustained, he shall be granted leave without loss of pay for the period of such incapacity; provided, that no such leave shall be granted for any period after such employee has been retired or pensioned in accordance with law or for any period after a physician designated by the Board of Selectmen determines that such incapacity no longer exists.

14.3 All amounts payable under Paragraph 14.2 shall be paid at the same time and in the same manner as, and for all such purposes shall be deemed to be, the regular compensation of such employee.

14.4 The Town shall indemnify a police officer and firefighter in the manner and to the extent provided for in Chapter 41, Section 100 of the General Laws for his reasonable hospital, medical, surgical, chiropractic, nursing, pharmaceutical, prosthetic and related expenses and reasonable charges for chiropody incurred as the result of an injury described in Paragraph 14.2.

SECTION XV — COURT LEAVE

15.1 A full-time employee called for jury duty shall be paid the difference between his regular pay and the compensation received by him as a juror, exclusive of travel allowances.

15.2 An employee summoned as a witness on behalf of the Town shall be granted leave and shall be paid the difference between his regular pay and his witness fees, exclusive of travel allowances.

15.3 An employee who is required to appear in court as a defendant or litigant shall be granted leave without pay for such purpose.

SECTION XVI — MILITARY LEAVE

16.1 A full-time employee, who has been employed by the Town for a period of six (6) consecutive months and who is ordered into temporary active duty with the Military Reserves or the National Guard shall be

paid for a period not to exceed fourteen (14) days the difference between his regular pay and the pay which he receives from the Federal or State Government during the period of his temporary active duty. For any period of such absence in excess of fourteen (14) days such employee shall be granted leave without pay.

16.2 A full-time employee who is inducted or enlists in any branch of the Armed Forces of the United States during any wartime emergency shall be granted a military leave of absence without pay. Within sixty (60) days of his separation from the Armed Forces he shall be reinstated, if he so requests, to the same or a comparable position and will have restored to him all benefits as if his service had been continuous.

SECTION XVII — BEREAVEMENT LEAVE

17.1 Full-time employees may be granted, in the discretion of the Department Head, leaves of absence without loss of pay for periods not in excess of three (3) days in the event of a death in their immediate families. Immediate family shall include parent, brother, sister, husband, wife, child, father-in-law, mother-in-law, grandparent, sister-in-law and brother-in-law.

SECTION XVIII — LEAVE OF ABSENCE WITHOUT PAY

18.1 A full-time employee, who is subject to the Civil Service Law, may be granted by the Board of Selectmen a leave of absence without pay for a period not to exceed (3) months in any period of twelve (12) consecutive months. Requests for such leave of absence shall be submitted to the Board of Selectmen through the Department Head and the Personnel Board and shall contain a detailed statement of the reasons for the request.

18.2 The provisions of Chapter 31, Section 46E of the General Laws shall be followed in approving leaves of absence without pay for full-time employees, subject to the Civil Service Law, for periods in excess of three (3) months, in reinstating such employees at the end of the period of approved absence, and in terminating the employment of an employee who does not return to duty at the end of the period of approved absence.

18.3 Employees not subject to the Civil Service Law may be granted leaves of absence without pay by the Department Head for periods not in excess of two (2) weeks. Requests for leaves of absence without pay for periods in excess of two (2) weeks shall be submitted to the Board of Selectmen through the Personnel Board and shall contain a detailed statement of the reasons for the request.

SECTION XIX — ABSENCE WITHOUT LEAVE

19.1 When an employee is absent from duty without authorization he will be charged as being absent without leave and will receive no pay for the period of the absence.

19.2 In addition to receiving no pay for a period of absence without leave, an employee may be subject to disciplinary action for such unauthorized absence.

SECTION XX — EDUCATIONAL COURSES

20.1 A full-time employee of the Police Department who attends, during his off duty hours, a law enforcement school or course approved in advance by the Chief of Police shall be reimbursed by the Town for the cost of his tuition and books upon his successful completion of the course with at least a grade of "C", provided, however, that the said cost is not paid for under a Federal or State program.

SECTION XXI — GRIEVANCE PROCEDURE

21.1 The Board shall constitute the Personnel Relations Review Board of the Town and as such shall have the powers and duties and shall perform the functions assigned to personnel relations review boards under the provisions of Section 21B of Chapter 40 of the General Laws. The Board in performing its duties as the Personnel Relations Review Board shall be subject to the limitations imposed by said Section 21B and by the By-Laws of the Town.

21.2 When sitting as the Personnel Relations Review Board the Board shall keep a separate record of its proceedings which shall not be open to public inspection, except as may otherwise be required by State law.

21.3 The grievance procedure established in this Section shall apply to all employees of the Town, except elected officials and except employees represented by an employee organization for the purpose of collective bargaining and with which organization the Town has entered into a collective bargaining agreement containing a specific grievance procedure. The grievance procedure contained in such an agreement shall apply to all employees represented by the employee organization. The purpose of the grievance procedure set forth herein is to produce prompt and equitable solutions to those problems which from time to time may arise and affect the conditions of employment of employees.

21.4 As used in this Section the word "grievance" shall be construed to mean any dispute between an employee and his supervisor or supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors with respect to the conditions of employment

of the employee, except a dispute which is, or upon proper appeal would be, within the jurisdiction of the civil service commission or the contributory retirement appeal board.

21.5 Grievances as defined herein shall be processed in accordance with the following procedure:

- A. **Level One.** The aggrieved employee shall first present his grievance orally or in writing to his immediate supervisor. If the grievance is presented in writing, it shall give a summary of the facts involved and the relief desired. The immediate supervisor shall advise the aggrieved employee in writing of his decision with respect to the grievance within five (5) working days after the grievance is presented.
- B. **Level Two.** If at the end of the five (5) working days next following the presentation at Level One the grievance shall not have been disposed of to the employee's satisfaction, the aggrieved employee may within five (5) working days thereafter submit his grievance in writing to the Department Head. The written grievance shall give a summary of the facts involved and the relief desired. Within ten (10) working days after receipt of the written grievance the Department Head shall meet with the aggrieved employee and his representative, if he elects to have one, in an effort to settle the grievance. Within ten (10) working days after the conclusion of said meeting, the Department Head shall advise the aggrieved employee of his or its decision.
- C. **Level Three.** If at the end of the twenty (20) working days next following the presentation of the grievance at Level Two the grievance shall not have been disposed of to the employee's satisfaction the aggrieved employee may within five (5) working days thereafter submit his grievance to the Board acting as the Personnel Relations Review Board. Within ten (10) working days after receipt of the written grievance, the Board shall meet with the aggrieved employee and his representative, if he elects to have one, in an effort to settle the grievance. The Board shall within ten (10) working days after the conclusion of said meeting advise the employee in writing of its decision. The decision of the Board with respect to said grievance shall be final.

21.6 If at the end of the twenty (20) working days next following the occurrence of any grievance or the date of first knowledge of its occurrence by an employee affected by it, the grievance shall not have been presented at Level Two of the procedure set forth above, the grievance shall be deemed to have been waived. Any grievance in course under such procedure shall also be deemed to have been waived if the action required to present it at the next level in the procedure shall not have been taken within the time specified in the procedure.

21.7 The time limits hereinabove specified for the bringing and processing of a grievance may be extended by mutual agreement of the parties.

SECTION XXII — AMENDMENT AND SEVERANCE

22.1 **Amendment.** This By-Law may be amended only at an Annual Town Meeting, unless amendment at an earlier time shall be clearly imperative by a specific provision of the General Laws.

22.2 **Severance.** The provisions of this By-Law are hereby declared to be severable, and if any such provision or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional, such invalidity, illegality or unconstitutionality shall not be construed to affect the validity, legality, or constitutionality of any of the remaining provisions or the application of said By-Law to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

Or do or act in any matter relative thereto.

APPENDIX A

CLASSIFICATION PLAN, COMPENSATION PLAN AND WORKWEEK

Classification of Positions			Class	Wkly. Hours	Effective April 1, 1973		Effective January 1, 1974	
A. CLERICAL GROUP

OFFICE OF TOWN CLERK

Town of
Plainville, Massachusetts

March 15, 1973

To: Kathleen Sandland of said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1973

**WARRANT
FOR THE ANNUAL TOWN MEETING**

Monday March 5, 1973

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FIFTH DAY OF MARCH 1973 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectmen, Board of Health, One Assessor, One Water Commissioner, One Trustee Public Library, Two Members of the School Committee, One Member of the Regional School Committee, Two Members of the Finance Committee for Three Years. One Member of the Planning Board for Five Years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1972	Requested 1973-74
Moderator	\$25.00 per meeting	\$25.00 per meeting
Town Clerk	\$900.00	\$1,350.00
Town Treasurer	2,650.00	4,200.00
Selectmen, Chairman	900.00	1,800.00
Second Member	800.00	1,650.00
Third Member	800.00	1,650.00
Board of Health, each member	150.00	300.00
Assessor, Chairman	1,200.00	1,800.00
Second Member	1,200.00	1,800.00
Third Member	1,200.00	1,800.00
Tax Collector	2,125.00	4,725.00
Water Commissioner, Chairman	250.00	525.00
Second Member, Secretary	500.00	1,125.00
Third Member	250.00	525.00
Auditor	250.00	250.00
Constables	2.50 per hr.	2.50 per hr.
Tree Warden	2.50 per hr.	2.50 per hr.

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerks of the Selectmen, placed with a fidelity of guarantee company and appropriate the sum of \$1,180.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to install Street Lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 1 Street Light in front of Hilltop Terrace
- 1 Street Light on Cowell Street
- 1 Street Light on curve near 132 West Bacon Street
- 5 Street Lights in Town Park

- 4 Street Lights Azalea Drive
- 4 Street Lights Garrison Drive
- 2 Street Lights Birchwood Drive
- 3 Street Lights Appletree Drive
- 4 Street Lights Pinetree Drive
- 2 Street Lights Deerfield Drive
- 4 Street Lights Oak Drive
- 1 Street Light Millbrook Drive

or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1973 and January 1, 1974 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to authorize the Board of Selectmen to hire an Administrative Assistant at a salary not to exceed \$12,000.00 per year and raise and appropriate or transfer the sum of \$12,000.00 or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$5,000.00 to be used under the direction of the Municipal Building Committee for original furnishings and equipment of the Town Office Building and Police and Fire Department, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer \$2,400.00 for the purpose of paying unpaid bills for the Vocational Education account for 1972, or do or act in any manner relative thereto.

ARTICLE 12. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending June 30, 1974 and expressly for the following purposes to wit:

1. Support of the Public Library, Salaries and Expenses	\$11,300.00
2. For Selectmen Administration, Salaries and Expenses	48,056.31
3. For Board of Health, Salaries and Expenses	27,786.00
Town Dump	36, 016.59
4. For Wire Inspector, Salary and Expenses	1,375.00
5. For Building Inspector, Salary and Expenses	4,400.00
6. For Gas Inspector, Salary and Expenses	525.00
7. For Pumping Inspector, Salary	675.00
8. Payment of Insurance: Town Schedule	27,135.78
Group Insurance, Blue Cross-Blue Shield	21,712.86
9. For Memorial Day	300.00
10. For Support of Town Ambulance	7,500.00
11. For Heating and Maintenance of Town Office and Fire Station Building and Garford Building	10,125.00
12. For Zoning Board of Appeals	540.00
13. For Board of Appeals	150.00
14. For Veteran's Benefits and Services	12,375.00
15. For Street Lights	24,500.00
16. For Vocational Education	7,500.00
17. For Town Treasurer, Salary and Expenses	11,400.00
18. For Town Auditor	375.00
19. For Interest on Temporary Loan and Maturing Debt	45,000.00
20. For Tax Title	125.00
21. For Maturing Debt	142,200.00
22. For Finance Committee	300.00
23. For Town's Share of Norfolk County Retirement	31,147.50
24. For Town Clerk, Salary and Expenses	7,106.00
25. For Board of Registrars, Salaries and Expenses	4,375.00
26. For Assessors, Salaries and Expenses	13,063.35
27. For Tax Collector, Salary and Expenses	10,275.00
28. For Fire Department, Salaries and Expenses	153,254.71

44. For Personnel Board	950.00
45. For By-Law Review Committee	100.00
46. For Industrial Development Financing Authority	—

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to authorize the Board of Selectmen to purchase a new Ambulance and to raise and appropriate or transfer from available funds in the Treasury the sum of \$15,000 for this purpose, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to purchase a front end Loader and back-Hoe for the Highway Department, and raise and appropriate for this purpose the sum of \$30,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the Treasury, by Taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$40,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$75,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of \$21,100.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$29,496.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$24,100.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$2,000.00, or any other sum, for the Control of Insects and Dutch Elm Disease (\$900.00 for Insect Pest Control and \$1,100.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$4,200.00 to be expended by and under the direction of the Park Commissioners for the purchase and erection of proper fencing to enclose in its entirety the existing tennis court and the newly constructed court, with proper back-stop between the two, including two gates, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to authorize the Board of Selectmen to purchase, take by eminent domain, or otherwise acquire for sanitary landfill purposes the following described parcel of real estate:

The land in Plainville, Norfolk County, Massachusetts, situated on the southerly side of Cowell Street, bounded and described as follows:

Beginning at a point in the southerly line of Cowell Street, said point being 1023.12 feet easterly of the northeasterly corner of land of Plainville Beagle Club as measured in the southerly line of said Cowell Street; thence

S 80° 05' 00'' E. By said Cowel Street, 679.52 feet to an angle; thence

S 87° 17' 10'' E. By said Cowell Street, 343.60 feet to a stake and land of Plainville Beagle Club; thence

S 11° 10' 20'' E. By Plainville Beagle Club land 1284.23 feet to a stake and stones; thence

S 10° 12' 10'' E. by land of the Town of Plainville, 453.86 feet to a drill hole at the corner of a wall; thence

S 30° 47' 20'' E. by a wall and land of the Town of Plainville, 423.06 feet; thence

N 73° 50' 40'' W. by land supposedly of the Town of Plainville, 283.04 feet to a stake and stones; thence

S 71° 30' 00'' W. by land supposedly of the Town of Plainville, 530.64 feet; thence

N 16° 30' 00'' E. by land of Higgins Mobile Homes, Inc. 330.00 feet; thence

N 04° 30' 00'' W by land of Higgins Mobile Homes, Inc. 601.92 feet; thence

NORTHERLY in a straight line by other land of Southeastern Construction Inc. to the point of beginning.

and to raise and appropriate for such purpose the sum of \$24,000.00 and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, or by borrowing and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto (2/3 vote required).

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$500.00 for normal repair and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the Conservation Fund, to be used by the Conservation Commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to reduce the amount appropriated and authorized to be borrowed under Article 31 of the Warrant for the 1972 Annual Town Meeting, to appropriate a like amount for the cost of engineering services for plans and specifications for the project authorized under said Article 31, to see how said sum shall be raised, whether by taxation, transfer, borrowing or otherwise and to take any other action relating thereto. (If by borrowing 2/3 vote required)

ARTICLE 26. To see if the Town will vote to install 8" cast iron water mains on George Street from E. Bacon Street to Messinger a distance of 600 feet and on Messinger Street from George Street westerly a distance of 700 feet and to raise and appropriate for the aforesaid purpose a sum not to exceed \$11,000.00 to be expended by and under the direction of the Water Commissioner, and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required)

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) dollars to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required).

ARTICLE 28. To see if the Town will vote to authorize a petition to the General Court for a special legislative act substantially as follows:

"An act establishing Civil Service status to certain employees of the Police Department of the Town of Plainville. Be it enacted by the Senate and House of Representatives in General Court assembled and by the authority of the same as follows:

Section I, That the following named persons be placed in Civil Service Statue: Gregory Fish, William McKenzie, Edward Orlando, and Stephen West, in spite of the fact that they were not employed for six months or more, prior to the placing of their positions under Civil Service.

Section II, This act shall take effect upon its passage" or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to accept as Public Ways those streets shown on a definitive plan of a subdivision entitled Highland

Meadows Park Section III filed as Plan No. 780 dated 1965 plan book No. 218, Azalea Drive from Station 0 + 00 to Station 10 + 73.93, Oak Drive from Station 0 + 00 to 9 + 89.81, Pinetree Drive from 0 + 00 to 6 + 50 and/or to that Point on Pinetree Drive previously accepted in 1971, Birchwood Drive from Station 0 + 25 to Station 6 + 25, the same to be public streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to accept as a Public Way the street shown as Millbrook Drive on a definitive plan of a subdivision entitled Millbrook Estates plan and profile by W. T. Whalen Engineering Co. dated June 1965, Land Court Plan No. 35213A A Pl. 67 and August 1969 from Station 0 + 00 to Station 11 + 59.63, the same to be Public Streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 so that the Conservation Commission may acquire by purchase the fee in the hereafter described land in accordance with and for the purposes set forth in Chapter 40, Section 8 C of the General Laws, and to authorize and approve the Taking by Eminent Domain as requested by the Conservation Commission to the hereinafter described land and waters which shall thereupon be under the jurisdiction and control of the Conservation Commission.

The parcel of land is described as follows:

The land in Plainville, Norfolk County, Massachusetts, together with the waters in, on and above the same, situated easterly of George Street and Northerly of East Bacon and Messenger Streets and bounded and described as follows:

Beginning at a point at the northeasterly corner of land of Baker Realty Trust, thence

SOUTH 82° West, 363 feet by a ditch and land of Baker Realty Trust; thence

SOUTH 88° West, by Baker Realty Trust land and land of the Town of Plainville, 320 feet; thence

SOUTH 78½° West, by a ditch and said Town of Plainville land 82.5 feet; thence

SOUTH 60° West, by a ditch and the said Town of Plainville land 165 feet; thence

SOUTH 49° West, by Town of Plainville land 148.5 feet; thence

NORTHWESTERLY by Town of Plainville land, 792 feet; thence

NORTHEASTERLY by Town of Plainville land, 1033 feet; thence

EASTERLY in part by Town of Plainville land and in part by land now or formerly of Elmer H. Bartlett, 85.8 feet; thence
EASTERLY by said Elmer H. Bartlett land, 561 feet; thence
SOUTHEASTERLY by said Elmer H. Bartlett land, 422.4 feet; thence
EASTERLY by said Elmer H. Bartlett land, 40 feet; thence
SOUTHWESTERLY to the point of beginning 436 feet more or less.

Or do or act in any manner relative thereto. (Two-thirds vote if by Eminent Domain or if by borrowing).

ARTICLE 32. To see if the Town will vote to amend, effective April 1, 1973, its Personnel By-Law to read as follows:

**TOWN OF PLAINVILLE
PERSONNEL BY-LAW
CHAPTER II**

SECTION I — AUTHORIZATION AND APPLICATION

1.1 A Personnel By-Law is hereby established for the Town of Plainville under the authority of Section 21B of Chapter 40 and Sections 108A and 108C of the General Laws. The provisions of this By-Law, except as is otherwise provided herein, shall apply to all employees of the Town, except employees under the direction and control of the School Committee. Nothing in this By-Law shall be construed to conflict with any provisions of Chapter 31 or any other provisions of the General Laws.

SECTION II — DEFINITIONS

2.1 As used in this By-Law, unless otherwise expressly provided or unless a different construction is clearly required by the context or by the provisions of the General Laws, the following words and phrases shall have the following meanings:

- A. **Administrative Authority**—The elected official or board or the appointed official having jurisdiction over a function or activity.
- B. **Board**—The Personnel Board as defined in Section III hereof.
- C. **Department**—Any department, board, committee, commission or other agency of the Town employing persons who are subject to this By-Law.
- D. **Department Head**—The board, committee, commission or person having supervision and control over a department.
- E. **Classification Plan**—A plan classifying all positions, other than those filled by popular election and those under the direction and control of the School Committee, into groups and classes doing substantially similar work or having substantially equal responsibilities.

- F. **Compensation Plan**—A plan establishing the rates of compensation to be paid to employees in positions established under the Classification Plan.
- G. **Full-Time Employee**—A full-time employee is one who is employed to work on a regularly scheduled basis for not less than seven (7) hours per day for five (5) days a week for fifty-two (52) weeks per year.
- H. **Part-Time Employee**—A part-time employee is one who is employed to work for periods of time less than that prescribed for a full-time employee.
- I. **Seasonal Employee**—A seasonal employee is one who is employed in a position which is filled only on a seasonal basis.
- J. **Continuous Employment**—Full-time employment which is uninterrupted, except for absences on military leave, vacation leave, sick leave, court leave and other authorized leaves of absence provided for herein.
- K. **Overtime**—Hours worked by a full-time employee in excess of his regularly scheduled workday or workweek.
- L. **Holiday Pay**—Pay authorized for holidays in accordance with the provisions of this By-Law.
- M. **Promotion**—A change from a position of lower classification and compensation to a position of higher classification and compensation.
- N. **Veteran**—A person who is a veteran within the meaning of Section 21 of Chapter 31 of the General Laws.
- O. **Employee Organization**—Any lawful association, organization, federation or council having as a primary purpose the improvement of wages, hours and other conditions of employment.
- P. **Town**—The Town of Plainville.

SECTION III — PERSONNEL BOARD

3.1 Membership. A Personnel Board of five (5) unpaid members, appointed by the Board of Selectmen, shall be responsible for the administration of this By-Law. Members of the Board shall be voters of the Town and shall not be employees or officers of the Town.

3.2 Qualifications. In making appointments to the Board, the Board of Selectmen shall give consideration to persons who are knowledgeable and experienced in the fields of personnel administration and labor rela-

tions and who will best represent the interests of both the employees and the taxpayers of the Town in carrying out the duties and responsibilities of the Board.

3.3 Term of Office. Members of the Board shall serve overlapping terms of three (3) years; provided, however, that of the members originally appointed one shall serve for a term of one (1) year, two shall serve for a term of two (2) years, and two shall serve for a term of three (3) years, as designated by the Board of Selectmen. Each member of the Board shall serve until his successor has been appointed and qualified. If any member of the Board shall resign or otherwise vacate his office before the expiration of his term, his successor shall be appointed, as provided above, to serve for the balance of the unexpired term.

3.4 Organization. At its first meeting after the adoption of this By-Law and annually thereafter, the Board shall organize by electing a Chairman and a Secretary, both of whom shall be members of the Board. The Board shall appoint a clerk who shall not be a member of the Board. Meetings of the Board shall be held quarterly and may also be called by the Chairman at any time when the need arises. Meetings shall also be held upon the request in writing of an employee or his representative or of an employee organization or its representative.

3.5 Proceedings. The Board shall keep a record of its official proceedings and actions and shall establish its own rules of procedures. Three (3) members shall constitute a quorum for the transaction of the business of the Board, and the affirmative vote of a majority of the total membership of the Board shall be necessary for any official act of the Board.

3.6 Staff. The Board, subject to appropriation of funds therefor, may employ such professional and clerical assistance as it deems necessary for the performance of its duties.

SECTION IV — DUTIES OF PERSONNEL BOARD

The Board shall perform the following duties:

4.1 Administer the provisions of this By-Law, except for such duties as may be specifically assigned by statute or by Town By-Laws to other Town officers or boards, and decide all questions relating to the interpretation and application of this By-Law.

4.2 Maintain personnel records of all Town employees, including elected and appointed officials. Said records shall contain all the vital statistics and other pertinent data on each such employee and shall be kept in the Town Hall. It shall be the duty of each Town official and employee to furnish to the Board, upon its request, such information as

is required to complete such personnel records and such information as is required for the completion of personnel reports.

4.3 Investigate from time to time, but at intervals not exceeding three (3) years, the compensation of any and all positions subject to this By-Law; hold hearings for that purpose if such are deemed necessary; and recommend such amendments to the classification and compensation Plans and other provisions of this By-Law as the results of its investigation and hearings shall warrant.

4.4 Maintain written class descriptions or specifications for the classes established in the Classification Plan. Such descriptions or specifications shall describe the essential nature of work and the characteristics that distinguish one class from another.

4.5 Authorize, upon the recommendation of a Department Head and supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, an entrance rate for a position higher than the minimum or any other variance to the Classification and Compensation Plans it may deem necessary for the proper functioning of the services of the Town, but no such variance shall become effective until funds have been appropriated therefor.

4.6 Administer the Classification and Compensation Plans.

4.7 Determine which class and job title under the Classification Plan is applicable to an employee.

4.8 Reclassify a position found to be classified under an incorrect title, provided that the incumbent thereof has been given an opportunity to be heard and the recommendation of the Department Head has been obtained.

4.9 Establish a job title and compensation rate for each new or changed position, subject to the receipt of explanatory and substantiating date relative to the content of the position in such form as the Board shall require. Any new classes or titles added to the Classification Plan as a result of the Board's action shall be subject to ratification by vote of the Annual Town Meeting.

4.10 Recommend to the Town any changes in this By-Law, including the Classification Plan and Compensation Plan, which it considers necessary and desirable.

4.11 Represent the Town, when designated by the Board of Selectmen to do so, in collective bargaining with employee organizations under the provisions of Chapter 149 of the General Laws.

4.12 Make an annual report in writing to the Board of Selectmen not later than eight (8) weeks prior to the closing of the warrant for the Annual Town Meeting, said report to be printed in the Annual Town Report for the information of the voters and employees of the Town.

SECTION V — CLASSIFICATION PLAN

5.1 Authority. This Section establishes the Classification Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

5.2 Classification of Existing Positions. All positions in the service of the Town, except those filled by popular election and those under the direction and control of the School Committee, are hereby classified by titles in groups as set forth in Appendix A, which is attached hereto and made a part hereof.

5.3 Classification of New Positions. Whenever a new position is established or the duties of an existing position are so changed as in effect to create a new position, the Board, upon receipt of satisfactory substantiating data, shall allocate such new or changed position to its appropriate class. No position shall be reclassified until the Board has determined that such reclassification will be consistent with the Classification and Compensation Plans.

5.4 Title of Class. The title of each class, as established by the Classification Plan, shall, except as otherwise provided herein, be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the position. If, in the case of any position subject to the Civil Service Law, a different title for the position shall be established by the Director of Civil Service, such title shall be the official title of the incumbent of the position and shall be used in lieu of the title established in the Classification Plan.

5.5 Classification Descriptions and Qualifications. The Board shall establish, maintain and amend from time to time, as it deems necessary, written definitions or job descriptions for each class of positions established by the Classification Plan. Said definitions or job descriptions shall describe the essential character of the duties and responsibilities of positions properly allocated to the class, with illustrative examples of work where desirable, setting forth the minimum qualifications for entrance to positions of the class. Such definitions or job descriptions shall be descriptive only and, except as provided herein with respect to minimum qualifications, not restrictive. They shall serve to define the scope of the several classes and not to prescribe in detail the duties or lines of promotion of any individual position. In the case of classes of positions subject to the Civil Service Law, the minimum qualifications of employment shall be those approved by the Director of the Civil Service. In the case of all other classes of positions, the minimum qualifications for alloca-

tion thereto shall be prescribed by the Board and shall be based upon the following:

- A. The minimum qualifications recommended to the Board for classification purposes by Department Heads.
- B. An examination by the Board of the work content of positions allocated to the class.
- C. The Board's study of comparable positions in private employment, in the service of other municipalities and in the State service.

SECTION VI — COMPENSATION PLAN

6.1 Authority. This Section establishes the Compensation Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

6.2 Determination of Compensation. The compensation of each employee of the Town, except elected officials and employees under the direction and control of the School Committee, shall be determined in accordance with and shall conform to the wage schedules and rates of compensation and the effective dates thereof established for the different positions set forth in said Appendix A. The Board shall determine in accordance with the provisions of this Section and said wage schedules and rates of compensation the rate of compensation of each such employee.

6.3 Present Employees. Each employee presently employed for whose position a wage schedule has not been established shall be paid at the rate of compensation established for the position in which he is employed. Each employee presently employed for whose position a wage schedule has been established shall be placed at the proper step on the wage schedule for the position in which he is employed in accordance with the number of years of his continuous employment in such position by the Town.

6.4 Periodic Step Increases. Each employee for whose position a wage schedule has been established shall receive a step increase to the next higher rate within his wage schedule upon the completion of fifty-two (52) workweeks of creditable service as defined in Paragraph 6.5 next below, provided, however, that his work performance for said period of fifty-two (52) weeks has been satisfactory.

6.5 Creditable Service for Step Increases. Service which is creditable in the computation of said fifty-two (52) workweeks required before an employee is eligible for a step increase shall include the following:

- A. Continuous full-time paid employment, including periods of vacation leave, sick leave, or other leave with pay.
- B. Leave without pay or other periods of absence in a non-pay status not to exceed the equivalent of thirty (30) workdays within said fifty-two (52) week period the total of an employee's leave without pay or other absence in a non-pay status is in excess of said thirty (30) workdays, he must serve in a pay status a number of days equal to the number of days of leave without pay or other absence in a non-pay status in excess of thirty (30) workdays in order to meet the length of service requirements for a step increase.
- C. Active military service when otherwise creditable service was interrupted.

6.6 Effective Date of Step Increases. Step increases shall be made effective at the beginning of the next pay period following the completion of the required waiting period.

6.7 New Employees. Except as is otherwise provided herein, a new employee of the Town shall be paid at the minimum rate of the wage schedule for the position in which he is employed. Upon the recommendation of a Department Head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, the Board may authorize for a new employee an entrance rate higher than the minimum rate established for the position in which he is to be employed. In addition an employee, who is transferred from a position subject to the Civil Service Law in another town or city to the same type position in this Town, shall be credited with all years of previous experience in such position and shall be placed at the proper step on the wage schedule for such position in accordance with the number of years of his experience.

6.8 Special Compensation. A patrolman, excluding officers of rank from sergeant on up, who is regularly assigned as a plainclothesman shall be paid compensation at the rate of three hundred(300.00) dollars per year in addition his regular compensation.

6.9 Promotion. In the event an employee is promoted from one position in the Classification Plan to another position in such Plan, he shall be placed at the step on the wage schedule for the position to which he is being promoted which provides him with an increase in compensation which is not less than the amount of the next step increase to which he would have been entitled had he remained in the position from which he was promoted.

6.10 Elected Officials. The compensation of elected officials shall be established annually by vote of the Annual Town Meeting.

SECTION VII — EMPLOYMENT, PROMOTION AND TRANSFER

7.1 Conditions. The employment, promotion and transfer of Town employees shall be subject to the following conditions:

- A. No permanent full-time employment in or transfer to a paid appointive position in the service of the Town shall take effect until the same has been approved by the Board as being in compliance with the requirements of the Classification Plan, Compensation Plan and other provisions of this By-Law. In the case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the department's appropriation and without prior approval of the Board, employ on a temporary or part-time basis employees in positions at the minimum rate of the appropriate wage schedule.
- B. No employment or promotion hereunder shall become effective until such time as the appropriation or other funds out of which the compensation therefor is to be paid shall be sufficient.
- C. No promotion shall be approved by the Board until it shall have been first approved by the Department Head of the department in which the employee being considered for promotion is employed.

7.2 Physical Examination of Job Applicants. Every applicant for permanent appointive employment by the Town shall, prior to his employment, be examined by a physician designated by the Town. Such physician shall report to the Board in such form as the Board shall determine the applicant's physical fitness to perform the duties of the position for which he has made application and shall also report any physical condition of the applicant which might adversely affect the insurance coverage of the Town under the provisions of Chapter 152 of the General Laws or the group insurance cover of other Town employees. If the Board deems such action necessary to the protection of the Town, it may require, in the same manner as for permanent appointive employment, a physical examination for an applicant for temporary appointive employment. The cost of any physical examination required by this Section shall be paid by the Town and shall be charged to the appropriation of the department in which the proposed employment is to be made

or to such special appropriation as the Town may make for the purposes of this Section.

SECTION VIII — HOURS OF DUTY

8.1 The administrative workweek for employees of the Town shall be Sunday through Saturday. The regular workweek of full-time employees shall be scheduled within said administrative workweek by the Department Head and shall consist of the number of hours established in said Appendix A for the different classes of positions.

8.2 The starting and ending times of the daily work schedules of all employees shall be determined and fixed by the Department Head, and such schedules may be changed from time to time to met changing conditions of operations.

8.3 Each Department Head shall submit to the Town Treasurer on Monday of each week in such form as the Board shall prescribe a report of all employees in the department who were absent from duty during the preceding calendar week. Such report shall indicate for each employee whether the employee was absent on sick leave, vacation leave, court leave, military leave, leave without pay or other authorized leave or was absent without leave.

SECTION IX — OVERTIME

9.1 Each full-time employee, except Department Heads, who shall be required to be on duty in excess of his regularly scheduled workday or in excess of his regular workweek shall be paid for such overtime duty at the rate of one and one-half times his regular hourly rate of compensation. Hours worked for the purpose of computing overtime shall include all hours the employee is in a pay status.

9.2 In the event an employee of the Police Department, except the Chief of the Department, is called back to duty after he has completed his regular tour of duty and left his place of employment and before the beginning of his next regular workday, or in the event such an employee is called back to duty on one or both of his scheduled days off, he shall be provided with not less than four (4) hours of pay at the rate of one and one-half times his regular hourly rate of compensation for each such call back.

9.3 Overtime work shall be required only when necessary operations cannot be performed by on duty employees during their regular work-week. Overtime work shall be distributed on an equitable basis among employees qualified to do the work.

SECTION X — COURT TIME

10.1 An employee of the Police Department, except the Chief of the Department, who attends as a witness for the Commonwealth a criminal case pending in a District Court or Superior Court at a time when he would not be regularly scheduled to be on duty may, in lieu of the witness fee to which he would otherwise be entitled, be paid for the time he is in attendance at such Court at one and one-half times his regular hourly rate of compensation, provided, that in no event shall he be paid less than three (3) hours of additional pay.

SECTION XI — HOLIDAY PAY

11.1 The following ten (10) days shall be considered holidays: the first day of January, the third Monday in February, the third Monday in April, the last Monday in May, the fourth day of July, the first Monday in September, the second Monday in October, the fourth Monday in October, Thanksgiving Day and Christmas Day.

11.2 Each full-time employee whose presence on duty is not required to maintain essential services shall be excused from duty on said holidays and shall receive holiday pay at his regular hourly rate for the number of hours equal to his regular daily work schedule.

11.3 Each full-time employee who is required to work on any of said holidays shall be paid, in addition to the holiday pay to which he is entitled as set forth in Paragraph 11.2 above, his regular hourly rate for each hour worked not to exceed the number of hours in his regular daily work schedule.

11.4 In the event any such employee's regular day off, vacation day or a day on which he is absent from duty because of injuries sustained in line of duty falls on any of said holidays, he shall be granted an additional day off or an additional day's pay equal to his regular daily rate of pay.

11.5 To be eligible for holiday pay, an employee must be in a pay status on his scheduled workday immediately prior to and his scheduled workday immediately after the holiday.

11.6 The Department Head will determine the number and categories of employees needed for holiday work. Any employee who is scheduled to work on a holiday and who does not report for work on said day shall not receive holiday pay but shall be charged as being absent without leave unless such absence is based on an extreme emergency situation and is excused by the Department Head.

SECTION XII — VACATION LEAVE

12.1 Vacation leave with pay will be granted in accordance with the provisions of this Section to each full-time employee commensurate with the length of his continuous employment with the Town.

12.2. Full-time employees shall be entitled to vacation leave as follows:

- A. An employee with six (6) months but less than one (1) year of continuous employment with the Town shall be entitled to five (5) days of vacation leave.
- B. An employee with one (1) year but less than ten (10) years of continuous employment with the Town shall be entitled to ten (10) days of vacation leave.
- C. An employee with ten (10) years but less than twenty (20) years of continuous employment with the Town shall be entitled to fifteen (15) days of vacation leave.
- D. An employee with twenty (20) or more years of continuous employment with the Town shall be entitled to twenty (20) days of vacation leave.

12.3 The Department Head shall determine the time when an employee shall be granted his vacation leave. Equitable and considerate treatment of all employees as well as work requirements will be the determining factors in the granting of vacation leave.

12.4 Vacation leave shall be taken in the calendar year in which it is earned and shall not be accumulated from year to year.

SECTION XIII — SICK LEAVE

13.1 Sick leave with pay will be granted in accordance with the provisions of this Section to each full-time employee when the employee:

- A. Is incapacitated for the performance of his duties by non-occupational sickness or injury, except any sickness or injury resulting in whole or in part from the voluntary use of intoxicating liquor, drugs or narcotics and any injury which is incurred in gainful

employment or self-employment other than as an employee of the Town.

- B. Is required to give care and attendance to his spouse, child, parent or other member of his immediate household who is afflicted with a contagious disease.
- C. Would jeopardize the health of others by his presence on duty because of exposure to a contagious disease.

13.2 Each said employee shall accrue sick leave at the rate of one day for each month of actual work performed for a total of twelve (12) days per year. Sick leave shall be cumulative from one calendar year to the next, subject to a maximum accumulation of sixty (60) days. An employee who has unused sick leave to his credit at the time his employment with the Town is terminated shall not be paid for such sick leave.

13.3 Notwithstanding the provisions of Paragraph 13.2 of this Section, an employee shall be entitled to sick leave only after being currently employed by the Town for a continuous period of ninety (90) calendar days. After completing said ninety (90) calendar day period, the employee shall be entitled to be credited with the sick leave that would have accrued to him during such period under said Paragraph 13.2 excepting for the provisions of this Paragraph 13.3.

13.4 The Department Head is authorized to approve or disapprove requests for sick leave. An employee who is absent from duty on account of sickness or injury shall notify the person authorized to approve sick leave of the reason for his absence before or at the beginning of his scheduled tour of duty. Sick leave not in excess of five (5) consecutive days will ordinarily be approved without a medical certificate from the employee's attending physician. However, in those cases that indicate excessive absence on account of sickness or where there appears to be an abuse of the sick leave privilege, a medical certificate may be required for any absence attributable to sickness. Absences on sick leave in excess of five (5) consecutive days must be supported by a medical certificate. In those cases where an employee's request for sick leave is not approved, his absence shall be considered to be unauthorized, and he shall receive no pay for the period of such absence.

13.5 An employee who is unable to work because of an occupational injury, which is incurred in the course of his employment by the Town and which is compensable under the provisions of the Massachusetts Workmen's Compensation Act, Chapter 152 of the General Laws, shall, upon his written request to his Department Head, receive as a charge against his accrued sick leave the difference between his current salary and the amount he receives as workmen's compensation.

SECTION XIV—PERSONAL INJURY SUSTAINED IN LINE OF DUTY

14.1 Each employee, subject to the provisions of said Chapter 152 of the General Laws, who is incapacitated for duty by reason of an injury or illness arising out of and in the course of his employment by the Town shall receive the benefits of said Chapter.

14.2 Whenever a police officer or firefighter is incapacitated for duty because of injury sustained in the performance of his duty without fault of his own, or such an employee assigned to special duty by his superior officer, whether or not he is paid for such special duty by the Town, is so incapacitated because of injuries so sustained, he shall be granted leave without loss of pay for the period of such incapacity; provided, that no such leave shall be granted for any period after such employee has been retired or pensioned in accordance with law or for any period after a physician designated by the Board of Selectmen determines that such incapacity no longer exists.

14.3 All amounts payable under Paragraph 14.2 shall be paid at the same time and in the same manner as, and for all such purposes shall be deemed to be, the regular compensation of such employee.

14.4 The Town shall indemnify a police officer and firefighter in the manner and to the extent provided for in Chapter 41, Section 100 of the General Laws for his reasonable hospital, medical, surgical, chiropractic, nursing, pharmaceutical, prosthetic and related expenses and reasonable charges for chiropody incurred as the result of an injury described in Paragraph 14.2.

SECTION XV — COURT LEAVE

15.1 A full-time employee called for jury duty shall be paid the difference between his regular pay and the compensation received by him as a juror, exclusive of travel allowances.

15.2 An employee summoned as a witness on behalf of the Town shall be granted leave and shall be paid the difference between his regular pay and his witness fees, exclusive of travel allowances.

15.3 An employee who is required to appear in court as a defendant or litigant shall be granted leave without pay for such purpose.

SECTION XVI — MILITARY LEAVE

16.1 A full-time employee, who has been employed by the Town for a period of six (6) consecutive months and who is ordered into temporary active duty with the Military Reserves or the National Guard shall be

paid for a period not to exceed fourteen (14) days the difference between his regular pay and the pay which he receives from the Federal or State Government during the period of his temporary active duty. For any period of such absence in excess of fourteen (14) days such employee shall be granted leave without pay.

16.2 A full-time employee who is inducted or enlists in any branch of the Armed Forces of the United States during any wartime emergency shall be granted a military leave of absence without pay. Within sixty (60) days of his separation from the Armed Forces he shall be reinstated, if he so requests, to the same or a comparable position and will have restored to him all benefits as if his service had been continuous.

SECTION XVII — BEREAVEMENT LEAVE

17.1 Full-time employees may be granted, in the discretion of the Department Head, leaves of absence without loss of pay for periods not in excess of three (3) days in the event of a death in their immediate families. Immediate family shall include parent, brother, sister, husband, wife, child, father-in-law, mother-in-law, grandparent, sister-in-law and brother-in-law.

SECTION XVIII — LEAVE OF ABSENCE WITHOUT PAY

18.1 A full-time employee, who is subject to the Civil Service Law, may be granted by the Board of Selectmen a leave of absence without pay for a period not to exceed (3) months in any period of twelve (12) consecutive months. Requests for such leave of absence shall be submitted to the Board of Selectmen through the Department Head and the Personnel Board and shall contain a detailed statement of the reasons for the request.

18.2 The provisions of Chapter 31, Section 46E of the General Laws shall be followed in approving leaves of absence without pay for full-time employees, subject to the Civil Service Law, for periods in excess of three (3) months, in reinstating such employees at the end of the period of approved absence, and in terminating the employment of an employee who does not return to duty at the end of the period of approved absence.

18.3 Employees not subject to the Civil Service Law may be granted leaves of absence without pay by the Department Head for periods not in excess of two (2) weeks. Requests for leaves of absence without pay for periods in excess of two (2) weeks shall be submitted to the Board of Selectmen through the Personnel Board and shall contain a detailed statement of the reasons for the request.

SECTION XIX — ABSENCE WITHOUT LEAVE

19.1 When an employee is absent from duty without authorization he will be charged as being absent without leave and will receive no pay for the period of the absence.

19.2 In addition to receiving no pay for a period of absence without leave, an employee may be subject to disciplinary action for such unauthorized absence.

SECTION XX — EDUCATIONAL COURSES

20.1 A full-time employee of the Police Department who attends, during his off duty hours, a law enforcement school or course approved in advance by the Chief of Police shall be reimbursed by the Town for the cost of his tuition and books upon his successful completion of the course with at least a grade of "C", provided, however, that the said cost is not paid for under a Federal or State program.

SECTION XXI — GRIEVANCE PROCEDURE

21.1 The Board shall constitute the Personnel Relations Review Board of the Town and as such shall have the powers and duties and shall perform the functions assigned to personnel relations review boards under the provisions of Section 21B of Chapter 40 of the General Laws. The Board in performing its duties as the Personnel Relations Review Board shall be subject to the limitations imposed by said Section 21B and by the By-Laws of the Town.

21.2 When sitting as the Personnel Relations Review Board the Board shall keep a separate record of its proceedings which shall not be open to public inspection, except as may otherwise be required by State law.

21.3 The grievance procedure established in this Section shall apply to all employees of the Town, except elected officials and except employees represented by an employee organization for the purpose of collective bargaining and with which organization the Town has entered into a collective bargaining agreement containing a specific grievance procedure. The grievance procedure contained in such an agreement shall apply to all employees represented by the employee organization. The purpose of the grievance procedure set forth herein is to produce prompt and equitable solutions to those problems which from time to time may arise and affect the conditions of employment of employees.

21.4 As used in this Section the word "grievance" shall be construed to mean any dispute between an employee and his supervisor or supervisors arising out of an exercise of administrative discretion by such supervisor or supervisors with respect to the conditions of employment

of the employee, except a dispute which is, or upon proper appeal would be, within the jurisdiction of the civil service commission or the contributory retirement appeal board.

21.5 Grievances as defined herein shall be processed in accordance with the following procedure:

- A. **Level One.** The aggrieved employee shall first present his grievance orally or in writing to his immediate supervisor. If the grievance is presented in writing, it shall give a summary of the facts involved and the relief desired. The immediate supervisor shall advise the aggrieved employee in writing of his decision with respect to the grievance within five (5) working days after the grievance is presented.
- B. **Level Two.** If at the end of the five (5) working days next following the presentation at Level One the grievance shall not have been disposed of to the employee's satisfaction, the aggrieved employee may within five (5) working days thereafter submit his grievance in writing to the Department Head. The written grievance shall give a summary of the facts involved and the relief desired. Within ten (10) working days after receipt of the written grievance the Department Head shall meet with the aggrieved employee and his representative, if he elects to have one, in an effort to settle the grievance. Within ten (10) working days after the conclusion of said meeting, the Department Head shall advise the aggrieved employee of his or its decision.
- C. **Level Three.** If at the end of the twenty (20) working days next following the presentation of the grievance at Level Two the grievance shall not have been disposed of to the employee's satisfaction the aggrieved employee may within five (5) working days thereafter submit his grievance to the Board acting as the Personnel Relations Review Board. Within ten (10) working days after receipt of the written grievance, the Board shall meet with the aggrieved employee and his representative, if he elects to have one, in an effort to settle the grievance. The Board shall within ten (10) working days after the conclusion of said meeting advise the employee in writing of its decision. The decision of the Board with respect to said grievance shall be final.

21.6 If at the end of the twenty (20) working days next following the occurrence of any grievance or the date of first knowledge of its occurrence by an employee affected by it, the grievance shall not have been presented at Level Two of the procedure set forth above, the grievance shall be deemed to have been waived. Any grievance in course under such procedure shall also be deemed to have been waived if the action required to present it at the next level in the procedure shall not have been taken within the time specified in the procedure.

21.7 The time limits hereinabove specified for the bringing and processing of a grievance may be extended by mutual agreement of the parties.

SECTION XXII — AMENDMENT AND SEVERANCE

22.1 **Amendment.** This By-Law may be amended only at an Annual Town Meeting, unless amendment at an earlier time shall be clearly imperative by a specific provision of the General Laws.

22.2 **Severance.** The provisions of this By-Law are hereby declared to be severable, and if any such provision or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional, such invalidity, illegality or unconstitutionality shall not be construed to affect the validity, legality, or constitutionality of any of the remaining provisions or the application of said By-Law to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

Or do or act in any matter relative thereto.

APPENDIX A

CLASSIFICATION PLAN, COMPENSATION PLAN AND WORKWEEK

Classification of Positions			Class	Wkly. Hours	Effective April 1, 1973			Effective January 1, 1974			
A. CLERICAL GROUP											
(1)	Clerk, Senior	C-3	35	\$5450	\$5800	\$6150	\$6500	\$5750	\$6100	\$6450	\$6800
(2)	Clerk	C-2	35	4900	5250	5600	5950	5200	5550	5900	6250
(3)	Clerk, Junior	C-1	35	3750	4200	4650	5100	3950	4400	4850	5300
B. PUBLIC WORKS GROUP

I have this day posted seven (7) copies of the within Warrant, in **seven (7) places in the Town of Plainville**, seven (7) days before said meeting.

MAYNARD G. GRANT, Constable

Attest: **AUSTIN F. GRANT**, Town Clerk

**PROCEEDINGS OF THE
SIXTY-EIGHTH TOWN MEETING
TOWN OF PLAINVILLE, MASSACHUSETTS**

March 5, 1973

Pursuant of the foregoing warrant, the sixty-eighth Annual Town Meeting was opened by Town Clerk, Austin F. Grant at 8:00 a.m. on Monday, March 5, 1973 in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts.

The workers having been appointed by the Board of Selectmen were sworn in to the faithful performance of their duties of Town Clerk, Austin F. Grant. Robert Keniston, Warden; Stanley Cole, Deputy Warden; Marion McCabe, Clerk; Gael Kelly, Deputy Clerk; Theodore Wickman, Ballot Box Officer; Tellers: Marie J. Diede, Evelyn Soule, Jacqueline Digiantommaso, Alternate; Helen Cobb, Violet Osterholm, Lucille Keniston, Alternate.

This meeting being for the purpose of election of town officers, the ballot box was inspected by Jacqueline DiGiantommaso, Marion McCabe, Stanley Cole and Helen Cobb. Declared empty, locked and the key turned over to the Ballot Box Officer.

The Police on duty during the hours of voting and until the ballots were counted were: Sgt. Edgar Peavey, Sgt. Walter Sandland, Edward Reilly, Bernard Walsh and Thomas Blaisdell.

Richard Cobb, Maurice Theriault and Robert Thibedeau, members of the Board of Registrars were in attendance during the hours of voting for the purpose of answering questions pertaining to voting lists.

At 8:00 p.m. the polls were declared closed by Warden Robert Keniston also declaring that all other business in the Warrant for this Annual Town Meeting is postponed until Monday, March 19, 1973 at 7:30 p.m. in the Auditorium of the Plainville Elementary School, South Street, Plainville.

The Ballot Box showed 781 voters. Voting lists were checked and the following noted: 401 women, 380 men. The ballot box was inspected by Esther Grant, Ben Armstrong, Helen Theriault and Rita Pimental. The number of ballots counted checked with the voting lists.

At 8:00 p.m. the following counters were sworn in by Town Clerk, Austin Grant; Beverly A. Armstrong, Naomi Beckman, Constance Boucher, Esther Grant, Myrna Harmon, Allie B. C. McAlpine, Robert K. Darling, R., Catherine T. Ashworth, Kevin Flynn, Douglas R. McCabe, Kenneth McCabe, Jean B. Mathews, Rita G. Pimental, Helen Theriault, D.

AUSTIN F. GRANT, Town Clerk

**PROCEEDINGS OF THE
SIXTY-EIGHTH ANNUAL TOWN MEETING
TOWN OF PLAINVILLE, MASSACHUSETTS**

March 19, 1973

The adjourned session of the Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator Frank Grzenda, at 7:34 P.M. in the Auditorium of the Plainville Elementary School, South Street, on Monday evening, March 19, 1973.

Rev. John Bowmar, retired pastor of the Plainville Methodist Church was called upon to give the invocation by the Moderator.

Voters were checked into the hall by means of the Registrars voting lists by Robert C. Keniston and Evelyn Soule. The number of voters checked at the end of the evening was 192; 108 men and 84 women.

The bounds of the hall for participation in the meeting and voting were declared by the Moderator to be the two sections of chairs set up on the auditorium floor.

Counters appointed were: right side of the Moderator, Raymond LaCourse, and Robert Peasley, Jr.; left side, Merrill Hastings, Jr., and Eugene Gucwa. Austin F. Grant, Town Clerk was appointed Ballot Box Officer in case of vote by ballot.

ARTICLE 8. Motion by Robert Brothers and seconded by David Lomasney that Article 8 be amended to read as follows: that the town authorize the treasurer, with the approval of the selectmen to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973, in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, by issuing a note or notes payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17. Unanimously voted as amended.

Motion by Reginald Keyes and seconded by Thomas Armitage to adjourn the meeting at 7:54 P.M. until next Monday, March 26, 1973 at 7:30 P.M. so the voters would have an opportunity to go over the Annual Town Report and Finance Committee report. Unanimously voted.

AUSTIN F. GRANT, Town Clerk

ADJOURNED SESSION, MARCH 26, 1973

The adjourned session of the Annual Town Meeting, was called to order by Moderator Frank Grzenda at 7:43 P.M. in the Auditorium of the Plainville Elementary School, South Street, Plainville. Mr. Grzenda appointed the following counters for the evening: Merrill Hastings, Jr., James Hayward, right side of the hall; Donald Carter and James E. Downhill, to the left of the hall. In the event of vote by ballot, Austin F. Grant, Town Clerk was appointed ballot box officer. Checkers: Evelyn Soule and Robert Keniston. The bounds of the hall are the seats provided for voters and non-voters in the bleachers.

ARTICLE 2a. Motion by Robert Root and seconded by Robert Loew that Robert R. Faille, William Salamone and Jerauld Jillson be appointed Fence Viewers and Field Drivers for the ensuing year. Unanimously voted.

ARTICLE 2b. Motion by Robert Root and seconded by Robert E. Loew that Alec Frederickson, Francis Simmons and Everett W. Skinner be appointed as Measurers of Wood, Bark and Lumber for the ensuing year. Unanimously voted.

ARTICLE 3. Motion by Robert Root and seconded by Robert Loew that the reports of the Selectmen, Treasurer, and other Town Officers, with the exception of omissions or typographical errors, be accepted.

Motion by Lynn Reynolds and seconded by Thomas Reynolds to have section entitled "Where to get Health Services and Information," page 222 of the Annual Town Report, Town of Plainville, 1972, added and inserted before heading "General Health", items as follows, Community Family Service — Information and referrals — 699-8711, to be included in the minutes of the Town Meeting. Unanimously voted as amended.

ARTICLE 4. Motion by Robert Loew and seconded by Everett Skinner that the Town vote to accept the provisions of Chapter 81 of the General Laws. Unanimously voted.

ARTICLE 5. Motion by Robert Barney and seconded by David Lomasney that the Town vote to fix the salaries and compensations of

all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended for the fiscal year 1973-1974 as follows:

Moderator	\$25.00 per meeting
Town Clerk	1,350.00 per year
Town Treasurer	4,200.00
Selectmen— Chairman	1,350.00
Second Member	1,200.00
Third Member	1,200.00
Board of Health — each member	225.00
Assessors—Chairman	1,800.00
Second Member	1,800.00
Third Member	1,800.00

- 2 Street lights Birchwood Drive
- 3 Street lights Appletree Drive
- 4 Street lights Pinetree Drive
- 2 Street lights Deerfield Drive
- 4 Street lights Oak Drive
- 1 Street light Millbrook Drive

Unanimously voted. (Money to pay for same included in Article 12, Street Lights)

ARTICLE 9. Motion by David Lomasney and seconded by Robert Barney that the Town vote to authorize the Board of Selectmen to hire an Administrative Assistant at a salary not to exceed \$12,000.00 per year and transfer from available Revenue sharing funds the some of \$12,000.00 for this purpose.

Motion by David Lomasney and seconded by Gerard Jeannotte to incorporate the job description to Article 9 in the minutes. Unanimously voted.

Moderator declared the Yes vote carried on Article 9 and amendment.

ADMINISTRATIVE ASSISTANT

JOB DESCRIPTION:

1. He shall hold a degree in Accounting or Business Administration, or its equivalent.
2. He shall hold no Elective Town office.
3. He shall act as Administrative Officer for the Selectmen as follows:
 - a. Investigate problems brought to his attention and recommend action on each to the Board of Selectmen.
 - b. Prepare agenda for Selectmens meetings.
 - c. Prepare documents for signature by Board of Selectmen, such as:
 1. Purchase Orders.
 2. Contracts for Labor or Materials.
 3. Payrolls.
 4. Approval of Payment of Invoices.
 5. Reply to correspondence addressed to the Board of Selectmen.

4. He shall administer central purchasing as follows:
 - a. Consolidate requests from departments under control of Board of Selectmen, for supplies and equipment.
 - b. Develop specifications for bid contracts.
 - c. Submit recommendations to Board of Selectmen for action.
5. He shall see that an accounting of expenditures for all departments under the Board of Selectmen is maintained.
6. He shall maintain a public relations posture with all interested agencies of the town through:
 - a. Annual Report editing.
 - b. News media releases.
 - c. Individual contact with town departments and committees.
7. Execute special studies as required by the Board of Selectmen as follows:
 - a. Special projects with one or more other town agencies.
 - b. Projects developed by State or Federal agencies.
 - c. Recruitment of Personnel.
8. He may be appointed Town Accountant by the Board of Selectmen to conform with the language used in General Laws, Chapter 41, Section 55.
9. He shall develop budgetary information as required by the Board of Selectmen for preparation of Town Budgets.
10. He shall be assigned additional duties and responsibilities by the Board of Selectmen when they deem necessary.

ARTICLE 10. Motion by Robert Barney and seconded by David Lomasney to transfer from available revenue sharing funds the sum of \$5,000.00 to be used under the direction of the Municipal Building Committee for originally furnishing and equipment of the Town Offices Building and Police and Fire Departments. Unanimously voted.

ARTICLE 11. Motion by George Pray and seconded by Robert Barney that the town vote to raise and appropriate \$2,400.00 for the purpose of paying unpaid bills for the Vocational Education Account for 1972. Unanimously voted.

Motion by David Lomasney and seconded by Robert Barney to move to Article 32, and unanimously voted.

Motion by Thomas Reynolds and seconded by George Lemire that Article 32, Town of Plainville Personnel Bylaw, Chapter II be presented, discussed and approved section by section. Unanimously voted.

The Moderator declared a 2/3 vote was required on Personnel Bylaw.

ARTICLE 32. SECTION I AUTHORIZATION AND APPLICATION.

1.1 Motion by Thomas Reynolds and seconded by Robert Faille to amend Section I, Article 1.1 by the addition of the word "of Chapter 41" to read . . . Section 21B of Chapter 40 and Section 108A and 108C of Chapter 41 of the General Laws." Yes 185 No 0 to Amend. Section I and amendment 164 Yes 0 No.

SECTION II. Motion by Thomas Reynolds and seconded by George Pray to accept Section II as written. Yes 172 No 3 Motion carries.

SECTION III PERSONNEL BOARD

3.1 Membership

Motion by Thomas Reynolds and seconded by Robert Faille to accept Section III as written.

Motion by George Pray and seconded by Jean Baumgardner to amend section 3.1 to read: A Personnel Board of five (5) members, appointed by the Board of Selectmen **"and three (3) members of the Finance Committee,"** shall be responsible for the administration of this Bylaw. Members of the Board shall be voters of the Town and shall not be employees or officers of the Town.

Motion by Gerald Viera and seconded by Lynn Reynolds to amend the amendment by adding, "that appointment to the Personnel Board be made by a "majority vote" of three members of the Selectmen and three members of the Finance Committee."

Vote on amendment to amendment: Unanimous. Vote on amended motion Yes 126 No 17. Motion carries.

3.2 QUALIFICATIONS.

Motion by Everett Skinner, Jr. and seconded by Robert Loew to amend section 3.2 to read: In making appointments to the Board, the Board of Selectmen **"and the Finance Committee"** shall give consideration to persons who are knowledgeable and experienced in the fields of personnel administration and labor relations and who will best represent the interest of both the employees and the taxpayers of the Town in carrying out the duties and responsibilities of the Board. Unanimously voted.

SECTION 3.3 TERM OF OFFICE.

Motion by Everett Skinner, Jr. and seconded by Robert Loew to amend 3.3 by including "and Finance Committee" after the word Selectmen. Unanimously voted.

3.4 ORGANIZATION.

Motion by Thomas Reynolds and seconded by Robert Faille to insert "part time clerk" after the words: "The Board shall appoint a", and unanimously voted.

Motion by Thomas Reynolds and seconded by Robert Faille to accept section 3 of Article 32 and its amendments. Yes 156 No 1. Motion carries.

At this time the Moderator declared a ten minute recess 9:55 p.m. Back in session at 10:05 p.m.

SECTION IV. DUTIES OF PERSONNEL BOARD.

Motion by Thomas Reynolds and seconded by Charles Mason to accept Section IV as written.

Motion by George Pray and seconded by Mary Serwinski to amend section 4.1 by deleting the words "and decide all questions relating to the interpretation and application of the Bylaw".

Motion by Thomas Reynolds and seconded by George Pray that for clarification of section 4.1 permission be granted to Attorney Lee to speak. The Moderator declared, to have outside party speak the vote must be unanimous by the town meeting. Not unanimous.

Motion by George Pray and seconded by Mary Serwinski that this amendment be withdrawn. Amendment withdrawn.

Section 4 of Article 32 passed as written. Yes 132 No 0.

SECTION V. CLASSIFICATION PLAN.

Motion by Thomas Reynolds and seconded by George Lemire to accept Section V as written. Yes 132 No 0. Unanimously voted.

SECTION VI. COMPENSATION PLAN.

Motion by Thomas Reynolds and seconded by Robert Faille to accept Section VI as written. With the motion still on the floor to accept Section VI as read and another request by Robert Loew to have Attorney Lee speak and explain the confusion of this section, a motion was made by David Lomasney and seconded by Jean Baumgardner at 11:00 p.m. to adjourn the meeting until the following Monday, April 2, 1973 at 7:30 p.m.

The voice vote was questioned. The Moderator declared a standing vote. Results: Yes 86, No 49. Motion carried.

The count of voters checked into the auditorium by the Registrars voting lists showed 144 men and 89 women, a total of 233 present.

AUSTIN F. GRANT, Town Clerk

SECTION VIII HOURS OF DUTY

Motion by Thomas Reynolds and seconded by George Pray to accept Section 8 as written. Yes 129 No 0. Unanimously voted.

SECTION IX OVERTIME

Motion by Thomas Reynolds and seconded by Gerald Viera to accept Section 9 as written. Yes 119. No 0. Unanimously voted.

SECTION X. COURT TIME

10.1 Motion by Thomas Reynolds and seconded by Gerald Viera to amend Section 10.1 to read "a full time employee" in place of "an employee". Unanimously voted.

Section X and amendment. Yes 124. No 0.

SECTION XI. HOLIDAY PAY

Motion by Thomas Reynolds and seconded by Robert Barney to accept Section XI as written. Yes 121. No 0. Unanimously voted.

SECTION XII. VACATION LEAVE

Motion by Thomas Reynolds and seconded by Roland Ferland to accept Section 12 as written. Yes 116. No 1. Motion carries.

SECTION XIII. SICK LEAVE

Motion by Thomas Reynolds and seconded by Roland Ferland to accept Section 13 as written. Yes 119. No 0. Unanimously voted.

SECTION XIV. PERSONAL INJURY SUSTAINED IN LINE OF DUTY

Motion by Thomas Reynolds and seconded by Robert Barney to accept Section 14 as written. Yes 122. No 0. Unanimously voted.

SECTION XV. COURT LEAVE

Motion by Thomas Reynolds and seconded by Roland Ferland to accept Section 15 as written. Yes 124. No 0. Unanimous.

SECTION XVI. MILITARY LEAVE

Motion by Thomas Reynolds and seconded by George Pray to accept Section 16 as written. Yes 114. No 0. Unanimous.

SECTION XVII. BEREAVEMENT LEAVE

Motion by Thomas Reynolds and seconded by Everett Skinner to accept Section 17 as written. Yes 114. No 0. Unanimously voted.

SECTION XVIII LEAVE OF ABSENCE WITHOUT PAY

Motion by Thomas Reynolds and seconded by Robert Barney to accept Section 18 as written. Yes 98. No 0. Unanimously voted.

SECTION XIX. ABSENCE WITHOUT LEAVE

Motion by Thomas Reynolds and seconded by Robert Barney to accept Section 19 as written. Yes 109. No 0. Unanimously voted.

SECTION XX EDUCATIONAL COURSES

Motion by Thomas Reynolds and seconded by Gerald Viera to amend Section XX, Article 20.1 to read "A full time employee of the Police or Fire Department who attends during his off duty hours, a law enforcement or fire science school or course, approved in advance by his or her chief shall be reimbursed by the Town for the cost of his tuition and books upon his successful completion of the course with a grade of "C55 provided, however, that the said cost is not paid for under a Federal or State Program. Unanimously voted. Section XX and amendment Yes 113. No 0.

SECTION XXI GRIEVANCE PROCEDURE

Motion by Thomas Reynolds and seconded by David Lomasney to accept Section 21 as written. Yes 113. No 0. Unanimous.

The Moderator declared a recess at 8:55 p.m. Meeting called back to order at 9:00 p.m.

SECTION XXII. AMENDMENT AND SEVERANCE

22.1 Amendment. Motion by Thomas Reynolds and seconded by Gerald Viera, "Repeal and amendment of Bylaw". These Bylaws may be altered, repealed, or amended by a 2/3 vote at any Annual Meeting or at any other Town Meeting specially called for the purpose, an article, or articles for such purpose having been inserted in the warrant for such meeting. Motion by Thomas Reynolds and seconded by Gerald Viera to amend the amendment by striking out the word "the" and replacing it with the word "that" purpose. Unanimous vote on amendment and Article 22 to be accepted as written. Yes 123. No 0. Unanimous.

Motion by David Lomasney and seconded by Robert Barney. The Finance Committee recommends and I so move that Part C, Public Safety Group, Section (1) Lieutenant be deleted, and Part D, Department Heads, Section (3) Highway Superintendent be increased to \$13,650.00 and \$14,250.00 in January 1974 so the Highway Superintendent is in conformity with the Police and Fire Department Heads. We also recommend that the Police and Fire Chief not be paid these sums until such time the apparent violation be resolved by the Internal Revenue Service in writing and we also recommend that Part G, Inspection Group, be amended in the following manner: (3) Wiring Inspector, (4) Plumbing Inspector, and (5) Gas Piping Inspector be paid an annual wage equal to those amounts collected in fees and turned over to the Town Treasurer.

Section C. to delete lieutenant voice vote questionable. A standing vote was taken and results: 81 in favor, 49 against amendment. Motion carries.

Section D. approve raise of highway superintendent pay in conformity with other department heads. Motion carries.

Mr. Lee, Attorney was allowed to speak on apparent violation on retroactive pay to Chief of Police and Fire Chief.

The Moderator declared he was going to by-pass recommendation on withholdings of Police Chief and Fire Chief pay because it was not a motion on the floor.

Section G. (3) Wire Inspector for wages equal to those amounts collected to fees. Unanimously voted.

(4) Plumbing Inspector annual wages equal to those amounts collected in fees. Unanimously voted.

(5) Gas Piping Inspector annual wages equal to those amounts collected in fees. Unanimously voted.

Vote in favor of Appendix A as amended: Yes 131. No 4. Motion carried.

ARTICLE 12. Motion by David Lomasney that the sum of \$3,021,310.53 be raised by taxation, and that \$59,000. be transferred from the Water Reserve Account, \$2,702.97 be from State Aid to Libraries, \$740.50 from Dog Tax and \$50,500 be from those funds either received or to be received under Federal Revenue Sharing.

The breakdown on Article 12 was made by George Pray.

At this point Jean Baumgardner brought up discussion on Section 29.

As the hour was late a motion was made by Reginald Keyes, seconded by Jean Baumgardner that this meeting be adjourned to Monday evening, April 9, 1973 at 7:30 P.M.

Meeting adjourned at 11:18 P.M.

Registered voters checked into the hall totaled 158: 101 men, 57 women.

AUSTIN F. GRANT, Town Clerk

ADJOURNED SESSION, APRIL 9, 1973

The adjourned session of the 1973 Annual Town Meeting was called to order by Moderator Frank Grzenda at 7:35 P.M. in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts. Mr. Grzenda appointed the following counters, to the right; Lynne Reynolds and Robert Eichen; to the left, Eugene Gucwa and Jean Mulligan. Yes 111, No 0. Unanimously voted.

ARTICLE 15. Motion by David Lomasney and seconded by Robert Barney. The Finance Committee recommends, and I so move, that the town vote to raise and appropriate the sum of \$15,000.00 for a reserve fund to provide for the extra-ordinary and unforeseen expenses as authorized by Section 6, Chapter 40, General Laws. Unanimously voted.

ARTICLE 16. Motion by Roland Ferland and seconded by George Pray. The Finance Committee recommends and I so move, that the Town vote to raise and appropriate the sum of \$25,000.00 for the stabilization fund under authority of Chapter 40, Section 5B of the General Laws. Unanimously voted.

ARTICLE 17. Motion by Everett Skinner and seconded by Robert Loew that the Town vote to accept the provisions of Chapter 90 of the General Laws, and the sum of \$3,500.00 be raised and appropriated for the Towns share of Chapter 90 maintenance and that in addition the sum of \$7,000.00 be borrowed to meet the State and County's share of the cost of the work and to authorize the issuance of bonds or notes of the Town therefore (2/3 vote required). Yes 114, No 0. Unanimous vote.

ARTICLE 18. Motion by Everett Skinner and seconded by Robert Loew that the Town vote to raise and appropriate the sum of \$4,750.00 to meet the Towns share of the cost of Chapter 81 Highways and that in addition the sum of \$9,998.00 be borrowed to meet the States share of the cost of the work and to authorize the issuance of bonds of the Town therefor. (2/3 vote required) Yes, 115, No 0. Unanimously voted.

ARTICLE 19. Motion by Everett Skinner and seconded by Robert Loew that the Town vote to raise and appropriate the sum of \$12,050.00 be raised and appropriated to continue the laying out and construction

on Messinger Street and George Street under Chapter 90 of the General Laws. The money to be raised as follows: \$3,050.00 the towns share to be raised and appropriated by taxation, and the State and County's share of the work, \$9,000.00 to be borrowed, and to authorize the issuance of bonds or notes of the Town therefor. 2/3 vote required. Yes 119, No 0.

ARTICLE 20. Motion by David Lomasney and seconded by George Pray. The Finance Committee recommends, and I so move, that the Town vote to raise and appropriate the sum of \$1,500.00 for the control of insects and Dutch Elm disease as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent. Unanimously voted.

ARTICLE 21. Motion by Roland Ferland and seconded by Robert Barney. The Finance Committee recommends and I so move, that the Town vote to transfer from the available revenue sharing account the sum of \$4,200.00 to be expended by and under the direction of the Park Commissioners for the purchase and erection of proper fencing to enclose in its entirety the existing tennis court and the newly constructed court, with proper back-stop between two including two gates. Unanimously voted.

ARTICLE 22. Motion by Everett Skinner and seconded by Charles Mason, that the Town vote to transfer from the available revenue sharing account the sum of \$24,000.00 for the purpose of Article 22 as follows:

Beginning at a point in the southerly line of Cowell Street, said point being 1023.12 feet easterly of the north easterly corner of land of Plainville Beagle Club as measured in the southerly line of said Cowell Street; thence

S 80°05'00" W. By said Cowell Street, 679.52 feet to an angle; thence

S 87°17'10" W. By said Cowell Street, 343.60 feet to a stake and land of Plainville Beagle Club, thence

S 11°16'20" E. By Plainville Beagle Club land 1284.23 feet to a granite Bound and Stones; thence

S 10°12'10" E. By land of the Town of Plainville, 453.86 feet to a drill hole at the corner of a wall; thence

S 30°47'20" E. By a wall and land of the Town of Plainville, 423.06 to a granite bd. feet; thence

N 73°50'40" E. By land of the Town of Plainville, 283.04 feet to a granite bound and stones; thence

S 71°30'00" E. By land supposedly of the Town of Plainville, 530.64 feet; thence

N 16°30'00" E. By land of Higgins Mobile Homes, Inc., 330.00 feet; thence

N 04°30'00" E. By land of Higgins Mobile Homes, Inc., 601.92 feet to a granite bound; thence

N 22°09'40" W. By other land of Southeastern Construction Inc., 916.21 feet; to a drill hole in the end of a wall; thence

N 16°30'15" W. By a wall and other land of Southeastern Construction Inc., 144.21 feet to a drill hole in the end of a wall; thence

N 09°27'30" W. By a wall and other land of Southeastern Construction Inc., 394.57 feet to a stake and the point of beginning.

As shown on a plan by: James A. Freeman Eng. Co., dated April 1973 (2/3 vote required) Yes 110 No 0 Unanimously voted.

ARTICLE 23. Motion by Robert Brothers and seconded by Everett Skinner that the Town vote to transfer from available revenue sharing funds the sum of \$500.00 for normal repair and maintenance of the Scout House. Unanimously voted.

ARTICLE 24. Motion by Robert Brothers and seconded by Charles Mason. The Finance Committee recommends no action on Article 24. Unanimously voted.

ARTICLE 25. Motion by David Lomasney and seconded by Robert Barney. The Finance Committee recommends and I so move that the amount appropriated and authorized to be borrowed under Article 31 of the Warrant for the 1972 Annual Town Meeting be reduced by \$150,000.00 so that the amount so appropriated and authorized to be borrowed becomes \$2,050,000.00, that the sum of \$150,000.00 be appropriated for the cost of engineering services for plans and specifications for the sewer project described in said Article 31, that to raise said appropriation the sum of \$15,000.00 be raised by taxation and the Treasurer, with the approval of the Board of Selectmen be and hereby is, authorized to borrow, at one time or from time to time, the sum of \$135,000.00 under the authority of Chapter 44, Section 7 (22) of the General Laws and to issue bonds or notes of the Town therefore, for a period not to exceed ten (10) years. (2/3 vote required) Yes 110 No 0 Unanimously voted.

ARTICLE 26. Motion by George Pray and seconded by Everett Skinner. The Finance Committee recommends, and I so move, that the Town vote to install an 8" cast iron water main on George Street from East Bacon Street to Messenger Street a distance of 600 feet, and on Messenger Street from George Street, westerly, a distance of 700 feet and to transfer the sum of \$11,000.00 from available revenue sharing funds to be expended by and under the direction of the Water Commissioners. Unanimously voted.

ARTICLE 27. Motion by Robert Brothers and seconded by Everett Skinner. The Finance Committee recommends and I so move, that the Town vote to transfer the sum of \$10,000.00 from available revenue sharing funds to be spent by and under the direction of the Water Commissioners for the exploration and testing of new well sites. Unanimously voted.

ARTICLE 28. Motion by Robert Loew and seconded by Charles Mason that the Town vote to authorize the selectmen to petition the General court for a special legislative act as follows:

"An act establishing Civil Service status to certain employees of the Police Department of the Town of Plainville. Be it enacted by the Senate and House of Representatives in General Court assembled and by the authority of the same as follows:

Section I. That the following named persons be placed in Civil Service Statue: Gregory Fiske, William MacKenzie, Edward Orlando and Stephen West, in spite of the fact that they were not employed for six months or more, prior to the placing of their positions under Civil Service.

Section II. This act shall take effect upon its passage."

Motion by Charles Mason and seconded by Robert Root to amend Article 28 by inserting the word "substantially" before the words as follows: and after the word act. (2/3 vote required) Yes 91 No 3 Motion carries.

ARTICLE 29. Motion by Everett Skinner and seconded by Everett Skinner Jr. to accept Article 29 as written. Unanimously voted.

ARTICLE 30. Motion by Everett Skinner and seconded by Robert Barney to accept Article 30 as written. Unanimously voted.

ARTICLE 31. Motion by Ronald Fredrickson and seconded by Everett Skinner that the Town vote to transfer from the Conservation

Fund a sum not to exceed \$8,000.00 so that the Conservation Commission may acquire by purchase or take by eminent domain the fee in the hereafter described and in accordance with and for the purposes set forth in Chapter 40, Section 8C of the General Laws, and to authorize and approve the Taking by Eminent Domain as requested by the Conservation Commission to hereinafter described land and water which shall thereupon be under the jurisdiction and control of the Conservation Commission. The Remainder of this Article to be accepted as printed. Unanimously voted yes.

ARTICLE 33. As there were no reports of committees or committees to be appointed at this meeting, the Moderator declared the Town Meeting closed.

The motion to adjourn at 10:00 p.m. by David Lomasney and seconded by Robert Barney was unanimously accepted. The count of voters as checked into the auditorium by the Registrars voting lists showed 83 men and 47 women, total of 130 voters present.

AUSTIN F. GRANT, Town Clerk

WARRANT

FOR A SPECIAL TOWN MEETING

Monday, June 18, 1973

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, JUNE 18, 1973

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1.—Shall the town accept the provisions of sections sixteen to sixteen I, inclusive, of chapter seventy-one of the General Laws, providing for the establishment of a regional vocational-technical school

district, to consist of such two or more of the towns of Franklin, North Attleborough and Walpole, together with such four or more of the towns of Dover, Medfield, Medway, Millis, Norfolk, Plainville, Sherborn and Wrentham as vote to become members of said district, and the construction, maintenance and operation of a regional school by the said district in accordance with the provisions of a proposed agreement filed with the Selectmen?

ARTICLE 2.—To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of paying the Town's apportioned share of the initial operating and maintenance costs of the proposed regional vocational-technical school district consisting of such two or more of the towns of Franklin, North Attleborough and Walpole, together with such four or more towns of Dover, Medfield, Medway, Millis, Norfolk, Plainville, Sherborn and Wrentham as vote to become members of said district, provided that this appropriation shall not be effective unless such district shall be established and the Town shall vote to become a member thereof and provided further that no part of said appropriation shall be paid over to such district until an initial operating and maintenance budget for the fiscal year shall have been adopted and the Town's share thereof certified to the Town Treasurer by the regional school district treasurer, or take any other action relative thereto.

ARTICLE 3.—To see if the Town will vote to transfer that parcel of land situated on the northwesterly side of Washington Street, being shown on Assessors Sheet No. 4, lot No. 34, containing 14 acres, more or less to the Conservation Commission of the Town of Plainville and to its custody and control for all purposes included in Chapter 40, Section 8 C and amendments thereto. Or do or act in any manner relative thereto.

ARTICLE 4.—To see if the Town will vote to accept the provisions of Section 20 C of Chapter 90 of the General Laws and Amendments thereto, relating to Parking Violation. Or do or act in any manner relative thereto.

ARTICLE 5.—To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$510.00 (10 cents per capita) to support the Home Health Services Inc. Or do or act in any manner relative thereto.

ARTICLE 6.—To see if the Town will vote to change the date for the Annual Town Meeting to the second Monday in April of each year. Or do or act in any manner relative thereto.

ARTICLE 7.—To see if the Town will vote to raise and appropriate, or transfer from available funds, the sum of Five Hundred (\$500.00) Dollars for Selectmen's C & I account. Or do or act in any manner relative thereto.

ARTICLE 8.—To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of Fifteen Hundred (\$1,500.00) Dollars for the Community Health Agency, Inc. (Board of Health Nursing Services). Or do or act in any manner relative thereto.

ARTICLE 9.—To see if the Town will establish under the provisions of the General Laws, Chapter 40, Section 8 d, an historical commission of the Town of Plainville for the purposes and with the rights and duties provided by law, to be composed of 5 members, appointed by the Selectmen for terms of three years except that initial appointment shall be 1 member for one year, 2 members for two years and 2 members for three years, or do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 22nd day of May in the year of Our Lord one thousand nine hundred and seventy-three.

Motion by Raymond Miller and seconded by Charles Mason to reconsider Article 8. Yes 94 No 0 Unanimous

Motion by Ray Miller and seconded by Charles Mason that the Article to be accepted and as to read "To see if the Town will vote to transfer funds from available funds, the sum of Fifteen Hundred (\$1,500.00) Dollars for the Community Health Agency, Inc. (the funds to be transferred from available funds) Question of voice vote. Yes 41 No 32 Article defeated.

ARTICLE 9. Motion by Robert Darling and seconded by Ray Felix that the Town vote to establish under the provisions of the General Laws, Chapter 40, Section 8d, an Historical Commission of the Town of Plainville for the purposes and with the rights and duties provided by law, to be composed of 7 members, appointed by the Selectmen for the terms of three years except that initial appointments shall be two (2) members for one year, two (2) members for two years and three members for three years, or to do or act in any manner relative thereto. Unanimously voted.

Motion by David Lomasney and seconded by Robert Barney to adjourn at 9:37 p.m. was unanimously accepted.

AUSTIN F. GRANT, Town Clerk

W A R R A N T

FOR A SPECIAL TOWN MEETING

Monday, September 24, 1973

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, SEPTEMBER 24, 1973

at 7:30 P.M., for the purpose of amending the By-Laws of the Town and such other business as may lawfully come before the meeting, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to amend the By-Laws of the Town by striking therefrom Chapter 1, Section 1.6, and inserting in lieu thereof the following: "1.6 All business except the election of such officers, and the determination of such matters as by law are required to be elected or determined by ballot, shall be considered by adjournment to the second Monday of April at 7:30 o'clock P.M.," or to do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$4,000.00 for Street Lights, or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

South by Cottage Street, 90.78 feet;

West by Town of Plainville land 87.98 feet;

North by Town of Plainville land 77.20 feet;

West by Town of Plainville land 62.07 feet;

North by Town of Plainville land 13.58 feet; and

East by land formerly of Richard V. and Elizabeth Allaire 150.05 feet, more or less. Being a portion of the land shown on Assessors Plans Sheet 12, Parcel 146 now supposedly owned by Sheldon Realty Corp.

And to raise and appropriate the sum of \$3,500.00 for this purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000.00) dollars to be expended by and under the direction of the Water Commissioners for the purpose of construction and installation of the Pumping Station, and to determine how such appropriation shall be raised, whether by transfer from the Overlay Account or Surplus Account; or by borrowing or otherwise, and if by borrowing, to authorize the issuance of bonds or notes by the Town therefor, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required).

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of \$16,000.00 to be expended by the Board of Selectmen for the purpose of erecting and installing traffic signals at the intersection of South Street (Route 1-A) and Cottage Street, or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to approve or disapprove the amount of the \$4,610,000.00 debt authorized on August 28, 1973 by the King Philip Regional School District Committee for the purpose of enlarging the regional high school by constructing and equipping an addition thereto. (2/3 vote required)

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings hereon at the time and place of said meeting.

Given under our hands this 7th day of September in the year of Our Lord one thousand nine hundred and seventy-three.

Regular meetings of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P.M.

Report of the Chairman

The past year was a period of much needed stability and long range planning for the King Philip District. For the first time in several years the administrators remained unchanged. This has allowed for orderly planning of the 600 pupil addition to the high school and related changes such as phasing out of the "general" course and the proposed administrative reorganization of the high school.

As usual educational costs are increasing. Enrollments are going up steadily, energy costs are expected to double, paper has doubled, etc. However the people costs or salaries of an educational system are the big boosters of tax rates. Salaries consume an average of 75% of the District budget. Under the terms of the present contract with the King Philip Teachers Association the pay schedules increase an average of 4.9% and the step raises add another 4.6% for a total of almost 9.5% per year. This means that the FY75 King Philip will increase over 5% to pay for teachers' raises alone! Increases for other District employees, higher enrollments, new programs, and new state requirements are in addition to this.

Again I wish to remind the residents of the District that the Committee regularly meets in open session the first and third Mondays of every month at 8:00 P.M. in the High School library. You are invited to attend.

My thanks to the Committee for their many hours of time and effort during the past year.

Respectfully submitted,

RICHARD C. AMOLING, Chairman
King Philip Regional School
District Committee

Report of the Superintendent of Schools

It is with pleasure that I submit my third annual report as Superintendent of the King Philip Regional School District.

The most important event of educational significance was the voting of a bond issue by the three member towns to provide an addition to the high school. I acknowledge with gratitude the financial commitment (\$4,600,000) to provide additional and modernized facilities at a time when the area is undergoing economic changes that are having severe financial impact upon its inhabitants. It represents a continuation of the traditional high regard in which the communities have held quality education as a primary method of providing for the future well-being of their children. Further, it means that there is a burden upon the teachers and administrators to use the available resources with wisdom to achieve optimum educational efficiency and effectiveness.

It is therefore important to emphasize that the addition to the high school represents not only additional space, but equally importantly, it signifies a marked change in the concepts of what a high school education should be and how those objectives can best be achieved.

The educational program will have three types of course offerings: academic, vocational and occupational. The academic courses include basic liberal arts offerings such as English, mathematics, sciences, foreign languages, etc. The vocational skills areas prepare a student who studies at least half a day in a specialized area for entry into a trade or industry; examples being house carpentry, automotive mechanics, office occupations, etc. The occupational curriculum provides electives, meeting five to eight periods a week, in all vocational areas for **any student** who desires a semi-skill, increased knowledge in one of the areas or who is searching for an area of concentration and wishes to investigate the "hands on" course offerings.

This is the comprehensive high school in which we can assist students establish direction and yet provide the necessary depth to meet their goals. A high school should not be a place where a student must have a "major" but rather a place where he samples, experiments and tries many general areas within a framework that provides sufficient courses in specialized areas if he desires to concentrate to meet his future goals.

It is democratic in that there is no labeling. Students may take primarily vocational courses or primarily academic courses with occupational offerings. There isn't a "general", "college prep", "vocational" or "business education" student, only students selecting a variety of

courses leading toward goals of their choice. There is, however, integration in that all students will take academic subjects together and occupational courses will be taught in vocational shops while both groups of students are present. Saleable skills will be available for each student including those following primarily academic college oriented course sequences. An entrance examination is not required to enter a vocational program.

The Commissioner of Education has commended the District for its approach. There is no other school in the Commonwealth providing this type of program, but it is in our estimation the direction necessary for quality education. The Commissioner feels that it is an excellent model for meeting the needs of all students.

In the past few years our administrators and teachers have diligently attempted to strengthen and extend our community relations program. Irrespective of where the schools are physically located we want each town to feel that the District schools are a vital part of each community. The school addition with its added facilities can provide educational services to the elementary schools and junior high school as well as evening, week-end and summer courses for students and adults who desire to upgrade their skills or learn new skills not only in a professional sense, but also for personal improvement. The federal manpower retraining and drop-out prevention programs would also be served.

It is expected that construction will commence late in the spring of 1974 with the facilities ready for student use in September of 1976. At that time the ninth grade students in the junior high school will be returned to the high school and the junior high school will have a major transformation of its programs to improve them and to blend with the new high school curriculum.

In spite of space limitations there have been extensive program changes in the District in 1973. You will find many of them noted in the reports of the administrators.

I would like to express my sincere appreciation to all of those who have contributed to the quality of the District schools—students, parents, the school committee, teachers, counselors, administrators, office staff, custodians and cafeteria workers. Each has made a contribution which would be sorely missed if it were not for their desire for excellence in their school system.

Respectfully submitted,

WILLIAM J. COSTA
Superintendent of Schools

Report of the High School Principal

The programs at our high school continue to reflect the community's commitment to comprehensive education opportunities for the students of King Philip Regional High School. Parents, school staff, and students joined together in activities in and out of school classrooms to enrich the educational experiences of our young people.

The staff continued to investigate and develop programs and techniques to improve and individualize instruction. Classroom environment was expanded to include resources on and off the campus such as the various town departments speaking to students in the state and local government classes. Area businesses joined in partnership with our school to offer cooperative work experiences for more than 40 of our business and distributive education students. A mini-computer enriched the mathematics program at our school. The English Department, this past year, initiated an elective program for Juniors and Seniors whereby all 11th and 12th grade students may choose from 28 course offerings, three or four semester courses offered during the periods when they are assigned to English. The objectives for all courses remain unchanged, but by choosing among several options a student may find material in which he is interested. In the area of social studies, we are continuing to institute new semester courses. We are now offering semester courses in U. S. History, State and Local Government and Psychology in addition to last year's semester courses.

Our students continued to take advantage of the programs and activities of their school. They took the initiative in Student Council projects; made curriculum suggestions; participated in drama and music; worked in many club activities; and through the Student Advisory Committee, the School Committee established a formal communication link between students and the elected representatives of the adult community.

In June 1973, 237 students received diplomas at the annual graduation ceremony. At that time, 50% of the graduates planned to go on to further education, 44% chose full time employment.

On October 1, 1973, the High School enrollment was 982 students. Grade 9, 116; Grade 10, 321; Grade 11, 290; Grade 12, 255. Enrollment increased by 94 students or 11% over last year.

In conclusion, I thank parents, students, teachers, school staff and the School Committee for their continued support as we co-operatively continue to work toward maximizing the experiences of our young citizens.

Respectfully submitted,

EDWARD W. SWITZER, Principal

Report of the Director of Guidance and Pupil Personnel Services

Guidance

In June of 1973, the staff of the Guidance Department at the King Philip Regional Schools was expanded to include the appointment of Mr. John R. Young as a counselor assigned specifically to the Vocational School. Mr. Young's primary function is to provide the Vocational School students with services that enable them to secure the knowledge and skills necessary in making adequate academic and vocational decisions. He also serves as an occupational placement counselor and has the added tasks of providing students with actual work experiences through placement and supervision of the cooperative program in industry, of collecting all significant information about individuals which will be of assistance in planning educational and vocational goals, and of providing teachers and administrators with such assistance and information about individuals as may be needed for the student to function successfully in the vocational program. Mr. Young also provides job safety information concerning the new OSHA Law.

Mr. Stanley Hamilton resigned from the King Philip Regional High School in October, 1973, to take the position of Director of Guidance in the Bellingham Public Schools. Mr. Robert Doherty was transferred from the Junior High School to the High School to replace Mr. Hamilton. Miss Judith Ryan, a graduate of the counselor education program at Springfield College, was appointed to replace Mr. Doherty at the Junior High School.

Counseling activities during 1973 have shown a marked increase in career and occupational counseling. The Career Information Program that was expanded in 1972 has been further expanded during 1973 to include a considerably larger library of resource materials. In all of the buildings, career desktop kits or the Science Research Occupational Kits have been added to the library. They are being used by students together with their counselors and by individual students who have access to them in the guidance library area. In addition, a speakers' bureau was initiated during 1973; and, to date, nine programs have been offered. The speakers are volunteers from the community who provide the students with valuable information on their particular career fields. They give information on job opportunities and requirements and also explain ways to enter the job field through further education, on-the-job training, apprenticeship programs, or entry level jobs. This has become a very interesting and worthwhile program for the students. It is interesting to

note that the greatest student interest and the most dynamic student groups have been found at the junior high school level. These young people seem very interested, very inquisitive, and very much desirous of this type of service by members of our local community, whose generosity has made this program a success in such a short period of time.

Our records program has continued with the completion of the micro-filming of all graduate records. During 1974, efforts will be made to microfilm all of the school leavers who have either transferred to other school systems or who have terminated their education prior to graduation. In 1973, we began a pilot program with the Edusyst Company of North Grafton, Massachusetts, to computerize transcripts which will relieve the guidance office of the task of typing a transcript for every student. This computerized transcript will be identical to the transcripts formerly used; however, it will be obtained from the students' quarterly and final marks, students' test records, and students' activities and interests forms all of which will be collected by the company and placed on computerized tapes so that we will have immediate data retrieval at the time a student needs a transcript. In addition to the transcripts, we have automated the class rank procedures and other programs.

In the area of testing, this year we involved ourselves with the military service in administering the Armed Services Vocational Aptitude Battery to all grade 10 and 11 students. This testing program will replace the Differential Aptitude Test and the Kuder Occupational Interest Survey that were formerly used. The ASVAB's major advantages are that it combines two tests into one test instrument, that it takes less time to administer, and that it is a free service of the United States Government. In addition, students will receive reports of their test results just as they have in previous testing programs which cost the school district a considerable sum of money.

One area of concern to counselors continues to be the large number of students with personal problems. It is an unfortunate reality that our society in the 1970's creates such pressures and demands upon students and disrupts family life to such a degree that many of our students exhibit a high degree of anxiety and concern for their welfare both now and also in the future. This type of counseling problem continues and apparently will continue to demand a considerable amount of counseling time.

Special Needs

The Special Needs area was expanded this year with the addition of a program for students who have behavioral problems. Miss Beverly Mann, who has a Masters Degree from Columbia University, was

employed to deal with students who exhibit these problems. The most significant things, however, in the area of Special Needs are the implication of recent legislation passed by the Massachusetts General Court. Chapter 766 will be implemented in the public schools of Massachusetts in September, 1974. This legislation prohibits the classification or labeling of students as retarded or perceptually handicapped; instead, these students will be considered children with special needs. The major components of this legislation are sophisticated screening, evaluation, and program development. In the evaluation process, Chapter 766 directs that all school committees will identify those children in their communities who have special needs and to diagnose, to evaluate, and to propose special education programs to meet those needs, and to provide or arrange for the provisions of such programs. During the evaluation period, the child will remain in a regular educational program unless his presence is substantially disruptive or there is a danger to his health or the health of other students. It is assumed that he will be properly placed after the evaluation has been completed and a program recommended. The over-riding consideration for each child's program shall be to keep the child in the mainstream of educational opportunities for his level of expectancy. The evaluating team consists of school psychologist, school nurse, special needs teachers, mainstream teachers, guidance counselors, and the school physician. During 1973, core evaluations were completed on 15 students in anticipation of the implementation of Chapter 766. During the school year 1973-74, the special needs area faculty and administration have been making and will continue to make a concerted effort to implement this law and to develop and expand programs within the King Philip Regional School District, as well as to expand some of the positions and time allotments of current special needs personnel. It would appear that the core evaluation team will be the primary component, and the complexity and comprehensiveness of the evaluation procedure will necessitate additional time for core evaluation personnel within the normal school day so that the evaluation program may be completed for the best interests of the students.

I would like to take this opportunity to express my appreciation and gratitude to the School Committee, the administration, and faculty of the King Philip Regional School District for their continued support and assistance in the areas of guidance and special needs. I would particularly like to thank the administration for their support and assistance during 1973 when I was president of the Massachusetts School Counselor Association.

Respectfully submitted,

FRANCIS X. O'REGAN, JR.

Director of Guidance and Pupil Personnel Services

Report of the Principal of the King Philip Regional School – North

I herewith submit my third Annual Report as Principal of King Philip Regional School-North.

The Junior High School offers an excellent opportunity to make the time-honored provisions for individual differences. The Junior High philosophy and organization which we have here at North can better perform the social demands for more English, Foreign Language, Science Mathematics, Reading, Social Studies, etc. At the same time it can also administer to the demands and needs of the young adolescent.

This is the second year that we are housing Grade Nine college bound students (198). Our school population is 940 students with a further increase expected in the next two years. When the needed addition becomes operative, then Grade Nine students will return to the High School.

In September an additional class period per week was added in Health Education for Grade Seven and Eight pupils. Included in this curriculum are Drugs, Alcohol, Tobacco and Family Living. Mr. Dana Boynton, a member of our Staff, was appointed to organize, develop and instruct this class. To date we have held three meetings with the Clergy plus one Parent Night so that we might inform and receive input for Program development. These meetings were most informative.

We have had eleven new teachers join our Staff in September—they include replacements and additions to our previous personnel. All of our new teachers have blended with our regular Staff to give us a well balanced Faculty. I am very pleased with our new Faculty members.

Because of the present energy crisis the Junior High is making every effort possible to comply with National, State and Local requests to conserve fuel and lights by setting our thermostats at 68°F during the school day, cutting our electric output by reduction of numbers of lights, insulating all places where we can in the building, keeping doors and windows closed, etc. We will continue our efforts toward total energy conservation by use of common sense in our procedures.

A Program has begun here at North to involve our Senior Citizens by making use of their talents and abilities in the classroom. We have had and plan in the future to invite more volunteers among the Senior Citizens to participate with our students. Their cooperation and enthusiasm in working with our students and staff has been most gratifying to us. We must thank Mrs. Betty Alemazkoor, Director of the Norfolk Senior Citizens' Group, who has been of invaluable help in getting this Program underway.

Much updating and refining was carried on in our newly (1972) established Reading Program. This has produced considerable success in our students' achievement and comprehension. This was shown by results of tests given during the school year. Our hope is that this will continue in the future.

In order to summarize briefly other educational changes and offerings initiated for our students at King Philip-North, the following reports from our Coordinators are presented:

Language Arts

English—The general objectives for all levels of Seventh, Eighth and Ninth Grades include a purposeful development of the abilities to comprehend and measure the timeliness and importance of both speech and the printed word. Communication of ideas, plans, directions and experiences by means of logical listening, thinking, speaking and writing are also included. In addition, encouragement and opportunities to read for pleasure contemporary and classical works at the highest possible level of interest and understanding is given.

Students are offered the means to develop their natural creative abilities to communicate in a meaningful manner not only with their peers, but also with those with whom they come in contact. Various audio-visual aids are used to attract and strengthen their desires to express themselves in a personal and practical manner with emphasis on the here and now.

French and Spanish—A number of factors contribute to achievement in the Foreign Language Program. The constant awareness of the junior high teacher of the importance of acquiring the basic skills of listening, speaking, comprehension, reading and writing French or Spanish will be recognized in the high school student after three years of study in the King Philip-North Program. The level of proficiency attained then should reflect this awareness of these long range objectives.

Reading—The Reading Program at the Junior High for the Seventh and Eighth Grades is now in its second year. Voluntary and highly individualized, it programs students with severe reading disabilities into two programs based on their immediate needs and abilities. Students reading on grade level but with potential for higher reading levels are programmed into one of two broad based Language Arts Programs.

Each student is closely supervised by one of the three Reading teachers who regularly evaluates his progress. Shifts are continually made in each child's program as his reading performance changes.

Mathematics and Technology

Mathematics—Development of basic computational skills and mathematical proficiency are inherent in all levels of the Mathematics Program at the Junior High. In both Grades Seven and Eight a traditional and a modern mathematics course is provided. One Grade Eight Class is taking Algebra through a programmed text.

At the Ninth Grade level all students are enrolled in the College Course and must take the required Algebra I or Geometry if Algebra was successfully completed in Grade Eight.

Industrial Arts—Grade Seven Classes are involved in an exploratory Program in the field of woodworking, line production, plastics and technical drawing. In the near future gem cutting may be added to enhance the Program.

Eighth Grade boys split the school year spending half of their time in technical drawing learning to use basic drafting instruments. For the shop half of the year the boys spend time in the areas of electricity, sheet metal and bench metal and spending most of that time doing practical problems.

Grade Nine Industrial Arts Woodworking Program is designed to assist student development of individual skills and expression. Grade Nine Technical Drawing Classes follow the same course of study as the High School to ensure the continuity of the Program.

Science and Health

Science—We are working on a new approach to Life Science (I.I.S.—Ideas and Investigations in Science). This Program is designed to make Science interesting and meaningful to under-achievers.

All other Seventh Graders continue to study Life Science, A Problem Solving Approach. This program is designed to teach Life Science in such a way that students discover facts and learn concepts for themselves.

Introductory Physical Science (I.P.S.) continues to be taught to those Eighth Grade students who desire an in depth study of our physical world.

Physical Science (I.I.S.) continues to be taught to those Eighth Grade students who may find the I.P.S. Course irrelevant.

Biology, offered in Grade Nine, is a Program designed to help students see how living things are interdependent; they capture energy from one another and from their environment. They learn how matter and

energy undergo changes in the living organism. How living things are put together and function is covered with a constant emphasis on student activity and conceptual understanding.

The Earth Science Program is a laboratory based Program which explores five major areas: weather, space, oceans, the Earth's surface and fossils. The Program is designed to give students basic knowledge in areas that are practical for everyday living.

Home Economics—The Home Economics Program at the Junior High School is divided into parts. The Seventh Grade girls have Foods and the Eighth Grade girls have Clothing.

The Foods Program includes nutrition, consumer education with the preparation of breakfast and luncheon foods.

The Clothing Course incorporates consumer education with the making of clothes using a commercial pattern. Knitting and crocheting and other related projects are also offered.

Physical Education—The Physical Education Curriculum is designed to meet the needs of each student through both individual activities and team sports. Emphasis is placed on those activities involving carry-over value in later life. A Leader's Club has been initiated for students to further their physical needs and to assist in regular classes as leaders, referees, etc.

The Intramural Program has been expanded to include boys' Lacrosse and girls' Flag Football. Because of the larger size of classes, the two Interns hired from Northeastern are still employed.

Social Sciences

Social Science—The Social Science Curriculum for Grades Seven, Eight, and Nine is designed to meet the needs of students as they acquaint themselves with both the responsibilities of American citizenship and the interrelationship of the Nations of the World.

The Grade Seven Cultural Studies Program concentrates on four areas: basic geographic skills and concepts, both physical and cultural; the Soviet Union; the Far East; and Latin America. As time permits, optional areas of study include the Middle East, Africa and the United Nations. In each area we are taking into account not only the physical and cultural forms, but also ideological and sociological considerations.

The Grade Eight United States History Course concentrates on our Nation's development from the time of early exploration to the last part

of the Nineteenth Century. Follow-up to this occurs in the Grade Nine American Government Course. Here, students study, in depth, the structure and organization of the Federal, State, County and Local governments. Through a comparison of these levels of government, we study the workings of our Democratic system.

To enrich our Curriculum, wide use is made of filmstrips, tapes and supplementary reference material at all grade levels. Moreover, this being the year of the Watergate, the Middle East and the Energy Crisis, a careful study of current events, World affairs and social issues continues to be an integral part of our Program of Studies.

Art—Seventh and Eighth Grades have a comprehensive Art Course ranging in types from traditional to modern. Students are taught drawing, painting, small-scale sculpture and ceramic pottery. It is our goal to continue exposure to an increased variety of media.

Music—Despite the overcrowded conditions and the loss of the Music Room as a classroom, the Music Program at King Philip-North has continued to offer its students satisfactory Music education. Pupils in Grades Seven and Eight are scheduled twice weekly on a half-year basis in General Music. The Band and Chorus meet two periods per week for rehearsal. Sectional instrumental periods and beginning instruction had to be dropped due to lack of space, but as soon as the conditions are remedied, this phase of the Program will be offered again.

Performances at School Assemblies, the Spring Concert and the Tour of the Elementary Schools proved to be highly successful. We would like the opportunity to schedule more appearances for the Band and Chorus as the experience gained in actual performance cannot be provided in any other manner.

Typing—Personal Typing is being offered in the Curriculum at the Junior High School as an elective for Eighth and Ninth Grade students for its second year. The personal typing applications presented in this Course will enable the students to begin to use the typewriter as a personal writing tool in his school work. Each student develops the basic skill of typewriting by the touch method which will give him a basic degree of proficiency acceptable for personal use.

Exploratory Business has been implemented into the Course this year. This Program will provide the students with a general understanding of the four major fields leading to careers in the Business World.

(Distributive, Clerical, Accounting/Data Processing, Stenographic). The students receive four periods of formal instruction each week for a full year.

Multi-Media Services

Library and Audio-Visual—The Library at King Philip-North emphasizes a unified approach in the use of print and audio-visual materials. Student and teacher participation makes these media-related activities a tool of learning and creativity. Also, it is the function of the school media program to involve as many students as possible in as many learning situations as possible; to promote independent study and inquiry; to design more effective media usage programs; to relate the school media program and its resources to the total curriculum.

Because of the present crowded conditions at King Philip-North, this program is now limited, but with the future addition at the High School, more facilities will be open to the Instructional Center for growth and advancement.

Future Programs

Two Teacher Committees are working with the Principal concerning changes for the 1974-1975 School Year:

First Committee—Foreign Language — This Committee is studying the possibility of adding Spanish at the Grade Seven level where we now begin our French Program. Students would be given a choice (French/Spanish) after their original selection to the Foreign Language Program. Also, an additional subject being studied, is the possibility of some students being selected to study in a Course that will be known as "Introduction to Language". This would give them a basis for beginning Language at the Grade Nine level by preparing them so that they would be able to make a more intelligent decision in their possible selection into a Foreign Language.

Second Committee—Cultural Studies — A Committee of Teachers and Students from the Cultural Studies Department studying the need for refining the Curriculum to update it to present day coverage by using a combination of quarterly semester courses to be taught by a series of teachers. This would give all pupils a better insight into today's problems and knowledge. This new Curriculum will be designed to avoid repetition and hopefully make study of our World today more stimulating and interesting.

Beginning were also made in a study of the Metric System in Grades Seven and Eight which will be developed during the future school years. It is apparent that the Metric System will eventually replace our present method of measurement.

We applied and received acceptance for an NDEA Project to be utilized in conjunction with our regular Mathematics Program. At the present time we have two tutor computers which our instructors will use in an attempt to improve students' computational skills on an individual basis. Once diagnosis shows weaknesses in an individual student, he will be given a definite program both on computer and in supplementary materials to help correct his individual weakness.

Conclusion

In closing this report I would like to express my sincere appreciation to the School Committee for the cooperation extended to me, the Superintendent for his understanding and help, our Assistant Principal for his invaluable assistance, the members of our Staff for their fine work, the Custodial Staff, the Cafeteria Personnel and our very efficient Secretaries. Without the combined efforts of all of these people, it would not be possible to provide the excellent educational opportunities and programs for the students at King Philip-North.

Most sincerely,

SAMUEL P. STRICKLAND, Principal

Report of the Director of the King Philip Regional Vocational High School

I hereby submit my annual report as Principal-Director of the King Philip Regional Vocational High School.

Too many Americans have narrowly defined "education" to mean a college degree. This myth and its implications are both foolish and damaging because they have forced countless young people to a lifestyle they find neither satisfying or successful. Today we are still saddled with a type of educational aristocracy in which only one type of education and one type of ability has precedence (academic).

Today, if students are undecided about their vocations and have not selected a vocational program, they are locked in college-bound or general education programs and are not allowed to enter the vocational programs. They too are bound by the academic equivalent of the medieval indenture.

It appears there are three dangers: (1) we lose or fail to develop an calculable amount of talent, (2) among these students who become frustrated or bored are often many who excel in technical capacity, drive and creativity, (3) the narrowness of our academic objectives reduces the vitally important capacity for flexibility.

It is a cold fact that our present vocational school is serving but a small percentage of our present high school enrollment. The next step will be critical whether or not we can devise new patterns for offering career development programs to still another large percentage of our high school students. This will call for a careful large scale master plan with educational activities and milestones that must be met within a specific design and which would include administrative and staff needs and shifting for new and enlarged responsibilities.

The unemployed high school graduate, the dropout with no sense of direction, the dissatisfied worker, all point to a pressing need for educational change. Occupational education, with its emphasis on specific areas, is in need of change and expansion.

Vocational and academic offerings could have a vital role to play in the total education of many students if significant changes were to be made. It appears what is needed is a comprehensive occupational educational program and a curriculum appropriate for meeting student needs.

Machine Related

The Machine Related area has been making a concerted effort to see to it that the classroom work is scheduled and closely tied to the shop work which the students will be performing the following week. It has been very successful, especially with the exploratory groups, where we do not have much time to acquaint the students with all the basic fundamentals and concepts. However, we can approach maximum in this area by continuing to touch base, on at least a weekly basis, with the shop instructor and his work plans.

Getting the new students moving well in the shop atmosphere as early as possible, will help create a climate more conducive to our accomplishment of instructional aims.

Machine Shop

The Machine Shop is a four-year program and this course is outlined on a yearly basis for each of the four years. It should be understood that this is a flexible course of study and students may advance at a rate commensurate with their ability. During the ninth year students are given a chance to explore the machine field. They will be given a fundamental understanding of the basic machining arts, the basic machines and tools which they perform machining operations. General safety practices for the machine shop are emphasized at all times. During the tenth year the student's projects will be graded on a commercial basis as to size, finish and specifications. After the students have completed the required projects, there is ample time left over for doing extra, optional projects depending on the speed of the student.

During the eleventh year the student should strive to increase accuracy and speed on their previously learned knowledge. This preparation will provide for future employment. During the twelfth year a student may participate in the cooperative program, providing there are job openings in the industries and he shows initiative and ability in his work.

House Carpentry

The King Philip Regional Carpentry Division is presently constructing its 14th house since the program's inception.

This year's house of Cape Cod design with attached breezeway and garage, is being built in Plainville on Walnut Street for Mr. and Mrs. David Nelson.

The exterior features stained white cedar shingles with vertical barn-board on the oversized garage. In cooperation with the Bricklayers

Union's apprenticeship program, all the masonry work, including two fireplaces, front and rear steps, was performed by the apprentices of Foxboro Local No. 7.

The interior has four rooms on the first floor and three wood panelled bedrooms on the second floor.

Related Carpentry

Related Carpentry consists of basic work in the math involved in working at the trade. I start in reteaching and review of the basic concepts and rules involved in mathematical operations for all concepts. The related knowledge of science includes some knowledge of wood, the various uses of the steel square in layout work, insulations and their values. Drawing is far the easier way of learning various symbols and how to interpret them when seen on a blueprint and how to relate the various views as one object.

Shop Carpentry

Due to the fact that the exploration schedule is in full swing for the freshmen year, the Carpentry Shop has implemented a scaled-down version of a full year to be covered in eight weeks. The first two weeks include projects designed to acquire skills in all the hand tools. The third week, the students are introduced to safety rules and power tools. The fourth and last week of the term is devoted to making a project of their own choice using power tools.

The sophomores work on specific jobs for customers such as kitchen cabinets, bookcases, hutches, room dividers, picnic benches, etc.

Automotive

The new Automotive program that began this September at King Philip Regional Vocational High School is working out well. The program is a three-year course designed to expose the student to all the systems of the automobile and the related theory of operation. The student will also have the opportunity to learn the mechanical importance of each system, proper use of tools, and the proper repair or replacement procedure.

The first year is divided into five sections. The ignition system, the fuel system, the electrical system, the starting system, and the cooling system. The student has the opportunity to learn the parts nomenclature and function of each during related class and shop weeks. When the student has sufficient knowledge of a part or section, he can apply it on

an automotive work station, where he may learn the proper diagnosis, use of proper tools, and proper repair or replacement procedures. Having the space and equipment needed, the following two years will cover such areas as the engine, transmission, rear differential, brakes, and accessory function, diagnosis, and repair.

Small Engines

This is the second year of the Small Engines Exploratory Program and it is moving along very well. In the ten weeks we covered the operating principles and repair of the Briggs and Stratton engines. The students were also exposed to operation and repair of the Tecumsek two-cycle engine.

In the future I would like to expand the program a little further to cover motorcycle and outboard engines. I think these two fields would be of great interest to the students.

Business Department

As the world of business changes the education of our students must also change. To help King Philip students prepare to earn a living in their personal and business world, many curriculum changes have taken place in the Business Department and more are to come. In September of this year, a program in Consumer Education was established under a newly approved Federal project.

In addition, a course in Intermediate Typing was established to allow students an opportunity to increase their typing skills before proceeding to advanced courses in typing. To keep pace with the modern world of business, a program in Word Processing will be established in February of 1974 under a project approved by the State Department of Education. This is one of the first such programs established in the state. Word Processing is basically the utilization of automated typing equipment to produce highest quality business documents at a high rate of speed. Certain operating skills and concepts must be acquired by the operators of this new equipment. Most Business Department courses are now open to all students in the high school who wish to have the opportunity to prepare themselves for the world of work.

English

The English program at the King Philip Vocational High is divided into sections of four literature classes and two grammar. The literature classes are designed to give the students a glimpse of each genre. Grammar classes consist of fundamental techniques for writing.

English Grammar

To develop the grammatical ability of each student in order to possess the knowledge to write a good sentence and communicate effectively in society. To provide both group and individualized instruction to enhance spelling and vocabulary skills for effective written and oral English.

Civics

Develop the knowledge of the basic structure of American Government including a study of the operation of government on federal, state and local levels. Develop the qualities of effective and responsible citizenship in each student through the knowledge of the basic concepts of American Government.

History

Develop the knowledge and understanding of our nation's history and culture. Provide an overview of our history from colonization to present, stressing major concepts of historical development and significance.

Problems of Democracy

Develop an interest and knowledge in contemporary issues and problems that confront the United States and the world today. Develop individual qualities to enhance a critical thinking approach for preparation in dealing with the many issues and problems in society.

Distributive Education

During the school year 1972-1973, the Distributive Education Program was established to serve students in their junior year. A classroom, office and work area and a realistic retail store laboratory was completed and the program in marketing and retailing was implemented under federal funds. To develop and continue this project, a new proposal for expansion to the sophomore and senior years was approved by the State Department of Occupational Education. The senior component was implemented in September, 1973 for those students who completed D.E.I. In February of 1974, we will implement an exploratory phase for those sophomores wishing to elect the program. The Distributive Education program provides an opportunity for students to develop marketable skills in the field of distribution and the service industries. The student also gains an "on the job experience" while working cooperatively with employees in the area on a part-time basis.

Vocational and Occupational Special Needs Program of Study

This program is designed to give vocational and occupational training experience to special needs students at all levels an opportunity to gain an insight into the real world of work through continuous exploratory experiences in the various clusters. Students will perform practical experience problems that will increase their abilities and confidence. Included in this program is individualized instructions so that they may obtain a degree of proficiency that will enable him to be integrated into the standard vocational and occupational curriculum clusters.

General objectives: (1) he will be able to perform in school shop the basic fundamental of various craftsmen, (2) he will be able to observe and identify common products relative to the various trades, (3) he will be able to perform tasks from basic steps of conception to complex and finished products, (4) he will be able to observe craftsmen under actual working conditions, (5) he will work on tasks with fellow peer in a cooperative effort, (6) he will participate in visual instruction and practical demonstrations.

Task Objectives: (1) post and present principles, application, stock conservation, proper process and safety, (2) list of procedures, handwork, machine application, hand tools, machine tools, safety procedures, (3) task selection, procedure, machine selection, materials, safety processes, (4) work tasks, step sequence, tool understanding, detail awareness, tool dexterity and safety consciousness, (5) evaluation, review project, check results, finished product, extremes, shortcuts, revaluation.

Reading

The Reading program is designed to meet the needs of vocational students reading one or more years below grade level. The program is funded through Title I and provides instruction in the Basic Language Arts with an emphasis on Remedial Reading. Each student is given a battery of diagnostic tests to determine areas of weakness and instruction is individualized to meet specific problems.

In conclusion, I am grateful to the School Committee, Superintendent William Costa, Mr. William White, the Vocational School Faculty, Mr. John Robbins, Assistant Director of the Vocational School and Director of the Adult Evening Programs, Mrs. Jean Webster, my secretary, and Miss Deborah Budd, for the support they have given me this year at the King Philip Regional Vocational High School.

Respectfully submitted,

DR. JOSEPH S. NICOSTRO

Adult Education Yearly Report

This year the enrollment will be in excess of seven hundred students in the various classes being conducted at the King Philip Regional High School, Vocational High School, and King Philip Regional School-North.

There are twenty-eight instructors teaching forty different classes, and classes are being held four evenings each week. The length of classes range from six to twenty-five weeks and are from twenty to one hundred fifty clock hours. Students successfully completing a class are issued a certificate of achievement.

This year the evening courses are divided into the following four different classifications:

1. Vocational Apprenticeship:

Courses are being held for apprentice machinists and apprentice bricklayers. These courses are for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

2. Trade Preparatory

A course is being held in small engines repair for students interested in obtaining this skill for employment or personal use. This course is open to any person not employed in this trade and is for forty clock hours.

3. Vocational Practical Arts:

These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral craft decorations, cake decorating, draperies and bedspreads, interior decorating, ceramics and pottery.

4. Academic Classes:

The classes being held this year are in typing I and II, painting, tennis I and II, golf, safe boating, woodworking, high school equivalency preparatory, office machine, yoga, men's physical education, portraiture, bookkeeping, chemistry, algebra, shorthand, speedwriting.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Bureau of Adult Education and Extended Services High School Equivalency Certificate Program, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

JOHN ROBBINS, Director

School Budget for the Year 1975 (Tentative)

	1973	1974	1975	
1000 Administration	\$60,970.	\$66,975.	\$73,870.	
2000 Instruction	1,518,855.	1,656,925.	1,769,490.	
3000 Other School Services	294,850.	319,295.	356,890.	
4000 Operation and Maintenance of Plant	219,280.	233,075.	271,900.

School Calendar 1973-1974

Wood Elmentary School and Jackson Elementary School

First term opens September 5, 1973

First term closes December 21, 1973

Second term opens January 2, 1974

Second term closes February 15, 1974

Third term opens February 25, 1974

Third term closes April 11, 1974

Fourth term opens April 22, 1974

Fourth term closes June 21, 1974

Holidays:

Columbus Day, October 8, 1973

Veterans' Day, October 22, 1973

Teachers' Convention, November 2, 1973

Thanksgiving, November 22, 1973

Memorial Day, May 27, 1973

School Sessions:

Kindergarten (morning session)

8:45 a.m. to 11:15 p.m.

Kindergarten (afternoon session)

12:15 p.m. to 3:00 p.m.

Grades 1 through 6

8:45 a.m. to 3:00 p.m.

NO SCHOOL news will be given over Radio Stations WARA and WBZ

Normally, if King Philip Regional High School has no school because of weather, the Plainville Elementary Schools will not be in session.

5. Vocational Education	1,109.00

Report of the School Committee

Certainly one of the most pleasant duties of the Committee was the dedication of the Beatrice H. Wood School on October 28, 1973. The former Plainville Elementary School is now named in honor of a teacher who spent 43 years in the Plainville School system.

The Committee accepted with extreme regret the resignation of Bruce A. Hayes. Mrs. Sara Roberts was unanimously appointed at a joint meeting of Selectmen and the School Committee.

The Social Studies Curriculum was revised last summer by a special team of teachers and administrators. This is in accordance with the School Committee's plans for revising and updating curriculum studies.

In September a change will occur within the Plainville School system. Grades K, 1, and 2 will attend the Jackson School. Grades 3 - 6 will attend the Wood School. It is hoped that consolidation of similar grades within one school will eliminate any stigma attached to attending either school and will foster a spirit of cooperation of teaching methods and materials.

The state continues to mandate the school system with plans and policies but no provisions for full funding. Chapter 766 is to be implemented in September, 1974, and will deal with children having special needs. Although we have various programs falling under that heading, this more comprehensive program will require substantial funding and changes within every school system throughout the Commonwealth.

Transportation to Dominican Academy began this year in accordance with Chapter 76, Section I, Mass. General Laws.

Collective bargaining continues to be a time-consuming and costly process. A three year contract was signed with the custodians. Other groups still negotiate on a yearly basis.

The energy crisis is another major problem for schools as well as homes and industries. Endeavoring to use all possible means to continue education on as regularly scheduled program as possible the Committee voted to suspend use of the schools by all outside organizations and activities. Realizing this is an inconvenience to many we apologize. Education of the children is our first concern however.

Volunteers are a tremendous benefit to various programs within the schools. Many thanks to each and everyone who has helped in any way. By being interested and participating the schools become a better place for all the children.

Respectfully submitted,

ALICE EDWARDS, Chairman
NANCY LOEW, Secretary

THOMAS LEVIS
FREDERICK METTERS
SARA ROBERTS

Report of the Superintendent of Schools

To The Plainville School Committee:

I consider it a privilege to submit my twelfth annual report.

Introduction

Many items are listed in this report for permanent record purposes. Others are for comparisons or current interest.

Enrollment

As of October 1, 1973, enrollment was 549 at the Elementary School, and 226 at the Jackson School. This compares with 753 a year ago. Enrollments started to go down but it will take a few years to determine the impact of the many multiple dwellings on enrollments.

Teaching Staff

New teachers are Mrs. Anna Cronin, Kindergarten; Mrs. Susan Sherman, Grade 5; and Mr. Peter Sweet, Grade 6, at the Elementary School, and Mrs. Joan Vieira, Grade 4 and Mr. Charles Stephenson, Grade 5, at the Jackson School. Mrs. Margaret Fiedler and Mrs. Cheryl Rowe are on maternity leave. Miss Beatrice Wood retired June 30, 1973, after 43 years of continuous service. A complete listing of teaching staff is at the end of this report.

Aides

Including the Title I Federal Program, seven aides were employed this year. The philosophy behind this program was described in last year's town report.

School Facilities

All twenty rooms at the Elementary School, and all ten rooms at the Jackson School are used as follows:

	Elementary School	Jackson School
Kindergarten	2	0
Grade 1	3	1
Grade 2	3	1
Grade 3	3	1
Grade 4	2	2
Grade 5	2	3
Grade 6	5	0
A.I.D.	0	1
Resource Room	0	1

All other spaces are used for various purposes, a detailed listing may be found in last year's report.

Also, space in the Elementary School gym was used to house the town offices while remodeling was taking place. This was an example of how cooperation can benefit all agencies during a period of need.

Finally, because of the energy crisis, the School Committee cancelled all activities outside school hours. They made this decision reluctantly as they encourage full use of the facilities. The buildings were used extensively for outside activities. In fact, the Elementary School was used all day Saturday and seven nights a week. To assure the elementary education program it seemed necessary to conserve heat and electricity, in fact, the Committee had requests that were as close to orders as is possible under our laws. It is obvious now that had fuel and electricity been fully available our budget could not have afforded the increased costs.

Educational Programs

Plans approved for the 1974-75 school year will have Kindergarten, Grades 1 and 2 at the Jackson School, and Grades 3, 4, 5 and 6 all at the Elementary School. Less duplication of expensive materials and equipment, closer teacher cooperation by grades to improve curriculum, more efficient transportation, are all reasons for this change. School Goals and Special Programs also can be better defined.

Federal Programs

1973 Federal Fund totals were: Title I, ESEA, \$5,253.22; Title II, ESEA, \$1,369.47, and Summer Head Start, \$5,573.68.

State Aid

Until the towns went on the July 1 to June 30 fiscal year, December 31st was a very important date. A few days later we knew, to the penny, our Chapter 70 entitlement for the next year. As of this time (late January), we have no figures, not even estimates, for January-June 1974, or for July 1, 1974 to June 30, 1975. Unless these figures are received soon, the tables in this report have little meaning. Also, the State is one year in arrears in transportation money, plus most of our 15% for being in a Regional School District. We were entitled to \$496,039.90 from January 1, 1973 to December 31, 1973 in Chapter 70 funds. Also, \$74,405.98 for member of Regional School District. We received \$399,786.80 and \$17,511.01. We guess our entitlement at \$258,019.95 and \$37,202.99 from January 1, 1974 to June 30, 1974, but have no official information to back these figures.

Lunch Program

Mrs. Evelyn Snell retired as Lunch Supervisor at the end of the 1972-73 school year. Mrs. Elwyn Wolowicz was advanced to the position of Lunch Supervisor. Mrs. Celine Hassell was appointed to the lunch-room staff at the Eelementary School.

Custodians

No changes this year.

Aides

Mrs. Marie Freitas replaced Mrs. Karol Lunn on October 15, 1973.

Energy Crisis

The School Committee determined to follow the calendar that was published for the school year as closely as possible. Every effort will be made to conserve energy without changing the scheduled program.

Conclusion

1973 was a year in which much was done. A newly Social Studies Curriculum was developed during the summer. The Elementary School on South Street was named in honor of Miss Beatrice Wood, who retired at the close of school in June 1973. Miss Wood taught continuously in Plainville from September 1930 until her retirement.

Plans have been approved which will place Kindergarten and Grades 1 and 2 at the Jackson School, and Grades 3, 4, 5 and 6 at the Wood School. Above all this will permit a much more efficient use of existing space.

It has been a real pleasure to work with you this year for better education.

Respectfully submitted,

CARL W. GREEN
Superintendent of Schools

Report of the Principal of the Beatrice Wood Elementary School

Dear Mr. Green:

I respectfully submit this seventh annual report to you as Principal of the Beatrice Wood Elementary School.

Organization

The grade and class organization for the school year starting September 1973 was structured under the following descriptions: Kindergarten through Grade 3, self-contained classrooms with re-grouping for reading and math in Grades 1 and 2; Grades 4 and 5, semi-departmentalized with homeroom teachers teaching reading and math to their individual classes, and children then changing rooms for the other subject areas; Grade 6, fully departmentalized with all children changing classes for all subjects.

The basic change in class organization and scheduling for the year starting September 1973 was that children remained with their homeroom for most of their classes, unlike the previous year whereby children were re-grouped after homeroom period. The extensive changing of children from class to class was modified to a lesser degree, in order to provide more consistency without detracting from the goal of focusing on the individual needs of our children.

Personnel

Miss Beatrice Wood, a truly outstanding teacher for many years in the town, retired in June, and her contributions to the education of our children will be sorely missed.

Mrs. Nancy Bellavance, who had been a fourth grade teacher at the Jackson School, became a first grade teacher at the Wood School. New teachers at the Wood School include Mrs. Anna Cronin, Kindergarten; Mrs. Susan Sherman, Grade 4 and 5; and Mr. Peter Sweet, Grade 6.

Learning Disabilities

Starting in September 1973, Mrs. Patricia Walls was hired as learning disabilities teacher-therapist to replace Mrs. Lynne Reynolds who resigned due to relocation. Mrs. Walls worked with children in Grades K-4, providing the specific procedures needed, and Mrs. Sylvia Botka continued as an aide to Mrs. Walls. Intensive group screening was given for children in Kindergarten with individual screening given to those children referred by teachers in Grades 1-4.

Mr. Maurice Benson and Mrs. Ruth Carpenter continued to provide supportive help for children in Grades 5 and 6, with Mrs. Miriam Lomasney continuing as an aide in Mr. Benson's class.

I believe that we have been a step ahead of many other communities in the area of learning disabilities and this will be in our favor when Chapter 766 (an act providing service for children with special needs) is to be implemented in September of 1974.

Curriculum

The curriculum content remained basically the same, with new materials being added in the area of Social Studies, Language and Math. The Social Studies materials purchased were a result of the curriculum study conducted during the summer, as mentioned in Mr. Cashman's report. Many new and interesting audio-visual materials were added to the Language Arts program. These were received primarily from an N.D.E.A. project, which was the work of Mrs. Lois Robinson, our sixth grade Language Arts teacher. The math materials, involving kits and laboratories, were purchased from money received from the Plainville Parent-Teacher Association.

The teachers and children again provided us with very interesting assembly programs, with a highlight being the presentation of "Peter Pan", which was conducted by the first grades.

At the end of the year open house, the Glee Club, under the direction of Mrs. Claire Harrison, presented the musical, "Oliver" to children and parents of both schools, and Mrs. Judith King, art supervisor, held an art display which was exhibited at both schools.

The children were again afforded the opportunity of taking many interesting and educational field trips.

We were fortunate in having the services of Mr. Steven Rosenzweig, school psychologist, on a weekly basis. This gave us an added tool in our attempt to provide greater service to the children.

Mr. Kenneth Moore continued to provide an interesting and varied physical education program for the boys and girls. During the winter and spring, Mr. Moore arranged for several basketball and softball games with our neighboring communities.

From September through the end of 1973, our activities in the gymnasium and auditorium were curtailed due to the temporary location of the town offices while their quarters were being renovated. Fortunately, we were able to adjust our scheduling so this did not pose too much of a problem.

Conclusion and Acknowledgements

There were many individuals and groups whose input certainly contributed to a successful school year for 1973. I would like to specifically express my appreciation and gratitude to some of these people:

The teaching staff continued to exhibit a true spirit of professionalism, and to them I wish to say thank you for their help and cooperation during the year.

I would also like to express my gratitude to the teacher-aides, Mrs. Miriam Lomasney, Mrs. Sylvia Botka, and Mrs. Joyce Mowatt, whose contributions were certainly beneficial.

To the lunchroom and custodial staff, thank you for a job well done.

My appreciation to the volunteer library mothers, and those mothers who assisted in some of our classrooms, and a special thanks to Mrs. Barbara Fluck, a teacher who has helped to coordinate the library program along with Mrs. Helen Theriault.

Mrs. Jeannette Pray, and Mrs. Gertrude Lunn, have continued to be invaluable in their roles as school nurse and school secretary, and to them my sincere thanks.

My sincere appreciation to the Parent-Teacher Association for their contributions, and especially for the math materials which were purchased from their donation.

I would like to thank all of the town departments for their help and cooperation throughout the year.

The School Committee has consistently shown their dedication toward improving the educational system, and I wish to express my appreciation to them for their efforts.

The parents and children of Plainville have been a pleasure to work with, and their cooperation, as in the past, has been excellent.

Finally, for another year of help and support, I wish to thank you for your invaluable aid and assistance.

Respectfully submitted,

EDWARD L. KEANEY, Principal

Report of the Principal of the Anna Ware Jackson School

Dear Mr. Green:

I consider it a great honor and privilege to submit to you my fourth annual report as Principal of the Anna Ware Jackson School. This report will attempt to highlight and capsulize some of the significant and noteworthy events that have occurred in the calendar year 1973.

The Plainville Public Schools have adopted a new Social Studies Curriculum Guide for their schools. This new guide was prepared by the Social Studies Committee this summer and is written in specific performance objectives, activities and experiences from the various disciplines of the social sciences. The Social Studies Committee was composed of the following members: Miss Jo Ann Bourgeois, Mrs. Patricia Brodka, Mrs. Cheryl Rowe and Richard Cashman.

Mini-Courses and club periods were utilized to make the curriculum more vital and meaningful. Some of the Mini-Courses and club periods included basic chess, drug prevention, candle making, town government, coin collecting and cooking, just to name a few.

I was fortunate to prepare and receive an N.D.E.A. Federal Grant for \$3,264.00. This money was spent on new Social Studies materials. Some of the new materials are three Holt Data Bank Kits, many new tapes and transparencies, as well as audio-visual materials.

Our school this year has been well staffed in the library. I am indeed fortunate to have excellent library volunteers. These women have spent many hours cataloging and distributing library books to our children. My special thanks to Mrs. John Bitel, Mrs. Robert Cindric, Mrs. Ronald Darling and Mrs. Paul Shearman.

Mrs. Jeannette Pray, our school nurse, has been used as an excellent resource person in dealing with health and social problems. Mrs. Pray has given hearing and vision tests to all our children. She has set up immunization clinics, visited homes and has assisted the school physician with physicals for children in Grades 1 and 4.

Students broadened their horizons by attending many fine assembly programs, as well as many interesting field trips. Some of the field trips included Science Museum in Boston, Norfolk Agricultural School, Boston Ballet, Worcester Science Museum and General Motors Plant in Framingham.

Each month I was fortunate to attend many informative and interesting principals' meetings. Much was accomplished through the interchange of ideas from fellow administrators in the region.

Two new events occurred this year at Jackson School. The first, a Glee Club was organized under the direction of Mrs. Janice Drifmeyer, our music teacher. The Glee Club provides songs for our assemblies, as well as our Christmas sing. The second was a talent show, for which Mrs. Karol Lunn, our Learning Disabilities Aide, was responsible. It was greatly received and the children enjoyed it very much.

We have two new staff members this year, Mrs. Joan Vieira who teaches four and fifth grade Social Studies and Science, and Mr. Charles Stephenson, who teaches a self-contained fifth grade class.

Teachers at the Jackson School have utilized many worthwhile testing instruments. We have given the Lorge-Thorndike Intelligence Test, the Iowa Test of Basic Skills, as well as many individual pre and post-tests for the various skills.

We have continued this year to emphasize Math and Reading skills, and we have tried to allow varying amounts of time for each.

Our Learning Disabilities Program continues to help children with various learning problems. Mrs. Lynn Schweinhaut, our Learning Disabilities teacher, and Mrs. Marie Freitas, our Learning Disabilities aide, work very diligently with children who need such additional help in overcoming various reading and learning problems.

1973 has certainly been a year of change and progress. Teachers have continued to seek self-improvement by taking specialized courses. Each staff member at Jackson School took at least one graduate course during the year.

In closing, I would like to extend my thanks and appreciation to Mr. Green, Mr. Keaney, to the custodial and lunchroom staff, the volunteer mothers, all town departments, Plainville Teachers' Association, and, finally, to the Plainville School Committee, for their continued help in trying to present the soundest educational program for the town. The people in Plainville, I feel, can be justifiably proud of their educational system, for within it we find modern facilities, dedicated teachers and polite and enthusiastic children.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

Report of the Police Department

January 1, 1974

Honorable Board of Selectmen

Town Offices

Plainville, Mass.

Gentlemen:

As we close the pages on 1973 I want to take this opportunity to thank your Board, your assistant, the Fire Department, Highway Department and all others who have helped the Police Department to better itself and its services.

1973 was indeed the year of fulfillment as far as this department was concerned. Naturally, the best happening of the year was moving into our new spacious station, a hearty thanks to an active building committee, this new Public Safety Building is surely something Townspeople can be proud of. It has made a big difference in the attitude of all of us. The Police Department not only has an operating station, but it is well equipped so that our work is more professional while working with the necessary tools.

We can again take pride in the fact that our two newest Patrolmen graduated among the top ten, from the Massachusetts State Police Academy, thereby keeping our record of all men on this department graduating from this academy, and all in the top ten of their respective graduating classes. We also went into central purchasing on uniforms and gear this year and it certainly makes a better looking department when all personnel have the same identical uniforms and gear.

This was also the year of the energy crisis and to assist the Town in this problem, all Police Department thermostats are set at 65 degrees, all lights are kept off in less used areas, and only one cruiser is in service at certain times during the 24 hour period.

It has been a very good year, and again the only change I would recommend is the increase in manpower to give the Town two-man cruiser coverage on all shifts.

I want to take this opportunity to thank the personnel on my department for their zeal and dedication, and to the Townspeople who have made it all possible.

Sincerely,

ROBERT R. FAILLE

Chief of Police

Norfolk County Mosquito Control Project

To the Citizens of Plainville:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1973.

Pre-hatch dust larvicide by backpack	13 acres
Aerial applied larvicide	675 acres
Catch basin application for larvicide and adulticide	430
Adulticide mistblowing from trucks	3020 acres
Ground U. L. V. adulticide application	1024 acres
Drainage ditches cleaned	6690 feet
Brush obstructing drainage cut	240 feet
Culverts cleaned and opened	24
Recorded calls for information and assistance	28

Respectfully submitted:

ALBERT W. HEUSER, Supt.

Director of Civil Defense

To The Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1973.

Appropriation	\$1,025.00
18 months	

Expended:

Telephone	123.36
Dues	10.00
C. D. Police	371.20
Radio	228.35

Total Expended:	<u>\$732.91</u>
-----------------	-----------------

Balance:	<u>\$292.09</u>
----------	-----------------

Jan. 1, 1974 - June 30, 1974

We wish at this time to express our sincere thanks to all the other municipal departments for their help and cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT, Director

Auxiliary Police

To the Honorable Board of Selectmen

Gentlemen:

July 8, 1973, ten officers were graduated from the Eight Week Course of the Plainville Police Auxiliary. Through normal attrition and the appointment of some officers to Special Police Officers for the Town of Plainville, the Auxiliary Police Department (Aux. P.D.), averaged five officers for the year 1973 and donated a total of 1800 man hours to the Town of Plainville.

These man hours were spent in assisting the regular officers during cruiser duty; assisting traffic control during parades and peak traffic hours; dispatching for the Police Department; adding manpower during Halloween, New Years Eve, etc.; and during summer months, checking homes for owners who were on vacation.

The Aux. P.D. meets the first Sunday of each month; and after a business meeting; advanced instruction in Police procedure is presented.

Christopher Cowly, Chief of the Aux. P.D., resigned in December 1973 to become a Special Police Officer for the Town of Plainville. The Department will miss his sagacious leadership.

Many thanks to Mr. Hunt, Police Chief Faille, members of the regular Police Department for their time donated on our behalf, Board of Selectmen and all other departments for their tireless assistance.

Respectfully submitted,

ARTHUR L. PHILLIPS, Sergeant
Plainville Auxiliary Police

Report of the Building Inspector

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Building Inspector for the Town of Plainville for the year ending December 31, 1973.

A total of one hundred and fourteen permits were issued at an estimated value of \$1,623,020. and the fees turned over to the Town Treasurer amounted to \$2,980.57.

Breakdown of permits follows:

- 31 New dwellings
- 27 Alterations and additions to dwellings
- 2 New Business buildings
- 19 Additions to business buildings
- 6 Sheds for storage
- 7 Swim pools

- 4 Garages for dwellings
- 4 Stables
- 3 Fence permits
- 2 Sign permits
- 3 Fireplaces
- 2 Town Buildings: 1 Pump house, 1 Addition to Highway Garage
- 5 Buildings razed

My thanks to all town officials and townspeople for their cooperation during my years as Building Inspector.

Respectfully submitted,

CLINTON E. BARTON, SR.
Building Inspector

RUTH R. FULTON, Assistant

Report of the Planning Board

The Planning Board has met twice a month through the year and reviewed many questions and plans of applicants.

Donald Carter was voted Chairman and Everett Skinner Jr. was voted Secretary. Mr. Stanley Widak Jr. was named as the board's representative to SERPED (Southeastern Regional Planning and Economic District.)

The board reviewed questions and discussions with several applicants of possible sub-divisions in various parts of town.

Section 2 of sub-division called Millbrook Estates off of Messenger Street was completed and accepted by the Board this year. Section 3 of the same sub-division has had a definite plan approved and an amount set for a guarantee.

The sub-division called Pineland Drive off Route 1-A is almost complete and ready for acceptance as per the end of the year.

During the year fifteen sets of plans were signed by the board as "Planning Board Approval Not Required."

A controversy did arise on a group of lots off Pleasant Street. In a prior year the Planning Board had marked the applicant's plans for these lots as "Planning Board Approval Not Required". At a later date the Planning Board rescinded this signature as we believed that portion of Pleasant Street was not a public way. Being unable to get together on sub-division to meet the sub-division control bylaws, the applicant took the matter to court. A consent decree was issued on a ruling that the Planning Board did not have the right to rescind its former signature of "Planning Board Approval Not Required" more than fifteen days after receipt of the application.

During the year members Malcolm Buchanan resigned because of other business pressures and Everett Skinner Jr. resigned because of moving out of town. These resignations were accepted with regret.

Richard Bibby, previous member of the board, was named by the Selectmen to complete the term of Mr. Buchanan. Mr. Stanley Widak Jr. was voted by the board to complete the year as Secretary.

In September regular meetings were cancelled due to renovations in the Town Hall.

Meetings for the rest of the year were held in the Town Garage.

Near the last of the year, the board was petitioned by a number of voters to hold a hearing relative to rezoning on portion of the land off the northwest corner of Taunton and Messenger Streets. This hearing has been advertised and set up for January 7, 1974.

Respectfully submitted,

DONALD CARTER, Chairman
STANLEY WIDAK, JR., Secretary
BRUCE HASTINGS
RICHARD BIBBY

Community Family Service Volunteers

Since October 1972 trained volunteers have answered approximately 130 requests from local and area residents. These calls have resulted in referrals, transportation assistance, and appointments with our social worker, Mr. Willis Scott, ACSW. Over the same period, approximately 30 local families (approximately 90 individuals) have been counseled by Mr. Scott at his Plainville office. We feel that these figures substantiate the need for the services we offer.

Some additional services that are being considered for the coming year are:

1. The addition of a Norfolk Mental Health Association Psychologist to our locally based professional staff.

2. Offering local residents a series of family living seminars conducted by noted professionals in the mental health field. Residents will be invited to hear talks on such topics as depression, coping with stress, inter-family communication, and preparing our children to meet future problems. The Executive Board of the Plainville PTA has shown an interest in co-sponsoring the seminars.

We wish to thank our twenty very active volunteers who have given so willingly of their time to their community; the Board of Health members who have encouraged us in all our endeavors; Ralph Golding, Executive Director of Norfolk Mental Health Association, and Mr. Willis Scott, ACSW, for their time, support, and assistance in training volunteers; Plainville elementary school administration for providing a local office for Mr. Scott; and members of Kappa Sigma Sorority for their continued support.

Expenditures:

Appropriation for 18 month period	\$300.00
Expended through December 31, 1973	
Answering service	\$240.00
Postage, Supplies	45.50
Total	\$285.50

Balance \$14.50 for remainder of 18 month period.

Due to an increase in answering service rates, appropriated funds were expended by January 15, 1974. The deficit for the full 18-month period was met through fund raising efforts of the volunteers and through contributions.

Respectfully submitted,

BOARD OF COORDINATORS,
NANCY CLARK
ADELE FELIX
JAN PRAY, R.N.
MARILYN CARR

Report of the Plumbing Inspector

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Plumbing Inspector for the year ending December 31, 1973.

Respectfully submitted,

RONALD LaPORTE
Plumbing Inspector

Report of The Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the year ending December 31, 1973. All applications for Veterans' Services in 1973 were approved by the State Commissioner of Veterans' Services. Fifty per cent of all monies paid to recipients by the town will be reimbursed by the Commonwealth of Massachusetts.

Approximately 256 inquiries for Veterans' Services were received in 1973.

Respectfully submitted,

DONALD C. SOULE
Veterans' Agent

Report of the Conservation Commission

Honorable Board of Selectmen
Plainville, Massachusetts

Gentlemen:

The report for 1973 of the Plainville Conservation Commission is submitted as follows:

The Conservation Commission had a busy and rewarding year. Many projects have been completed with the assistance of our fellow citizens.

The commission has purchased 17 acres of land from Peterson Realty Trust for the sum of \$5,400.00. This property consists of Scout Island, land abutting the town forest and the rest under the waters of Turnpike Pond. The commission did not have to use 'eminent domain' proceedings as voted at the 1973 annual town meeting. The purchase price was paid from the conservation fund.

Projects completed:

Nature trail — A bulletin board and trail guides have been completed.

The Adirondack camping shelters have been finished. The newest shelter can be used for winter camping and is heated by a wood-burning stove.

Wildlife feeding areas were planted with buckwheat and millet.

The commission's rules and regulations were updated and posted at all regular entrances.

A conservation training day for Girl and Boy Scouts was very successful with over 100 scouts receiving awards for taking part.

Report of the Historical Commission

Honorable Board of Selectmen
Plainville, Massachusetts

We would like to submit our first report to the town. Our Commission was established by a vote of the people at our Special Town Meeting held on June 18th, 1973.

We held our first official meeting on July 19th at the home of Dorothy Chevers.

Members named to this commission were as follows:

Robert Darling	Georgette Plants
Dorothy Chevers	Julie Darling
Jan Nevins	Fred Reynolds
Ida Meade	

We decided to hold our meetings on the third Wednesday of each month. Our duties include dating all houses, monuments, cemeteries, etc. that are of any Historical value by tracing deeds owners, etc. We hope to put up plaques with the documented age on them.

We hope to find a place for storage as we have been offered many articles of value, but cannot accept them until we have a proper place to store such articles.

In October we received the resignation of Robert Darling from our Commission and accepted with regret. Mr. George Curtis was appointed to fill this vacancy.

Our officers are as follows:

Dorothy Chevers, Chairman
Fred Reynolds, Treasurer
Georgette Plante, Secretary
Ida Meade, Publicity

In November the Selectmen voted for our Commission to take over the plans for the Bicentennial Celebration for 1976. We have held several meetings on this and have come up with some ideas but we do need help, so a Sub-Committee will be named to help us with these plans.

On December 11th, the Selectmen appointed the following as Associate Members of our Commission, Barbara Fluck, Maida King, Grace Simmons, Elna Fawcett, Jean Henrich, Constance Bourcher and John Bowmar.

In closing we would like to thank everyone who has showed an interest in our Commission and hope for continued support and assistance.

Respectfully submitted,

DOROTHY CHEVERS, Chairman

Report of Community Health Agency, Inc.

Serving Attleboro, Foxboro, Mansfield, North Attleboro,
Norton and Plainville

Community Health Agency, Inc. has now completed its second full year of operation. Its Board of Directors is composed of thirty members representing the communities served. Plainville was well represented this year by Theodore Wickman, Assistant Treasurer, Mrs. Ugo Bona, Rev. John Bowmar, Mrs. Austin Grant, and Mrs. Edward Osterholm. Professional services are provided by eight staff nurses, an occupational therapist, and two physical therapists.

The professional staff provide many types of service for residents including physician prescribed therapeutic services in the home such as injections, dressings, irrigations, rehabilitation procedures, and teaching of patients and families. In addition, the nursing staff provide services to resident, sponsored by the Plainville Board of Health, which include health promotion or guidance to residents of all ages; maternal and infant health care or teaching; the investigation and follow-up of communicable diseases such as tuberculosis, hepatitis, and salmonella; and the organization of community and immunization clinics.

During 1973 the professional staff made 328 home visits in Plainville, 89 of these for the Board of Health. In addition, 5 immunization clinics were held in the schools, 1 community clinic was held, and 1 flu vaccine clinic was held at the Senior Citizen Housing and at the town offices for other residents. The first community clinic was held in December. In

addition to immunizations, this clinic offered dental screening, tuberculin skin testing, and health appraisals. Future clinics will include vision and hearing screening tests. Pre-school children and adults are encouraged to take advantage of this free clinic.

Statistics for 1973 are as follows:

Clinics

- 476 Immunizations given at 5 school clinics
- 47 Flu shots given at 1 flu clinic
- 29 Immunizations given at 1 community clinic

Total Clinic Service

- 552 Immunizations
- 7 Clinics
- 40 $\frac{3}{4}$ Clinic Hours
- 8 $\frac{1}{4}$ Additional hours for Board of Health

Executive Director

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1973.

This year, twenty-seven (27) licenses were issued and calls were made to each establishment.

This represents nine (9) dairies supplying the area and eighteen (18) local stores and restaurants dispensing milk to the public.

Paid to the Town Treasurer receipts from the sale of milk licenses the amount of twenty-seven (27) dollars.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Milk and Dairies

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for the year ending December 31, 1973.

As required by the State, a complete inventory of all livestock in the Town was compiled and figures returned to the State. The inventory showed 57 Horses, 7 Ponies, 4 young Heifers, 1 older Heifer, 1 Bull, 6 Goats, 22 Sheep, 25 Swine and 27 Beef head.

21 Dog bites were reported and all animals were placed under quarantine, then released after inspection for rabies and two separate reports sent to the State for each case.

It is still the opinion of this person as well as many others that this Town still needs some form of leash law.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Animals

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the Town of Plainville for the year ending December 31, 1973.

Any and all monthly reports required by the State were sent to the Department of Health with the necessary information.

There were no reported slaughterings in the Town for the year 1973.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Slaughtering

Report of the Housing Authority

To the Honorable Board of Selectmen

Gentlemen:

Hilltop Terrace completed its fourth year of existence on October 31st. During the past year we had two vacancies occur and these were filled from our waiting list.

During the year the sign "Hilltop Terrace" was installed at the

entrance to the project. A fir tree was planted in the plot of land in the center of the drive. This will be decorated each year at Christmas time.

The members of the Authority would like to express their appreciation to the Plainville Lions Club, the local church groups, the Women's Clubs and others for their thoughtfulness to the residents of Hilltop Terrace during the year.

In addition, we would like to thank the Police, Fire and Highway Departments for their constant cooperation.

Respectfully submitted:

FRANCIS SIMMONS, Chairman
CLINTON BARTON, Vice Chairman
WALTER FINK, Treasurer
LeROY WILSON, Asst. Treasurer
RUBENA COLE
MELVIN DWYER, Exec. Director

Report of the Zoning Board of Appeals

To the Honorable Board of Selectmen
Plainville, Massachusetts

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1973.

There were 16 cases handled throughout the year, consisting of 4 gravel and loam permits, 8 requests for variances, 1 permit for building additions, 1 permit for stables, 1 livestock permit, and 1 permit for a printing operation. Granted were 4 gravel and loam permits, 4 variances, 1 livestock permit, 1 permit for stables, and 1 permit for a printing operation. Denied were 4 variances and 1 permit for a building addition.

The Board received and paid to the Town Treasurer for applications \$237.00. It spent from its established budget \$245.69 for postal fees, clerical work, advertising, stationery, school auditorium rental and dues.

We sincerely thank all Town Departments for their support and assistance during the past year.

Respectfully submitted,

CONSTANCE BOUCHER	GILBERT SANBERG
RICHARD GUILLETTE, Chairman	ROBERT SAPITA
MAURICE POTHIER	GRACE SIMMONS
JAMES RINALDI, Vice Chairman	LORRAINE WOODWARD, Secretary

Report of the Library Trustees

To the Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Plainville Public Library Trustees. During the year 1973 we had a circulation of over 10,534 books, this includes magazines and records. We have purchased many new books and the bookmobile comes to the library about once a month making available many current best sellers. We collected \$145.00 in fines which we turned over to the Town Treasurer.

This past year we had the main part of the library scraped and painted, we also had to have the bricks in the chimney recemented and the chimney cleaned. We had new carpeting put down in several sections of the library which has helped greatly in cutting down on noise and will save on the old floors.

This coming year we will need a new roof plus replacing a few beams in the attic and fix a few ceilings.

We would like to thank Mrs. Cobb and Mrs. Kenniston for making our library so nice and Mr. Cobb for all our small jobs.

Respectfully submitted,

GEORGE H. CURTIS
JEAN HENRICH
MARGARET FREDERIKSEN
Plainville Library Trustees

Report of Park Commissioners

To the Honorable Board of Selectmen:

Gentlemen:

1973 has seen several new additions to our Town Park. Among them a new tractor and cart, playground equipment and a fenced in tennis court.

The Park Commission wishes to thank the Townspeople for their support and encouragement for making these improvements possible.

Swimming instruction was offered to the children of Plainville as it has been in the past. A total of 116 Red Cross cards were earned in the following levels:

Beginners	30
Advanced Beginners	27
Intermediates	20
Swimmers	22
Jr. Life	10
Advanced Swimmers	7
	116

The Park Commission feels that every child should have the opportunity to learn how to swim correctly and with proper supervision. We hope that more children and parents will take advantage of this opportunity in 1974.

This year the Park Commission plans to improve its picnic and sports facilities in order that the Park may become more family oriented.

Our thanks to all for a successful year.

Report of the Board of Registrars

To the Honorable Board of Selectmen:

Gentlemen:

We on the Board know now how it is to live out of a "suitcase" with temporary town offices down at the Elementary School. We would like to extend our sincere apologies to anyone that this might have inconvenienced as far as voter registration. We are presently in our new quarters and feel we can serve the people of Plainville even better than we did before. The Board is located in Room No. 106 of the newly renovated town offices.

We are pleased to see a younger trend coming up in our town elections as we suggested last year.

The Annual Meeting of the Norfolk County Board of Registrars was held at Albert's Restaurant on Route 138, Stoughton. The speaker that evening was the Secretary of State, John F. X. Davoran, and his speech was well received by all who were present.

The latest figures on registration are as follows:

Republicans	1025
Democrats	417
Independents	1535
Total	2977

Report of the Wire Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Electrical Inspector for the Town of Plainville, for the year ending December 31, 1973.

A total of 88 permits were issued for an income of \$1,287.50. This represents a substantial increase over the same period in 1972.

I would like to thank the Board of Selectmen, Town Departments, the Massachusetts Electric Company, Contractors and Townspeople, for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS
Electrical Inspector

Report of the Board of Appeals

To the Honorable Board of Selectmen:

Gentlemen:

This Board reports another year of inactivity. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the Townspeople to the extent that no situation or disputes requiring our services occurred. We view this turn of events with pleasure and feel the Town Officers have functioned smoothly indeed.

We sincerely hope 1974 will be as uneventful.

Respectfully submitted,

ROBERT HAYES
ROBERT KENISTON
MELVIN DWYER

Report of the Tree Warden

To the Honorable Board of Selectmen

Gentlemen:

The appropriation was used to take down dead trees, trimming dead wood and where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation		\$2,000.00
Expended:		
Wages	\$1,168.10	
Total		1,168.10
Balance		\$831.90

Report of Town Counsel

Board of Selectmen
Town of Plainville
Plainville, Mass.

Dear Sirs:

I hereby submit my report as Town Counsel:

The following cases are still outstanding:

1. Nirvana Trust Vs: Town of Plainville
2. James Jenks Vs. Town of Plainville
3. Town of Plainville Vs. William D. Smith Estate (Tax Title Foreclosure)
4. Town of Plainville Vs. Charles Major Estate (Tax Title Foreclosure)
5. Southeastern Construction Vs. Town of Plainville
6. Armiroto Tool Inc. Vs. Town of Plainville
7. Benker Vs. Zoning Board of Appeals

There are files still open and pending on the Railroad Land, Railroad Bridges and Sewer System.

All other cases and claims have been tried or disposed of.

During the course of the year, I was called upon to give opinions and furnish legal advice on many cases and to draw and/or approve instruments.

I wish to express my appreciation to the Town Boards and Officers for their cooperation.

Respectfully submitted,

CHARLES R. MASON
Town Counsel

Report of the Town Ambulance

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1973.

Trips	408
Patients	374
Mileage	7295.5
Man Hours	933
Oxygen	22 Tanks
Billing	\$6,337.70

Appropriation:

Salaries	\$5,000.00	
Expenses	2,500.00	
Total		\$7,500.00

Expended

Wages	\$2,930.20	
Maintenance	179.92	
Supplies	164.55	
Dues - Meetings	92.47	
Oxygen	42.80	
Radio Maintenance	257.65	
Laundry	418.90	
Gasoline	308.59	
Total Expended:		\$4,395.08

Balance	\$3,104.92
---------	------------

In August we received delivery of a 1973 Pontiac Ambulance from Superior Eastern Sales, Inc. to replace our 1967 International Ambulance. This is the third ambulance we have owned since we started providing this service in 1960. It has proven to be very satisfactory as of this date.

The demand for the services of the ambulance continues to increase each year. I feel we serve this need very well during the day-time hours of 8 A.M. until 4 P.M., Monday through Friday. Nights from 4 P.M. until 8:00 A.M. and on Saturdays and Sundays we are not affording those in need the prompt response they deserve. The reason being that during these periods we have only one firefighter on duty.

Many meetings and seminars have been attended during the year in regards to a new Ambulance Law which will become effective on January 22, 1974. It is enabling legislation authorizing the Department of Public Health to take certain action "to insure high quality emergency medical care through regulations of ambulances and ambulance services." This will be handled by the Office of Emergency Medical Services, Massachusetts Department of Public Welfare. All personnel shall be required to attend a State certified 81 hour E.M.T. course and then take a National Registry examination upon completion in order to become registered nationally as well as to be certified in Massachusetts.

Respectfully submitted,

C. E. SKINNER, JR.
Chief of Fire Department

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation:		\$1,000.00
Expended: Wages	\$442.08	
Purchased Labor and Equipment Hire	400.00	
Total		\$842.08
Balance		\$157.92

Respectfully submitted,

EVERETT W. SKINNER, SR.
Moth Department

Report of the Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 and The Revenue Sharing accounts, Hancock Street, High Street from Hancock Street to Warren Street, Walnut Street, Rhodes Street from High Street to Bow Street, Bow Street and Hawkins Street from High Street to Fales Road, were surfaced treated with one-quarter gallon per square yard of M-C-800 asphalt with a sand cover. Hawkins Street was widened in three place to eliminate a dangerous condition. A stone culvert on Hawkins Street was replaced with a 24" pipe. On Bow Street an old stone culvert was replaced with a 24" pipe.

The State and County did not match either Chapter 90 maintenance or construction money available this year. However, they say that the contracts will be ready for 1974.

Under provisions of Chapter 90 Construction Account, the drainage system was started on East Bacon Street.

The old cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department Drainage Program, catch basins, brush cut along the roadside, gravel roads were scraped and graveled, bituminous patching and maintenance of roads was realized.

A new front end loader-back-hoe was purchased and will be a very valuable piece of equipment for the Highway Department.

The Highway Garage is completed and in use, we can now keep all valuable equipment under cover.

The old Highway Garage and the New Building was connected by a building built by the students at Wentworth Institute under the direction of their Instructor, Angelo J. Piantedosi. The only cost to the Town was for the materials used. I wish to thank Wentworth Institute, Students and Angelo Piantedosi, for a job well done.

I wish to thank the citizens of Plainville for there cooperation and for appropriating the monies to make the new loader-back-hoe and new buildings available.

It has been a pleasure to work with and for the other departments during the year 1973.

In submitting this report, I again wish to thank your Board, the Employees of the Highway Department and all other Department Heads of the Town for their cooperation during the year 1973.

Respectfully submitted,

EVERETT W. SKINNER, SR.

Report of the Fire Department

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1973.

Following is a list of calls answered by this Department.

Buildings	33
Grass and Brush	31
Illegal Burning	9
Mutual Aid	15
Miscellaneous	68
False Alarms	4
Car and Truck Fires	30
Wires	4
Electrical	5
Investigations	104
Flooded Cellars	26
Sprinkler Alarms	4
Accidental Alarms	12
Lock-Outs	13
Accidents	36
Rescue	15
First Aid	5
Transportation	36
Bomb Scares	1
Meetings and Practices	15
Total	466
Ambulance Trips	408
Grand Total	874

This has been a very busy year for this Department with many hours being spent on the building and transition into our new quarters. After moving in there were many things left the men to do and with the painting, reinstalling of the fire whistle system, and installing the Fire Detection system in the Town Offices still to be taken care of we have many months of work ahead of us.

During the construction period, Masslite Corp., Mr. Joseph Miconi and Highway Superintendant Everett Skinner were very generous and offered us the use of their buildings for the storage of Fire Trucks and

equipment. For this I would like to thank them at this time. I would also be remiss if I did not take this opportunity to thank your Honorable Board and the townspeople for making this all possible with a special commendation to the Building Committee for a job well done.

Three of the full time firefighters have continued their schooling at the Bristol Community College completing two semesters of the Fire Science Course.

Seminars and other special schoolings were attended by myself and the full time personnel during the year. Due to the many hours required to accomplish the above we did not have the opportunity for training as in the past. Much effort will be focussed in this direction during the coming year.

As stated in the past everything is changing each year. This also pertains to this Department. More is required of the Department and especially the ambulance service and I find it more difficult each year to furnish same. Therefore, I will be requesting in my budget for next year three additional men with a goal of having three men on duty twenty-four hours per day in the future. With this I feel we could do an excellent job for the Townspeople for both fire and ambulance.

I wish to thank your Honorable Board, Police Chief Robert Faille and the men of his Department, Superintendent of Streets Everett Skinner and the men of his Department, the Officers and men of this Department, and all others who have assisted and cooperated with me during the year.

Respectfully submitted,

CLARENCE E. SKINNER, JR.
Chief of Department

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

The following is a report of the Water Department for the year ending 1973. In the year 1972 — 212,193,900 gallons of water was pumped and in 1973 — 212,006,456 gallons of water was pumped. 187,443 gallons less than in 1972. 581,352 gallons per day, 24,202 gallons per hour, 403 gallons per minute.

Joseph T. Iacuzzi, Inc. of Plainville completed work on water mains for Taunton Street, Mirimichi Street, Doreen Way, Treasure Island Road and George Street.

Bids went out for the new well and pumping station off West Bacon Street and were opened in August 1973. At this time it was realized that the \$60,000.00 raised on Article 36 would not be sufficient for this project. An additional \$15,000.00 was needed. After this was done the contract was awarded to A. D. Construction Company, Peabody, Mass. as low bidder. Work has been started and should be completed by mid summer.

Exploration and ground water tests are still being conducted by Layne New England under the direction of Camp Dresser and McKee, Inc. in order to find an exceptable well site to provide future water supplies for the town. This is a project that has to be continued if suitable water sites are to be found.

We wish to thank Supt. Everett Skinner, Sr., Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, Camp Dresser & McKee, Inc. and other departments who in any way assisted the Water Commissioners during the year 1973.

Annual Report

of the

SELECTMEN

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31, 1973

Report of The Board of Selectmen

To the Citizens of the Town of Plainville:

Submitted herewith is the report of the Board of Selectmen for the year ending December 31, 1973.

This Board met weekly and issued all necessary licenses and permits and followed through on all complaints.

Mr. George P. Glaiel, Administrative Assistant has been engaged by the Board of Selectmen and has proved most profitable for all Departments.

The railroad bed presently owned by Penn Central is still under negotiations. The Board of Selectmen are in hopes of acquiring this land which will benefit the Town namely for conservation and recreation purposes.

Several appointments were made by the Board to fill various vacancies created by resignations.

In the year 1973 the Town Office is being modernized and through the kindness of the Elementary School Committee we moved all our equipment on the stage of the Beatrice H. Wood Elementary School Auditorium. The moving date was August 8, 1973 and as this report is being written we are still here.

We the Board of Selectmen take this opportunity to thank the Elementary School Administration, School Committee, Custodians and anyone else concerned for their many kindnesses and excellent co-operation to make our stay most pleasant and comfortable. Even through the energy crises they have excelled to keep us comfortable. The Board of Assessors, Tax Collector and Board of Selectmen have met on Tuesday evenings during our stay in the Auditorium.

Several additional street lights have been installed on various streets and some have been upgraded within the Town and have proved most effective.

Several hearings were held in relation to Mass. Electric and New England Tel. and Tel. Co. for pole locations. All abutters were notified, hearings were held when necessary and permits issued.

The Board is still waiting for Route 1A from the Wrentham to the

North Attleboro Town line to be repaired and meet the requirements of the Highway Superintendent and Board of Selectmen before the Town accepts the roadway.

Several sessions were held with the Building Inspector in reference to building permits relative to the Zoning Boards of Appeals decisions.

The Town Insurance contract renewal was put out to bid and several bids were received from various Insurance Agents. After much discussion and a thorough examination by the Board it was felt that the Plainville Insurance Agency Inc. had the most feasible plan for the benefit of the Town.

Many requests from various departments for meeting space in the new Town Office were received by the Board. All requests have been carefully considered and all requirements fulfilled wherever possible.

Now that the Town's population is over the 5,000 mark it became necessary to engage a sealer of weights and measures. Mr. William L. Walsh, 418 South Street was unanimously appointed by the board and has proved to be most co-operative.

At a Special Town Meeting June 18, 1973 it was voted to establish a Historical Commission under the provisions of the General Laws, Chapter 40, Section 8d. This Commission is composed of 5 members appointed by the Selectmen, 1 member for one year, 2 members for 2 years and 2 members for 3 years.

Two Special Town Meetings were held during the year 1973, June 18 and September 24, 1973. These warrants are printed in this years Town Report along with the results. Refer to the Town Clerk's Report.

During the ice storm of December 17 and 18, 1973 the Board of Selectmen, Police Department, Fire Department and Civil Defense gave their fullest co-operation and met all emergencies. The Beatrice H. Wood School Auditorium was made available to any one in need of shelter.

The resignation of Mr. Clinton E. Barton, Sr. as Building Inspector effective as of December 31, 1973 was received with much regret. Mr. Barton has been Building Inspector for many years and has devoted much of his own time and energy for the benefit of the Town of Plainville. This board wishes Mr. Barton a well deserved wealthy and healthy retirement.

The Board of Selectmen, Personnel Board and Mr. George P. Glaiel, Administrative Assistant, met in several executive sessions in regards to the bargaining requests of the Police Association and Fire Department to be presented to the voters of the town at the 1974 Town Meeting.

In conjunction with the Massachusetts Bicentennial, the board agreed that some sort of a shelter should be erected to protect the Angle Tree Stone, which is one of the oldest landmarks in the Town of Plainville, and is also our town seal. This was unanimously agreed by the board.

Also, the forming of a Historical Society which would have Federal Funds available and work in conjunction with the Historical Commission. Under the General Laws the Commission may not raise monies, only have funds available through an appropriation at a town meeting. A Historical Society may raise funds and could work along with the Historical Commission.

Letters were sent to the present Rationing Board inquiring if they wished to remain on. As a result of the energy crises it will be necessary to continue an active Rationing Board. Mr. Arthur Washburn and Mr. Walter Finnk stated they would remain on the board. Also, Mr. Daniel H. Hunt, Civil Defense Director and Board of Selectmen will be members of the Rationing Board.

In closing, we wish to thank the Highway Superintendent, Everett W. Skinner, Sr., Police Chief Robert R. Faille, Fire Chief Clarence E. Skinner Jr., and men of their departments for their co-operation throughout the year. Also, Mr. Carl Green, School Committee, and Mr. Albert Pothier, David Rushlow and Pauline Pothier custodians of the Beatrice H. Wood School for their tireless effort and co-operation during our stay at the school while the Town Office was being renovated. Also, we would like to thank Mr. George P. Glaiel, Administrative Assistant, Mrs. Irene Tremblay and Mrs. Georgette Plante, clerks; Town Clerk, Austin F. Grant and Assistant Town Clerk, Mrs. Kathleen Sandland; Assessors and Mrs. Ruth Fulton, Assistant Assessor; Normand Theriault, Tax Collector; Lawrence Carpenter, Town Treasurer; Finance Committee and any others who in any way made our job a little easier during the past year. Especially we wish to thank all for their understanding, it is greatly appreciated.

Respectfully submitted,

ROBERT W. ROOT
RAY P. FELIX
ROBERT E. LOEW

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1973.

This Board has made all necessary inspections of all food establishments throughout the year. Reilly Laboratories of Weymouth have made four complete inspections of all food establishments in Town and have submitted written reports and recommendations to this board. The board has followed through all recommendations to a conclusion.

The Town's Sanitary Landfill is in excellent condition through the efforts and co-operation of Mr. Everett W. Skinner, Sr., his men and the co-operation of the Townspeople it continues to remain one of the finest in the area.

The land on Cowell Street presently being utilized for the Sanitary Landfill is owned by Southeast Construction Co. of Avon, Mass. and negotiations are still underway to purchase about 50 of the 65 acres for this purpose. William F. Coyle has appraised this for a sum of \$23,900.00. This would be a valuable asset to the town and we are looking forward to completing negotiations.

A flu clinic was held in the Beatrice H. Wood School Auditorium in early November which was conducted by the Attleboro Community Health Agency Inc. Dr. Robert Botts and Mrs. Botts, R.N. and four R.N.'s also were on duty. They also went to the Housing for (Senior Citizens) the elderly to administer the vaccine.

This board in conjunction with Dr. DeWitt of North Attleboro and assisted by the Sigma Phi Gamma Sorority conducted a rabies clinic for dogs, which was well attended. We wish to thank Dr. DeWitt, Sigma Phi Gamma Sorority and anyone who may of assisted to make this clinic successful.

All complaints on sewerage were followed through and in many cases the advice of Mr. James Freeman, town Sanitary Engineer has been greatly appreciated. In some cases Mr. Freeman has disapproved Sanitary Disposal Application for various reasons. This is greatly appreciated by the Board of Health and has eliminated many future problems. It was also voted by the board not to issue any applications unless the proprietor has an ample supply of water if they are not on the Town's Water Main.

All reports on communicable diseases have been turned over to the Attleboro Health Agency Inc. for them to follow through and with their

co-operation close control has been kept. All dog bite reports have been turned over to Mr. Robert Keniston, Animal Inspector.

Mr. George P. Glaiel, Administrative Assistant, Mr. Everett W. Skinner, Sr., Highway Superintendent and Police Chief Robert R. Faille, have been appointed agents to the Board of Health. This has proved most convenient, reason being much of this work has to be taken care of during the day and in most cases immediately.

All communications from the State Board of Health were followed through — Mushroom, Equine Encephalitis and Pur-Pac-Magnesium USP (Formerly Epsom Salts), and in all cases, through the co-operation of the Police Department, all stores were contacted.

In closing, we wish to thank various departments and citizens of Plainville for their help and understanding during the year 1973.

Respectfully submitted,

ROBERT W. ROOT (Chairman)

RAY P. FELIX (Clerk)

ROBERT E. LOEW (Vice Chairman)

ROBERT E. LOEW

Report of the Sewer Committee

To the Honorable Board of Selectmen

Gentlemen:

Throughout 1973 the sewer committee has been relatively inactive due to external factors over which we have no control. Communications were received on March 9 from HUD stating that the Water and Sewer Program was terminated on January 5, 1973; and on October 31 from Camp, Dresser & McKee enclosing final plans and specifications for Plainville's sewerage facilities and further stating that "Prior to going to construction, the Town will have to consider the following:

- a. Adoption of Rules and Regulations.
- b. Adoption of a user charge system.
- c. Consider a betterment policy.
- d. Prepare grant applications.
- e. Consider North Attleboro's schedule."

During November a meeting called by the North Attleboro Sewer Commission was held between local, federal, state, and regional officials. Little specific headway was made at that time. At present the plans for sewerage in Plainville are still largely dependent on the possible construction by North Attleboro of a treatment plant to handle the volume of both towns.

Respectfully submitted,

FREDERICK P. FLUCK, Chairman

Municipal Building Committee Report

To The Citizens of Plainville and
The Honorable Board of Selectmen

We herewith submit our report of the activities of the Municipal Building Committee for the year ended December 31, 1973.

As previously reported in last years Town Report, the work at the Fire and Police Stations started on November 4, 1972 and this Committee voted to accept that project for the Town on July, 1973. The Highway Department Garage was started on December 30, 1972 and was accepted by the Committee on May 1, 1973. The renovations to the Town Hall Building started on August 1, 1973 and should be completed and accepted sometime shortly after January 1, 1974.

The estimated cost of each project as of this writing is as follows.

Project #1	Fire and Police Departments	
	Remodel	\$44,056.70
	New	197,414.80
		\$241,471.50
Project #2	Highway Department Garage	
		\$53,122.30
Project #3	Town Hall Building	
		\$66,436.91

We the Committee feel that the citizens of Plainville will be pleased with their new facilities and are hopeful of their long use to the Town over the next 20 - 25 years, as we feel they will be adequate.

The Committee, over the past year, has held numerous meetings on a weekly basis, with the architect and his staff as the projects progressed. The various committee members kept abreast of the daily progress on the projects, and were available when needed for consultations.

We the Committee feel that the Citizens of Plainville received value for every dollar expended on this program and would like to take this opportunity to thank the various departments and Department Heads for their co-operation and considerations during this project.

Also we would like to thank the School Committee and Supt. Carl Green and his staff for allowing the Town Officers the use of the stage area at the Beatrice Wood Elementary School for the duration of the Town Hall project. Without their assistance the functioning of Town Government would have been most difficult and trying.

To Architect Everett Ericson and John Reda, thank you for your advice, counsel and understanding in some of our more difficult times, it is greatly appreciated. Also, you should be commended for excellent planned use of areas that were remodeled, and for the overall project.

It has been our pleasure to serve the Town in our capacity and feel that the Town has well planned and laid out facilities now which are second to none in our surrounding areas.

Report of Finance Committee

Your Town Finance Committee has had frequent meetings throughout the past year. We have had excellent representation and have enjoyed the cooperation of the Town Officials in resolving the problems that have arisen.

We sincerely regret the resignations of Mr. George Pray and Mrs. Jean Bumgardner, whose presence and experience will be missed.

We have been fortunate in the appointments of Mr. Edward Serwinski and Mr. Barry Cudmore to fill the vacancies on the committee.

The money appropriated at the Annual Town Meeting for extraordinary and unforeseen expenses has been dispersed as follows:

Town Treasurer (9-17-73)	\$600.00
Board of Assessors (9-17-73)	300.00
Bylaw Review Committee	700.00

leaving an unexpended balance of \$13,400 as of December 31, 1973.

We again wish to thank all the Officials of the Town for their cooperation in our endeavors to give the town a sound financial base from which to operate.

Respectfully submitted,

GERARD L. JEANNOTTE, Chairman
ROBERT BROTHERS, Vice Chairman
ROBERT ROOT, Chairman Selectmen
LAURENCE CARPENTER, Treasurer
ROBERT BARNEY
EDWARD SERWINSKI
BARRY CUDMORE
DAVID LOMASNEY
ROLAND FERLAND, Secretary

Annual Town Meeting

1974

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, March 4, 1974

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood, Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FOURTH DAY OF MARCH 1974 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectmen, Board of Health, One Assessor, One Treasurer, One Tax Collector, One Water Commissioner, One Park Commissioner, One Trustee Public Library, Two Members of the School Committee for Three Years. Three Members of the Planning Board; one for five years, One for three years and One for two years. Four members of the Finance Committee; Three for Three Years and One for Two Years. One Member of the Housing Authority for Five Years, and the following questions:

Question No. 1

"Shall the town distribute to its insured employees, after deducting the town's total administrative cost, the balance of any group insurance dividend which shall be based upon the employees' proportionate share of the total premiums paid for all insurance coverages?"

Yes.....

No.....

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting

shall stand adjourned to the Second Monday in April at 7:30 P. M. in the Auditorium of the Beatrice H. Wood Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1973-74 (18 months)	Requested 1974-75 (12 months)
Moderator	\$25.00 per meeting	\$25.00 per meeting
Town Clerk	1,350.00	4,000.00
Town Treasurer	4,200.00	3,000.00
Selectmen—Chairman	1,350.00	1,200.00
Second Member	1,200.00	1,100.00
Third Member	1,200.00	1,100.00
Board of Health—Each Member	225.00	200.00
Assessors—Chairman	1,800.00	1,300.00
Second Member	1,800.00	1,300.00
Third Member	1,800.00	1,300.00
Tax Collector	3,187.50	3,750.00
Water Commissioners—Chairman	525.00	350.00
Second Member	375.00	250.00

Auditor	250.00	375.00
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour
Sealer of Weights & Measures		275.00

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerks of the Selectmen, placed with a fidelity of guarantee company and appropriate the sum of \$500.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to install Street Lights at the following locations, and raise and appropriate a sum of money to pay for same:

1 Street Light on Cottage Street

4 Street Lights on Bow Street

5 Street Lights on Mirimichi Street

or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning July 1, 1974, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 9. Will the Town petition the General Court under Article LXXXIX of the amendments of the Massachusetts Constitution for Special legislation authorizing it to delete or reduce any item in the school budget on approval of two-thirds of the persons present and voting at a town meeting, to exempt the Town from the operation of the last sentence of Section 7 of Chapter 150E of the General Laws and from binding arbitration of school budgets.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to reprint any or all of the Town Bylaws. Said sum to be spent under the direction of the Bylaw Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated bylaws or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$1,294.11 or any other sum, for the Control of Insects and Dutch Elm Disease (\$594.11 for Insect Pest Control and \$700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General

Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 12. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending June 30, 1975 and expressly for the following purposes to wit:

1. Support of the Public Library, Salaries and Expenses	\$9,857.38

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds, in the Treasury, the sum of \$10,050.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$14,748.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for Town Funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

ARTICLE 20. To see if the Town will vote to raise, appropriate or transfer the sum of \$3,000.00 for the purchase of Two (2) new plows and frames for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise, appropriate or transfer the sum of \$4,000.00 for the purchase of a new sander for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise, appropriate or transfer the sum of \$13,000.00 for the purchase of a new truck and body for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to amend the Bylaws by changing Chapter 1, Section 21 to Section 23; Section 20 to 22; Section 19 to 21; Section 18 to Section 20 and add new Sections 18 and 19 as follows:

XVIII GAS FITTING AND INSPECTION

- 18.1 The Board of Selectmen shall annually, within thirty days after the close of the Annual Town Meeting, and whenever a vacancy shall exist, appoint an Inspector of Gas Piping and Gas Appliances in buildings under General Laws, Chapter 143, Section 30.
- 18.3 No permit will be required to execute the following classes of plumbing or gas piping work:
- A. The installation, alteration or repair of plumbing equipment installed by or for a utility company for the use of such company in the generation, transmission, distribution or metering of water or gas.
 - B. The replacing of appliances or equipment or repair of equipment and appliances which are not an integral part of the plumbing or gas piping system.
 - C. For emergency repairs and maintenance of plumbing or gas piping in establishments where a licensed plumber or gas fitter is employed continually on the premises.
- 18.4 Inspections. When any work is complete or ready for inspection the Inspector of Plumbing or Gas shall be notified.
- A. If, upon inspection, the work is found to comply with the requirements of this bylaw and all applicable State Laws, approval shall be given by the Inspector, authorizing the utility company for the connection to the service lines and the energizing of the installations, but if the work is defective, all defects shall be remedied before such an approval is issued.
- 18.5 Penalty. Whoever violates any provision of this Bylaw shall be liable to a penalty not exceeding Twenty (\$20.00) Dollars.

XIX PLUMBING, DISPOSAL AND GAS PERMITS

- 19.1 The Inspector of Gas fittings and piping, appointed in accordance with General Laws, Chapter 143, Section 30 and the Inspector of Plumbing shall have control of the supervision and inspections of gas fittings and plumbing respectfully, and shall enforce all Bylaws, and regulations that relate thereto.

19.2 Permits. Before any person, firm or corporation shall install any plumbing, gas or disposal piping, said person, firm or corporation shall make application to the Plumbing or Gas Inspector for a permit for that purpose, file with the Inspector of Plumbing or Gas such information or specifications as may be required, and pay a fee in accordance with the following schedule:

A. Natural Gas Permits

1. New Installation	\$15.00
2. Gas Water Heater	5.00
3. Gas Dryer	5.00
4. Replacement or Alteration	5.00
5. Conversion Burner	10.00
6. Roof Gas Heater (Each one)	5.00
7. Space Hanging Gas Heater (Each one)	5.00

B. Low Pressure Gas Permits

1. Tank Installation	\$5.00
2. House Installation	10.00
3. Trailer Inspection - Gas	10.00

C. Plumbing Permits

1. New Building - 8 Fixtures or Less	\$20.00
2. Each additional Fixture - Over 8	2.00
3. Replacement at an Existing Building	3.00
4. Drainage (Roof, etc.)	15.00
5. Electric or Gas Water Storage Heater	5.00

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer from the available funds in the Treasury, the sum of \$350.00 for the normal repair and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 to be expended by and under the direction of the Park Commissioners for the purpose of resurfacing the roadway and parking areas surrounding the Town Offices and under the control of the Park Commission, and to determine how such sum shall be raised,

whether by taxation, transfer from available funds or by borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or to do or act in any manner relative thereto.

(2/3 vote required for borrowing)

ARTICLE 27. To see if the Town will vote to amend the Zoning Bylaws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the classification CA:

Beginning at a point in the westerly line of Taunton Street at the northeasterly corner of the described premises; thence southerly by Taunton Street, about 400 feet to a point in the existing CA Zone; thence southwesterly by said CA Zone about 300 feet to a point; thence southeasterly by said CA Zone about 400 feet to Messinger Street, thence southwesterly by Messinger Street about 25 feet to a point; thence northwesterly by land now or formerly of Baker Realty Trust, 1196.58 feet to a point; thence northeasterly in a straight line about 380 feet to a stake; thence southeasterly by land now or formerly of Harrison 154.80 feet to a stake; thence southeasterly again by land now or formerly of Harrison and now or formerly of Johnson about 535 feet to the point of beginning, or take any action in relation thereto.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in manner relative thereto. (2/3 vote required)

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of \$255,000.00 to construct the continuation of the existing 12-inch water line in Washington Street, from the corner of George Street and Washington Street northerly in Washington Street to the corner of Taunton and Washington Street and thence southerly in Taunton Street to the present terminus of the main in Taunton Street at Mirimichi Street along with the necessary appurtenances. A distance of 8100 feet more or less together with all incidental work, under the direction of the Board of Water Commissioners, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance

of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$46,000.00 to construct a continuation of the existing 12 inch water line on Washington Street southerly to the intersection of East Bacon Street a distance of 1500 feet more or less under the direction of the Water Commissioners, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to accept Section 6 B of Chapter 40 of the General Laws which provide for uniforms and clothing allowances for policemen and firemen, and to raise and appropriate funds for this purpose, or do or act in any manner relative thereto.

ARTICLE 32. To see if the Town will vote to accept Section 6 J of Chapter 40 of the General Laws which provides for work clothes for Town employees; and raise and appropriate funds for this purpose, or to do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to accept Section 6 L of Chapter 40 of the General Laws which provides for the rental or lease of work clothes for Town employees and to raise and appropriate funds for this purpose, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to authorize the taking by Eminent Domain or purchase or otherwise for sewer purposes whether in Fee Simple or Permanent Easement, Temporary Easements and/or Right of Way the following described parcels of land:

Parcels PS-1, PS-4, PS-5, TC-6, TC-3, TC-4, PS-6, TC-10, PS-14, TC-7, and PS-12, all as shown on that plan of land entitled "Plan Showing Takings for Sewer Easements, Plainville, Massachusetts, Scale 1" = 40' Sheet No. 1, Nov. 20, 1973, Harry R. Feldman, Inc., Land Surveyors, 112 Shawmut Avenue, Boston, Mass." which plan is recorded with Norfolk Registry of Deeds, (No. of 1974 in Plan Book) and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts

and

Parcels PS-10, PS-11, TC-13, TC-15, TC-16, PS-12, and TC-14, all as shown on that plan of land entitled "Plan Showing Takings for Sewer Easements, Plainville, Massachusetts, Scale 1" = 40', Sheet No. 2, Nov. 20, 1973, Harry R. Feldman, Inc., Land Surveyors, 112 Shawmut

Avenue, Boston, Mass." which plan is recorded with Norfolk Registry of Deeds, (No. of 1974, in Plan Book) and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts, and to raise and appropriate the sum of \$12,500.00 for the purpose and to determine how said appropriations shall be raised, whether by taxation, by transfer from available funds including those funds appropriated under Article 31 of the Annual Town Meeting held March 20, 1972, or by borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required.)

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

Westerly by Cottage Street, 62.20 feet $\pm$
Northwesterly by Town of Plainville Land 87.90 feet
Easterly by Town of Plainville Land 77.20 feet
Southerly by Parcel 146, 57.98 feet
Westerly by Parcel 146, 15.00 feet $\pm$
Southerly by Parcel 146, 30.00 feet $\pm$
Approximately 6,326 square feet

Being a portion of land shown on Assessors Plans Sheet 12, Parcel 146 now supposedly owned by Richard C. and Sandra C. Harford, 12 Cottage Street, Plainville, Massachusetts

And to raise and appropriate the sum of \$3,800.00 for this purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, or by borrowing or otherwise, and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to amend, effective July 1, 1974 its Personnel By-Law to read as follows:

SECTION VI — COMPENSATION PLAN

6.11 **Shift Differential.** Each employee of the Plainville Police Department who complete a 40 hour work week, with shifts of duty beginning on or after 3 p.m. and ending at 8 a.m. will receive additional compensation of \$5.00 per week.

SECTION IX — OVERTIME

9.4 In the event an employee of the Fire Department, except the

Chief of the Department, is called back to duty after he has completed his regular tour of duty and left his place of employment and before the beginning of his next regular workday, or in the event such an employee is called back to duty on one or both of his scheduled days off, he shall be provided with not less than two (2) hours of pay compensation for each such call back. Ambulance calls shall be excluded from this section.

9.5 In the event an employee of the Fire Department is on ambulance coverage on weekends, as required, he shall be paid a minimum of twenty dollars (\$20.00) per week end, except the Chief of the Department.

SECTION XII — VACATION LEAVE

12.2 Full time employees shall be entitled to vacation leave as follows:

- A. An employee with six (6) months but less than one (1) year of continuous employment with the Town shall be entitled to five (5) days of vacation leave.
- B. An employee with one (1) year but less than five (5) years of continuous employment with the Town shall be entitled to ten (10) days of vacation leave.
- C. An employee with five (5) years but less than fifteen (15) years of continuous employment with the Town shall be entitled to fifteen (15) days of vacation leave.
- D. An employee with fifteen (15) or more years of continuous employment with the Town shall be entitled to twenty (20) days of vacation leave.

SECTION XIII — SICK LEAVE

13.2 Each said employee shall accrue sick leave at the rate of one day for each month of actual work performed for a total of twelve (12) days per year. Sick leave shall be cumulative from one calendar year to the next, unlimited, provided that after 5 days continuous absence the person must obtain a certificate from a physician appointed by the town and that there will be no compensation for accumulated sick leave upon termination of employment. Further emergency leave may be granted at the discretion of the Personnel Board upon written request from the Department head, after review of all circumstances including the employee's previous attendance and performance records.

SECTION XIV — PERSONAL INJURY SUSTAINED IN LINE OF DUTY

14.5 The Town of Plainville will insure each member of the Plainville Police and Fire Departments for accidental death for the sum of Ten Thousand dollars. Said coverage to be assumed by the Town.

APPENDIX A **CLASSIFICATION PLAN, COMPENSATION PLAN AND WORKWEEK**

Classification of Positions			Class	Wkly. Hours	Effective January 1, 1974			Effective July 1, 1974			
A. CLERICAL GROUP

Annual Report
of the
TOWN CLERK
of
PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING DECEMBER 31, 1974

OFFICE OF TOWN CLERK

Town of Plainville, Massachusetts

March 15, 1974

To: Austin F. Grant of said Plainville

Dear Sir:

By virtue of the authority in me vested, with full power of revocation I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

KATHLEEN M. SANDLAND

Town Clerk

WARRANT
FOR SPECIAL TOWN MEETING
Monday, February 11, 1974

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

Monday, February 11, 1974

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1.—To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$12,000.00 to defray additional charges for the financial year ending June 30, 1974 for the purpose of Interest on Maturing Debt and Temporary Loans, or do or act in any manner relative thereto.

ARTICLE 2.—To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$4,300.00 to defray additional charges for the financial year ending June 30, 1974 for the purpose of Maturing Debt, or do or act in any manner relative thereto.

ARTICLE 3.—To see if the Town will vote to accept as a public way, Pine Land Drive as shown on Plan of Plainville Pines a subdivision in Plainville, Mass., July 26, 1972. Scale 1" = 40'. Rim Engineering Co. As compiled from Plainville Pines. Replatted August 1964 by W. T. Whalen Engineering Co. which plan is recorded with the Norfolk County Registry of Deeds #559 of 1965 in book 4262, page 400 or do or act in any manner relative thereto.

ARTICLE 4.—To see if the Town will vote to accept as public ways, that section of Redcoat Lane as fronts on Lots 35 and 36 and that section of Garrison Drive as fronts on Lots 17 through 24 and Lots 26 through 34, all as shown on a plan called "Section II of Millbrook Estates, formerly Mill Brook Acres, a subdivision in Plainville, Mass., June 1965, Scale 1" equals 80'. The W. T. Whalen Engineering Co." which plan is recorded with the Norfolk County Registry of Deeds as Plan #243 of 1966 in Book #220, or do or act in any manner relative thereto.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 22nd day of January in the year of our Lord one thousand nine hundred and seventy-four.

ROBERT W. ROOT
RAY P. FELIX
ROBERT E. LOEW

Selectmen
of Plainville

A true copy.

Attest:

William Salamone, Constable

February 1, 1974

I have this day posted (7) seven of the within Warrant, in seven (7) public places, (7) days before said meeting.

WILLIAM SALAMONE, Constable

Attest: KATHLEEN M. SANDLAND, Town Clerk

PROCEEDINGS OF THE SPECIAL TOWN MEETING

HELD IN THE TOWN OF PLAINVILLE

Monday, February 11, 1974

The Special Town Meeting for the Town of Plainville was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Monday evening, February 11, 1974 at 7:38 P.M.

Rev. Ralph Powers was called upon to give the invocation by the Moderator.

Voters were checked into the hall by means of the Registrars voting list by Robert Keniston and Marion McCabe. The total number of voters checked at the end of the evening was 65; 39 men and 26 women.

The bounds of the hall for participation in the meeting and voting was declared, by the Moderator, to be the two sections of chairs set up on the Auditorium floor.

Counters appointed were: right side of the Moderator, Philip Betten-court and Merrill Hastings; to the left of the Moderator, Eugene Gucwa and George Plante. In the event of a ballot box vote, Austin F. Grant, Town Clerk was appointed Ballot Box Officer.

ARTICLE 1. Motion by Gerard Jeannotte and seconded by David Lomasney. The Finance Committee recommends, and I so move, that the Town vote to transfer from available funds in the Treasury the sum of \$12,000.00 to defray additional charges for the financial year ending June 30, 1974 for the purpose of Interest on Maturing Debt and Temporary Loans. Unanimously voted.

ARTICLE 2. Motion by John B. Cudmore and seconded by Gerard Jeannotte. The Finance Committee recommends and I so move that the town vote to transfer from available funds in the Treasury the sum of \$4,300.00 to defray additional charges for the financial year ending June 30, 1974. for the purpose of Maturing debt. Unanimously voted.

ARTICLE 3. Motion by Everett Skinner and seconded by David Lomasney, that the town will vote to accept as a public way, Pine Land Drive as shown on Plan of Plainville Pines, a subdivision in Plainville, Mass., July 26, 1972. Scale 1" = 40'. Rim Engineering Co. as compiled

from Plainville Pines. Replatted August 1964 by W. T. Whalen Engineering Company which plan is recorded with the Norfolk County Registry of Deeds #559 of 1965 in book 4262, page 400. Unanimously voted.

ARTICLE 4. Motion by Everett Skinner and seconded by David Lomasney that the Town will vote to accept as public ways, that section of Redcoat Lane as fronts on Lots 35 and 36 and that section of Garrison Drive as fronts on Lots 17 through 24 and Lots 26 through 34, all as shown on a plan called "Section II of Millbrook Estates, formerly Mill Brook Acres, a subdivision in Plainville, Mass., June 1965, Scale 1" equals 80'. The W. T. Whalen Engineering Co." which plan is recorded with the Norfolk County Registry of Deeds as Plan #243 of 1966 in Book No. 220. Unanimous Vote.

At 7:57 P.M. upon the motion by Gerard Jeannotte and seconded by David Lomasney, the Special Town meeting was adjourned.

AUSTIN F. GRANT, Town Clerk

W A R R A N T
FOR THE ANNUAL TOWN MEETING

Monday, March 4, 1974 at 8 a.m.

The Commonwealth of Massachusetts

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood, Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FOURTH DAY OF MARCH 1974 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health, One Assessor, One Treasurer, One Tax Collector, One Water Commissioner, One Park Commissioner, One Trustee Public Library, Two Members of the School Committee for Three Years. Three Members of the Planning Board; one for five years, One for three years and One for two years. Four members of the Finance Committee; Three for Three Years and One for Two Years. One Member of the Housing Authority for Five Years, and the following questions:

Question No. 1

"Shall the town distribute to its insured employees, after deducting the town's total administrative cost, the balance of any group insurance dividend which shall be based upon the employees' proportionate share of the total premiums paid for all insurance coverages?"

Yes.....

No.....

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Second Monday in April at 7:30 P.M. in the Auditorium of the Beatrice H. Wood Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1973-74 (18 months)	Requested 1974-75 (12 months)
Moderator	\$25.00 per meeting	\$25.00 per meeting
Town Clerk	1,350.00	4,000.00
Town Treasurer	4,200.00	3,000.00
Selectmen—Chairman	1,350.00	1,200.00
Second Member	1,200.00	1,100.00
Third Member	1,200.00	1,100.00
Board of Health—Each Member	225.00	200.00
Assessors—Chairman	1,800.00	1,300.00
Second Member	1,800.00	1,300.00
Third Member	1,800.00	1,300.00
Tax Collector	3,187.50	3,750.00
Water Commissioners—Chairman	525.00	350.00

Third Member, Secretary	1,125.00	750.00
Auditor	250.00	375.00
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour
Sealer of Weights & Measures		275.00

ARTICLE 6. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water

Department, and Clerks of the Selectmen, placed with a fidelity of guarantee company and appropriate the sum of \$500.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to install Street Lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 1 Street Light on Cottage Street
- 4 Street Lights on Boy Street
- 5 Street Lights on Mirimichi Street

or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning July 1, 1974, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 9. Will the Town petition the General Court under Article LXXXIX of the amendments of the Massachusetts Constitution for Special legislation authorizing it to delete or reduce any item in the school budget on approval of two-thirds of the persons present and voting at a town meeting, to exempt the Town from the operation of the last sentence of Section 7 of Chapter 150E of the General Laws and from binding arbitration of school budgets.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to reprint any or all of the Town Bylaws. Said sum to be spent under the direction of the Bylaw Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated bylaws or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$1,294.11 or any other sum, for the Control of Insects and Dutch Elm Disease (\$594.11 for Insect Pest Control and \$700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 12. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending June 30, 1975 and expressly for the following purposes to wit:

1. Support of the Public Library, Salaries and Expenses	\$ 9,857.38

or do or act in any manner relative thereto.	

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds, in the Treasury, the sum of \$10,050.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of \$14,748.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for Town Funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

ARTICLE 20. To see if the Town will vote to raise, appropriate or transfer the sum of \$3,000.00 for the purchase of Two (2) new plows and frames for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise, appropriate or transfer the sum of \$4,000.00 for the purchase of a new sander for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise, appropriate or transfer the sum of \$13,000.00 for the purchase of a new truck and body for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to amend the Bylaws by changing Chapter 1, Section 21 to Section 23; Section 20 to 22; Section 19 to 21; Section 18 to Section 20 and add new Sections 18 and 19 as follows:

XVIII GAS FITTING AND INSPECTION

- 18.1 The Board of Selectmen shall annually, within thirty days after the close of the Annual Town Meeting, and whenever a vacancy shall exist, appoint an Inspector of Gas Piping and Gas Appliances in buildings under General Laws, Chapter 143, Section 30.
- 18.3 No permit will be required to execute the following classes of plumbing or gas piping work:
 - A. The installation, alteration or repair of plumbing equipment installed by or for a utility company for the use of such company in the generation, transmission, distribution or metering of water or gas.
 - B. The replacing of appliances or equipment or repair of equipment and appliances which are not an integral part of the plumbing or gas piping system.
 - C. For emergency repairs and maintenance of plumbing or gas piping in establishments where a licensed plumber or gas fitter is employed continually on the premises.
- 18.4 Inspections. When any work is complete or ready for inspection the Inspector of Plumbing or Gas shall be notified.
 - A. If, upon inspection, the work is found to comply with the requirements of this bylaw and all applicable State Laws, approval shall be given by the Inspector, authorizing the utility company for

the connection to the service lines and the energizing of the installations, but if the work is defective, all defects shall be remedied before such an approval is issued.

- 18.5 Penalty. Whoever violates any provision of this Bylaw shall be liable to a penalty not exceeding Twenty (\$20.00) Dollars.

XIX PLUMBING, DISPOSAL AND GAS PERMITS

- 19.1 The Inspector of Gas fittings and piping, appointed in accordance with General Laws, Chapter 143, Section 30 and the Inspector of Plumbing shall have control of the supervision and inspections of gas fittings and plumbing respectfully, and shall enforce all Bylaws, and regulations that relate thereto.

- 19.2 Permits. Before any person, firm or corporation shall install any plumbing, gas or disposal piping, said person, firm or corporation shall make application to the Plumbing or Gas Inspector for a permit for that purpose, file with the Inspector of Plumbing or Gas such information or specifications as may be required, and pay a fee in accordance with the following schedule:

A. Natural Gas Permits

1. New Installation	\$15.00
2. Gas Water Heater	5.00
3. Gas Dryer	5.00
4. Replacement or Alteration	5.00
5. Conversion Burner	10.00
6. Roof Gas Heater (Each one)	5.00
7. Space Hanging Gas Heater (Each one)	5.00

B. Low Pressure Gas Permits

1. Tank Installation	\$5.00
2. House Installation	10.00
3. Trailer Inspection - Gas	10.00

C. Plumbing Permits

1. New Building - 8 Fixtures or Less	\$20.00
2. Each additional Fixture - Over 8	2.00
3. Replacement at an Existing Building	3.00
4. Drainage (Roof, etc.)	15.00
5. Electric or Gas Water Storage Heater	5.00

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer from the available funds in the Treasury, the sum of \$350.00 for the normal repair and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 to be expended by and under the direction of the Park Commissioners for the purpose of resurfacing the roadway and parking areas surrounding the Town Offices and under the control of the Park Commission, and to determine how such sum shall be raised, whether by taxation, transfer from available funds or by borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or to do or act in any manner relative thereto.

(2/3 vote required for borrowing)

ARTICLE 27. To see if the Town will vote to amend the Zoning Bylaws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the classification CA:

Beginning at a point in the westerly line of Taunton Street at the northeasterly corner of the described premises; thence southerly by Taunton Street, about 400 feet to a point in the existing CA Zone; thence southwesterly by said CA Zone about 300 feet to a point; thence southeasterly by said CA Zone about 400 feet to Messenger Street, thence southwesterly by Messenger Street about 25 feet to a point; thence northwesterly by land now or formerly of Baker Realty Trust, 1196.58 feet to a point; thence northeasterly in a straight line about 380 feet to a stake; thence southeasterly by land now or formerly of Harrison 154.80 feet to a stake; thence southeasterly again by land now or formerly of Harrison and now or formerly of Johnson about 535 feet to the point of beginning, or take any action in relation thereto.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in manner relative thereto. (2/3 vote required)

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of \$255,000.00 to construct the continuation of the existing 12-inch water line in Washington Street, from the corner of George Street and

Washington Street northerly in Washington Street to the corner of Taunton and Washington Street and thence southerly in Taunton Street to the present terminus of the main in Taunton Street at Mirimichi Street along with the necessary appurtenances. A distance of 8100 feet more or less together with all incidental work, under the direction of the Board of Water Commissioners, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$46,000.00 to construct a continuation of the existing 12-inch water line on Washington Street southerly to the intersection of East Bacon Street a distance of 1500 feet more or less under the direction of the Water Commissioners, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to accept Section 6 B of Chapter 40 of the General Laws which provide for uniforms and clothing allowances for policemen and firemen, and to raise and appropriate funds for this purpose, or do or act in any manner relative thereto.

ARTICLE 32. To see if the Town will vote to accept Section 6 J of Chapter 40 of the General Laws which provides for work clothes for Town employees; and raise and appropriate funds for this purpose, or to do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to accept Section 6 L of Chapter 40 of the General Laws which provides for the rental or lease of work clothes for Town employees and to raise and appropriate funds for this purpose, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to authorize the taking by Eminent Domain or purchase or otherwise for sewer purposes whether in Fee Simple or Permanent Easement, Temporary Easements and/or Right of Way the following described parcels of land:

Parcels PS-1, PS-4, PS-5, TC-6, TC-3, TC-4, PS-6, TC-10, PS-14, TC-7, and PS-12, all as shown on that plan of land entitled "Plan Showing Takings for Sewer Easements, Plainville, Massachusetts, Scale 1" = 40' Sheet No. 1 Nov. 20, 1973, Harry R. Feldman, Inc., Land Surveyors, 112 Shawmut Avenue, Boston, Mass." which plan is recorded with Norfolk Registry of Deeds, (No. of 1974 in Plan Book) and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts and

Parcels PS-10, PS-11, TC-13, TC-15, TC-16, PS-12, and TC-14, all as

shown on that plan of land entitled "Plan Showing Takings for Sewer Easements, Plainville, Massachusetts, Scale 1" = 40', Sheet No. 2, Nov. 20, 1973, Harry R. Feldman, Inc., Land Surveyors, 112 Shawmut Avenue, Boston, Mass." which plan is recorded with Norfolk Registry of Deeds, (No. of 1974, in Plan Book) and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts, and to raise and appropriate the sum of \$12,500.00 for the purpose and to determine how said appropriations shall be raised, whether by taxation, by transfer from available funds including those funds appropriated under Article 31 of the Annual Town Meeting held March 20, 1972, or by borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required.)

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

Westerly by Cottage Street, 62.20 feet ±
Northwesterly by Town of Plainville Land 87.90 feet
Easterly by Town of Plainville Land 77.20 feet
Southerly by Parcel 146, 57.98 feet
Westerly by Parcel 146, 15.00 feet ±
Southerly by Parcel 146, 30.00 feet ±
Approximately 6,326 square feet

Being a portion of land shown on Assessors Plans Sheet 12, Parcel 146 now supposedly owned by Richard C. and Sandra C. Harford, 12 Cottage Street, Plainville, Massachusetts.

And to raise and appropriate the sum of \$3,800.00 for the purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, or by borrowing or otherwise, and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to amend, effective July 1, 1974 its Personnel By-Law to read as follows:

SECTION VI — COMPENSATION PLAN

6.11 **Shift Differential.** Each employee of the Plainville Police Department who complete a 40 hour work week, with shifts of duty beginning on or after 3 p.m. and ending at 8 a.m. will receive additional compensation of \$5.00 per week.

SECTION IX — OVERTIME

9.4 In the event an employee of the Fire Department, except the Chief of the Department, is called back to duty after he has completed his regular tour of duty and left his place of employment and before the beginning of his next regular workday, or in the event such an employee is called back to duty on one or both of his scheduled days off, he shall be provided with not less than two (2) hours of pay compensation for each such call back. Ambulance calls shall be excluded from this section.

9.5 In the event an employee of the Fire Department is on ambulance coverage on weekends, as required, he shall be paid a minimum of twenty dollars (\$20.00) per weekend, except, the Chief of the Department.

SECTION XII — VACATION LEAVE

12.2 Full time employees shall be entitled to vacation leave as follows:

- A. An employee with six (6) months but less than one (1) year of continuous employment with the Town shall be entitled to five (5) days of vacation leave.
- B. An employee with one (1) year but less than five (5) years of continuous employment with the Town shall be entitled to ten (10) days of vacation leave.
- C. An employee with five (5) years but less than fifteen (15) years of continuous employment with the Town shall be entitled to fifteen (15) days of vacation leave.
- D. An employee with fifteen (15) or more years of continuous employment with the Town shall be entitled to twenty (20) days of vacation leave.

SECTION XIII — SICK LEAVE

13.2 Each said employee shall accrue sick leave at the rate of one day for each month of actual work performed for a total of twelve (12) days per year. Sick leave shall be cumulative from one calendar year to the next, unlimited, provided that after 5 days continuous absence the person must obtain a certificate from a physician appointed by the town and that there will be no compensation for accumulated sick leave upon termination of employment. Further emergency leave may be granted at the discretion of the Personnel Board upon written request from the Department head, after review of all circumstances including the employee's previous attendance and performance records.

SECTION XIV — PERSONAL INJURY SUSTAINED
IN LINE OF DUTY

14.5 The Town of Plainville will insure each member of the Plainville Police and Fire Departments for accidental death for the sum of Ten Thousand dollars. Said coverage to be assumed by the Town.

ARTICLE 37. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 12th day of February in the year of our Lord one thousand nine hundred and seventy-four.

PROCEEDINGS OF THE SIXTY-NINTH ANNUAL TOWN MEETING

Town of Plainville, Massachusetts

March 4, 1974

Pursuant of the foregoing Warrant, the sixty-ninth annual Town Election was held in the Elementary School Auditorium, South Street, Plainville, Norfolk County, Massachusetts on March 4, 1974.

The following election workers, having been previously appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by the Town Clerk, Austin F. Grant.

Warden: Robert C. Keniston (R), Deputy Warden: Eugene Gucwa (R), Clerk: Marion McCabe, Deputy Clerk: Gael Kelly (D), Ballot Box Officer: Raymond Smith (R).

Tellers: Pauline Walsh, Evelyn Soule, Jacqueline DiGiantommaso, Helen Cobb, Violet Osterholm and Lucille Keniston.

The Ballot Box was inspected by Evelyn Soule, Violet Osterholm, Lucille Keniston and Gael Kelly. Found to be empty, the dial was set at zero and the keys turned over to the Ballot Box Officer, Raymond Smith.

At 8:00 A.M. the call of the meeting was read by Moderator Frank Grzenda and the polls declared officially open.

Voting continued steady throughout the day and at 8:00 P.M. the polls were declared closed by Warden Robert C. Keniston. The Ballot Box was inspected by Eugene Gucwa, Allie McAlpine, Gael Kelly and Frank McCabe with ballot box showing 1006—4 absentees making a total of 1010. Both sets of books showed a total of 1011, 477 men and 534 women. A hand count of ballots showed 1011; it must be assumed the ballot box missed one revolution.

Counters sworn in by Austin F. Grant were as follows: Beverly Armstrong, Naomi Beckman, Juliet Darling, Roberta Grant, Myrna Harmon, Nancy Jensen, Allie McAlpine, Catherine Ashworth, Francis McCabe, Kenneth McCabe, Jean Matthews, Rita Pimental, Helen Theriault and Shirley Marcoux.

At 1:00 A.M. the results of the counting showed the following:

WARRANT

for a

SPECIAL TOWN MEETING

Monday, April 8, 1974

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, APRIL 8, 1974

at 8:30 P.M., then and there to act on the following article, viz:

ARTICLE 1. To see if the Town will vote to transfer the sum of \$15,000.00 from the Overlay Reserve Account, or any other account, to the Extra-Ordinary unforeseen account or do or act in any maner relative thereto.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doings thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 19th day of March in the year of our Lord one thousand nine hundred and seventy-four.

RAY P. FELIX, Chairman
ROBERT W. ROOT, Clerk
ROBERT E. LOEW, Vice Chairman

Selectmen
of
Plainville

A true copy.

Attest: William Salamone, Constable

March 29, 1974

I hereby certify that I have posted the within warrant (7) seven public places (7) seven days before said meeting.

William Salamone, Constable

ATTEST: Kathleen M. Sandland, Town Clerk

PROCEEDINGS OF THE SIXTY-NINTH ANNUAL TOWN MEETING

Town of Plainville, Massachusetts

April 8, 1974

Pursuant to the foregoing warrant, the sixty-ninth Annual Town Meeting for the Town of Plainville was opened by Moderator, Frank Grzenda at 7:30 P.M. in the Auditorium of the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Mass.

The following counters appointed by Moderator were: to the left of the Moderator, Alan Breen and Neal Avery, to the right of the Moderator, Philip Bettencourt and Merrill Hastings. Voters were checked into the hall by means of the Registrars voting list by Marion McCabe and Eugene Gucwa. In the event of vote by Ballot, Kathleen Sandland, Town Clerk, was appointed Ballot Box Officer.

Motion by Gerard Jeannotte and seconded by Robert Barney to adjourn the adjourned session of the Annual Town Meeting to May 6, 1974 at 7:30 P.M. due to lack of a quorum. Unanimously voted. Total number of registered voters present were: 59, 39 men and 20 women.

Respectfully submitted,

Kathleen M. Sandland, Town Clerk

SPECIAL TOWN MEETING

April 8, 1974

The Special Town Meeting was called to order by Moderator Frank Grzenda at 8:30 P.M. The Moderator entertained a motion to adjourn at a later date.

Motion by Edward Reilly and seconded by Francis McCabe to adjourn this Special Town Meeting to May 6, 1974 at 8:30 P.M. due to a lack of a quorum. Unanimously voted.

Total number of registered voters present were 12.

Respectfully submitted,

Kathleen M. Sandland, Town Clerk

PROCEEDINGS OF THE SIXTY-NINTH

ANNUAL TOWN MEETING

Town of Plainville, Massachusetts

May 6, 1974

The adjourned session of the Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator, Frank Grzenda, at 7:45 P.M. in the Auditorium of the Beatrice H. Wood Elementary School, on Monday evening, May 6, 1974.

Rev. David Hoyt, Minister of the Plainville Methodist Church was called upon to give the invocation by the Moderator.

Voters were checked into the hall by means of the Registrars voting lists by Robert Keniston and Marion McCabe. The number of voters checked at the end of the meeting was 252; 141 men and 111 women.

Counters appointed were: right side of the Moderator, Christine Lessard and Clair Harrison and to the left side of the Moderator, George Plante and Eugene Gucwa. In the event of a Ballot Box vote, Kathleen Sandland was appointed Ballot Box Officer.

The bounds of the hall for participation in the meeting and voting were declared by the Moderator to be the two sections of chairs set up on the auditorium floor.

ARTICLE 2a. Motion by Robert Root and seconded by Ray Felix that Robert Faille, William Salamone, and Jerauld Jillson be appointed Fence Viewers and Field Drivers for the ensuing year. Unanimously voted.

ARTICLE 2b. Motion by Robert Root and seconded by Ray Felix that Alec Frederickson, Francis Simmons and Everett W. Skinner be appointed Measurers of Wood, Bark and Lumber for the ensuing year. Unanimously voted.

ARTICLE 3. Motion by Robert Loew and seconded by Robert Root that the reports of the Selectmen, Treasurer and other Town Officers, with the exception of omissions or typographical errors, be accepted. Unanimously voted.

ARTICLE 4. Motion by Robert Loew and seconded by Robert Root that the Town accept the provisions of Chapter 81 of the General Laws. Unanimously voted.

ARTICLE 5. Motion by Robert Brothers and seconded by Robert Barney. The Finance Committee recommends and I so move, that the Town vote to fix the salaries and compensation of all elective officers of the Town as provided by section 109, Chapter 41 of the General Laws:

Moderator	\$ 25.00 per meeting
Town Clerk	*
Town Treasurer	2,800.00=
Selectmen—Chairman	900.00
second member	800.00
third member	800.00
Board of Health—all members	150.00 each
Assessors—Chairman	1,200.00
second member	1,200.00
third member	1,200.00
Tax Collector	2,800.00
Water Commissioners—Chairman	350.00
second member	250.00
third member—Secretary	750.00

Auditor	250.00
Constables	2.50 per hour
Tree Warden	2.50 per hour
Sealer of weights & measurers	250.00

*The Finance Committee recommends that the townspeople vote to choose between the following options:

- a. Fix the salary of the Town Clerk at \$3900.00 per year. In this instance, the Town Clerk would do all the work herself and have no clerical help.
- b. Fix the salary of the Town Clerk at \$900.00 per year. In this instance, would be provided with the Clerical help to the extent of approximately \$3,000.00 year year.

Motion by Robert Loew and seconded by Mary Serwinski that the salary of the Town Clerk be fixed at \$3900.00 per year. In this instance, the Town Clerk would do all the work herself and have no clerical help. Motion carried.

ARTICLE 6. Motion by Roland Ferland and seconded by Robert Brothers. The Finance Committee recommends and I so move that the Town vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and the clerk of the Selectmen placed with a Fidelity of Guarantee Company. The monies are in Article 12, Section 8. Unanimously voted.

ARTICLE 7. Motion by Robert Barney and seconded by Robert Loew. The Finance Committee recommends and I so move that the Town vote to install Street Lights on the following locations:

- One street light on Cottage Street
- 4 street lights on Bow Street
- 5 street lights on Mirimichi Street

The monies appear in Article 12, Section 15. Unanimously voted.

ARTICLE 8. Motion by John B. Cudmore and seconded by Robert Barney. The Finance Committee recommends and I so move that the Town vote to authorize the Treasurer with the approval of the Selectmen: To borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1974 in accordance with the Provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes, therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with the General Laws, Chapter 44, Section 17. Unanimously voted.

ARTICLE 9. Motion by John Cudmore and seconded by Robert Barney. The Finance Committee recommends and I so move that the Town vote to authorize and direct the Board of Selectmen to petition the General Court on or before July 1, 1974, under Article LXXXIX (89) of the amendments of the Massachusetts constitution for Special Legislation authorizing it to delete or reduce any item in the School Budget on approval of two-thirds of the persons present and voting at the Town Meeting to exempt the Town from the operation of the last sentence of Section 7 of Chapter 140 E of the General Laws and from Binding Arbitration of School Budgets. YES vote declared by moderator. Not Unanimous.

The Moderator declared to adjourn the Annual Town Meeting at 8:29 P.M. and stated there would be a ten minute recess following the completion of the Special Town Meeting scheduled at this Time. (April 8, 1974 Special Town Meeting adjourned to May 6, 1974 at 8:30 P.M.)

PROCEEDINGS OF THE SPECIAL TOWN MEETING

May 6, 1974 — 8:30 P.M.

The Meeting was called to order by Moderator, Frank Grzenda, on May 6, 1974. The Warrant and Return of the Warrant was read by the Moderator. Moderator declared all workers and rules would remain the same as Annual Town Meeting. A quorum was present at this time.

ARTICLE 1. Motion by David Lomasney and seconded by Robert Barney that the Town vote to transfer from the Overlay Reserve Acct. the sum of \$13,000.00 for the extraordinary unforeseen expense account. Unanimously voted.

The Special Town Meeting was adjourned at 8:40 P.M.

KATHLEEN M. SANDLAND

Town Clerk

The 1974 Annual Town Meeting was called back to order at 8:50 P.M.

ARTICLE 10. Motion by Edward Serwinski and seconded by John Cudmore. The Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$750.00 to reprint any or all the Town By-Laws. Said sum to be spent under the direction of the By-Law Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated by-laws. Unanimously voted.

ARTICLE 11. Motion by Robert Brothers and seconded by David Lomasney. The Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$1,000.00 for the control of insects and Dutch elm disease as provided by Chapter 132, Section 14, of the General Laws and to be spent under the direction of the moth superintendent. Unanimous vote.

Motion by Roland Ferland and seconded by David Lomasney moved to change the order of business and discuss at this time Article 31, Article 32, Article 33 and Article 36. Unanimously voted.

ARTICLE 31. Motion by Roland Ferland and seconded by David Lomasney. The Finance Committee recommends and I so move that the Town vote to accept Article 31. Unanimously voted.

ARTICLE 32. Motion by Robert Barney and seconded by Roland Ferland. The Finance Committee recommends and I so move that the Town vote to accept Article 32. Yes vote declared, not unanimous.

ARTICLE 33. Motion by Roland Ferland and seconded by Edward Serwinski. The Finance Committee recommends and I so move, that the Town vote to Accept Article 33. Unanimously voted.

ARTICLE 36. Motion by Joel Clark and seconded by Gerald Viera to accept Article 36. Motion by Robert Brothers and seconded by David Lomasney. The Finance Committee recommends and I so move that the Town vote to amend this motion as follows:

Section 6.11 SHIFT DIFFERENTIAL. Each permanent full time employee of the Plainville Police Department who completes a forty hour work week with shifts of duty beginning on or after 11:00 P.M. and ending at 8:00 A.M. will receive additional compensation of \$5.00 per week, and

SECTION 12.2 VACATION LEAVE. That this section be deleted from the motion

Standing vote Yes 33 No 190 Amendment defeated.

Standing vote on article 36. Yes 151 No 3 Motion carried.

ARTICLE 12. Motion by Gerald Jeannotte and seconded by John Cudmore. The Finance Committee recommends and I so move:

Motion defeated (Sect. 2 of Art. 12)

Motion by Robert Loew and seconded by Robert Root, I amend Tax Collector's Budget from \$5,250.00 to \$8,250.00

Salaries	\$5,800.00
Expenses	2,450.00
	8,250.00

Motion defeated. (Section 27 of Art. 12) Yes 84 No 111

Motion by Robert Faille and seconded by Robert Loew. I move to amend Section 29 of Article 12 as follows:

\$145,312.00	Salaries
20,950.00	Expenses
7,400.00	Capital

173,662.00 Total for the Police Dept. budget for the fiscal year 1974-1975. This is the figure that the Police Chief feels he needs to operate his department as it was operated last year, and includes hiring no additional people. Also the added cost of two new cruisers is reflected in this budget.

Yes vote carried on amendment (Sect. 29 of Art. 12) Not unanimously.

The Total Finance Committee figures including section 29 of Article 12 amendment as follows: \$2,532,625.51 Total Amount, to be raised and appropriated: \$2,391,756.51 to be used by revenue sharing; \$48,650, to be used from Ch. 1140: \$49,354.00, and the total of \$42,865.00 to be transferred from 766 receipts. The Motion carries. Not unanimous.

Motion by Robert Loew and seconded by George Flanagan to adjourn this meeting to May 13, 1974 at 7:30 P.M. at the Beatrice Wood Elementary School. Unanimously voted.

*Town Clerk's total figures: After completely totaling all articles, the Town Clerk's figures differ. Total monies Article 12: \$2,600,451.74 of which \$2,407,923.26 Taxation

30,825.00	Revenue Sharing
1,857.38	State Aid (Library)
49,354.00	Ch. 1140, Sect. 22 of 1973
42,865.00	Ch. 766 Receipts
67,627.00	Water Department Revenue

ADJOURNED SESSION

May 13, 1974

The adjourned session of the Annual Town Meeting was called to order by Moderator Frank Grzenda at 7:40 P.M. in the Auditorium of the Beatrice Wood Elementary School, South St., Plainville, Norfolk County, Massachusetts. The Moderator appointed the following counters: to the left of the Moderator, Bruce Hastings and George Plante, and to the right of the Moderator, Raymond D. Arnold and George Pray.

In the event of a vote by ballot, Kathleen M. Sandland, Town Clerk, was appointed Ballot Box Officer. Checkers: Robert Keniston and Marion McCabe. The bounds of the hall are the seats provided for the voters, and the non-voters are to sit in the bleachers.

Motion by John Cudmore and seconded by Edward Serwinski, I move for reconsideration of the action taken on May 6, 1974 on Article #12 of the Annual Town Meeting, and that the vote be by secret ballot. Moderator declared a five minute recess while the votes were being counted. Vote: Yes 66, No 82. The motion to reconsider was defeated.

(note) The necessary by-law requirement, Chapter I section 2.6, was followed for motion to reconsider.

ARTICLE 13. Motion by Gerard Jeannotte and seconded by Robert Barney. The Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$5,000.00 for the reserve fund to provide for the extraordinary unforeseen expenses, as authorized by section 6, Chapter 40 of the General Laws. Unanimously voted.

ARTICLE 14. Motion by David Lomasney and seconded by Gerard Jeannotte. The Finance Committee recommends and I so move that the Town vote to take no action on this article. Unanimously voted.

ARTICLE 15. Motion by Everett Skinner and seconded by Robert Loew that the Town accept the provisions of Chapter 90 of the General Laws. Unanimously voted.

ARTICLE 16. Motion by Everett Skinner and seconded by Robert Barney that the Town vote to take no action on this article. Unanimously voted.

ARTICLE 17. Motion by Everett Skinner and seconded by Edward Serwinski that the Town vote to take no action on this Article. Unanimously voted.

ARTICLE 18. Motion by Robert Barney and seconded by David Lomasney. The Finance Committee recommends and I so move that the Town vote to accept Article 18 as printed. Unanimous vote.

ARTICLE 19. Motion by John Cudmore and seconded by Everett Skinner, that the town vote to transfer from the Revenue Sharing Account the sum of \$10,000.00 for the Town funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town Roads. Unanimously voted.

ARTICLE 20. Motion by Edward Serwinski and seconded by Gerard Jeannotte. The Finance Committee recommends, and I so move that no action be taken on this Article. Unanimous vote.

ARTICLE 21. Motion by Edward Serwinski and seconded by Gerard Jeannotte. The Finance Committee recommends, and I so move that no action be taken on this article. Unanimous vote.

ARTICLE 22. Motion by Edward Serwinski and seconded by Everett Skinner and I so move that no action be taken on article 22. Unanimously voted.

ARTICLE 23. Motion by Robert Loew and seconded by Roland Ferland to accept this article as printed.

Motion by Reginald Keyes and seconded by Patricia Walls to lay this article on the table. Motion carried.

ARTICLE 24. Motion by Robert Barney and seconded by John B. Cudmore. The Finance Committee recommends, and I so move that the Town vote to transfer from the Revenue Sharing Account the sum of \$350.00 for the normal repair and maintenance of the Town owned building known as the Scout House on Spring Street. Unanimously voted.

ARTICLE 25. Motion by Robert Barney and seconded by John Cudmore. The Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$1,000.00 for the conservation fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land. Unanimously voted.

ARTICLE 26. Motion by John Cudmore and seconded by Robert Barney. The Finance Committee recommends and I so move that the Town vote to transfer from the Revenue Sharing Account the sum of \$6,000.00 to be expended by and under the direction of the Park Commissioners

for the purpose of resurfacing the roadway and parking areas surrounding the Town Offices. Motion carried.

ARTICLE 27. Reginald Keyes moved to lay this article on the table. Seconded by Stanley Meyers. A Yes vote was declared by the Moderator.

At 8:40 P.M. the Moderator declared a ten minute recess.

At 8:50 P.M. the Meeting was called back to order by Moderator.

ARTICLE 28. Motion by John Cudmore and seconded by Everett Skinner. The Finance Committee recommends, and I so move that the Town vote to transfer from the revenue sharing account the sum of \$10,000.00 to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful well site. Unanimously voted.

ARTICLE 29. Motion by John Cudmore and seconded by David Lomasney that no action be taken on this article. Motion defeated. Voice vote challenged by David Kelly. Result of stand up vote. Yes 21, No 110. Motion defeated.

ARTICLE 29. Motion by Everett Skinner and seconded by Gerard Jeannotte, I move that the Town vote to amend Article 29 to read, to transfer the sum of \$10,000.00 from available revenue sharing funds to be spent by and under the direction of the Water Commissioners to hire consulting engineers to make a complete study and plan, including the environmental policy act, to install a water system on Washington and Taunton Streets. This study is to be made as soon as possible. Vote to amend Article 29 carried. Not unanimously.

ARTICLE 30. Motion by Everett Skinner and seconded by David Lomasney. The Finance Committee recommends that no action be taken on this article. Unanimously voted.

ARTICLE 34. Motion by David Lomasney and seconded by Gerard Jeannotte. The Finance Committee recommends and I so move, that the Town vote to authorize the taking by eminent Domain or purchase or otherwise for sewer purposes whether in fee simple or permanent easement, temporary easement and/or right of way, the following described parcels of land:

Parcels PS-1, PS-4, PS-5, TC-6, TC-3, TC-4, PS-6, TC-10, PS-14, TC-7 and PS-12. All as shown on that Plan of land entitled "Plan showing

takings for sewer easements, Plainville, Massachusetts, scale one inch equals forty feet sheet No. 1, November 20, 1973, Harry R. Feldman, Inc., Land Surveyors, 112 Shawmut Avenue, Boston, Mass." which plan is recorded with Norfolk Registry of deeds No. 142 of 1974, Plan book 242 and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts and,

Parcels PS-10, PS-11, TC-13, TC-15, TC-16, PS-12, and TC-14, all as shown on that plan of land entitled "Plan showing takings for sewer easements, Plainville, Massachusetts scale 1" (one inch) equals forty feet, sheet No. 2, November 20, 1973, Harry R. Feldman, Inc. Land surveyors, 112 Shawmut Avenue, Boston, Mass." which plan is recorded with the Norfolk County Registry of Deeds (No. 142 of 1974, in Plan Book 242, and a copy of which is on file with the Town Clerk, Town of Plainville, Massachusetts, and to transfer \$12,500.00 from those funds appropriated under Article 31 of the Annual Town Meeting held March 20, 1972.) Unanimously voted.

ARTICLE 35. Motion by Gerard Jeannotte and seconded by John Cudmore. The Finance Committee recommends and I so move that no action be taken on this article. Motion defeated.

Motion by Robert Loew and seconded by Clarence Skinner Jr., I move that the Town vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

Westerly by Cottage Street, 62.20 feet±
Northwesterly by Town of Plainville Land 87.90 feet
Easterly by Town of Plainville Land 77.20 feet
Southerly by Parcel 146, 57.98 feet
Westerly by Parcel 146, 15.00 feet±
Southerly by Parcel 146, 30.00 feet±
Approximately 6,326 square feet

Being a portion of land shown on Assessors Plan Sheet 12, Parcel 146 now supposedly owned by Richard C. and Sandra C. Harford, 12 Cottage Street, Plainville, Massachusetts, and to transfer the sum of \$3,800.00 for this purpose, said \$3,800.00 to be transferred from the Revenue Sharing Account. Unanimously voted.

ARTICLE 37. As there were no reports of committees or committees to be appointed at this meeting, the Moderator declared the Town Meeting closed.

The motion to adjourn at 10:08 P.M. by Robert Loew and seconded by Gerard Jeannotte was unanimously accepted. The count of voters as

checked into the auditorium by the Registrars Voting Lists showed 94 men and 71 women, a total of 165 voters present.

KATHLEEN M. SANDLAND

Town Clerk

Attest: KATHLEEN M. SANDLAND, Town Clerk

PROCEEDINGS OF THE STATE PRIMARY

Held in the Town of Plainville

Tuesday, September 10, 1974

Pursuant to the foregoing Warrant, the State Primary was called to
order by Town Clerk, Kathleen M. Sandland, in the Auditorium of the
Beatrice Wood Elementary School, South Street, Plainville, Norfolk
County, Massachusetts, at 10:00 a.m. on Tuesday, September 10, 1974.

The following workers were sworn in to the faithful performances of their duties by Mrs. Sandland.

Warden: Eugene Gucwa; Deputy Warden: Stanley Meyers; Clerk: Marion McCabe, Deputy Clerk: Evelyn Soule; Ballot Box Officer: Theodore Wickman; Tellers: (D) Shirley Marcoux and Ann Gould; alternate was Jacqueline DiGiantommaso; (R) Tellers: Lucille Keniston and Violet Osterholm; alternate was Marilyn Darling.

The Ballot Box was inspected by Marion McCabe, Jacqueline DiGiantommaso (D), Violet Osterholm and Eugene Gucwa (R), was found to be empty and the dial set at zero and the keys turned over to the Ballot Box Officer.

The call of the meeting was read by Town Clerk, Kathleen M. Sandland and the meeting opened at 10:00 a.m.

The ballot box was stuck at 43. Box was opened and ballots put thru again, giving one extra revolution. The Polls officially closed at 8:00 P.M. by Warden Eugene Gucwa. Ballot box showing 496. Total votes cast 495. Ballot Box emptied and inspected by Evelyn Soule, Marion McCabe, Eugene Gucwa and Stanley Meyers.

The following counters were sworn in by Town Clerk: Naomi Beckman, Roberta Grant, Sophie Gucwa, Myrna Harmon, Allie B. C. McAlpine, Dorothea E. Dwyer and Richard Freitas, all Republicans. The Democratic counters as follows: Catherine Ashworth, Kenneth McCabe, Jean B. Mathews, Joseph Mathews, Rita Pimental, Helen M. Theriault and Marion Reilly. The result of the voting showed:

EUGENE GUCWA, Warden

KATHLEEN M. SANDLAND, Town Clerk

WARRANT

FOR STATE ELECTION

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville to meet in Beartice Wood Elementary School Auditorium, on South Street in said Plainville, on

Tuesday, the Fifth Day of November, 1974

at 8:00 o'clock in the forenoon, it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

Governor and Lieutenant Governor	For This Commonwealth
Attorney General	For This Commonwealth
Secretary of the Commonwealth	For This Commonwealth
Treasurer and Receiver-General	For This Commonwealth
Auditor of the Commonwealth	For This Commonwealth
Representative In Congress	For Tenth Congressional District
Councillor	For First Councillor District
Senator	For Bristol-Norfolk Senatorial District
One Representative in Gen. Court	For 22nd Norfolk Rep. District
District Attorney	For Norfolk County District
County Commissioner (1)	For Norfolk County
Sheriff	For Norfolk County

And also to vote "YES" or "NO" on the following questions:

QUESTION NO. 1

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 212 votes in the affirmative and 39 in the negative, and in a joint session of the two branches held June 6, 1973, received 235 votes in the affirmative and 19 in the negative?

YES NO

Summary

The proposed constitutional amendment, if approved, would replace the present Article 52 of the Articles of Amendment to the Constitution of the Commonwealth and would empower the General Court, by concurrent vote of the two houses, to take a recess or recesses amounting to not more than thirty days. The present Article 52 permits such recesses but provides that "no such recess shall extend beyond the sixtieth day" from the beginning of the legislative session.

QUESTION NO. 2

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 177 votes in the affirmative and 65 in the negative, and in a joint session of the two branches held June 6, 1973, received 166 votes in the affirmative and 93 in the negative?

YES NO

Summary

The proposed constitutional amendment, if approved, would provide for a census in the year 1975 and every tenth year thereafter of the inhabitants of each city and town as a basis for determining the representative, senatorial and councillor districts for the ten year period beginning with the first Wednesday in the fourth January following the taking of the census, provided that the district as established based on the 1971 census shall terminate on the first Wednesday in January, 1979. The census shall specify the number of inhabitants residing in each precinct of a town and each precinct and ward of a city.

Under the proposed amendment, the House of Representatives would consist of 160 members, in contrast to the present membership of 240, and the Senate of 40 members. The General Court would, at its first regular session after the year in which the census is taken, divide the Commonwealth into 160 representative districts and 40 senatorial districts of contiguous territory so that each representative and each senator will represent an equal number of inhabitants as nearly as may be; and such districts shall be formed, as nearly as may be, without uniting two counties or parts of two or more counties and, with respect to representative districts, without uniting, as nearly as may be, two towns or parts of two or more towns, two cities or parts of two or more cities, or a city and a town, or parts of cities and towns, into one district, and without dividing any town containing less than 2500 inhabitants. The General Court would be permitted to pass laws to limit the time within which

judicial proceedings may be instituted calling in question any such division. The proposed amendment further provides that every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and every senator shall be an inhabitant of this Commonwealth for five years at least preceding his election and at the time of his election shall be an inhabitant of the district for which he is chosen. Every representative and senator shall cease to represent his district when he shall cease to be an inhabitant of the Commonwealth. The manner of calling and conducting the elections for representatives and for senators and councillors, and of ascertaining their election, shall be prescribed by law. The amendment vests original jurisdiction in the Supreme Judicial Court, upon petition of any voter of the Commonwealth, filed with the clerk of said court, for judicial relief relative to the establishment of House of Representatives, councillor and senatorial districts.

QUESTION NO. 3

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 7, 1972, received 250 votes in the affirmative and 3 in the negative, and in a joint session of the two branches held June 6, 1973, received 253 votes in the affirmative and 0 in the negative?

YES NO

Summary

The proposed constitutional amendment would repeal section 2 of Article 46 of the Articles of Amendments to the Constitution of the Commonwealth (the "anti-aid amendment", so-called), and replace it with a new section 2, for the purpose of allowing grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

The proposed amendment would delete the first clause of the present section 2, which requires that all moneys raised by taxation in the towns and cities for the support of public schols, and all monies appropriated by the Commonwealth for the support of common schools shall be applied to or expended in only those schools conducted according to law under the order and superintendence of the authorities of the town or city in which the money is expended. The effect of the deletion of the first clause of section 2 would be to remove the constitutional prohibition against the use of public monies, which have been raised by taxation or appropriated for support of public schools, for grants in aid to private

higher educational institutions or to students, or parents or guardians of students attending such institutions.

The proposed amendment would also alter the second clause of the present section 2 by removing the prohibition against a grant appropriation or use of public money or property or loan of public credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any school or institution of learning, whether under public control or otherwise, wherein any denominational doctrine is inculcated, or any other school or any college which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents. In place of the foregoing, the proposed amendment would prohibit the grant, appropriation or use of public money or property or loan of credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any primary or secondary school which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents.

The proposed amendment would also add to the present section 2 a provision that nothing therein shall be construed to prohibit grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

QUESTION NO. 4

Law Proposed by an Initiative Petition

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held May 17, 1972, received 131 votes in the affirmative and 121 in the negative, and in a joint session of the two branches held May 8, 1974, received 139 votes in the affirmative and 119 in the negative?

YES NO

Summary

The proposed constitutional amendment would revise Article 78 of the Articles of Amendment to the Constitution to permit the expenditure of money from the highway fund for mass transportation lines and other mass transportation purposes in such manner as the Legislature may direct. The highway fund includes receipts from fees, duties, excises and license taxes relating to registration, operation or use of motor vehicles and taxes from the sale of motor vehicle fuels. The expenditure of money from such fund is presently restricted to highway and bridge construction, reconstruction, maintenance and repair, enforcement of state traffic laws, and administration of the tax statutes which provide highway fund receipts.

QUESTION NO. 5

Law Proposed by an Initiative Petition

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 150 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 22 in the negative? YES NO

Summary

Provisions of the act establish an independent Corrupt Practices Commission, with five members to be appointed by the Governor to staggered five year terms. The Commission has subpoena powers and is to investigate, by means of secret hearings, candidates' compliance with all state and federal laws relating to political campaign contributions and expenditures and corrupt practices. If probable cause is shown, the Commission is required to direct the Attorney General to take further action in the proper form and is required to make public a report of such action. In cases involving the campaign practices of the Attorney General himself, a special attorney is to be appointed. If no probable cause is shown, the Commission is to state so publicly.

Further, the proposed act extends the application of the current statute regarding the disclosure of campaign expenditures and contributions, to all candidates for office above the town and city level, with the exception of President and Vice President of the United States. The act requires all such candidates to receive and disburse all amounts greater than \$25 by check, and makes it a crime to knowingly receive cash payment from a candidate or his committee for a service costing more than \$25. The act also requires candidates to designate a single bank as depository of funds and as recordkeeper, with records of receipts and expenditures to be open to public scrutiny.

Provisions of the act extend present campaign spending limits to cover all media expenses and require all media firms (including: television, radio, newspaper, billboard, magazine, advertising, public relations, printing, opinion polling, computer, telephone, telegraph) to report the purchase of media services by candidates. Media expenses of candidates for the offices of district attorney, clerk of court, register of probate and insolvency, register of deeds, county commissioner, county treasurer and sheriff are limited to \$.07 for each resident of the respective electoral district. Other provisions of the act require candidates, upon official announcement or filing of nomination papers, to report all political receipts and expenditures since the date of the last general election for the office sought, and count such expenditures toward spending limits.

The act establishes a maximum penalty of one year imprisonment and/or \$10,000 fine for individuals engaged in corrupt practices, and a \$50,000 fine for corporations so involved. In addition, the Attorney General is permitted to bring an action for the removal of a candidate whose election was materially aided by corrupt practices on the part of the candidate or one acting in his behalf, where such removal is otherwise authorized by law.

QUESTION NO. 6

Should the General Court enact legislation during the nineteen hundred and seventy-five session reorganizing state government by creating a Department of Health Systems Regulation which shall have the power to administer the medicaid program, control and set rates for nursing homes, hospitals, and other health providers under medicaid, license and inspect health facilities, and regulate private health insurance policies, medical and hospital service plans? YES NO

For these purposes the polls will be open from 8:00 o'clock a.m. to 8:00 o'clock p.m.

And you are directed to serve this warrant by posting up attested copies thereof in not less than seven (7) public places in the town seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 15th day of October in the year One Thousand Nine Hundred and Seventy-Four.

A true copy.

Attest: MAYNARD G. GRANT, Constable

This 25th day of October 1974.

RAY P. FELIX
ROBERT E. LOEW
ROBERT W. ROOT

Selectmen of Plainville

I have this day posted seven (7) of the within warrant in (7) seven public places (7) seven days before said meeting.

PROCEEDINGS FOR THE STATE ELECTION

November 5, 1974

The State Election was held in the Auditorium of the Beatrice Wood Elementary Schol, South Street, Plainville, Norfolk County, Massachusetts, on Tuesday, the fifth day of November 1974.

The election workers were sworn in to their duties by Town Clerk, Kathleen M. Sandland, and the polls were officially opened at 8:00 a.m.

The following election workers appointed by the Selectmen: Eugene Gucwa (R) Warden; Stanley Cole (R) Deputy Warden; Marion McCabe (D) Clerk; Evelyn Soule (D) Deputy Clerk; Ballot Box Officer, Stanley Meyers (R); Tellers: Violet R. Osterholm (R), Lucille Keniston (R), Marilyn Darling (R) Alternate; Ann Gould (D), Pauline Walsh (D) and Jacqueline DiGiantommaso (D).

The Ballot Box was inspected by Evelyn Soule, Marion McCabe, Stanley Meyers and Stanley Cole. Found to be empty, dial set at zero and keys turned over to Police Officer. At 11:40 a.m. ballot stuck, opened box to correct, turned one extra revolution. Ballot box showing 900 votes cast, second ballot box was brought into use. Inspected same and found to be empty. Physical count of ballots show 1677, ballot box showing 1678, one more because of one extra revolution when ballot was stuck. Of the 1677 votes cast, twenty-four (24) of these were absentee ballots.

Polls were officially declared closed at 8:00 P.M. by Warden, Eugene Gucwa.

The following counters were sworn in by Town Clerk, Kathleen M. Sandland: Democrats: John Flynn, Catherine Ashworth, Shirley Marcoux, Jean B. Mathews, Helen Pesanello, Mary Serwinski, Helen Theriault, Rita Pimental and Kenneth McCabe; Republicans: Naomi Beckman, Myrna J. Harmon, Allie B. C. McAlpine, Sophie Gucwa, Dorothea Dwyer, Beverly Armstrong, Richard Freitas, Robert Darling and Juliet Darling. The counting which was completed at 1:45 A.M. on Wednesday showed the following results:

RECOUNT OF VOTES
OFFICE OF REPRESENTATIVE IN GENERAL COURT
22nd NORFOLK DISTRICT

November 22, 1974

A recount of votes for the Office of Representative in General Court, 22nd Norfolk District was requested in writing by Benjamin Nason, a candidate for this office, and a petition for a recount of votes with the required number of registered voters was received in the Office of the Town Clerk on November 12, 1974.

The recount was held on November 22, 1974 at 10:00 a.m. in the Upstairs Meeting Hall at the Town Offices.

The following workers were duly sworn in as Assistant Registrars for this recount only:

Warden (R) Eugene Gucwa
Clerk (D) Marion McCabe

Counters: (R) Bessie Barton, Irene Tremblay, Naomi Beckman and Beverly Armstrong; (D) Helen Theriault, Jean Mathews, Gael Kelly and Kenneth McCabe.

Sgt. Edgar Peavy was the Police Officer on duty and John Lee, Attorney for the Town of Plainville was present, along with all the members of the Board of Registrars.

The recount was completed at 12:00 noon and the results were as follows:

Philip F. Filosa	513
Raymond V. Miller	819
Benjamin W. Nason	324

There were no protested ballots. As a result of the recount Philip Filosa lost two (2) votes, Raymond Miller gained four (4) and Benjamin W. Nason remained the same. Mr. Nason accepted the results of the recount and acknowledged Mr. Filosa as our new Representative in General Court for this district.

EUGENE GUCWA, Warden

KATHLEEN M. SANDLAND, Town Clerk

Town of Plainville

WARRANT

FOR A SPECIAL TOWN MEETING

Monday, December 16, 1974

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, DECEMBER 16, 1974

at 7:30 P.M. for the purpose of amending the By-Laws of the Town and such other business as may lawfully come before the meeting, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to amend the By-Laws of the Town, by striking out Chapter 1, Section 3.1 to 3.9 and inserting in lieu thereof the following:

- "3.1 The senior member of the Finance Committee shall annually call the Committee together for organization not later than fifteen days after the close of the Annual Town Meeting.
- 3.2 The term of office of the Committee members shall begin at the organization meeting following their election and shall continue until the close of the annual Town Meeting nearest the end of the term fixed by law.
- 3.3 The Committee, at its annual organization meeting, shall choose a Chairman, Vice-Chairman, a Secretary and any other officers it deems necessary.

- 3.4 For purposes of transacting its business, a quorum shall consist of four members of the Committee exclusive of the Chairman of Selectmen and the Town Treasurer. The Chairman of Selectmen and the Town Treasurer shall be non-voting members of this Committee.
- 3.5 The members of this Committee shall serve without compensation.
- 3.6 No member of the Committee, with the exception of the Chairman of Selectmen and the Town Treasurer, shall be in the employ of the Town or hold any other elected office in the Town.
- 3.7 Any member who shall remove from the Town shall upon such removal cease to be a member of said Committee.
- 3.8 The Finance Committee shall have authority to investigate the books, accounts and management of any department of the Town. Upon written request, Departments shall, within 48 hours, submit to the Committee those records requested.
- 3.9 It shall be the duty of the Finance Committee to consider all articles in any Warrant for a Town Meeting which calls for the appropriation of money, and to recommend appropriate action to the voters of the Town. The Committee shall investigate the cost of maintenance and the expenditures of the different departments of the Town service, and recommend in detail the amount to be appropriated for each department for the ensuing year.
- 3.10 The Town Departments shall submit to the Selectmen on or before January first, each year, an estimate of the expenditures for the ensuing year which shall specify the amount estimated for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses, together with a tabulated expenditure of the past year.
- 3.11 On or before January fifteenth of each year the Board of Selectmen shall present to the Committee an estimate of the expenditures of each department for the ensuing year, together with the tabulated expenditures of the two preceding years. Copies of all petitioned articles to be inserted in the warrant shall be transmitted to the Finance Committee on or before January first. Copies of all other articles shall be transmitted to the Finance Committee within ten days subsequent to the closing of the warrant.
- 3.12 Copies of all articles to be inserted in the warrant for a Special Town Meeting shall be transmitted to the Finance Committee a minimum of fourteen days prior to the date of said meeting.

- 3.13 The Finance Committee shall at least seven days prior to the holding of the business session of an annual or special Town Meeting make public its recommendations regarding the articles to be considered at said meeting. In making its recommendations for the operation of all Town departments the Committee shall specify the amount recommended for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses.
- 3.14 The Board of Selectmen shall within ten days of receipt of the report of the State Audit of the municipal accounts transmit a copy thereof to the Finance Committee Chairman. Such report shall be available to all members of the Committee.
- 3.15 Any transfer from the Reserve Fund shall be made by a majority vote of the Finance Committee, present and voting, but only after due consideration of the request indicates that the transfer is for extraordinary or unforeseen expenditures.
- 3.16 All expenditures on budgets which are approved by the townspeople must be spent only on the items listed in the budget. Any unexpended amounts are to be returned to the Town Treasury. Over expenditures on items may be made only from the Reserve Fund as described in Section 3.15." Or to do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$650.00 to the Assessors' expense account, for the purpose of Data Processing real estate tax billing. Or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to enter into a Mutual Police Aid Program by accepting the provisions of Chapter 40, Section 8G of the Massachusetts General Laws.

ARTICLE 4. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$2963.10 for Maturing Debt. Or do or act in any manner relative thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$5600.00 for the purchase of a new Chief's vehicle for the Fire Department, and to transfer the present Chief's vehicle to the Police Department. Or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$1063.00 to

the Police Department, for the purchase and installation of one (1) 100 Watts, 2 frequency mobile radio. Or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to establish a Council on Aging consisting of seven citizens of this town, appointed by the Board of Selectmen for terms not to exceed three years for any member. Said terms shall be staggered so that not more than two appointments shall be made in any calendar year. Members can be re-appointed for concurrent terms.

The duties of said Council on Aging shall be to:

- (1)—Identify the total needs of the community's elderly population;
- (2)—Educate the community and enlist support and participation of all citizens concerning these needs;
- (3)—Design, promote, or implement services to fill these needs, or coordinate present existing services in the community.
- (4)—Promote and support any other programs which are designed to assist elderly programs in the community.

Said Council on Aging shall cooperate with the Commonwealth of Massachusetts Office of Elder Affairs and shall be cognizant of all state and federal legislation concerning funding, information exchange, and program planning which exists for better community programming for the elderly.

Said Council on Aging shall give an annual report to the Board of Selectmen with a copy of that report directed to the Commonwealth of Massachusetts Office of Elder Affairs.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$500.00 for use of the Council on Aging.

ARTICLE 9. To see if the Town will vote to install 8" cast iron water main westerly on George Street a distance of 1550 lineal feet from the existing main at School Street and George Street together with all incidental work, and to raise and appropriate for the aforesaid purpose a sum not to exceed \$18,000.00 to be expended by and under the direction of the Water Commissioners, and to determine how said appropriation shall be raised, whether by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (If by borrowing 2/3 vote required).

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$1,200.00 to the Board of Selectmen's expense account, for the appraisal of easements on Messenger Street and East Bacon Street. Or do or act in any manner relative thereto.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doings thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 26th day of November, in the year of our Lord one thousand nine hundred and seventy-four.

RAY P. FELIX, Chairman	Selectmen
ROBERT W. ROOT, Clerk	of
ROBERT E. LOEW, Vice Chairman	Plainville

A true copy.

Attest: Maynard G. Grant, Constable

Date: December 6th, 1974.

I have this day posted up seven copies (7) of the within Warrant in seven (7) places in the Town of Plainville, seven (7) days before said meeting.

MAYNARD G. GRANT, Constable

Attest: Kathleen M. Sandland, Town Clerk

Town of Plainville

PROCEEDINGS OF THE SPECIAL TOWN MEETING

December 16, 1974

Pursuant to the foregoing Warrant, a Special Town Meeting for the Town of Plainville was held Monday evening, December 16, 1974 in the Auditorium of the Beatrice H. Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, at which an official quorum was present.

The meeting was called to order by Moderator Frank Grzenda at 7:40 P.M. and the call of the meeting read by Mr. Grzenda. The Invocation was given by Rev. David Hoyt, Pastor of the Plainville Methodist Church.

Bounds of the hall were declared by the Moderator to be the chairs set up on the floor of the auditorium. Non-voters may not speak unless by vote of the majority of the voters present. All motions for amendments shall be in writing, except for minor changes.

The following tellers were appointed: right side of the Moderator, Gilbert Sandberg and George E. Brown III; left side, Robert Higgins and Stanley Cole. Town Clerk Kathleen Sandland was appointed Ballot Box Officer in the event of a ballot vote.

Motion by Robert E. Loew and seconded by Robert W. Root that Town Counsel John P. Lee and Administrative Assistant George P. Glaiel be allowed to speak to the meeting. Unanimously voted.

At this time Robert R. Faille, Chief of Police, moved that Article 6 and Article 5 be considered, in this order, at this time. Seconded by Robert E. Loew and unanimously voted.

ARTICLE 6. Motion by Robert R. Faille and seconded by Robert E. Loew that the town vote to transfer from Revenue Sharing Funds, the sum of \$1,063 to the Police Department, for the purchase and installation of one (1) 100 Watts, 2 frequency mobile radio. The Moderator declared a YES vote, but not unanimous.

ARTICLE 5. Motion by Gerard Jeannotte and seconded by Edward Serwinski that the town vote to transfer from Revenue Sharing Funds the sum of \$5,600 for the purchase of a new Chief's vehicle for the Fire Department and to transfer the present Chief's vehicle to the Police De-

partment. During the discussion of this article, Chief Faille advised that this car would be painted and equipment transferred to this vehicle for the above figure. The Moderator pointed out that this motion did not include any of this work and declared a five minute recess for the purpose of writing an amendment to cover these items. 8:20 P.M. Recess declared.

At 8:26 P.M. the meeting was called to order and Finance Committee member Gerard Jeannotte withdrew the original motion.

Motion by Chief Clarence E. Skinner, Jr. and seconded by Robert Barney that the town vote to transfer from available Revenue Sharing Funds the sum, not to exceed \$5,600 to be expended under the jurisdiction of the Fire Department for the purchase of a new Chief's vehicle for the Fire Department, and to transfer the present Fire Department Chief's vehicle to the Police Department. This figure to include all incidental work necessary to complete the transfer of equipment, including repainting of the vehicle. Unanimously voted.

ARTICLE 1. Motion by Edward Serwinski and seconded by Robert Barney that Article 1 be accepted as read with the following addition:

"If any portion of this article is at any time held to be invalid or not binding, the remaining portions shall continue to be valid and binding."

Much discussion was held on this article, and it was the opinion that more information should be obtained from the By-Law Review Committee. Upon a motion by Reginald Keyes and seconded by Edward Piculles it was voted to lay this article on the table. Results of standing vote: Yes 75 No 8. Laid on table (Finance Committee By-Law change.)

At this time, upon a motion by Eva Wickman and seconded by Rev. David Hoyt, it was moved that Article 7 be taken up at this time. The Moderator declared a YES vote on this motion, but it was doubted. Result of standing vote: Yes 63 No 16.

ARTICLE 7. Motion by Gerard Jeannotte and seconded by Robert Barney that the town vote to establish a Council on Aging consisting of seven citizens of this town, appointed by the Board of Selectmen for terms not to exceed three years for any member. Members can be re-appointed for concurrent terms. The duties of said Council on Aging shall be to:

- (1) Identify the total needs of the community's elderly population;
- (2) Educate the community and enlist support and participation of all citizens concerning these needs;

- (3) Design, promote, or implement services to fill these needs, or coordinate present existing services in the community;
- (4) Promote and support any other programs which are designed to assist elderly programs in the community.

Said Council on Aging shall cooperate with the Commonwealth of Massachusetts Office of Elder Affairs and shall be cognizant of all state and federal legislation concerning funding, information exchange, and program planning which exists for better community programming for the elderly.

Said Council on Aging shall give an annual report to the Board of Selectmen with a copy of that report directed to the Commonwealth of Massachusetts Office of Elder Affairs. Unanimously voted. Motion made and seconded that Article 8 be taken up at this time. Unanimously voted.

ARTICLE 8. Motion by Mr. Scranton and seconded by Robert Root that the town vote to transfer from available funds in the Treasury, the sum of \$500.00 for use of the Council on Aging. Moderator declared a YES vote, but not unanimous.

ARTICLE 2. Motion by Edward Serwinski and seconded by Robert Barney that NO ACTION be taken at this time. A standing vote was taken, results: Yes 27 No 51. Motion to take NO ACTION defeated. At this time the following letter from Normand Theriault, Collector of Taxes was read, and the Moderator declared it to be made part of the record of the meeting.

"TO THE VOTERS OF PLAINVILLE:

Thank you for allowing this message to be read to you for your consideration. Unfortunately it is impossible for me to be in attendance this evening, and I felt a few words may help in clearing up some questions you may have.

My office has been responsible for the printing, typing and mailing of the Tax bills and always on a so-called crash basis, because of the Tax rate seemingly always set at a late date, for one reason or another.

Under our present system the minimum time it takes to get the bills in the mail from the date the Tax rate is set is six to seven weeks if all goes well.

This is sometimes lengthened because of another uncontrollable factor, the paper shortage.

Last month as you well know the Treasurer was forced to borrow \$150,000 in anticipation of taxes, this would not have been necessary under this proposed plan. The bills would have been prepared and mailed within seven days of the rate being set.

The cost to the Town for this process would be \$600.00 for the initial set-up (a one time charge) and \$700.00 a year thereafter. When you consider that the costs for the printing of the Tax bills alone this year was \$565.00, I feel that the \$135.00 difference per year it would cost the Town, is a wise investment. The Finance Committee doesn't seem to be opposed to the total concept, but they would prefer dealing with the whole program at the Annual Town Meeting.

The problem with the concept is that the initial program to set the Town up is time consuming and we would again find ourselves on a crash program. We could, if you were to approve the appropriation proceed in an orderly and business like manner in securing this information in the files.

I strongly recommend and support this appropriation and thank you for your consideration.

Sincerely,

NORMAND THERIAULT, Collector of Taxes"

Motion by Robert E. Loew and seconded by Robert W. Root that the Town vote to transfer from available funds in the Treasury the sum of \$650 to the Assessors' Expense account, for the purpose of Data Processing Real Estate Tax billing. YES vote declared by the Moderator, but not unanimous.

ARTICLE 3. Motion by Barry Cudmore and seconded by Gerard Jeannotte that this article is not recommended by the Finance Committee and that it be Laid on the Table. A standing vote was taken; Results YES 5 NO 47. Motion to Lay on Table defeated.

Robert E. Loew moved the original motion that the town vote to enter into a Mutual Police Aid Program by accepting the provisions of Chapter 40, Section 8G of the General Laws, seconded by Robert Faille and unanimously voted.

ARTICLE 4. Motion by Robert Brothers and seconded by Edward Serwinski that the town vote to transfer from available funds in the Treasury the sum of \$2,963.10 for Maturing Debt. Unanimously voted.

ARTICLE 9. Motion by Robert Barney and seconded by Gerard Jeannotte that NO ACTION be taken on this article. Unanimously voted. (Water Main on George Street.)

ARTICLE 10. Motion by Roland Ferland and seconded by Edward Serwinski that the town vote to transfer from available funds in the Treasury the sum of \$1,200 to the Board of Selectmen's Expense account, for the appraisal of easements on Messenger Street and East Bacon Street. Unanimously voted.

By unanimous vote the Special Town Meeting was adjourned at 10:10 P.M.

Official count by checkers, Eugene Gucwa and Marion McCabe by use of the Registrars Voting lists, showed ninety voters present; thirty-one women and fifty-nine men.

Respectfully submitted,

KATHLEEN SANDLAND, Town Clerk

Vera M. Watson, 7 Lincoln Ave.—Housewife.

REPORT OF THE BOARD OF REGISTRARS

To the Honorable Board of Selectmen:

The Board lost a faithful member in March. Richard Cobb had served the Town for many years; most recently as Chairman of this Board. His wife Helen filled the vacancy on the Board and was elected Secretary.

It has been a busy year with the new affidavits for registering voters being used as of June one and the change to Computer Census, which will include voting lists, street listings and dog listings, hopefully this will assure us of a more accurate up-to-date census and record listings.

The state primaries were held in September and the state election on Nov. 5. As a result of the election, a petition was filed with the Town Clerk for a recount of votes for Mr. Benjamin Nason for the Office of State Representative for the 22nd Norfolk District. The recount was held on November 22, 1974. The outcome remained the same for Mr. Nason. Mr. Filosa still being the winner.

The Annual Meeting of the Norfolk County Board of Registrars was held at the Sheraton-Tara Motel in Braintree. The guest speaker for the evening was State Representative Maurice E. Ronayne Jr. Officers were elected for the coming year with our Chairman, Robert Thibedeau re-elected Treasurer for this Association.

The latest figures on registrations are as follows:

Republicans	857
Democrats	486

REPORT OF THE FINANCE COMMITTEE

To the Honorable Board of Selectmen

During the year 1974, the Finance Committee had endeavored to re-orient itself so that it might better perform its functions in serving the townspeople. We have changed our meeting nights to Tuesday to establish better lines of communication with the Board of Selectmen. We proposed a revision to the By-Law governing the Finance Committee to clarify our responsibilities and to increase our efficiency.

In the future, we will try to establish better and more frequent communications with the townspeople to keep them abreast of financial matters. To that end, we take this opportunity to invite any citizen to attend our weekly meetings.

The money appropriated at the 1973 Annual and 1974 (April) Special Town Meetings for extra-ordinary and unforeseen expenses has been transferred as follows:

Highway Maintenance (Chp. 81)	\$4,450.00
Committee to secure a Doctor	100.00
Veteran's Agent	3,000.00
Tax Collector	1,500.00
Zoning Board of Appeals	145.00
Board of Selectmen	9,800.00
(Expenses, Blue Cross/Blue Shield R. R. Land Purchase)	
Street Lights	3,300.00
Treasurer (Expenses, Blue Cross/Blue Shield)	2,180.40
Board of Assessors	206.23
Memorial Day	132.54
Police Department	430.00
Conversation Commission	217.74
Total	\$25,461.91

Leaving an unexpended balance of \$938.09 which was returned to the Treasury on 30 June, 1974.

None of the money appropriated at the 1974 Annual Town Meeting for extra-ordinary and unforeseen expenses has been transferred, leaving a balance as of 31 December, 1974 of \$5,000.00.

We wish to thank all the Officials of the town for their cooperation during the past year.

Respectfully submitted,

EDWARD S. SERWINSKI, Chairman
GERARD L. JEANNOTTE, Vice-Chairman
RAY P. FELIX, Chairman of Selectmen
LAWRENCE CARPENTER, Treasurer
ROBERT BARNEY
ROBERT BROTHERS
JOHN B. CUDMORE
DAVID LOMASNEY
ROLAND FERLAND, Secretary

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1974.

During this year, we were called upon a number of times to stand by for emergencies such as; high winds, rain and snow storms, which were called by the state. Fortunately, we did not receive these storms. We were prepared if these emergencies did arise.

In the forth coming year, we hope to increase our personnel in all phases of Civil Defense, as most of our emergencies will be in the nature of civil disaster.

We wish to express our sincere thanks to all the other Municipal Departments for their help and cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT
Civil Defense Director

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Plumbing Inspector for the year ending December 31, 1974.

Permit money taken in	\$538.50
Money expended	538.50
Balance	-0-

Respectfully submitted,

RONALD LaPORTE

Plumbing Inspector

REPORT OF THE ELECTRICAL INSPECTOR

To The Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Electrical Inspector for the Town of Plainville for the year ending December 31, 1974.

A total of \$618.00 was turned over to the Town Treasurer. This represents a substantial decrease over the 1973 period, due primarily to the lack of construction.

I would like to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, Contractors, and the Townspeople, for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS

Electrical Inspector

REPORT OF THE ZONING BOARD OF APPEALS

We are pleased to submit the following report of activities of the Zoning Board of Appeals for the Calendar year ending December 31, 1974.

There were 27 cases handled throughout the year, consisting of gravel and loam permits, 22 requests for variances, 2 special permits and 3 Appeals hearings.

The Board received and paid to the Town Treasurer, for applications, \$535.00 for the year ending December 31, 1974. It spent from its established budget \$793.46 for postage, office supplies, clerical fees, advertising, dues and a tape recorder.

TOTAL ACTUAL EXPENSES FROM JULY 1, 1974 THROUGH JANUARY 15, 1975

Office Expenses	36.16
Dues	15.00
Purchased Labor	201.50
Hearing Aids	78.49
Calendar	3.00
Zoning Guide Books	20.00
Total	354.15

These six months represent a slower period for the Zoning Board. The next six months are our busiest times.

Respectfully submitted,

JAMES RINALDI
LORRAINE WOODWARD
ROBERT SAPITA
CONSTANCE BOUCHER
GRACE SIMMONS

REPORT OF THE BUILDING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I submit herewith my report as Building Inspector for the Town of Plainville for the year ending December 31, 1974.

The following permits were issued at an estimated total of \$1,013,-431.00 and fees collected totaled \$1,771.13.

11 Dwellings	\$359,000.00
3 Apartment Buildings	94,000.00
17 Alterations and Additions to Dwellings	105,000.00
2 New Commercial and Industrial Buildings	243,000.00
1 Private School Addition	68,000.00
1 Barn Raised	
79 Miscellaneous Permits—Barns, Garages, Pools, etc.	120,431.00

It has been my pleasure to serve as Building Inspector for the Town and I wish to thank the Board of Selectmen, all other Town Officials, Townspeople and Contractors for their co-operation during the past year.

I want to give a special thank you to Harold Meyer for his assistance and availability when I had to be out of town.

Appropriation	\$800.00
Salary	600.00
Expenses	200.00
	\$800.00

Respectfully submitted,

WARREN F. PAGLARI

Building Inspector

REPORT OF THE DOG OFFICER

To The Honorable Board of Selectmen
Town Office Building, Plainville, Mass.

Gentlemen:

I herewith submit my report as Dog Officer for the Town of Plainville for the year ending December 31, 1974.

Itemized report:

Stray dogs picked up	46
Stray dogs sold	21
Stray dogs destroyed	3
Stray dogs returned to owners	22
Stray cats picked up	23
Dead animals picked up	
on street & buried	45
Complaints	650

Respectfully submitted,

JOSEPH CALZARETTA

Dog Officer

REPORT OF THE BOARD OF APPEALS

To The Honorable Board of Selectmen:

Gentlemen:

This Board reports another year of inactivity. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the Townspeople to the extent that no situation or disputes requiring our services occurred. We view this turn of events with pleasure and feel the Town Officers have functioned smoothly indeed.

We sincerely hope 1975 will be as uneventful.

Respectfully submitted,

ROBERT W. HAYES

MELVIN DWYER

ROBERT C. KENISTON

Respectfully submitted,

By-Law Review Committee

RAYMOND MILLER, Chairman
CHRISTINE LESSARD, Vice-Chairman
DAVID KELLY, Secretary
REGINALD KEYES, Member
FRANK GRZENDA, Member

REPORT OF THE COMMUNITY HEALTH AGENCY, INC.

To the Honorable Board of Selectmen

Gentlemen:

During 1974 Community Health Agency has continued to develop and expand services to the residents of Plainville. Monthly community immunization clinics have been held for residents of all ages. The clinic offers immunizations against polio, diphtheria, tetanus, whooping cough, measles, rubella (German measles) and mumps. In addition, tuberculin testing, and dental and vision screening of pre-school children are offered. We hope that all children will be completely immunized before entering school, and that school age children and adults will keep up with their booster immunizations. We are grateful to over a dozen local residents who serve as volunteers for the clinic, assisting with publicity, registration, screening, interviewing and in many other ways. Their assistance makes it possible to provide more services in the clinic. These clinics have been in addition to six clinics held in the schools and one flu clinic.

The addition of Home Health Aides has given further service to residents. Community Health Agency provides this service both through direct employment of a trained aide and through contract with Home Health Services for the service of their aides. Under the supervision of our nursing staff, the aides assist patients in their home with personal care, preparation of meals, diet, and exercises. Utilized in many situations, their services have proved most beneficial to our elderly living alone particularly after discharge from the hospital or nursing home.

Plainville is represented on the Board of Directors of Community Health Agency by Mr. Theodore Wickman, Assistant Treasurer, Mr. William Armstrong, Mrs. Ugo Bona, Rev. John Bowmar, and Mrs. Edward Osterholm. In addition to the above services Community Health Agency provides nursing, physical and occupational therapy services for physician prescribed therapeutic services in the homes of patients; also nursing services, sponsored by the Plainville Board of Health, which include health promotion, guidance and teaching to residents of all ages, and the investigation and follow-up of certain communicable diseases.

STATISTICS FOR SERVICES DURING 1974 ARE AS FOLLOWS:

Clinics

568 Immunizations given at 6 school clinics

296 Immunizations given at 12 community clinics
94 Flu shots given at 1 flu clinic

Total Clinic Services (Sponsored by Board of Health)

958 Immunizations
19 Clinics
65 Clinic Hours
28½ Additional hours for Board of Health

Visiting Services by Type of Staff

Nursing visits	461
Physical Therapist Visits	12
Occupational Therapist Visits	8
Home Health Aide Visits	47
Nurses Aide Visits	39
	567

Visiting Services by Sponsor:

Board of Health	91
Therapeutic	476
	567

Visiting Services by Type of Service:

Maternity Visits	33
Health Promotion Visits	42
Disease Related Visits	492
	567

Residents of Plainville who need our services or desire information about them, are encouraged to call our office at 695-6140 or 222-0118.

Respectfully submitted,

(MRS.) JUNE H. BROWN
Executive Director

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen

Gentlemen:

The report for 1974 of the Plainville Conservation Commission is submitted as follows:

The Commission would like to thank those citizens who through active participation helped to complete so many projects.

To the 'King Philip Trail Riders' for donating the materials to build four picnic tables and a picnic shelter.

To Simeon Ober and Clayton Cate for building the picnic shelter and tables.

To Mr. Alan Cornell of American Studios for donating land to the Town of Plainville for Conservation use.

To the Boy Scouts of Manitoak District of Old Colony Council for providing 600 hours of work on conservation projects.

To the teachers of the Plainville Elementary School and the Dominican Academy for promoting the active participation of their students in the commission's 'Litter Pick-up' poster contest.

To everyone who helped on the litter pick-up in the spring.

A conservation training day was conducted for the local Girl Scouts of Plymouth Bay Council.

Conservation projects at Scout Island included the start of erosion control and the planting of shrubs.

The commission's 'Rules and Regulations' were updated with trapping of all kinds now prohibited.

Respectfully submitted,

RITA WATSON, Chairperson

Stan Myers, Robert Proal, Everett Skinner, Clayton Cate, Ray Smith, Ronald Frederickson, Simeon Ober, Julie Darling and conservation officer Robert Darling.

REPORT OF THE VETERANS' AGENT

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the year ending December 31, 1974. All applications for Veterans' Services in 1974 were approved by the State Commissioner of Veterans' Services. Fifty per cent of all monies paid to recipients by the Town will be reimbursed by the Commonwealth of Massachusetts. Approximately 332 inquiries for Veterans' Services were received in 1974.

Appropriation:	\$8,000.00
Expenses:	250.00
	\$8,250.00
Expended:	
Services	\$8,645.72
Expenses: Travel, Clerical, Supplies	250.00
	\$8,895.72

Respectfully submitted,

DONALD C. SOULE
Veterans' Agent

Ground U. L. V. adulticide application	1088 acres
Drainage ditches cleaned	7810 feet
Brush obstructing drainage cut	180 feet
Culverts cleaned and opened	27
Recorded calls for information and assistance	20

Respectfully submitted,

ALBERT W. HEUSER
Superintendent

REPORT OF THE SEALER OF WEIGHTS and MEASURES

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1974.

The following inspections were made and fees collected:

Gasoline pumps 1" or less	33 @ \$2.00 each	\$66.00
Scales 100 to 5000 lbs.	2 @ \$5.00 each	\$10.00
Scales 10 to 100 lbs.	13 @ \$2.00 each	\$26.00
Scales 10 lbs. or less	1 @ \$1.00 each	\$ 1.00

Total fees collected and paid to Town Treasurer	\$103.00
---	----------

Appropriation	\$300.00
Expended: Salary	250.00
Expenses	50.00
	\$300.00

Respectfully submitted,

WILLIAM L. WALSH
Sealer of Weights and Measures

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the town of Plainville for the period of May 14, 1974 to December 31, 1974.

As required by the State, a complete inventory of all livestock in the town was compiled and figures returned to the State. The inventory showed: 74 Horses, 5 Ponies, 43 Beef Cattle, 1 Dairy Cow, 14 Sheep, 9 Goats, 31 Swine.

Twenty-two (22) Dog bites and one (1) Raccoon bite were reported during this period. All animals were placed under quarantine and released after inspection for rabies and two separate reports sent to the state for each case.

I would like to take this opportunity to thank Dog Officer Joseph Calzaretta for all his help and cooperation during this time.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Animals

REPORT OF THE INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the town of Plainville for the period of May 14, 1974 to December 31, 1974.

There were no reported slaughterings in the town for this period.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Slaughtering

REPORT OF THE PLAINVILLE HOUSING AUTHORITY

To the Honorable Board of Selectmen

Gentlemen:

We would like to submit our report for the year ending December 31, 1974.

During the year we had five vacancies and these were filled from our waiting list.

In the Fall, we had the outside trim and the porches painted on all of the buildings. We plan to paint the interiors of the buildings next year.

We would like to express our thanks to the Plainville Lions Club, the local church groups and the Women's Clubs for their continued interest and kindness to all our residents.

We would also like to acknowledge the excellent cooperation we receive from the Police, Fire and Highway Departments.

Respectfully submitted,

FRANCIS SIMMONS, Chairman
CLINTON BARTON, Vice Chairman
WALTER FINK, Treasurer
LeROY WILSON, Asst. Treasurer
RUBENA COLE
MELVIN DWYER, Exec. Director

REPORT OF THE INSPECTOR OF MILK & DAIRIES

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk & Dairies for the town of Plainville for the period of May 14, 1974 to December 31, 1974.

This represented the issuance of twenty-eight (28) licenses. A call was made to each business with eleven (11) dairies and seventeen (17) stores or restaurants represented.

Paid to the town treasurer the amount of thirty-four dollars (\$34.00).

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Milk & Dairies

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Town Offices
Plainville, Massachusetts

Gentlemen:

REPORT OF THE PLAINVILLE PUBLIC LIBRARY TRUSTEES

To The Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Plainville Public Library Trustees. During 1974, we had a circulation of over 9,939, this includes magazines and records. We have purchased many new books and the Bookmobile arrives about once a month making available many current best sellers. We now have about 9,659 volumes in the library plus 208 records.

One of our newest additions to our library is the 12 volume with index of the Encyclopedia of Religion and Ethics.

We collected \$140.00 in fines this year which is turned over to the Town Treasurer.

A few minor repairs were done to the Library Building, such as fixing a few beams, few new boards in the roof and our big project was a new roof.

We would like to thank Mrs. Cobb and Mrs. Kenniston for making our Library so enjoyable.

Respectfully submitted,

MARGARET FREDERIKSEN
JEAN HENRICH
GEORGE CURTIS

REPORT OF THE COMMUNITY FAMILY SERVICE

Trained volunteers responded to 102 requests for assistance between January 1, 1974 and January 30, 1975. One-half of the calls were in the area mental health or medical needs (psychiatric evaluation, counselling, physicians or nurses services). The remainder concerned household problems, day care, evictions, unemployment, financial assistance, legal referral, transportation, nursing home placement, medicaid, child guidance, etc.

The services of Mr. Willis Scott, ACSW, professional staff member of the Leslie B. Cutler Clinic, have been available at the Plainville office through the cooperation of Norfolk Mental Health Association and the Mass. Dept. of Mental Health. Mr. Scott is in the office one and one-half days each week, and we have been informed that two additional counsellors will be assigned locally within the near future. Appointments for clients are made by Community Family Service. A telephone, listed under Community Family Service, has been provided by Norfolk Mental Health Association.

We wish to thank our volunteers for the thousands of hours they have been "on duty"; the Board of Health for their encouragement, financial support, and for providing office space in the Town Hall; Ralph Golding, Executive Director, and the Board of Directors of Norfolk Mental Health Association, and Mr. Scott, for their support, time, and assistance in training volunteers; Father John Mahoney, the Rev. David Hoyt, and staff members of Leslie B. Cutler Clinic, Medfield State Hospital, Sturdy Memorial Hospital, and other agencies for their continued cooperation.

Expenditures:

Appropriation for 12 month period	\$375.00
Expended through January 30, 1975:	
Answering service	120.00
Postage, supplies, long distance calls	78.58
Total expended	\$198.58

A balance of \$176.42 remains to cover expenses for the next five months.

Respectfully submitted,

Board of Coordinators,

ADELE FELIX
JAN PRAY, R.N.
MARILYN CARR

REPORT OF THE TOWN AMBULANCE

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1974.

Balance as of December 31, 1974

\$ 2904.29

Public awareness and disucssion of health care issues have increased dramatically in the past five years, and emergency medical services have not escaped increased public scrutiny. As a result many areas of the country, including Massachusetts, have begun to assess and improve their ability to respond to medical emergencies. In Massachusetts these efforts have been underway with Federal financial support for almost two years. Over 1,000 citizens in all parts of the Commonwealth are working on State, Regional and Area EMS Committees to identify needs and develop programs in each of the five basic components, or sub-systems, of an EMS system: transportation, communications, training, medical facilities and public education. All major provider and consumer interests are represented in these committees. At the State level, overall coordination, direction and assistance is provided by the Office of Emergency Medical Services, Massachusetts Department of Public Health, which works with these Committees and maintains relationships with the many other State agencies, professional associations and private groups involved in EMS.

The goal of the Massachusetts EMS program is to ensure that persons unexpectedly ill or injured receive the best possible care at the scene of the emergency and in transit to a medical facility and that such persons quickly reach the facility or facilities capable of rendering the appropriate level of care. Achieving this goal requires improvements in both personnel and equipment — ambulance attendants, vehicles and equipment, communications dispatchers, emergency department personnel and medical facilities. In addition, it requires the development and implementation of a coordinated system for the assessment, utilization and monitoring of these resources.

This year Captain Robert Skinner and Firefighter Raymond Clontz have taken the 81-hour EMT Course and the National Registry Examination and have received their certificates for same. Firefighters Edwin Harrop, Thomas Johnson and James Parmenter have also taken the course and the National Registry Examination and are awaiting the results of the exam.

I have spent many hours at Seminar and Meetings on a local, region and State level throughout the year in order to keep abreast of all the changes and new rules and regulations.

I will submit an article for the Annual Town Meeting for a mobile radio for the ambulance so we can comply with the Ambulance Communications regulations. This radio will be on the hospital's radio frequency and will enable the ambulance personnel to communicate directly with the Emergency Department of all hospitals.

Respectfully submitted,

C. E. SKINNER, JR.
Chief of Fire Department

REPORT OF THE FIRE DEPARTMENT

During the year three firefighters completed one semester of the Fire Science Course at the Bristol Community College. Also, five firefighters attended a 81-hour EMT course at Sturdy Hospital and Norwood Hospital.

A chain link fence was installed along the property line at the rear of the building for the protection of the neighborhood children.

The fire alarm systems in the Fire-Police Headquarters; Town Office Building; and the Highway Garage have been installed by the men and are now in operation.

The air compressor for the Fire Alarm has been repaired and the system is now in operation.

Many hours have been spent on the building, painting, etc. with much work remaining to be done.

I wish to thank your Honorable Board, Police Chief Robert Faille and the men of his Department, Superintendent of Streets, Everett

Skinner and the men of his Department, the Officers and men of this Department, and all others who have assisted and cooperated with me during the year.

Respectfully submitted,

CLARENCE E. SKINNER, JR.

Chief of Department

REPORT OF THE TOWN COUNSELOR

Board of Selectmen
Town of Plainville
Plainville, Massachusetts

Gentlemen:

I hereby submit my report as Town Counsel for the period beginning with July 22, 1974.

The following cases in which legal action was brought against the Town are still outstanding:

1. Nirvana Trust vs. Town of Plainville.
2. Southeastern Construction vs. Town of Plainville.
3. Ernest Giovannucci and Ernestine Giovannucci vs. Zoning Board of Appeal.

All other cases and claims which were pending at the time of the previous report of the Town Counsel have been tried or disposed of.

During the period of time of employment as Town Counsel I have been called upon to give opinions and to furnish legal advice on numerous matters presented to me by Town Officers.

I wish to express my appreciation to the Board of Selectmen, to the Administrative Assistant to the Board of Selectmen and other Town Officers for their cooperation in handling the legal matters in which the Town was involved.

Respectfully submitted,

JOHN P. LEE

Town Counsel

REPORT OF THE PARK COMMISSION

To the Honorable Board of Selectmen

Gentlemen:

1974 has seen several substantial improvements in our Town Park through the efforts of the Park Commission and the support of many. We have also suffered many setbacks mainly due to the alarming increase of vandalism. Much of this we attribute to the relocation of the Police and Fire departments.

Last October the Park Commission received the resignation of Robert Darling as a member. Mr. Darling's position was filled by appointment by Edwin H. Harrop. We wish to thank Bob for his hard work on the commission.

During the summer of 1974 the park offered swimming instruction to the children of Plainville as in the past. This year, however, weekly cookouts were enjoyed by participants both young and old. These were made possible through the efforts of our staff and with the help of Mr. Arthur Dumont of the P.A.L.

A total of 158 Red Cross Certificates were earned in the following levels:

Beginners	29	Advanced Beginners	71
Intermediates	35	Jr. Lifeguard	11
Sr. Lifeguard	9	Water Safety Aides	3

The Park Commission believes that everyone should have the opportunity to learn how to swim correctly with the proper supervision to insure safety. Lessons are offered to both children and adults and we hope that more townspeople will take advantage of this opportunity.

The commission realizes, however, that while the pool activities may claim the majority of the park budget, the commission has an obligation to provide other recreational facilities to the people of Plainville.

With the cooperation of the voters, we plan to focus more attention on the development of our park in order to reach its fullest potential. The initial steps were taken in 1974 by the addition of charcoal grills

between the pool and Plainville Pond. We hope to further develop this site into a family picnic area.

New playground equipment was added to the children's play area. Materials for a new sandbox have been purchased and will be placed in the area this spring.

Thanks to the townspeople at 1974's annual town meeting, funds were appropriated to resurface the park's parking facility. Boy Scout Troop 46 helped us with the preopening preparations by conducting a litter pick-up in the park. The Ten Mile River was another site of improvement. The trash and heavy growth of weeds were removed from the old wading pool and the section of river that bounds the park. Thanks are in order to Mr. Everett Skinner, our Highway Superintendent, for his help and support on both the parking facilities and the river clean-ups. Also for the new signs in the parking area.

The Plainville Jaycees added to the park's program this past summer by reviving the tradition of a July 4th Fair.

This year, with the support of the voters, we hope to further improve our park by the addition of playground equipment for the children, resurfacing the ballfield (through the cooperation of the Plainville Athletic League) and adding lighting to one of the tennis courts. In order to compliment these facilities and help to insure their proper use, we hope to be able to add another lifeguard in order to free the Park Supervisor to work with and instruct youngsters in other activity areas. We also feel that this would provide greater supervision over the entire park.

The Park Commission feels certain that these repairs and additions would increase the park's usage by responsible citizens and thereby reduce the vandalism. Time that could have been more constructively spent, had to be aimed at the vandalism. The losses incurred included: 1. the leveling of an old bathhouse used for storage; 2. the destruction of toilet facilities required by law; 3. removal or destruction of signs; 4. destruction of park benches; 5. desecration of the Veterans Memorial Bandstand; 6. breaking and entering and malicious damage to the bathhouse. These losses along with the mounting litter of paper and broken bottles, have created a monumental problem. Though the Police Department have increased their surveillance of the park, the problem remains.

Part of the solution would be to install an alarm system to protect the buildings and their contents. We also believe that it will be necessary to hire a police officer to protect the remainder of the Town Park at times.

REPORT OF THE SCHOOL COMMITTEE

To The Citizens of Plainville:

We herewith submit our report of the Plainville School Committee for the year ending December 31, 1974.

It seemed like the year was just underway when the School Committee, students, parents and townspeople alike were saddened by the death of Supt. of Schools, Carl W. Green, a man who served the town as Superintendent for over 14 years and served us well. Our deepest sympathies are extended to Mrs. Green and her family. Our sincere thanks go to Mr. Edward Keaney, Mr. Richard Cashman, Mrs. Gertrude Lunn, and all other school personnel for their help during these trying times.

Sadness again surfaced later in the year when Mrs. Myrtice Minah, a third grade teacher of long standing, passed away.

During this school year, the Committee moved all K-2 students to the Anna Ware Jackson School and housed all Grade 3-6 students at the Wood Elementary School. The move was carried out very smoothly and teachers and students seem to have adjusted very well.

Due to the relocation of grades, the Committee felt that one Principal could be eliminated, and when filling the position of Superintendent, we felt that by moving the Superintendent's office to Jackson School, we could combine this position with that of Principal and have the office of Superintendent at Jackson School and a full-time Principal at the Wood School. We feel that this situation is working very well.

The Committee took great pleasure in announcing the appointment of Edward L. Keaney to fill the vacancy of Superintendent caused by Mr. Green's passing, and Mr. Richard Cashman as Principal at the Wood School.

Mr. Albert Pothier retired as Head Custodian in October and the Committee wishes him well in his retirement. Mr. William Cooney was appointed to fill this vacancy. He brings to the position a broad knowledge in many fields and has put his knowledge to great use. Our many thanks to Mr. Cooney for the professional manner in which he handles his job.

Our physical plants have had several improvements. The gymnasium at the Wood School has a much needed new ceiling and also the walls were painted. Renovations were completed at the Jackson School in order to give the Superintendent the room he greatly needed. A conference room was added next to the existing office to make it possible to hold confidential meetings with staff and parents alike. A fence was installed at Jackson to give protection to the younger students who might stray too close to Messenger Street. This was a joint Parent-Teacher Association and School Committee project, and we wish to take this opportunity to thank the P.T.A. for their contribution and cooperation on this project. Also, in the near future, the Wood School will receive a burglar alarm system, as in the past we have had many cases of vandalism and breaks into the building, and we sincerely hope that the new security measures will greatly reduce the occurrences in the future.

Report cards for all grades were updated, and the Committee feels that this will better inform parents of their child's progress.

This year there will be two early release days for parent-teacher conferences, and we sincerely hope this will lead to a greater understanding of all involved and will open lines for better communications between home and school.

This past summer a Language Arts Curriculum Guide was written by Miss Jo Ann Bourgeois, Mrs. Nancy Bellavance, Mrs. Nancy Driscoll and Mrs. Doris Rae. This should make it possible for greater continuity and consistency in this area. We wish to thank the above committee for the many hours spent on this program.

Volunteers play a very important role in our schools and the educational process, and we thank each and everyone for their time, effort and concern.

To our Superintendent, Principal, Secretaries, Teachers, Custodians and all who helped make this past year a fruitful and successful one, our heartfelt thanks.

Respectfully submitted,

NANCY LOEW, Chairman
ALICE EDWARDS, Secretary
FREDERICK METTERS
SARA ROBERTS
MARSHA ROBBINS

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To The Plainville School Committee:

It is my privilege to submit the first annual report as Superintendent of Schools.

INTRODUCTION

I shall attempt to mention those items which in my opinion are more significant for the year reporting, and to present along the lines of my predecessor, Mr. Carl W. Green.

CARL W. GREEN

Words cannot express my deep personal loss, due to the passing of Carl Green, our former Superintendent. I had worked closely with Mr. Green during my years in Plainville and received a great deal of help, counsel, friendship and understanding from this exceptionally kind and warm human being. The town can be assured that they had the services of a very able and dedicated man for the many years that he served as the chief school administrator.

ENROLLMENT

As of October 1, 1974, enrollment was established at 723, which indicates a downtrend. We are presently undergoing an extensive school census which should give us a fairly accurate picture as to what we can expect. Of course, these figures can change, depending on the extent of new building which might take place. Nevertheless, the census received will provide a sound base for any future planning.

TEACHING STAFF

We lost another dedicated person in the passing away of Mrs. Myrtice Minah, who had been a teacher of Grade 3 for several years. She contributed much to the development of the children in her years of service. Also leaving after having taught for several years was Miss Georgina Griswold, who will be missed.

New additions to the staff were Mrs. Karen Saucier, Grade 3; Mrs. Linda Chaplow, Grade 1; and Mr. William Fasulo, Grade 5.

REORGANIZATION OF BUILDINGS

A major step toward improving our educational structure took place this past year when all children in grades Kindergarten through Two were situated at Jackson School, and all children Grades Three through Six were located at the Wood School. A great deal of deliberation was spent prior to finalizing this move, and when all reasons had been assessed, the decision to re-organize was made.

SPECIAL EDUCATION

Starting September 1, 1974, the new Special Education Law, Chapter 766, became effective, and schools throughout the Commonwealth began implementing this law. In our system we were reasonably well set up, due to the pre-existence of many programs mandated by this law. We did hire a school psychologist under Federal funding, and added a resource person in order to effectively fulfill our obligation.

Much time and effort has been involved in meeting State regulations, but hopefully with our experience this year, the further compliance in this area will prove to be less cumbersome, without detracting from effectiveness.

CUSTODIANS AND LUNCH PROGRAM

Mr. Albert Pothier, head custodian for many years, retired in the fall of 1974. "Al" served the community and the schools faithfully during his years of service, and he will be sorely missed by all those that he came in contact with. Mr. William Cooney replaced "Al" and we feel fortunate to have a person of his calibre with us.

Mrs. Celine Hassell left as cook at the Wood School and was replaced by Mrs. Doris Sears, starting September, 1974.

USE OF SCHOOL BUILDINGS

In 1974 the school buildings were again made available to town groups wishing to use our facilities during the evenings and weekends. It was felt that energy conservation could still be applied, without denying use of the buildings.

CONCLUSION AND ACKNOWLEDGEMENTS

1974 was certainly a significant year for myself as you appointed me Superintendent of the Plainville Public Schools. I will certainly do my

utmost to provide the leadership and direction for the maximum development of educational programs for the children.

This first year has been one of enlightenment and developing awareness as to the superintendency role. It is vast indeed, but I welcome the challenge, primarily due to my knowledge that I will receive the assistance and cooperation from a fine staff, yourselves and the community-at-large. With this security, I feel that all of us, working together for the common good of all the children, can realistically work to continue to provide a sound educational operation.

Personally, I will continue those policies and programs already functioning successfully, and will attempt to expand, up-grade and initiate any needed changes.

As was the case with Mr. Green, I certainly intend to "keep the door open." I welcome any observation or suggestion which is intended to improve our overall functioning. Education is continually undergoing what is hoped to be, constructive and positive change. I especially feel that we in Plainville can effectively develop educational progress, because of the previously stated reasonableness and cooperation of all those involved.

Needless to say, I was somewhat apprehensive when we lost Mr. Green so suddenly, and it was somewhat traumatic to "step in" and attempt to keep things going. Due to the overwhelming consideration and assistance of all those involved in the operation of our schools, my fears were groundless.

Specifically, I would like to thank the following individuals and groups:

To begin with, I wish to extend my thanks to each one of you as School Committee members, for your efforts and help during this past year.

To Mr. Cashman, and all the teachers at the Wood School, my gratitude for their dedication and perserverance during this past year.

In my present location, the Jackson School, I wish to extend my appreciation for all the assistance given me by Miss Jo Ann Bourgeois, Head Teacher, and all of the instructional staff whose efforts have certainly made for a successful year.

The custodial and lunchroom people have been more than cooperative, and for this I wish to thank them.

Our teacher aides have exhibited to a high degree their value in assisting us in our operations, and to them many thanks.

The volunteer mothers and the P.T.A. have continued to be invaluable with their efforts in helping to provide additional resource to the schools, and to them I extend my gratitude.

Mrs. Jeannette Pray has continued to be of great assistance as school nurse, and for her many related tasks over and above, I wish to express my thanks.

To our clerical help, Mrs. Carlene Craig at the Wood School, and especially Mrs. Gertrude Lunn, my right arm, may I say thank you for a job well done.

The various town departments have continued to cooperate to the fullest with their support, and for this I wish to thank them.

Finally, to all of the parents and children in the town, may I extend my sincere gratitude and appreciation for your continuing support and cooperation, without which our effectiveness would be greatly lessened.

Respectfully submitted,

EDWARD L. KEANEY,

Superintendent of Schools

REPORT OF THE PRINCIPAL OF THE BEATRICE H. WOOD ELEMENTARY SCHOOL

Dear Mr. Keaney:

I respectfully submit my first annual report as Principal of the Beatrice H. Wood Elementary School and fifth annual report as Principal in the town of Plainville.

ORGANIZATION

The year 1974 brought to the town great organizational change. Our two elementary schools were consolidated so that the Anna Ware Jackson Elementary School became a primary grade school, housing Kindergarten and Grades 1-2. The Beatrice H. Wood School now houses Grades 3-5 and 6 and a class for children with special needs. Grades 3 and 4 pupils are in basically self-contained heterogeneous classes; however, regrouping for reading and math does occur. Grades 5 and 6 are departmentalized in reading, math, social studies, language arts and science. Each class in 5th and 6th grades has a homeroom teacher. That homeroom teacher teaches penmanship, health and safety. As of this writing, the consolidation has greatly benefited the town and children of Plainville.

CURRICULUM

A new Language Arts Curriculum Guide was developed this summer and is written in specific performance objectives, activities and experiences. Many thanks to the following members of this committee: Miss Jo Ann Bourgeois, Mrs. Nancy Bellavance, Mrs. Nancy Driscoll and Mrs. Doris Rae.

A new supplementary reading program has been purchased called the Fountain Valley Reading Program. This program enables the teacher, as well as the student, to individually monitor specific reading skills.

Many new and interesting audio-visual materials have been added this year, especially in Social Studies and Language Arts.

Students and teachers alike broadened their horizons by attending many fine assembly programs, as well as many interesting field trips.

We have continued to provide excellent services for children with special needs. Dr. Steven Rosenzweig, our school psychologist, and Mr. Barry Rachin, social worker, have been most valuable in this area.

Mr. Kenneth Moore continued to provide interesting and varied physical education programs for our children, and presently is conducting after school basketball for our children.

Mrs. Janice Drifmeyer and Mrs. Claire Harrison, our music teachers, have done a superb job with their programs, and presently we have an active Glee Club at the Wood School.

CONCLUSION AND ACKNOWLEDGEMENTS

There have been many individuals and groups who have certainly contributed to make this year a successful one. I would like to specifically express my appreciation and gratitude to some of these people.

The entire faculty has continued to exhibit a true spirit of professionalism. They have worked diligently and continued to seek self improvement by taking many specialized courses, as well as giving freely of their time outside of the normal school hours.

I would also like to express my thanks and gratitude to our four extremely competent teacher aides: Mrs. Sylvia Botka, Mrs. Jean Henrich, Mrs. Miriam Lomasney and Mrs. Joyce Mowatt.

To the cafeteria and custodial staff, thank you for a job well done.

My appreciation to our wonderful group of volunteer library mothers and special thanks to Mrs. Judith Bobola, who coordinated a successful library program.

Mrs. Jeannette Pray and Mrs. Carlene Craig have been invaluable in their roles as school nurse and school secretary, and to them a special thank you.

In closing, I would like to extend my thanks and appreciation to Mr. Keaney, the Plainville Teachers' Association, the Plainville School Committee, and finally to the parents and children of Plainville. I feel the town can be justifiably proud of their educational system for within it we find conscientious and dedicated teachers, polite, eager and enthusiastic children, as well as modern facilities and up-to-date curriculum methods and techniques.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

Regular meetings of the School District Committee are held every first and third Monday at King Philip Regional High School at 8:00 P.M.

REPORT OF THE CHAIRMAN

January 7, 1975

The past year saw the beginning of the construction for the high school addition and much of the planning for the academic-occupational-vocational curriculum completed.

However, perhaps the most notable effect of 1974 will be the impact of inflation on the budget. The Committee will be attempting to keep expenses down and reduce services while still providing a good education for the students of the district.

My thanks to the Committee for their efforts during the past year.

Respectfully submitted,

RICHARD C. AMOLING

ANNUAL REPORT OF THE SUPERINTENDENT
of the
KING PHILIP REGIONAL SCHOOL DISTRICT
1974

It is with pleasure that I submit my third annual report as Superintendent of the King Philip Regional School District.

The most notable occurrence of the school year was the initiation of the construction of the regional high school addition. It is anticipated that the project will be sufficiently complete by September, 1975 to move the ninth grade sections from the junior high school into the senior high school. That will relieve the severe overcrowding at the junior high school which is currently housing about one thousand students in a building designed for seven hundred fifty. It will also allow changes in the junior high school curriculum as soon as the space is available for alternative uses. Space is important since there will be a net increase of at least one hundred sixteen students in the District next year.

Considering the best available information it appears that the addition will be completed in December, 1975. The slow rate of equipment deliveries indicates that major curriculum changes cannot be made until September 1976. The delay will assist us in testing equipment, completing curriculum work and more carefully determining student choices for the 1976-1977 school year. New programs will be phased in as they are ready. This will minimize the economic impact and allow us to apply increasing reimbursements to partially offset increasing costs.

The primary concerns of the school center upon what is being taught, and how well it is being taught. Our goals include maximizing the students' knowledges and skills and assisting in the development of attitudes. Curriculum development is therefore vital and all professional personnel are constantly involved in it. A school system has many long range needs that affect a student's success or the value of his educational experience; committees are always at work on projects that have a bearing on the school's efficiency and effectiveness. I have listed some of the various areas being investigated at this time by the principals, department heads, department coordinators and through them the teachers:

Communications

Staff bulletin
Parents' newsletter

Finances

Federally funded projects
Inventory control
Energy conservation
Economical operations

Students

Graduation requirements
Final examinations
Content/confidentiality of
 student records
System wide reading program
Standardized testing
Metrication
Awards

Legislation

Chapter 622 Discrimination
Chapter 766 Special Needs
Chapter 847 Teacher certification
Occupational Safety and Health Act

Although much of the curriculum development is related to the school addition and we have been hampered by lack of space there have been important changes within the year. Following this report there are brief statements by the principals and department heads noting those innovations.

I would like to express my sincere appreciation to all of those who have contributed to the quality of the District schools — students, parents, school committee and all school system personnel. All have made contributions which would be sorely missed if it were not for their desire for excellence in their school system.

Respectfully submitted,

WILLIAM J. COSTA

Superintendent of Schools

King Philip Regional High School

Wrentham, Massachusetts

ANNUAL REPORT OF THE PRINCIPAL

1974

1. Art

The offerings in art have been broadened to include Art Studies, Sculpture I and II, Drawing and Painting I and II, and Graphic Arts II. Art classes have become very popular and enrollments increased in spite of the lack of an adequate art facility.

2. English Department

Five new semester courses were added to the program of studies. The new semester courses are: contemporary sports literature, horror and mystery tales, man's search for the unknown, philosophy through literature, and modern science fiction. There are now twenty-four semester courses for juniors and seniors to choose from in selecting their courses of study. The traditional English curriculum is taught to freshmen and sophomores. Vocational students have been integrated into the freshmen classes this year. All vocational sophomore students will be integrated into the academic classes next year.

The reading program is now the responsibility of the English Department. It is anticipated that this change in organizational structure will serve to increase the influence and effectiveness of reading in the total school program.

3. Foreign Languages

A very strong program has been further improved by several important activities including a highly successful Foreign Language Festival, a joint foreign language-home economics gourmet dinner, attendance at the Whole World Celebration in Boston, development of an interdisciplinary foreign language-social studies course on Canada, plans for a trip to France during the April vacation, the writing of a federal project to purchase a portable foreign language laboratory and the introduction of two new semester courses in

French: Composition and Conversation and Introduction to French Literature. These courses are offered as alternative courses to French IV or French V.

4. Mathematics

Semester courses and courses in computer language have shown good results. Every student in grades 10-12 has been given a two week orientation program in Basic Language and has learned to write simple programs on tape using the computer terminals. By June of 1975, every student in a mathematics course will be given the same program.

The Mathematics Department plans to offer more semester courses and increase the hardware of the Computer System to offer more students a wider area of language courses. This could include a time sharing system with the junior high as well as the elementary schools in the District.

5. Physical Education

Physical education classes are structured for grades 9 and 10 with electives available for grades 11 and 12. Co-educational classes have been increased with greater emphasis placed on carry-over activities.

6. Science

The Science department desires to expose as many students as possible to the science curriculum. To implement this objective a new ninth grade science course is being developed. The new course will be titled An Introduction to Science. Within it all ninth grade college oriented students will be introduced to all areas of the science curriculum. The department is also investigating another course to be designed to introduce 11th and 12th grade students to the world of technology. The course, The Man-Made World, will develop technological literacy suitable to the age in which the students live.

7. Special Needs and Guidance

Perhaps of all the areas in the high school, the special needs program is undergoing the greatest change and expansion. The recent legislation passed by the Massachusetts General Court, Chapter 766, has had a great impact on the students, personnel, and programs of the special needs department. The work previously started on Core Evaluation Teams continues to be expanded meeting the new up-to-date and more rigorous state guidelines.

The recent addition of a school psychologist, being shared by the Junior and Senior High Schools, has helped to fulfill the required and necessary programs of the special needs department. The further addition of a part time to full time learning disabilities teacher has also greatly aided the special needs department.

This school year the guidance department has developed a new pilot program of group guidance. Small group meetings are held in the areas of career and educational planning. Further group programs will be concerned with the high school program of studies and course selections for underclass students.

Respectfully submitted,

WALTER C. WHITE

Acting Principal

King Philip Regional School - North

Norfolk, Massachusetts

ANNUAL REPORT OF THE PRINCIPAL

1974

The severe overcrowding has delayed implementation of several proposed changes, but some important alterations have been made:

The World of Construction has been introduced in grade seven to provide a very broad introduction to all vocational and career development.

Electives have been added to grade eight social studies. The students may select an area of inquiry for in-depth study.

The health program with special emphasis on family living and drug abuse is informative and popular with the students.

There has been an introduction to computerized drill in mathematics through the use of electrical/mechanical devices obtained under a federal project.

The Norfolk Senior Citizens have provided instruction in crewel, knitting, etc. and discussed the early days of this century in social studies classes.

There has been increased communication between elementary and junior high school teachers in areas of curriculum discussion and development.

Respectfully submitted,

SAMUEL P. STRICKLAND, Principal

King Philip Regional Vocational High School

Wrentham, Massachusetts

ANNUAL REPORT OF THE DIRECTOR

1974

A considerable portion of the year was devoted to planning the layouts for the vocational-occupational shops and development of the equipment specifications for the bid lists. The bids lists are designed to allow us to purchase the specific types of equipment needed at the lowest possible cost through competitive bidding.

Paralleling the development of the bid lists was the development of the school's new curriculum by the staff and through federally funded projects. Approximately \$230,000 has been received for this purpose with several areas being considered including pre-occupational world of construction, automated typing instruction, family relations, office occupations, career development for the handicapped and curriculum development for academic students in vocational classes.

The practical work phases of vocational instruction has been augmented by an increase in the work placement of students in cooperative programs, receipt of funds for work study as a drop-out preventative and financing of part-time work programs through the Comprehensive Employment and Training Act which provides money for the employment of the children of unemployed adults.

Of special note is the continuing joint academic-vocational project integrating vocational students into homerooms, physical education, English and social studies. It is a difficult task that is proceeding admirably because of the excellent cooperation of the teaching staff, guidance and administrators.

Respectfully submitted,

JOSEPH S. NICASTRO, Director

ADULT EDUCATION

1974 YEARLY REPORT

This year the enrollment will be in excess of nine hundred students in the various classes being conducted at the King Philip Regional High School, Vocational High School, and King Philip Regional School - North.

There are thirty-eight instructors teaching fifty-four classes, and classes are being held three evenings each week. The length of classes range from six to twenty-five weeks and are from twenty to one hundred fifty clock hours. Students successfully completing a class are issued a certificate of achievement.

This year the evening courses are divided into the following five different classifications:

I. Vocational Apprenticeship:

A course is being held for apprentice machinists. This course is for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

II. Trade Preparatory:

Courses are being held in small engines repair and auto repair for students interested in obtaining this skill for employment or personal use. This course is open to any person not employed in this trade.

III. Trade Extension:

A course is being held in machine shop practices for students interested in obtaining additional skill in the operation of machine shop equipment. This course is open only to people in the trade.

IV. Vocational Practical Arts:

These courses are designed to help people in homemaking and to have a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral craft decorations, cake decorating, drape-

ries and bedspreads, interior decorating, ceramics and pottery, the automobile, crewel embroidery, decoupage, furniture refinishing, gardening, gourmet cooking, home repair.

V. Academic Classes:

The classes being held this year are typing I and II, painting and sketching, tennis I and II, golf, safe boating, woodworking, high school equivalency preparatory, office machine, yoga, men's and women's physical education, portraiture, bookkeeping, chemistry, algebra, shorthand, speedwriting, guitar.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Bureau of Adult Education and Extended Services, High School Equivalency Certificate Program, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Annual Report
of the
SELECTMEN

AND

BOARD OF HEALTH
of the
TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31, 1974

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Plainville:

Submitted herewith is the report of the Board of Selectmen for the year ending December 31, 1974.

This Board met weekly on Tuesday Evenings and issued all necessary Licenses and Permits, followed through on all complaints and conducted all business at hand.

The Board met on occasion with various departments in Executive Sessions when necessary, especially when personalities were involved. All other Board meetings have always been open to anyone interested to observe or otherwise.

Mr. George P. Glaiel, Administrative Assistant, has followed through on complaints which has relieved the Board of much time-consuming activity. Mr. Glaiel has also started the purchase order system; any purchase of Twenty Five Dollars (\$25.00) and over has to be confirmed through the Office of the Selectmen.

The purchase of the Railroad Bed owned by Penn Central is almost completed and this property will be used for Conservation and Recreation purposes.

Several appointments were made in the year 1974 and vacancies caused by resignations were filled where necessary.

Monies were appropriated for upgrading the street lights but due to the energy crises the project was not completed. Several pole hearings were held by the board and all abutters were notified when required.

A Bicentennial Committee was formed in conjunction with the Historical Commission. In accordance with the General Laws a Historical Commission may not raise any funds but the Bicentennial Committee can have various projects for fund raising purposes.

Inspections on all 1975 Liquor License holder establishments were made by the Board along with the Building Inspector, Fire and Police Chiefs before the 1975 licenses were released.

Three (3) Special Town Meetings were held during the year 1974, February 11, one April 8, at 8:30 P.M. within the regular Town Meeting

and one December 16, 1974. Results are contained in the Town Clerks' Annual Report.

The Elementary School Committee met in the Town Office Building during the fuel crises which helped to conserve fuel and minimize expenses.

Mrs. Helen Cobb was unanimously appointed to the Board of Registrars to fill the vacancy caused by the death of Richard Cobb who served for many years on the board as chairman.

The Board unanimously rejected the application of TJ's Restaurant for an All Alcoholic Common Victuallers License. Mr. Meleto, owner, appealed the Board's decision to the Alcoholic Beverages Control Commission and after two (2) hearings the ABC sustained this Board's decision.

Mrs. Georgette Plante was transferred to the Office of the Treasurer and Tax Collector as of July 1, 1974, due to the increased work load in those departments. This has proved very profitable under the direction of Mr. George Glaiel, Administrative Assistant.

Upon the resignation of Atty. Charles R. Mason, Mr. John P. Lee, Esquire, was engaged as Town Counsel for the ensuing year.

Transfers of Monies were approved by the Board and Finance Committee when necessary due to cost of materials, purchased labor and unforeseen expenses. The Board and Finance Committee met several times during 1974 to discuss finances and try to keep the tax rate as low as possible.

The contract for Life Insurance with Attleboro Savings Bank for a period of five (5) years was renewed by the Board.

The Inflamable Registrations and Storage Permits that have not been active for a number of years were terminated by the board after hearings with holders of same.

Mr. Robert Heanue representing the Mass. Department of Community Affairs attended several Board Meetings and was very helpful assisting in updating maps for the Building Inspector and Zoning Board.

The new Town Offices are a great improvement over the old quarters and with the co-operation of all departments there is ample room for various meetings and conferences when necessary. Through the National

Youth Program we have been fortunate to have teen age boys come in a few hours each day and work under the direction of Mr. George P. Glaiel, Administrative Assistant, which helps keep the Town Offices and Police Station in order.

In closing, we wish to thank the Police and Fire Chiefs, Highway Superintendent and men in their Departments; Treasurer, Lawrence Carpenter; Tax Collector, Normand Theriault and Mrs. Georgette Plante, Clerk; Mr. George P. Glaiel, Administrative Assistant to the Board of Selectmen, Irene Tremblay, Clerk; Mrs. Kathleen Sandland, Town Clerk; Assessors and Assistant Assessor, Ruth Fulton; Finance Committee and others who in any way made our job a little easier during the past year. Especially we wish to thank all for their understanding; it is greatly appreciated.

Respectfully submitted,

RAY P. FELIX, Chairman

ROBERT E. LOEW, Vice Chairman

ROBERT E. ROOT, Clerk

BOARD OF HEALTH REPORT

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1974.

This Board has made all necessary inspections of food establishments throughout the year. Reilly Laboratories of Weymouth has made periodic inspections and taken cultures of utensils. Reports were submitted to the Board of Health with their recommendations. The Board has followed up all recommendations to a conclusion.

The Town Sanitary Landfill is in excellent condition through the efforts of Mr. Everett W. Skinner, Sr. Through his department and the co-operation of the townspeople it continues to remain one of the finest in the area.

A Rabies Clinic was held at the Fire Station in May with Dr. DeWitt and assisted by Sigma Phi Gamma Sorority. We wish to thank Dr. DeWitt, Sigma Phi Gamma Sorority and anyone who assisted to make this Clinic successful. Also, a Flu Clinic was held in October at the Town Offices under the Direction of Dr. and Mrs. Botts, Mrs. Jeannette Pray, R.N. and others. This Clinic was also held at Hilltop Terrace for the convenience of the elderly assisted by Mr. Francis Snell, R.N. and a resident. We thank all who helped in any way to make this a success.

All Communicable Disease reports have been turned over to the Attleboro Health Agency Inc., for follow through and with their co-operation close control has been kept. All dog bites have been referred to Mr. Chester Roberts, Jr., Animal Inspector.

Notices of any pollution from the Southeastern Regional Air Pollution Control District have been checked out and on several occasions the Board of Health has inspected establishments personally.

Mr. George P. Glaiel, Administrative Assistant, Robert R. Faille, Police Chief and Mr. Everett W. Skinner, Sr., Highway Superintendent; agents for the Board of Health, have taken care of many complaints. This has proved most helpful; the reason being much of this work has to be taken care of during the day and in many cases immediately.

It was unanimously voted by the Board not to approve any Sanitary Applications unless fully approved by the Sanitary Engineer, Russell

Kenney. Also, all applications not within the Plainville Public Water Supply must have an ample water supply before any Sanitary Permit or Building Permit is approved by the Building Inspector.

It was unanimously voted by the Board to increase the fee of all Sanitary Applications from twenty dollars (\$20.00) to forty dollars (\$40.00) and all repairs from ten (\$10.00) to twenty five dollars (\$25.00) on all Sanitary Systems.

In closing, we wish to thank all departments and citizens of Plainville for their help and understanding during the year 1974.

Respectfully submitted,

RAY P. FELIX, (Chairman)

ROBERT E. LOEW, (Vice Chairman)

ROBERT W. ROOT, (Clerk)

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen

Gentlemen:

East Bacon Street from Route 1 to James Street and Pinetree Drive from Appletree Drive to Mirimichi St., 1½ inches of Bituminous Concrete Type-1, was applied. High Street from Green Street to Hancock Street, Chestnut Street, Fletcher Street, Riley Street, Cooney Avenue and Sidney Street were surface treated with one-quarter gallon per square yard of M.E. 800 Asphalt with a Sand Cover.

The Highway Department yard around the new garage, Bituminous Concrete Type 1 was applied.

The old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department Program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled, bituminous patching and maintenance of roads was realized.

A sign making machine was purchased and many signs made and installed, we will continue the program until all Streets have a sign.

Chapter 81 funds have been eliminated by the State Chapter 90 Construction, money is still available for use on Town-Accepted Roads.

The old Chapter 90 Maintenance Program now is called Improvements of Town-Accepted Roads.

Construction and Improvement funds expended by the Town will be reimbursable from the State under Chapter 765, Section 4, Acts of 1972 for Fiscal 1975-1977, up to the amount of the grant.

Chapter 825, Acts of 1974 Sectional and Section 3 of this Act. The Town will receive a check for \$39,212.00 under Section 1, and may apply the funds against the total highway budget, thereby reducing taxes. The Town will also receive a check for \$30,010.00 under Section 3 and may be used in the same manner.

Under Chapter 497, Acts of 1971, the Town has been receiving \$11,016.61 as a Cherry Sheet Credit. This year we will receive \$31,611.00 to help reduce taxes.

This year the Highway Department will be asking for a new truck and body to replace a 1956 truck.

It has been a pleasure to work with and for the other Departments during the year.

In submitting this report, I again wish to thank your Board, the Employees of the Highway Department and all other Department Heads of the Town for their cooperation during the year 1974.

Respectfully submitted,

EVERETT W. SKINNER, SR.

Superintendent of Streets

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1974.

This Board reports a year of inactivity.

We hope to have the Town Forest cleaned and trimmed in the year 1975.

Appropriation	January 1, 1974	\$100
Balance	December 31, 1974	\$100

Respectfully submitted,

EVERETT SKINNER, SR.
ALEC FREDERICKSON
ROBERT J. PROAL

Town Forest Committee

CONTROL OF INSECTS AND DUTCH ELM DISEASE

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation:	January 1, 1974	\$657.92

REPORT OF THE WATER COMMISSIONERS

To the Honorable Board of Selectmen

Gentlemen:

The following is a report of the Water Department for the year ending 1974. In the year 1973—212,006,457 gallons of water was pumped and in 1974—223,175,260 gallons of water was pumped, 11,168,803 gallons more than in 1973. 611,439 gallons per day, 25,476 gallons per hour, 425 gallons per minute.

The Pumping Station off West Bacon Street is nearing completion and has been temporarily in operation since July, 1974.

Exploration and ground water tests are still being conducted by Layne New England under the direction of Camp Dresser & McKee, Inc. in order to find an acceptable well site to provide future water supplies for the town. This project has to be continued if suitable water sites are to be found.

Guard Rail fencing was installed on Mirimichi Street to complete the water installation project in that area.

We wish to thank Supt. Everett Skinner, Sr., Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, Camp Dresser & McKee, Inc., and other departments who in any way assisted the Water Commissioners during the year 1974.

PATRICIA BARNEY, Clerk

REPORT OF THE PLAINVILLE HISTORICAL COMMISSION

To the Honorable Board of Selectmen
Plainville, Massachusetts:

It is with pleasure that we, the members of the Plainville Historical Commission, submit our Second Annual Report.

This has been a busy and rewarding year and although there is a great deal of work ahead of us, we feel that much has been accomplished. Several of the members have attended workshops and seminars — at Deerfield, the University of Massachusetts at Amherst, at Walpole and in Attleboro. Much valuable information is gained at these meetings and attendance is important in order to keep abreast of the activities going on all over the State.

Early in the year the resignations of Julie Darling and Jan Nevins were accepted with regret, and Robert Root and the Rev. John Bowmar from the Associates List, were appointed to fill the two vacancies. The membership of the Commission consists presently of the Rev. John Bowmar, Dorothy S. Chevers, George Curtis, Ida Meade, Georgette Plante, Fred Reynolds and Robert Root.

In the late spring, the Commission gratefully accepted for the Town the gift of an early granite hitching post, complete with iron ring, from the Nelson family of Berry Street, which has been placed in the Town Park near the old watering trough. Under the direction of Ida Meade, a Liberty Pole is to be made by the Boy Scouts, and it, too, will be placed in the Town Park upon completion.

A map of the Town as it was in 1853 has been reproduced and a "master" made up, so that copies can be made and sold by the Bi-Centennial Committee to raise funds to be used by the committee in conjunction with the celebration activities. The map was reproduced through the kindness of Mr. and Mrs. Arthur W. Washburn, Jr., and is very much appreciated.

The Bi-Centennial Committee, the responsibility for which comes under the jurisdiction of the Historical Commission, got under way in January, when a sub-committee was named: Robert Faille, Chairman, Ida Meade, Constance Boucher, Barbara Fluck and the Rev. John Bowmar.

The Bi-Centennial Committee is responsible for all of the activities during the period of the celebration years, the plans and meetings for which are most time-consuming. However, after several months, due to the combined demands of both his work and the necessary committee

work, Mr. Faille found that it was not feasible for him to continue either as chairman or on the committee, and so it was with regret that his resignation was accepted. This position has since been filled by Clarence Skinner, Jr. Adrian Wheeler was appointed by the Commission from the Associates List, to fill the vacancy. Ida Meade was subsequently appointed Vice-Chairman, but declined the Chairmanship inasmuch as she wanted the freedom to work on various projects which she felt she could not do if she chaired the committee. In this capacity she has been most valuable.

In September Mrs. Meade and Mr. Bowmar attended a series of seminars in Attleboro on Bi-Centennial projects and aims, which they found very interesting and helpful. From these meetings, Mr. Bowmar has gained the inspiration to write a pageant for the Bi-Centennial entitled "America in the Making", which will be first presented in the Grange Hall and then later at a time and place to be designated.

The Historical Commission is working on several projects which will extend beyond the Bi-Centennial years, such as:

1. The marking of all of the graves of the Revolutionary War soldiers buried in any town cemetery;
2. The documenting of all of the homes in town that are 100 years old or older, and a plaque with the date and the name of the builder, if possible, presented to the present owner to be attached to the house. It is hoped that those with early homes will contact the Commission very soon for forms to follow in the documentation of their homes;
3. The preservation of the Angle Tree Stone, which is of great importance, inasmuch as the elements are continuing to take their toll of this valuable marker;
4. A map of the Town as it was in 1905, when we came into our own.

In conclusion, we would like to express our appreciation to all of those people who have so generously offered historical items and to those who have loaned maps and papers to be copied for our archives. Especially do we wish to thank Mr. Milton Babbitt for his interest and time spent in allowing the Commission members to view the old Hancock house which he owns on George Street.

Respectfully submitted,

DOROTHY S. CHEVERS, Chairman
REV. JOHN BOWMAR

REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen

Gentlemen:

As directed by you, I submit my report as Collector of Taxes for the Town of Plainville for the final six months of the 18 month transitional year. This accounting period is from 1-1-74 thru 6-30-74. I have further recapped the first 12 months of the Transitional year to show collections during this 18 month period. I have also included an accounting of my administrative expenditures for this, 18 month period.

My reports in the future will be an accounting under the new format of Fiscal Year Collections and expenditures.

Respectfully submitted,

NORMAND THERIAULT

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to appoint a committee to study the feasibility of expanding the Public Library and to have the Moderator, Chairman of the Board of Selectmen, and Chairman of the Trustees of the Public Library appoint five (5) persons to a committee, said committee to be known as the Library Study Committee.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Library Study Committee to be used for a feasibility study, or do or act in any manner relative thereto.

*deleted
44-12*
ARTICLE 18. To see if the Town will vote to authorize the Selectmen, to appoint a Building Code Board of Appeals for the purpose of hearing appeals pertaining to a Building Inspector's actions in accord with the provisions contained in the State Building Code, Section 126.8 which will become effective on January 1, 1975, said Board to consist of five (5) members, one member to be appointed for five (5) years, one member for four (4) years, one member for three (3) years, one member for two (2) years, and one member to serve for one (1) year, and thereafter, each new member is to serve for five (5) years or until his successor has been appointed and the sum of \$500.00 be raised and appropriated for the use of the committee, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from the available funds in the Treasury, the sum of \$500.00 for the normal repairs and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required for borrowing).

ARTICLE 21. To see if the Town will vote to amend, by striking out CHAPTER I, SECTION III in its entirety and inserting in its place the following:

SECTION III—TOWN FINANCE AND ADMINISTRATION

- "3.1 The senior member of the Finance Committee shall annually call the Committee together for organization not later than fifteen days after the close of the Annual Town Meeting. In the absence of a definitive senior member, the Moderator shall call the Committee together for organization.
- 3.2 The term of office of the Committee members shall begin at the organization meeting following their election and shall continue until the close of the annual Town Meeting nearest the end of the term fixed by law.
- 3.3 The Committee, at its annual organization meeting, shall choose a Chairman, Vice-chairman, a Secretary and any other officers it deems necessary.
- 3.4 For purposes of transacting its business, a quorum shall consist of five members of the Committee exclusive of the Chairman of Selectmen and the Town Treasurer. The Chairman of Selectmen and the Town Treasurer shall be non-voting members of this Committee.
- 3.5 The members of this Committee shall serve without compensation.
- 3.6 No member of the Committee, with the exception of the Chairman of Selectmen and the Town Treasurer, shall be in the employ of the Town or hold any other elected office in the Town.
- 3.7 Any member who shall remove from the Town shall upon such removal cease to be a member of said Committee.
- 3.8 The Finance Committee shall have authority to investigate the ~~books and~~ accounts of any department of the Town. Upon written request, the departments shall, within 48 hours, make available to the Committee those financial records requested.
- 3.9 It shall be the duty of the Finance Committee to consider all articles in any Warrant for a Town Meeting which call for the appropriation of money, and to recommend appropriate action to the voters of the Town. The Committee shall investigate the cost of maintenance and the expenditures of the different departments

of the Town service, and recommend in detail the amount to be appropriated for each department for the ensuing year.

- 3.10 The Town Departments shall submit to the Selectmen on or before January first, each year, an estimate of the expenditures for the ensuing year which shall specify the amount estimated for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses, together with a tabulated expenditure of the past year.
- 3.11 On or before January fifteenth of each year the Board of Selectmen shall present to the Committee an estimate of the expenditures of each department for the ensuing year, together with the tabulated expenditures of the two preceding years. Copies of all petitioned articles to be inserted in the warrant shall be transmitted to the Finance Committee on or before January first. Copies of all other articles shall be transmitted to the Finance Committee within ten days subsequent to the closing of the warrant.
- 3.12 Copies of all articles to be inserted in the warrant for a Special Town Meeting shall be transmitted to the Finance Committee a minimum of fourteen days prior to the date of said meeting.
- 3.13 The Finance Committee shall at least seven days prior to the holding of the business session of an annual or Special Town Meeting make public its recommendations regarding the articles to be considered at said meeting. In making its recommendations for the operation of all Town departments the Committee shall specify the amount recommended for (1) Salaries and wages, (2) Other department costs. (3) New equipment, if any and (4) Out-of-State Travel Expenses.
- 3.14 The Board of Selectmen shall within ten days of receipt of the report of the State Audit of the municipal accounts transmit a copy thereof to the Finance Committee Chairman. Such report shall be available to all members of the Committee.
- 3.15 All expenditures on budgets which are approved by the townspeople must be spent only on the items listed in the budget. Any unexpended amounts are to be returned to the Town Treasury. Extraordinary or unforeseen expenditures on items may be made only from the Reserve Fund, but only after due consideration of the request indicates that the transfer is for extraordinary or unforeseen expenditures." Or do or act in any manner relative thereto. (¾ vote required) (If any portion of this article is at any time held

to be invalid or not binding, the remaining portions shall continue to be valid and binding.)

ARTICLE 22. To see if the Town will vote to transfer the balances of the March 6, 1972 warrant from Article #39 which was bonded in the amount of \$151,000.00 for installation of water lines on Mirimichi Street, Treasure Island Road, and Doreen Way, and has a balance of \$4,978.22 and Article #40 which was bonded in the amount of \$18,000.00 for installation of water lines on George Street and has a balance of \$360.00, to be used by and under the direction of the Water Commissioners to install adequate fencing around the Pumping Stations off George Street and off West Bacon Street or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000.00) dollars to be expended by and under the direction of the Board of Selectmen to replace the bridge and approaches to the Cooney Avenue Bridge, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required for borrowing).

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of thirty-five (\$35,000.00) dollars to be expended by and under the direction of the Board of Selectmen to remove the West Bacon Street Railroad Bridge, and to determine how much appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required for borrowing).

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$7,500.00 for the Plainville Bicentennial Committee or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to transfer from the Ambulance Reserve Account the sum of \$2,300.00 to be expended by and under the direction of the Board of Selectmen for the purchase of a Mobile Ambulance Radio to meet EMS Specifications, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 for the purpose of the control of submerged vegetation in Turnpike Lake and Mirimichi Lake, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to amend, effective July 1, 1975 its Personnel By-Law to read as follows:

SECTION VI—COMPENSATION PLAN

6.12 Emergency Medical Technicians. Each full time Firefighter who has successfully completed all sections of EMT training, classes, and examinations, shall upon receipt of said certificate and approval of the Fire Chief, be granted an increase of \$4.00 per week over his base rate of pay.

SECTION XI — HOLIDAY PAY

11.1 The following eleven (11) days shall be considered holidays: the first day of January, the fifteenth day of January, the third Monday in February, the third Monday in April, the last Monday in May, the fourth day of July, the first Monday in September, the second Monday in October, the ~~fourth Monday~~ in October, Thanksgiving Day and Christmas Day.

The 1975 Plainville Town Report

BENJAMIN SLACK HOUSE

Built about 1730. It was a residence for 200 years until 1930 when it became the Public Library. In 1956 the building was renovated with central heating added for the first time.

In 1976 the old Slack House still provides a cozy, friendly library for the citizens of Plainville.

About the Cover . . .

MICHAEL GUYOT of Mansfield has generously contributed the pen and ink drawing which appears on the front cover.

While spending his youth in Florida, Mike attended the Norton School of Art in the Palm Beach area and seminars at Sarasota's famous Ringling School of Art. He was a student at New England School of Art in Boston and graduated with honors. The Copley Society gave him the Top Illustrator, Sports Illustration Award for the Boston area schools.

Mike has participated in many local art shows. These include those held in Whitman, Boston and Attleboro's Art in the Park and an exhibition at the Attleboro Museum.

Mike spent two years in the U.S. Army as a combat illustrator in Vietnam and is currently engaged as an advertising agency art director.

SEVENTY-FIRST ANNUAL REPORT

of the

TOWN OFFICERS

OF

Annual Report
of the
TOWN CLERK
of
PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING DECEMBER 31, 1975

OFFICE OF TOWN CLERK

Town of Plainville, Massachusetts

March 10, 1975

To: Austin F. Grant of Plainville,

Dear Sir:

By virtue of authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

KATHLEEN M. SANDLAND

Town Clerk

WARRANT
FOR SPECIAL TOWN MEETING
Monday, December 16, 1974

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Beatrice H. Wood, Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, DECEMBER 16, 1974

at 7:30 P.M. for the purpose of amending the By-Laws of the Town and such other business as may lawfully come before the meeting, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to amend the By-Laws of the Town, by striking out Chapter I, Section 3.1 to 3.9 and inserting in lieu thereof the following:

- “3.1 The senior member of the Finance Committee shall annually call the Committee together for organization not later than fifteen days after the close of the Annual Town Meeting.
- 3.2 The term of office of the Committee members shall begin at the organization meeting following their election and shall continue until the close of the Annual Town Meeting nearest the end of the term fixed by law.
- 3.3 The Committee, at its annual organization meeting, shall choose a Chairman, Vice-chairman, a Secretary and any other officers it deems necessary.
- 3.4 For purposes of transacting its business, a quorum shall consist of four members of the Committee exclusive of the Chairman of Selectmen and the Town Treasurer. The Chairman of Selectmen and the Town Treasurer shall be non-voting members of this Committee.
- 3.5 The members of this Committee shall serve without compensation.

- 3.6 No member of the Committee, with the exception of the Chairman of Selectmen and the Town Treasurer, shall be in the employ of the Town or hold any other elected office in the Town.
- 3.7 Any member who shall remove from the Town shall upon such removal cease to be a member of said Committee.
- 3.8 The Finance Committee shall have authority to investigate the books, accounts and management of any department of the Town. Upon written request, Departments shall, within 48 hours, submit to the Committee those records requested.
- 3.9 It shall be the duty of the Finance Committee to consider all articles in any Warrant for a Town Meeting which calls for the appropriation of money, and to recommend appropriate action to the voters of the Town. The Committee shall investigate the cost of maintenance and the expenditures of the different departments of the Town service, and recommend in detail the amount to be appropriated for each department for the ensuing year.
- 3.10 The Town Departments shall submit to the Selectmen on or before January first, each year, an estimate of the expenditures for the ensuing year which shall specify the amount estimated for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses, together with a tabulated expenditure of the past year.
- 3.11 On or before January fifteenth of each year the Board of Selectmen shall present to the Committee an estimate of the expenditures of each department for the ensuing year, together with the tabulated expenditures of the two preceding years. Copies of all petitioned articles to be inserted in the warrant shall be transmitted to the Finance Committee on or before January first. Copies of all other articles shall be transmitted to the Finance Committee within ten days subsequent to the closing of the warrant.
- 3.12 Copies of all articles to be inserted in the warrant for a Special Town Meeting shall be transmitted to the Finance Committee a minimum of fourteen days prior to the date of said meeting.
- 3.13 The Finance Committee shall at least seven days prior to the holding of the business session of an annual or special Town meeting make public its recommendations regarding the articles to be considered at said meeting. In making its recommendations for the operation of all Town departments the Committee shall specify the amount recommended for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses.

- 3.14 The Board of Selectmen shall within ten days of receipt of the report of the State Audit of the municipal accounts transmit a copy thereof to the Finance Committee Chairman. Such report shall be available to all members of the Committee.
- 3.15 Any transfer from the Reserve Fund shall be made by a majority vote of the Finance Committee, present and voting, but only after due consideration of the request indicates that the transfer is for extraordinary or unforeseen expenditures.
- 3.16 All expenditures on budgets which are approved by the townspeople must be spent only on the items listed in the budget. Any unexpended amounts are to be returned to the Town Treasury. Over expenditures on items may be made only from the Reserve Fund as described in Section 3.15." Or to do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raises and appropriate or transfer from available funds in the treasury the sum of \$650.00 to the Assessors' expense account, for the purpose of Data Processing real estate tax billing. Or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to enter into a Mutual Police Aid Program by accepting the provisions of Chapter 40, Section 8G of the Massachusetts General Laws.

ARTICLE 4. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$2,963.10 for Maturing Debt. Or do or act in any manner relative thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$5,600.00 for the purchase of a new Chief's vehicle for the Fire Department, and to transfer the present Chief's vehicle to the Police Department. Or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate or transfer from availabe funds in the treasury the sum of \$1,063.00 to the Police Department, for the purchase and installation of one (1) 100 Watts, 2 frequency mobile radio. Or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to establish a Council on Aging consisting of seven citizens of this town, appointed by the Board of Selectmen for terms not to exceed three years for any member. Said terms shall be staggered so that not more than two appointments shall be made in any calendar year. Members can be re-appointed for concurrent terms.

The duties of said Council on Aging shall be to:

- (1)—Identify the total needs of the community's elderly population;
- (2)—Educate the community and enlist support and participation of all citizens concerning these needs;
- (3)—Design, promote, or implement services to fill these needs, or coordinate present existing services in the community;
- (4)—Promote and support any other programs which are designed to assist elderly programs in the community.

Said Council on Aging shall cooperate with the Commonwealth of Massachusetts Office of Elder Affairs and shall be cognizant of all state and federal legislation concerning funding, information exchange, and program planning which exists for better community programming for the elderly.

Said Council on Aging shall give an annual report to the Board of Selectmen with a copy of that report directed to the Commonwealth of Massachusetts Office of Elder Affairs.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$500.00 for use of the Council on Aging.

ARTICLE 9. To see if the Town will vote to install 8" cast iron water main westerly on George Street a distance of 1,550 lineal feet from the existing main at School Street and George Street together with all incidental work, and to raise and appropriate for the aforesaid purpose a sum not to exceed \$18,000.00 to be expended by and under the direction of the Water Commissioners, and to determine how said appropriation shall be raised, whether by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (If by borrowing $\frac{2}{3}$ vote required).

ARTICLE 10. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$1,200.00 to the Board of Selectmen's expense account, for the appraisal of easements on Messenger Street and East Bacon Street. Or do or act in any manner relative thereto.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doings thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 26th day of November, in the year of our Lord
one thousand nine hundred and seventy-four.

RAY P. FELIX, Chairman
ROBERT W. ROOT, Clerk
ROBERT E. LOEW, Vice Chairman

Selectmen
of Plainville

December 6th, 1974

TOWN OF PLAINVILLE
PROCEEDINGS FOR THE SPECIAL TOWN MEETING
DECEMBER 16, 1974

Pursuant to the foregoing Warrant, a Special Town Meeting for the Town of Plainville was held Monday evening, December 16, 1974 in the auditorium of the Beatrice H. Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, at which an official quorum was present.

The meeting was called to order by Moderator Frank Grzenda at 7:40 P.M. and the call of the meeting read by Mr. Grzenda. The Invocation was given by Rev. David Hoyt, Pastor of the Plainville Methodist Church.

Bounds of the hall were declared by the Moderator to be the chairs set up on the floor of the auditorium. Non-voters may not speak unless by vote of the majority of the voters present. All motions for amendments shall be in writing, except for minor changes.

The following tellers were appointed: right side of the Moderator, Gilbert Sandberg and George E. Brown, III; left side, Robert Higgins and Stanley Cole. Town Clerk Kathleen Sandland was appointed Ballot Box Officer in the event of a ballot vote.

Motion by Robert E. Loew and seconded by Robert W. Root that Town Counsel John P. Lee and Administrative Assistant George P. Glaiel be allowed to speak to the meeting. Unanimously voted.

At this time Robert R. Faille, Chief of Police moved that Article 6 and Article 5 be considered, in this order, at this time. Seconded by Robert E. Loew and unanimously voted.

ARTICLE 6. Motion by Robert R. Faille and seconded by Robert E. Loew that the town vote to transfer from Revenue Sharing Funds, the sum of \$1,063.00 to the Police Department, for the purchase and installation of one (1) 100 Watts, 2 frequency mobile radio. The Moderator declared a YES vote, but not unanimous.

ARTICLE 5. Motion by Gerard Jeannotte and seconded by Edward Serwinski that the town vote to transfer from Revenue Sharing Funds the sum of \$5,600.00 for the purchase of a new Chief's vehicle for the Fire Department and to transfer the present Chief's vehicle to the Police Department. During the discussion of this article, Chief Faille advised that this car would be painted and equipment transferred to this vehicle for the above figure. The Moderator

pointed out that this motion did not include any of this work and declared a five minute recess for the purpose of writing an amendment to cover these items. 8:20 P.M. Recess declared.

At 8:26 P.M. the meeting was called to order and Finance Committee member Gerard Jeannotte withdrew the original motion.

Motion by Chief Clarence E. Skinner, Jr. and seconded by Robert Barney that the town vote to transfer from available Revenue Sharing Funds the sum, not to exceed \$5,600.00 to be expended under the jurisdiction of the Fire Department for the purchase of a new Chief's vehicle for the Fire Department, and to transfer the present Fire Department Chief's vehicle to the Police Department. This figure to include all incidental work necessary to complete the transfer of equipment, including repainting of the vehicle. Unanimously voted.

ARTICLE 1. Motion by Edward Serwinski and seconded by Robert Barney that Article 1 be accepted as read with the following addition:

"If any portion of this article is at any time held to be invalid or not binding, the remaining portions shall continue to be valid and binding."

Much discussion was held on this article, and it was the opinion that more information should be obtained from the By-Law Review Committee. Upon a motion by Reginald Keyes and seconded by Edward Piculles it was voted to lay this article on the table. Results of standing vote: Yes 75, No 8. Laid on table. (Finance Committee By-Law change.)

At this time, upon a motion by Eva Wickman and seconded by Rev. David Hoyt, it was moved that Article 7 be taken up at this time. The Moderator declared a YES vote on this motion, but it was doubted. Result of standing vote: Yes 63, No 16.

ARTICLE 7. Motion by Gerard Jeannotte and seconded by Robert Barney that the town vote to establish a Council on Aging consisting of seven citizens of this town, appointed by the Board of Selectmen for terms not to exceed three years for any member. Members can be re-appointed for concurrent terms. The duties of said Council on Aging shall be to:

- (1) Identify the total needs of the community's elderly population;
- (2) Educate the community and enlist support and participation of all citizens concerning these needs;
- (3) Design, promote, or implement services to fill these needs, or coordinate present existing services in the community;
- (4) Promote and support any other programs which are designed to assist elderly programs in the community.

Said Council on Aging shall cooperate with the Commonwealth of Massachusetts Office of Elder Affairs and shall be cognizant of all state and federal legislation concerning funding, information exchange, and program planning which exists for better community programming for the elderly.

Said Council on Aging shall give an annual report to the Board of Selectmen with a copy of that report directed to the Commonwealth of Massachusetts Office of Elder Affairs. Unanimously voted.

Motion made and seconded that Article 8 be taken up at this time. Unanimously voted.

ARTICLE 8. Motion by Mr. Scranton and seconded by Robert Root that the town vote to transfer from available funds in the Treasury, the sum of \$500.00 for use of the Council on Aging. Moderator declared a YES vote, but not unanimous.

ARTICLE 2. Motion by Edward Serwinski and seconded by Robert Barney that NO ACTION be taken at this time. A standing vote was taken, results: Yes 27, No 51. Motion to take NO ACTION defeated.

At this time the following letter from Normand Theriault, Collector of Taxes was read, and the Moderator declared it to be made part of the record of the meeting.

“TO THE VOTERS OF PLAINVILLE:

Thank you for allowing this message to be read to you for your consideration. Unfortunately it is impossible for me to be in attendance this evening, and I felt a few words may help in clearing up some questions you may have.

My office has been responsible for the printing, typing and mailing of the Tax bills and always on a so-called crash basis, because of the Tax rate seemingly always set at a late date, for one reason or another.

Under our present system the minimum time it takes to get the bills in the mail from the date the Tax rate is set is six to seven weeks if all goes well.

This is sometimes lengthened because of another uncontrollable factor, the paper shortage. Last month as you well know the Treasurer was forced to borrow \$150,000. in anticipation of taxes. This would not have been necessary under this proposed plan, the bills would have been prepared and mailed within seven days of the rate being set.

The cost to the Town for this process would be \$600.00 for the initial set-up (a one time charge) and \$700.00 a year thereafter. When you consider that the costs for the printing of the Tax bills alone this year was \$565.00, I feel that the \$135.00 difference per year it would cost the Town is a wise

investment. The Finance Committee doesn't seem to be opposed to the total concept, but they would prefer dealing with the whole program at the Annual Town Meeting.

The problem with that concept is that the initial program to set the Town up is time consuming and we would again find ourselves on a crash program. We could, if you were to approve the appropriation, proceed in an orderly and business-like manner in securing this information in the files. I strongly recommend and support this appropriation and thank you for your consideration.

Sincerely,

NORMAND THÉRIAULT, Collector of Taxes''

Motion by Robert E. Loew and seconded by Robert W. Root that the Town vote to transfer from available funds in the Treasury the sum of \$650.00 to the Assessors' Expense account, for the purpose of Data Processing Real Estate Tax billing. YES vote declared by the Moderator, but not unanimous.

ARTICLE 3. Motion by Barry Cudmore and seconded by Gerard Jeannotte that this article is not recommended by the Finance Committee and that it be laid on the Table. A standing vote was taken. Results Yes 5, No 47. Motion to Lay on Table defeated.

Robert E. Loew moved the original motion that the town vote to enter into a Mutual Police Aid Program by accepting the provisions of Chapter 40 Section 8G of the General Laws, seconded by Robert Faille and unanimously voted.

ARTICLE 4. Motion by Robert Brothers and seconded by Edward Serwinski that the town vote to transfer from available funds in the Treasury the sum of \$2,963.10 for Maturing Debt. Unanimously voted.

ARTICLE 9. Motion by Robert Barney and seconded by Gerard Jeannotte that NO ACTION be taken on this article. Unanimously voted. (Water Main on George Street.)

ARTICLE 10. Motion by Roland Ferland and seconded by Edward Serwinski that the town vote to transfer from available funds in the Treasury the sum of \$1,200.00 to the Board of Selectmen's Expense account, for the appraisal of easements on Messenger Street and East Bacon Street. Unanimously voted.

By unanimous vote the Special Town Meeting was adjourned at 10:10 P.M.

Official count by checkers, Eugene Gucwa and Marion McCabe by use of the Registrar's Voting lists, showed ninety voters present; thirty-one women and fifty-nine men.

Respectfully submitted,

KATHLEEN SANDLAND, Town Clerk

Town of Plainville

WARRANT

For The Annual Town Election

MONDAY, MARCH 3, 1975

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE THIRD DAY OF MARCH 1975 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz:—One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year, One Selectman, Board of Health, One Assessor, One Water Commissioner, One Park Commissioner, One Trustee Public Library, One Member of the School Committee, One Member of the Regional School Committee, Two Members of the Finance Committee for Three Years, One Member of the Planning Board, One Member of the Housing Authority for Five Years.

PROCEEDINGS OF THE ANNUAL TOWN ELECTION

TOWN OF PLAINVILLE, MASS.

March 3, 1975

Pursuant to the foregoing Warrant, the Seventieth Annual Town Election was held in the Beatrice Wood Elementary School Auditorium, South Street, Plainville, Norfolk County, Massachusetts.

The following election workers, having been previously appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk, Kathleen M. Sandland.

Warden: Eugene Gucwa (R); Deputy Warden: Stanley Cole (R); Clerk: Marion McCabe (D); Deputy Clerk: Evelyn Soule (D); Ballot Box Officer: Theodore Wickman.

Tellers: Violet Osterholm (R), Marilyn Darling (R), Bessie Barton (R), alternate; Marion Reilly (D), Shirley Marcoux (D), and Jacqueline DiGiantommaso (D), alternate.

The Ballot Box was inspected by Evelyn Soule (D) and Eugene Gucwa (R) and found to be empty. The dial was set at zero and the keys turned over to the Ballot Box Officer, Theodore Wickman.

At 8:00 a.m. the call of the meeting was read by Moderator Frank Grzenda and the polls declared officially opened.

At 8:00 p.m. the polls were declared closed by Warden, Eugene Gucwa. The Ballot Box was inspected by Stanley Cole (R) and Evelyn Soule (D) and a check with the voting list showed a total of 693 voters casting ballots of which three (3) were absentee votes. A total of 354 women and 339 men.

At 8:00 p.m. the following counters were sworn in by Town Clerk, Kathleen Sandland: Naomi Beckman, Sophie Gucwa, Myrna J. Harman, Allie B. C. McAlpine, Irene Tremblay and Beverly Armstrong (R); Gael Kelly, Rita Pimental, Kenneth McCabe, Katherine Ashworth, Jean Matthews and Helen Theriault (D).

At 10:50 p.m. the results of the counting showed the following:

TOWN OF PLAINVILLE
WARRANT
FOR A SPECIAL TOWN MEETING

Monday, April 14, 1975

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss:

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street, in said Town of Plainville, on:

Monday, April 14, 1975

at 7:00 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$9,130.00 for the purchase of two (2) new Police Cruisers for the Police Department. Or do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$6,500.00 to the Police Department, of which \$2,500.00 will be allotted to the Salaries and Wages Account and \$4,000.00 to the Expense Account. Or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$3,000.00 to the Town Office Maintenance Expense account, for the increased cost of heat and lights. Or do or act in any manner relative thereto.

ARTICLE 4. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$4,000.00 for Street Lights. Or do or act in any manner relative thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$2,200.00 to the Board of Selectmen's expense account, for the increased cost of printing the Annual Report. Or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$2,000.00 to the Board of Selectmen's expense account, for the increased cost of Legal Fees. Or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$1,800.00 to the Board of Selectmen's expense account for the appraisal of easements on Messenger Street and East Bacon Street. Or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$1,500.00 to the Board of Selectmen's expense account, to defray the cost of the 1975 State Census. Or do or act in any manner relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of \$5,000.00 to be expended by and under the direction of the Board of Selectmen to extend the parking lot at the Fire Station. Or do or act in any manner relative thereto.

ARTICLE 10. To declare in accordance with the provisions of Chapter 40D, Section 2, of the General Laws, as amended, that an authority is needed for financing of Solid Waste Disposal Facilities within the meaning of Chapter 40D, as amended by Chapter 1160 of the Acts of 1973, and further to authorize the establishment of such a Financing Authority under said Chapter, with powers to contract and/or issue municipal bonds under said Chapter for the establishment and operation of Solid Waste Disposal Facilities within the Town, and to authorize any further action necessary to set up said Financing Authority for Solid Waste Disposal Facilities within the Town, said Financing Authority to be the same Financing Authority hereinbefore authorized.

ARTICLE 11. To see if the Town will vote to approve or disapprove the amount of the \$500,000.00 debt authorized on March 17, 1975 by the King Philip Regional School District Committee for the purpose of enlarging the regional high school by constructing and equipping an addition thereto.

(King Philip Regional School District)

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 18th day of March in the year of our Lord one thousand nine hundred and seventy-five.

PROCEEDINGS OF THE SPECIAL TOWN MEETING

TOWN OF PLAINVILLE

NORFOLK COUNTY, MASSACHUSETTS

Monday Evening, April 14, 1975

Pursuant to the foregoing Warrant the special town meeting held in the Auditorium of the Beatrice H. Wood School, South Street, Norfolk County, Plainville, Massachusetts was called to order by Moderator Frank Grzenda on Monday evening, April 14, 1975 at 7:06 P.M.

The bounds of the hall were declared to be the seats set up on the auditorium floor. Tellers for the meeting were appointed. Moderator's left, George C. Plante, and Neal Avery; Moderator's right, Richard McLacklan and Joanne Hastings. Town Clerk Kathleen M. Sandland was appointed Ballot Box Officer in the event of a ballot vote.

The invocation was given by Rev. David Hoyt, pastor of the Plainville Methodist Church.

Voters were checked into the hall by Eugene Gucwa and Marion McCabe, using the Registrar's Voting Lists. At the end of the evening the final count was 159; 93 men and 66 women.

ARTICLE 1. Motion by Edward Serwinski and seconded by David Lomasney that the Town vote to transfer from the Overlay Reserve Account, the sum of \$9,130.00 for the purchase of two new Police Cruisers for the Police Department. Said sum to include equipment change-overs, letter-over, new electronic sirens, new output speakers, new adapters, and new folding shields. UNANIMOUSLY VOTED.

ARTICLE 2. Motion by Edward Serwinski and seconded by David Lomasney that the Town vote to transfer from the Overlay Reserve Account the sum of \$6,500.00 to the Police Department, of which \$2,500.00 will be allotted to the Salaries and Wages Account and \$4,000.00 to the Expense Account. UNANIMOUSLY VOTED.

ARTICLE 3. Motion by Roland Ferland and seconded by Robert Barney that the Town vote to transfer from the Overlay Reserve Account the sum of \$2,500.00 to the Town Office Maintenance Expense Account, for the increased cost of heat and lights. UNANIMOUSLY VOTED.

ARTICLE 4. Motion by Robert Brothers and seconded by Edward Serwinski

that the Town vote to transfer from the Overlay Reserve Account, the sum of \$4,000.00 for Street Lights. UNANIMOUSLY VOTED.

ARTICLE 5. Motion by David Lomasney and seconded by Edward Serwinski that NO ACTION be taken on this article. (Increased cost of Town Reports.)

In explaining the No Action recommendation by the Finance Committee, Mr. Lomasney stated that the Selectmen were aware of the increased costs, and as there is no law stating that a Town Report had to be delivered to every person in town, the Finance Committee felt that the increased cost was not justified.

Mr. Robert Root amended this motion by moving that the Town vote to transfer the sum of \$2,200.00 from the Overlay Reserve Account to the Board of Selectmen Expense Account to cover the increased cost of printing the Annual Town Report. Amended motion seconded by Ray Felix.

As further explanation of the increase in cost Mr. Root advised that at the time the Selectmen did not take into consideration that this was the year the Assessors Property Listing would be included in the report, an additional one hundred and fifteen pages. Mr. Root asked that a NO vote be made on the original motion for NO ACTION. Vote on the original motion was defeated. Vote on amended motion was declared by the Moderator to be a YES vote but not unanimous.

ARTICLE 6. Motion by Robert Barney and seconded by Edward Serwinski that the Town vote to transfer from the Overlay Reserve Account the sum of \$2,000.00 to the Board of Selectmen's Account for the increased cost of legal fees. In the discussion of the article it was noted that the reason for this increase was due to legal fees resulting from a suit involving the Zoning Board of Appeals against Building Inspector action. UNANIMOUSLY VOTED.

Upon a motion by Robert W. Root and seconded by Edward Serwinski it was voted to allow the following non-voters to speak to the meeting if the necessity arose: Mr. William Costa, Mr. William White, King Philip Regional School; Mr. George Glaiel, Administrative Assistant, Mr. John Lee, Town Counsel and Mr. Edward Keaney, Plainville School Superintendent. UNANIMOUSLY VOTED.

At 7:30 P.M. Mr. Robert Root moved that the Special Town Meeting be adjourned and the Annual Town Meeting opened; to be returned to the Special Town Meeting and upon the completion of the Special Town Meeting the Annual Town Meeting be reconvened, and so declared by the Moderator.

ANNUAL TOWN MEETING

At 7:30 P.M. the Annual Town Meeting for the Town of Plainville was called to order by Moderator Frank Grzenda and the call of the meeting read.

The bounds of the hall, tellers and ballot box officer were declared to be the same as for the Special Town Meeting.

The Moderator declared that all motions were to be presented in writing. Permission to speak at this meeting was granted for Mr. Costa, Mr. White, Mr. Glaiel, Mr. Lee and Mr. Keaney, upon a motion by Robert W. Root and seconded by Ray Felix and unanimously voted.

The meeting was then returned to the Special Town Meeting for completion.

ARTICLE 7. Motion by Robert Brothers and seconded by Edward Serwinski that the Town vote to transfer from the Overlay Reserve Account the sum of \$1,800.00 to the Board of Selectmen's Expense account for the appraisal of easements on Messenger Street and East Bacon Street. UNANIMOUSLY VOTED.

ARTICLE 8. Motion by Roland Ferland and seconded by Robert Barney that the Town vote to transfer from the Overlay Reserve Account the sum of \$1,500.00 to the Board of Selectmen's Expense Account to defray the cost of the 1975 State Census. Unanimously Voted.

ARTICLE 9. Motion by Edward Serwinski and seconded by Robert Barney that the Town vote NO ACTION on this article. (Parking lot at Fire Station) UNANIMOUSLY VOTED.

ARTICLE 10. Motion by John Cudmore and seconded by Edward Serwinski that this article be accepted as printed. (Solid Waste Disposal Facilities Financing Auth.)

Much discussion was held on this article, interest mainly being in the Authority's power to contract for or issue bonds, and what the responsibility of the Town would be in the financing of this project. Mr. Glaiel advised that the town would not be responsible for these monies and if bonds were issued it would not be by the Town. At this time Mr. Grzenda declared a fifteen minute recess for legal discussion. At 8:10 the meeting was again called to order. Mr. Karl Grube, a member of the local Industrial Financing Authority advised that the financing authority must be set up under state law (Chapter 40D Section 2 of the General Laws), and when a business wants to expand or build it applies through the local financing authority. All investigation is done through the state and the state will guarantee that the company is responsible and able to borrow up to a fixed amount of money. Town Counsel, John Lee advised that this procedure is followed to promote industrial type building in a community and the law will protect the community.

The question was called after much discussion and the vote was UNANIMOUS.

ARTICLE 11. Motion by David Lomasney and seconded by Edward Serwinski

that the Town vote to approve the amount of \$500,000.00 debt authorized on March 17, 1975 by the King Philip Regional School District Committee for the purpose of enlarging the regional high school by constructing and equipping an addition thereto. Mr. Lomasney advised that the Finance Committee was recommending this article reluctantly, stating that the committee had accepted the bid knowing they did not have enough money, but the building had to be completed and there was no alternative.

Mr. Costa presented the explanation of a brochure, copy attached, of the additional costs. After much discussion the question was called and the Moderator declared a YES vote but not unanimous.

At 9:22 P.M. the Moderator declared the Special Town Meeting completed, a ten minute recess was called before reconvening the Annual Town Meeting.

KATHLEEN M. SANDLAND, Town Clerk

WARRANT

FOR THE ANNUAL TOWN MEETING

Monday, April 14, 1975

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood, Elementary School Auditorium, South Street in said Plainville on

Monday, the Fourteenth Day of April 1975 A.D.

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To choose all other necessary Town Officers not named in Article 1, of the March 3, 1975 Town Election for a term of one year.

ARTICLE 2. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 3. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1974-75 (12 months)	Requested 1975-76 (12 months)
Moderator	\$25.00 per Meeting	\$25.00 per Meeting

46. Historical Commission	400.00

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury the sum of \$100,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the conservation fund, to be used by the conservation commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to appoint a committee to study the feasibility of expanding the Public Library and to have the Moderator, Chairman of the Board of Selectmen, and Chairman of the Trustees of the Public Library appoint five (5) persons to a committee, said committee to be known as the Library Study Committee.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the Library Study Committee to be used for a feasibility study, or do or act in any maner relative thereto.

ARTICLE 18. To see if the Town will vote to authorize the Selectmen, to appoint a Building Code Board of Appeals for the purpose of hearing appeals pertaining to a Building Inspector's actions in accord with the provisions contained in the State Building Code, Section 126.8 which will become effective on January 1, 1975, said Board to consist of five (5) members, one member to be appointed for five (5) years, one member for four (4) years, one member for three (3) years, one member for two (2) years, and one member to serve for one (1) year, and thereafter, each new member is to serve for five (5) years or until his successor has been appointed and the sum of \$500.00 be raised and appropriated for the use of the committee, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from the available funds in the Treasury, the sum of \$500.00 for the normal repairs and maintenance of the Town owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.00) dollars to be expended by and under the direction of the water commissioners for the exploring and testing for the continuation of seeking a plentiful well site, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. (2/3 vote required for borrowing).

ARTICLE 21. To see if the Town will vote to amend, by striking out CHAPTER I, SECTION III in its entirety and inserting in its place the following:

SECTION III—TOWN FINANCE AND ADMINISTRATION

- "3.1 The senior member of the Finance Committee shall annually call the Committee together for organization not later than fifteen days after the close of the Annual Town Meeting. In the absence of a definitive senior member, the Moderator shall call the Committee together for organization.
- 3.2 The term of office of the Committee members shall begin at the organization meeting following their election and shall continue until the close of the annual Town Meeting nearest the end of the term fixed by law.
- 3.3 The Committee, at its annual organization meeting, shall choose a Chairman, Vice-chairman, a Secretary and any other officers it deems necessary.
- 3.4 For purposes of transacting its business, a quorum shall consist of five members of the Committee exclusive of the Chairman of Selectmen and the Town Treasurer. The Chairman of Selectmen and the Town Treasurer shall be non-voting members of this Committee.
- 3.5 The members of this Committee shall serve without compensation.
- 3.6 No member of the Committee, with the exception of the Chairman of Selectmen and the Town Treasurer, shall be in the employ of the Town or hold any other elected office in the Town.
- 3.7 Any member who shall remove from the Town shall upon such removal cease to be a member of said Committee.
- 3.8 The Finance Committee shall have authority to investigate the books and accounts of any department of the Town. Upon written request, the departments shall, within 48 hours, make available to the Committee those financial records requested.
- 3.9 It shall be the duty of the Finance Committee to consider all articles in any Warrant for a Town Meeting which call for the appropriation of money, and to recommend appropriate action to the voters of the Town. The Committee shall investigate the cost of maintenance and the expenditures of the different departments of the Town service, and recommend in detail the amount to be appropriated for each department for the ensuing year.
- 3.10 The Town Departments shall submit to the Selectmen on or before

January first, each year, an estimate of the expenditures for the ensuing year which shall specify the amount estimated for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any, and (4) Out-of-State Travel Expenses, together with a tabulated expenditure of the past year.

- 3.11 On or before January fifteenth of each year the Board of Selectmen shall present to the Committee an estimate of the expenditures of each department for the ensuing year, together with the tabulated expenditures of the two preceding years. Copies of all petitioned articles to be inserted in the warrant shall be transmitted to the Finance Committee on or before January first. Copies of all other articles shall be transmitted to the Finance Committee within ten days subsequent to the closing of the warrant.
- 3.12 Copies of all articles to be inserted in the warrant for a Special Town Meeting shall be transmitted to the Finance Committee a minimum of fourteen days prior to the date of said meeting.
- 3.13 The Finance Committee shall at least seven days prior to the holding of the business session of an annual or Special Town Meeting make public its recommendations regarding the articles to be considered at said meeting. In making its recommendations for the operation of all Town departments the Committee shall specify the amount recommended for (1) Salaries and wages, (2) Other department costs, (3) New equipment, if any and (4) Out-of-State Travel Expenses.
- 3.14 The Board of Selectmen shall within ten days of receipt of the report of the State Audit of the municipal accounts transmit a copy thereof to the Finance Committee Chairman. Such report shall be available to all members of the Committee.
- 3.15 All expenditures on budgets which are approved by the townspeople must be spent only on the items listed in the budget. Any unexpended amounts are to be returned to the Town Treasury. Extraordinary or unforeseen expenditures on items may be made only from the Reserve Fund, but only after due consideration of the request indicates that the transfer is for extraordinary or unforeseen expenditures." Or do or act in any manner relative thereto. (2/3 vote required) (If any portion of this article is at any time held to be invalid or not binding, the remaining portions shall continue to be valid and binding.)

ARTICLE 22. To see if the Town will vote to transfer the balances

of the March 6, 1972 warrant from Article #39 which was bonded in the amount of \$151,000.00 for installation of water lines on Mirimichi Street, Treasure Island Road, and Doreen Way, and has a balance of \$4,978.22 and Article #40 which was bonded in the amount of \$18,000.00 for installation of water lines on George Street and has a balance of \$360.00, to be used by and under the direction of the Water Commissioners to install adequate fencing around the Pumping Stations off George Street and off West Bacon Street or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of twenty thousand (\$20,000.00) dollars to be expended by and under the direction of the Board of Selectmen to replace the bridge and approaches to the Cooney Avenue Bridge, and to determine how such appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefore, or do or act in any manner relative thereto. ($\frac{2}{3}$ vote required for borrowing).

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of thirty-five (\$35,000.00) dollars to be expended by and under the direction of the Board of Selectmen to remove the West Bacon Street Railroad Bridge, and to determine how much appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing or otherwise, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, or do or act in any manner relative thereto. ($\frac{2}{3}$ vote required for borrowing).

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$7,500.00 for the Plainville Bicentennial Committee or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to transfer from the Ambulance Reserve Account the sum of \$2,300.00 to be expended by and under the direction of the Board of Selectmen for the purchase of a Mobile Ambulance Radio to meet EMS Specifications, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 for the purpose of the control of submerged vegetation in Turnpike Lake and Mirimichi Lake, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to amend, effective July 1,

1975 its Personnel By-Law to read as follows:

SECTION VI—COMPENSATION PLAN

6.12 Emergency Medical Technicians. Each full time Firefighter who has successfully completed all sections of EMT training, classes, and examinations, shall upon receipt of said certificate and approval of the Fire Chief, be granted an increase of \$4.00 per week over his base rate of pay.

SECTION XI — HOLIDAY PAY

11.1 The following eleven (11) days shall be considered holidays: the first day of January, the fifteenth day of January, the third Monday in February, the third Monday in April, the last Monday in May, the fourth day of July, the first Monday in September, the second Monday in October, the fourth Monday in October, Thanksgiving Day and Christmas Day.

ARTICLE 29. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places, in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 11th day of February, in the year of our Lord one thousand nine hundred and seventy-five.

RAY P. FELIX, Chairman	Selectmen
ROBERT E. LOEW, Vice Chairman	of
ROBERT W. ROOT, Clerk	Plainville

A true copy.

Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour
Sealer of Weights and Measures	250.00 per year

UNANIMOUSLY VOTED.

At this time Everett W. Skinner moved that Article 1 be taken up, seconded by Robert Root. Motion by Mr. Skinner that Robert Faille, William Salamone and Jerauld Jillson be appointed Fence Viewers and Field Drivers for the ensuing year. UNANIMOUSLY VOTED.

Motion by Everett W. Skinner and seconded by Robert Root and UNANIMOUSLY VOTED that Everett W. Skinner, Alec Fredrickson and Francis Simmons be appointed Measurers of Wood Bark and Lumber for the ensuing year.

ARTICLE 4. Motion by Roland Ferland and seconded by David Lomasney that the Town vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and the Clerks of the Selectmen placed with a fidelity or guarantee company. UNANIMOUSLY VOTED.

ARTICLE 5. Motion by Robert Barney and seconded by John Cudmore that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning July 1, 1975, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17. UNANIMOUSLY VOTED.

ARTICLE 6. Motion by Robert Brothers and seconded by Robert Barney that the Town vote to raise and appropriate the sum of \$1,000.00 for the control of Insects and Dutch Elm Disease as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent. UNANIMOUSLY VOTED.

ARTICLE 7. Motion by Edward Serwinski and seconded by David Lomasney that the Town vote to take NO ACTION on this article. (Highway Dept. Truck). UNANIMOUSLY VOTED.

ARTICLE 8. Motion by David Lomasney and seconded by Robert Brothers that the Town vote to accept this article as printed. To authorize the Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction or improvements of Town roads. UNANIMOUSLY VOTED.

ARTICLE 9. Motion by John Cudmore and seconded by Robert Barney that the Town vote to transfer from the Revenue Sharing Account the sum of \$10,000.00 for Town Funds to be used in conjunction with and in addition to funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads. UNANIMOUSLY VOTED.

ARTICLE 10. Motion by Robert Brothers and seconded by Edward Serwinski that the Town vote to accept Article 10 as printed. The Town vote to transfer

the sum of \$39,212.08 received or to be received in accordance with the provisions of Chapter 825, Section 1 of the Acts of 1974 for the construction, reconstruction and/or improvements of accepted town roads and to authorize the Board of Selectmen to enter into any/all contracts necessary or incidental thereto. Said funds may be used with any additional funds that may be allotted by State and/or County. UNANIMOUSLY VOTED.

ARTICLE 11. Motion by David Lomasney and seconded by Robert Brothers that Article 11 be amended to read: the Town vote to transfer the sum of \$32,434.40 received in accordance with the provisions of Chapter 497, Acts of 1971 for reconstruction, construction and/or improvements of accepted Town roads and to authorize the Board of Selectmen to enter into any/all contracts necessary or incidental thereto. Said funds may be used with any additional funds that may be allotted by State and/or County. UNANIMOUSLY VOTED.

Upon motion by Edward Serwinski and seconded by David Lomasney it was voted that the order of business be changed, and that the meeting take up Article 28, Personnel By-Law. UNANIMOUSLY VOTED.

ARTICLE 28. Motion by John Cudmore and seconded by Roland Ferland that the Town vote to accept Article 28 as printed, with the exception of any typographical errors. Upon motion by Clarence E. Skinner, Jr. and seconded by Jerauld Jillson it was voted to amend Section 11.1 to read Veterans Day, November 11 instead of 4th Monday in October. Result of standing vote 85 Yes, 0 No. UNANIMOUSLY VOTED.

Upon a statement by Mr. Serwinski that the hour being 10:30 P.M. a motion was made and seconded by David Lomasney that the Annual Town Meeting be adjourned and to be reconvened at 7:30 tomorrow (Tuesday, April 15) evening. The Moderator declared a YES vote, but not unanimous.

PROCEEDINGS OF THE SPECIAL TOWN MEETING HELD IN THE TOWN OF PLAINVILLE

Monday, June 9, 1975

The Special Town Meeting for the Town of Plainville was held in the Auditorium of the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Monday evening, June 9, 1975 at 7:30 P.M.

Rev. David Hoyt, Minister of the Plainville Methodist Church, was called upon to give the invocation by the Moderator.

Voters were checked into the hall by means of the Registrars voting list by Eugene Gucwa and Marion McCabe. The total number of voters checked at the end of the evening was 121 — 78 men and 43 women.

The bounds of the hall for participation in the meeting and voting was declared by the moderator to be the two sections of chairs set up on the Auditorium floor.

Counters appointed were: right side of the Moderator, Henry Beaulieu and Theodore Wickman; to the left of the Moderator, John Stone and Jean Simmons. In the event of a ballot box vote, Kathleen Sandland, Town Clerk, was appointed Ballot Box Officer.

ARTICLE 1. Motion by John B. Cudmore and seconded by Gerard Jeannotte. The Finance Committee recommends and I so move that the Town vote to amend the By-Laws of the Town by striking therefrom Chapter 1, Section 4.9, and inserting in lieu thereof the following: "4.9 Every officer or board in charge of a department, and every committee of the Town, when authorized to purchase any supplies or property, or do any public work, or erect, construct or repair any building, the cost of which exceeds One Thousand (\$1,000.00) Dollars, shall make a written contract therefor; and before executing any such contract, shall invite proposals therefor by advertising in one or more newspapers circulated in the Town of Plainville, such notice or proposals to state the time and place for opening proposals, and reserving the right of such officer or board or committee to reject any or all bids or proposals. UNANIMOUSLY VOTED.

ARTICLE 2. Motion by David Lomasney and seconded by Edward Serwinski. The Finance Committee recommends and I so move that the Town vote to transfer from the overlay reserve account the sum of \$35,000.00 to conduct a revaluation of all property, real and personal, in the Town of Plainville, said monies to be spent under the direction of the Board of Assessors.

Mr. Francis Simmons read a letter from the Department of Corporations and Taxation relative to the 100% revaluation. Copy of same to be included in the minutes of the Town Clerk's report.

At 8:20 P.M. the moderator declared a five minute recess.

At 8:30 P.M. the Meeting was called back to order by the Moderator.

Motion to amend Article 2 by Daniel Gagliard and seconded by Edwin Breitenbach. I move the motion be tabled and the Board of Selectmen be requested to re-submit this Article at a Special or Annual Town Meeting. MOTION DEFEATED 70-21.

44, Section 64 of the General Laws of Massachusetts, to raise and appropriate the sum of \$1,090.50 to pay unpaid bills incurred by the Police Department prior to June 30, 1975 as follows: New England Telephone Co. \$700.91, W. H. Riley & Son \$161.10, and B. & L. Cleansers, Inc. \$228.49, or do or act in any manner relative thereto. (Police Department)

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, or from revenue sharing funds, the sum of \$1,549.00, to be used to pay Sunrise Multi-Service Center of the King Philip Region, Inc. for human services to be rendered in fiscal year 1976 to the inhabitants of the Town of Plainville, said sum to be expended under the direction of the Board of Health, or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to approve the filing of a petition in the General Court under the provisions of Section 8 of Article 89 of the Amendments to the Constitution for an act:

AN ACT PROVIDING THAT PHILLIP S. OLSZEWSKI SHALL NOTWITHSTANDING CERTAIN MAXIMUM AGE REQUIREMENTS BE ELIGIBLE FOR APPOINTMENT AS A POLICE OFFICER IN THE TOWN OF PLAINVILLE.

Be it enacted as follows:

Notwithstanding any rule to the contrary regulating the maximum age of applicants for appointment as a police officer, PHILLIP S. OLSZEWSKI shall be eligible to take the next open competitive examination for police officers in the Town of Plainville, and provided he meets all other requirements, shall be eligible for certification and appointment as a police officer in said Town. (Police Department)

ARTICLE 7. To see if the Town will vote to establish a committee to be known as the Capital Expenditure Planning Committee, composed of one member of the Town Finance Committee, one member of the Planning Board, one member of the Water Commissioners, one member of the Sewer Committee, one member of the Board of Selectmen, and four additional members, all members to be appointed by the Board of Selectmen. Members of the committee shall serve overlapping terms of three (3) years, provided, however, that of the members originally appointed three shall serve for a term of one (1) year, three shall serve for a term of two (2) years, and three shall serve for a term of three (3) years, as designated by the Board of Selectmen. Vacancies shall be filled for the unexpired term in the manner of the original appointments. The committee shall annually prepare a Capital Expenditure Program for use by the Finance Committee, the voters, other town boards and officials in their deliberations. The committee shall submit such report or a summary thereof in a suitable manner and deposit the original with the Town Clerk. (Board of Selectmen)

ARTICLE 8. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, or from revenue sharing funds, the sum of \$2,000.00, to be used to purchase and install a 2,000 gallon tank and gasoline pump at the Fire and Police Stations, said sum to be expended under the direction of the Board of Selectmen, or do or act in any manner relative thereto. (Board of Selectmen)

ARTICLE 9. To see if the Town will vote to transfer from revenue sharing funds the sum of \$6,200.00 for the operation of a Council on Aging drop in center and office thru June 30, 1976, or to do or act in any manner relative thereto. (Council on Aging)

ARTICLE 10. To see if the Town will vote to accept the donation of a motor vehicle to be used to transport senior citizens of the Town, or do or act in any manner relative thereto. (Council on Aging)

ARTICLE 11. To see if the Town will vote to transfer from revenue sharing funds the sum of \$2,500.00 to be used for the operation and maintenance of the motor vehicle donated to the Town for the purpose of transporting senior citizens, or do or act in any manner relative thereto. (Council on Aging)

ARTICLE 12. To see if the Town will vote to install one (1) Street Light at Pole #83 on High Street, and to raise and appropriate a sum of money to pay for same, or to do or act in any manner relative thereto. (Board of Selectmen)

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 7th day of October in the year of our Lord one thousand nine hundred and seventy-five.

Ms. Kathleen M. Sandland
Town Clerk
Town Hall
Plainville, Massachusetts 02762

Dear Ms. Sandland:

I enclose the amendment to general by-laws adopted under Article 1 of the warrant for the Special Town Meeting held on October 28, 1975, with the approval of the Attorney General endorsed thereon.

Very truly yours,

Steven A. Rusconi
Assistant Attorney General

SAR/alg
Enclosure

December 23, 1975

Boston, Massachusetts

The foregoing amendment to general by-laws adopted under Article 1 of the warrant is hereby approved.

Francis X. Bellotti
Attorney General

SPECIAL TOWN MEETING

TOWN OF PLAINVILLE, MASSACHUSETTS

October 28, 1975

Pursuant to the foregoing Warrant, a Special Town Meeting was held in the Beatrice H. Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Tuesday evening, October 28, 1975.

The voters were checked into the hall by means of the Registrars Voting Lists by Eugene Gucwa and Marion McCabe. Total number of voters present seventy-five; fifty-two men and twenty-three women.

The Moderator called upon Rev. John M. Bowmar to give the Invocation.

The bounds of the hall were declared by Moderator Frank Grzenda to be the seats set up on the floor of the Auditorium. Tellers for the evening were appointed as follows: George Plante and Cecil Felici, to the Moderator's left; Howard T. Harrop and Robert L. McLacklan to his right. Mrs. Kathleen Sandland was appointed Ballot Box officer in the event of a ballot vote.

Mr. Grzenda advised that non-voters would be allowed to address the meeting by permission of a majority of the voters. All motions and amendments to be presented in writing with the exception of minor corrections.

The call of the meeting was read by the Moderator.

ARTICLE 1. Motion by Robert E. Loew and seconded by Robert W. Root that the town vote to amend the By-Laws of the town by striking therefrom Chapter 1, Section 1.5 and inserting in lieu thereof the following: "1.5 The Annual Town Meeting for the election of officers required by law, or by these By-Laws, to be elected by ballot, shall be held on the first Monday in April in each year."

A standing vote was called. Unanimously voted: 67 YES, 0 NO.

ARTICLE 2. Motion by Edward Serwinski and seconded by David Lomasney that the town vote to transfer from revenue sharing funds the sum of \$1,176.50 to the Board of Selectmen's Salary Account. Unanimously voted.

ARTICLE 3. Motion by David Lomasney and seconded by Edward Serwinski that NO ACTION BE TAKEN ON THIS ARTICLE. (Park Department Overdraft.)

Mr. Lomasney explained to the meeting the reason for No Action motion was because the Free Cash Figure was not available and there were no monies to pay these bills. Unanimously voted that NO ACTION be taken.

ARTICLE 4. Motion by Gerald Jeannotte and seconded by Edward Serwinski that NO ACTION be taken on this article. (Police Department Over-drafts.) Unanimously voted.

ARTICLE 5. Motion by Robert E. Loew and seconded by Elliot Higgins that the town transfer from revenue sharing funds, the sum of \$1,549.00 to be used to pay Sunrise Multi-Service Center of the King Philip Region, Inc. for human services to be rendered in fiscal year 1976 to the inhabitants of the Town of Plainville, the said sum to be expended under the direction of the Board of Health.

Permission was granted for Linda S. Karnath, Secretary for Sunrise-Multi-Service Center to speak and explain the services covered by this article.

The Finance Committee recommended against this article, Mr. Lomasney stating that they felt there was an over-lapping of agencies within this area.

The voice vote not being clear, the Moderator requested a standing vote be taken. Results: YES 21, NO 35. Motion defeated.

ARTICLE 6. Motion by Robert E. Loew and seconded by Gerald Jeannotte that the town vote to approve the filing of a petition in the General Court under the provisions of Section 8 of Article 89 of the Amendments to the Constitution for an Act:

An Act providing that Phillip S. Olszewski shall notwithstanding certain maximum age requirements be eligible for appointment as a police officer in the Town of Plainville. Be it enacted as follows:

Notwithstanding any rule to the contrary regulating the maximum age of applicants for appointment as a police officer. PHILLIP S. OLSZEWSKI shall be eligible to take the next open competitive examination for police officers in the Town of Plainville, and provided he meets all other requirements, shall be eligible for certification and appointment as a police officer in said Town.

Mr. Robert R. Faille, Chief of Police advised the meeting the reason for this article is due to a decrease in the age requirements for Civil Service from thirty-five years to thirty-two years of age, and as Mr. Olszewski is in between these ages, approval of this act would allow him to take this examination. UNANIMOUSLY VOTED.

ARTICLE 7. Motion by Robert E. Loew and seconded by Edward Serwinski

that this article be accepted as read. Discussion on the article resulted in the following amendment being presented by William E. Clarke and seconded by David Lomasney.

The town vote to establish a committee to be known as the Capital Expenditure Planning Committee, composed of one member of the Town Finance Committee, one member of the Planning Board, one member of the Board of Selectmen, and four additional members, all members to be appointed by the Board of Selectmen. Members of the Committee shall serve overlapping terms of three (3) years, provided, however, that of the members originally appointed three shall serve for a term of one (1) year, three shall serve for a term of two (2) years and one shall serve for a term of three (3) years, as designated by the Board of Selectmen. Vacancies shall be filled for the unexpired term in the manner of the original appointments. The committee shall annually prepare a Capital Expenditure Program for use by the Finance Committee, the voters, other town boards and officials in their deliberations. The committee shall submit such report or a summary thereof in a suitable manner and deposit the original with the Town Clerk.

The vote on the amendment was unanimous. Vote on amended article declared Unanimous by the Moderator.

ARTICLE 8. Motion by Edward Serwinski and seconded by Gerald Jeannotte that the town vote to transfer from revenue sharing funds the sum of \$2,000.00 to be used to purchase and install a 2,000 gallon tank and gasoline pump at the Fire and Police Stations, said sum to be expended under the direction of the Board of Selectmen. Unanimously voted.

ARTICLE 9. Motion by David Lomasney and seconded by Gerald Jeannotte that the town vote to transfer from revenue sharing funds the sum of \$6,200.00 for the operation of a Council on Aging Drop In Center and office through June 30, 1976.

The Moderator declared the motion carried.

ARTICLE 10. Motion by Gerald Jeannotte and seconded by Edward Serwinski and Unanimously voted that the town accept the donation of a motor vehicle to be used to transport senior citizens of the town.

ARTICLE 11. Motion by Roland Ferland and seconded by Edward Serwinski that the town vote to transfer from revenue sharing funds the sum of \$2,500.00 to be used for the operation and maintenance of the motor vehicle donated to th town for the purpose of transporting senior citizens. Unanimously voted.

ARTICLE 12. Motion by Edward Serwinski and seconded by Robert E. Loew that the town vote to install one (1) street light at Pole #83 on High Street. Unanimously voted.

Upon motion by David Lomasney and duly seconded, the Special Town Meeting was adjourned at 8:38 P.M.

REPORT OF THE INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen
Gentlemen:

I hereby submit my report as Inspector of Slaughtering for the Town of Plainville for 1975.

There were 2 animals (sheep) slaughtered in the town this year. These animals were inspected and stamped by me.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Slaughtering

REPORT OF THE INSPECTOR OF MILK & DAIRIES

To the Honorable Board of Selectmen
Gentlemen:

I herewith submit my report as Inspector of Milk & Dairies for the Town of Plainville for 1975.

Licenses were issued to 19 stores or restaurants. Eight (8) vehicle licenses were also issued.

Paid to the Town Treasurer the amount of \$54.00.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Inspector of Milk & Dairies

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for 1975.

As required by the State, a complete inventory of all livestock in the town was compiled and figures returned to the State. This inventory showed: 73 Horses, 8 Ponies, 25 Beef, 5 Dairy, 19 Sheep, 12 Goats, and 16 Swine.

Twenty (20) dog bites were reported throughout the year. These dogs were place under quarantine and released after the prescribed time with no signs of rabies noted. Two separate reports are sent to the Dept. of Agriculture for each dog bite.

The head of one skunk was submitted to the Dept. of Agriculture for testing for rabies. No evidence of this disease was evident.

I would like to take this opportunity to thank Dog Officer Joseph Calzaretta for all his help and cooperation this past year.

Respectfully submitted,

CHESTER A. ROBERTS, JR.

Animal Inspector

REPORT OF THE BOARD OF APPEALS

To the Honorable Board of Selectmen:

Again this year we have no activity to report for our Board.

Respectfully submitted,

ROBERT W. HAYES

MELVIN DWYER

ROBERT KENISTON

REPORT OF THE PLAINVILLE HOUSING AUTHORITY

To the Honorable Board of Selectmen:

We submit herewith a report for the year ending December 31, 1975.

Four vacancies occurred during the past year, and they were filled from our waiting list.

A sealer coat was put on our driveway and walks during the summer, and it improved the appearance of the project.

We would like to express our thanks to the Plainville Lions Club and the local church organizations for their interest and kindness to the residents of Hilltop Terrace.

We would also like to acknowledge the continued excellent cooperation we receive from the Police, Fire and Highway Departments.

Respectfully submitted,

FRANCES SIMMONS, Chairman
CLINTON BARTON, Vice Chairman
WALTER FINK, Treasurer
LeROY WILSON, Assistant Treasurer
RUBENA COLE
MELVIN DWYER, Executive Director

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen

Gentlemen:

The report of the Conservation Commission for 1975-1976 is submitted as follows:

The Conservation Commission has had another busy and rewarding year. The conservation area has been used by several youth organizations as well

as many individuals who enjoy the picnic facilities, the nature trail, and the natural beauty of the area which is irreplaceable.

Activities have included:

A litter pick-up along some of our roadways. Credit for participation goes to the Boy Scouts who worked so hard in helping to keep Plainville clean. Car litter bags were also passed out to drivers by the Scouts.

A picnic shelter was completed by members of the Commission.

Erosion control was completed at Scout Island on Turnpike Pond. A water retention area was completed for fire fighting purposes at the George Street area. A water well at the White Buck Campsite was completed by Scout Gary Kettell for his Eagle Scout project.

Activities for our Bicentennial year will include:

A Bicentennial patch for outstanding service to conservation in Plainville.

The completion for the Nature Trail has been set for this year. (If we can keep ahead of vandalism)

A target range will be established for the firing of small arms.

A tree will be planted at the Conservation Area for each child born during our Bicentennial.

Respectfully submitted,

RITA WATSON, Chairperson

Everett W. Skinner, Jr., Ronald Fredrickson, Raymond V. Smith, Robert Proal, Robert Darling, Stanley Myers

REPORT OF THE BUILDING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I submit herewith my report as Building Inspector for the Town of Plainville for the year ending December 31, 1975.

The following permits were issued at an estimated total of \$1,684,651.85 and fees collected totaled \$2,398.90.

21	New Dwellings	\$799,000.00
4	Apartment Buildings	143,000.00
4	New Commercial and Industrial Buildings	438,000.00
1	Private School Additions	12,000.00
25	Alterations or Additions to Dwellings	88,000.00
12	Commercial Alterations or Additions	58,875.00
72	Miscellaneous Permits — Barns, Garages, Pools, etc.	145,776.85

It has been my pleasure to serve as Building Inspector for the Town and I wish to thank the Board of Selectmen, all other Town Officials, Townspeople and Contractors for their co-operation during the past year.

I want to give a special thank you to Harold Meyer for his assistance and availability when I had to be out of town.

WARREN F. PAGLARI

Building Inspector

REPORT OF THE VETERANS' AGENT

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veteran's Agent for the year

ending December 31, 1975. All applications for Veterans' Services in 1975 were approved by the State Commissioner of Veterans' Services. Fifty per cent of all monies paid to recipients by the town will be reimbursed by the Commonwealth of Massachusetts. Approximately 325 inquiries for Veterans' Services were received in 1975.

Brush obstructing drainage cut	635 feet
Culverts cleaned and opened	15

Drainage ditch construction
Recorded calls for information and assistance

2,784 feet
12

Respectfully submitted,

ALBERT W. HEUSER

Superintendent

REPORT OF THE PLAINVILLE PUBLIC LIBRARY TRUSTEES

To the Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Plainville Public Library Trustees. During 1975 we had a circulation of over 12,000 total — this includes magazines and records. We have approximately 9,889 books, plus 250 in records.

This year we added Discovering Antiques, which consists of twenty volumes.

We collected \$172.00 in fines.

We had 67 children participate in our summer reading program with 30 completing and receiving certificates.

We did many minor repairs to the Library — redid all the ceilings and put on new storm windows on the upstairs.

We would like to thank Mrs. Cobb and Mrs. Kenniston for making our Library so enjoyable.

Respectfully submitted,

MARGARET FREDERIKSEN
JEAN HENRICH
GEORGE CURTIS

REPORT OF THE DOG OFFICER

To the Honorable Board of Selectmen
Town Office Building
Plainville, Mass.

Gentlemen:

I herewith submit my report as Dog Officer for the Town of Plainville for the year ending December 31, 1975.

Itemized report:

Complaints	620
Stray dogs picked up	57
Stray dogs sold	37
Stray dogs destroyed	5
Stray dogs returned to owners	15
Stray cats picked up	35
Dead animals picked up on street and buried	60

Respectfully submitted,

JOSEPH A. CALZARETTA

Dog Officer

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen:

I respectfully submit this year's report.

Received on Permits	\$570.00
Money expended	570.00

Sincerely yours,

RONALD LaPORTE
Plumbing Inspector

REPORT OF THE ELECTRICAL INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Electrical Inspector for the Town of Plainville for the year ending December 31, 1975.

A total of \$488.00 was turned over to the Town Treasurer. This represents a substantial decrease over the 1974 period, due primarily to the lack of construction.

I would like to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, Contractors, and the Townspeople, for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS

Electrical Inspector

REPORT OF THE PLAINVILLE PLANNING BOARD

To the Honorable Board of Selectmen

Gentlemen:

During 1975 the Planning Board continued their prior custom of regular meetings on the first and third Mondays of each month, with special meetings scheduled as necessary.

The Planning Board's primary responsibility continues to be the determination of whether proposed subdivisions of land fall within the scope of, and require Planning Board approval under the Massachusetts Subdivision Control Law, a determination which must be made prior to the recording of land. The Board is also called upon by the Zoning Board of Appeals and

other town departments to make recommendations in connection with proposed land use in Plainville.

During 1975 numerous plans were presented to the Board for consideration. Fourteen of these were determined not to require approval under the Subdivision Control Law and were so endorsed. Two proposed subdivisions were considered during 1975. Crestwood Park, off School Street, was found to have potential drainage problems if developed in total, so it was split into parts. Sections I and II, comprising six lots each, were approved following a public hearing on July 28, 1975. Mirimichi Estates, comprising eighty-two lots between Mirimichi Street and Hillside Road, remains under consideration.

During the year, a member of the Zoning Board of Appeals attended each Planning Board meeting. This has resulted in better communication between the two boards on matters which concern them both, and the practice will be continued.

The board continues its affiliation with Southeastern Regional Planning and Economic Development Commission, in order to keep abreast of proposed regional developments which would affect Plainville.

The board wishes to thank the members of the town boards and departments for their assistance during 1975.

Respectfully submitted,

PLAINVILLE PLANNING BOARD

Chester A. Roberts, Jr.
Walter Larson
Stanley Widak, Jr. (Chairman)
W. Bradlee Snow, Jr.
Bruce Hastings

REPORT OF THE PLAINVILLE HISTORICAL COMMISSION

To the Honorable Board of Selectmen
Plainville, Massachusetts

Gentlemen:

It is with pleasure that we, the Plainville Historical Commission, submit our annual report of a most active year.

The history of twenty-two homes was researched by their owners, and plaques were presented to them. These homes were one hundred years old or older. It is hoped that more owners of older homes will make application for plaques in the coming year.

A Junior Associate unit was formed, with membership as follows:

Georgia Plante
Kathy Kenerson
Gretchen Fluck

Tina Fountaine
Sharon Benker
Andrew Felix

Rusty Armstrong

They are designing and building a float for the Bicentennial parade.

The highlight of the year's activities was the acceptance of the Angle Tree Stone by the National Park Service for listing in the National Register of Historic Places.

Presently the Commission and its associates are working toward researching and compiling a history of the town. Any information that might be of historical interest, that might not be already included in any of the pamphlets and booklets previously printed, would be most appreciated by the Commission.

Respectfully submitted,

DOROTHY S. CHEVERS, Chairman
GEORGETTE PLANTE, Secretary
ROBERT ROOT, Treasurer
REV. JOHN BOWMAR
GEORGE CURTIS
MAIDA KING
IDA MEADE

REPORT OF THE SEALER OF WEIGHTS & MEASURES

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1975.

The following inspections were made:

Gasoline pumps 1" or less	35 @ \$2.00 each	\$70.00

Respectfully submitted,

By-Law Review Committee

REGINALD KEYES, Chairman
FRANK GRZENDA, Vice-Chairman
DAVID KELLY, Secretary
RAYMOND MILLER, Member
LENA CHOMA, Member

REPORT OF THE COMMUNITY FAMILY SERVICE

To the Honorable Board of Selectmen:

Gentlemen:

Following is a report of services rendered by C.F.S. trained volunteers during the year 1975, January through December. 165 requests for assistance were processed. 75% of those calls were in the area of mental health or medical needs, such as family, marital, or personal counselling, depression, psychiatric evaluation, drug abuse, alcoholism, runaway, juvenile or child guidance, rape, physicians or nurses services. The balance of calls concerned the need for financial counselling, legal aid, transportation, assistance in applying for benefits, unemployment, temporary home placement, nursing home placement, and household problems. C.F.S. volunteers arrange for client's appointments with the nearest clinic, hospital, or agency which can best provide the professional help needed by each client. They also give telephone counselling to clients who require encouragement between professional appointments.

The services of Mr. Willis Scott, ACSW, professional staff member of the Leslie B. Cutler Clinic, have again been available at the Plainville office through the cooperation of Norfolk Mental Health Association and the Mass. Dept. of Mental Health, for one and one-half days each week. On occasion, when the case load has been heavy, we have had additional service by Dr. William Rafferty of the Cutler Clinic staff.

We wish to thank our volunteers for being on duty one or more days each week throughout the year; Mr. and Mrs. Michael Pesce and the operators at Anserco for their capable handling of messages and assistance to clients in emergencies; the Board of Health for their continued financial support and provision of office space in the Town Hall; Dr. Dorothy Uhlig, Executive Director, and the Board of Directors of Norfolk Mental Health Association, and Mr. Scott, for their time and cooperation; Dr. Roy Korwin, Director, and staff members of Leslie B. Cutler Clinic for their service as consultants for volunteers; Medfield State Hospital, Sturdy Memorial Hospital, Norwood Hospital, and other agencies for their continued cooperation.

Expenditures:

Appropriation for 12 month period

\$410.00

Expended through January 8, 1976:

Answering service	120.00
Long distance telephone calls	<u>24.08</u>

Total expended	\$144.08
----------------	----------

A balance of \$265.92 remains for the next six months.

Respectfully submitted,

Board of Coordinators

ADELE FELIX

JAN PRAY, R.N.

MARILYN CARR

REPORT OF THE PLAINVILLE COUNCIL ON AGING

To the Honorable Board of Selectmen and to the Citizens
of the Town of Plainville:

This is the first summarization from your newly established Council
on Aging.

The Special Town Meeting on December 16th, 1974, under Article 7
allocated \$500.00 and established a Committee of six, later expanded to
seven members.

We submit our report ending December 31st, 1975. The following monies
expended from funds allocated at three Special Town Meetings.

Revolving Account		Revenue Sharing
12-16-74 Article 7	\$ 500.00	
6- 9-75 Article 4	<u>850.00</u>	
10-28-75 Article 9		\$6,200.00
Totals	\$1,350.00	\$6,200.00
Expended:		
Advertising	\$ 53.76	
Drop-in Center	42.25	\$ 57.91
Office Equipment		145.90

Office Supplies	122.42		15.75	
Mileage Allowance	18.15		10.62	
Misc'l expense	30.00		10.00	
Post Office	341.91		46.00	
Printing	121.03			
Purchased Service			630.00	
Rent	210.00		400.00	
Telephone	<u>121.79</u>		<u>61.85</u>	
Sub Total	\$1,061.31	- \$1,061.31	\$1,378.03	- \$1,378.03
Balance		<u>\$288.69</u>		<u>\$4,821.97</u>
10-28-75 Article 11				
Mini-Bus				\$2,500.00
expended			0.00	- 0.00
Balance				\$2,500.00

Accomplished to date:

1. All known Senior Citizens 65 or older have their Merchants Cooperative Identification Cards.
2. A Questionnaire was mailed to all known Senior Citizens 59 or older in July 1975. Returns were 27.8%. Most towns average between 10 and 15%.
3. The Drop-in Center at the United Methodist Church has expanded from 1 day to 3 days and now 5 days.
4. Some of our accomplishments have been: a Special 100-year-old resident Birthday Party; a monthly Blood Pressure Clinic (open to all citizens of Plainville); Workshops on Macrame, Crewel, Needlepoint, Crocheting, Knitting, and Rug Braiding; overnight Bus Trips and an evening Bus Trip; Bingo Parties; Card Parties; a Christmas Party; News Letters; a Fire and Loss Prevention Lecture; Friday Bus Shopping that includes Hilltop too; and most of all new friendships and Senior Citizens assisting one another.
5. Plans for bicentennial year 1976 are to get our Mini-Bus that will then permit more shopping, Doctor visits, Clinics outside of Plainville (some are combined with North Attleboro), transportation for folks to and from the Drop-in Center; start our Hot Lunch Program 5 days a week with assistance from the Plainville School Department; blend the Lunch Program to Meals on Wheels for our shut-ins and sick; enlarge our clinics for all citizens of Plainville; have a monthly Birthday Party; start a Ceramic Workshop, Easter Basket making; expand Card Games; have Health Speakers, have some old-time movies, and safety movies from the Plainville Police Department; and other worthy projects within the limits of our volunteers and budget.

Our thanks go to other Councils on Aging for their assistance; the Cooperative Merchants in Plainville and the neighboring towns, Town Departments, our Citizens of Plainville, and the Council Members and Staff, because all have contributed to our early success.

For the coming year we say "Look up and not down, look forward and not back, look out and not in" and continue to lend us your hand. Because without your support we wouldn't be a going Town Department.

Respectfully submitted,

REVEREND DAVID A. HOYT
Chairman

REPORT OF THE COMMUNITY HEALTH AGENCY, INC.

To the Honorable Board of Selectmen

Gentlemen:

Community Health Agency, Inc., formerly known as the Visiting Nurse Association, provides professional nursing, physical therapy, and home health aide services to area residents in their homes, our offices, and in community clinics and programs. Services to the ill or disabled in their homes are for physician prescribed therapeutic care. This may include dressings, rehabilitation procedures, wound care, injections, and teaching of patients and their families about diet, medications, personal care, and various procedures which help patients at home.

Our nursing staff also provide services for the Plainville Board of Health. This includes follow-up and investigation of communicable diseases such as tuberculosis, hepatitis, shigella, salmonella; health guidance and educational home visits to mothers and newborns, and residents of all ages; and organizing and conducting community immunizations and flu clinics. The nurses also provide lead testing of pre-school children.

During 1975 our agency board members and nursing staff were involved in the planning, provision, and follow-up of a Health Fair. In Plainville 19 people attended the Health Fair and received 80 tests for either diabetes, blood pressure, anemia, oral cancer, glaucoma, or respiratory problems. As the result of these tests, the nurses re-checked 6 tests, and 13 people have been referred to physicians because of 39 abnormal tests.

The following statistics show the volume of service provided in Plainville during 1975.

All Services in Plainville

Nursing Staff — Home and Office Visits	253
Physical Therapist — Home Visits	12
C.H.A. — Home Health Aide — Home Visits	33
Home Health Aide Home Visits —	
Purchased through Home Health Services, Inc.	<u>42</u>
 Total Number of Home and Office Visits	 <u>340</u>
 Number of Patients Served in Home and Office	 <u>71</u>

Board of Health Nursing Services

Total Number of Visits	92
Total Number of Patients	51
Number of Immunization Clinics	3
Number of Immunizations Given	200
Number of Clinic Hours	11
Other Board of Health Hours	9¾

REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen

Gentlemen:

The following is my report as Collector of Taxes for fiscal year 1975. I would be remiss if I failed to thank so many people who thru their understanding and support eased my responsibilities during my recent bereavement. A general thank you to all and special thanks to Georgette Plante and George Glaiel.

Respectfully submitted,

NORMAND THERIAULT

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Town Offices
Plainville, Massachusetts

Gentlemen:

Here are the figures from the Police Department requested by you of monies appropriated for 1975-76 and the Account Balances as of December 31, 1975.

Account	Appropriated	Account Bal.
SALARY	\$156,774.00	\$79,384.02
Salaries	114,398.00	60,853.53
Step Raises & Shift Differential	2,200.00	1,345.00
Regular Relief	16,016.00	7,168.00
Special Duty — Investigations	3,500.00	435.33
Special Duty — Emergencies	3,500.00	2,672.52
Special Duty — School Crossing	1,000.00	499.50
Church Traffic	520.00	320.00
Court	4,000.00	2,007.69
Lock-up Keeper	600.00	402.06
Vacations	3,640.00	776.26
Sick Leave	2,000.00	979.75
Seminar Replacement	1,200.00	136.00
Holiday	2,800.00	1,684.64
M. S. P. A. Coverage	1,400.00	140.00
EXPENSES	\$26,600.00	\$2,841.59
Office Supplies	1,000.00	530.63
Telephone	2,200.00	1,395.40
Dues, Associations and Meetings	400.00	193.00
Capital Equipment	500.00	401.40
Purchased Labor	2,200.00	1,056.00
Equipment Maintenance	1,200.00	- 46.04
Gas, Oil and Tires	8,700.00	3,647.09
Radio	100.00	- 21.95
Lock-up	200.00	195.44
Physicals and Juveniles	300.00	243.05
Non-Capital Equipment	750.00	405.12
Station Maintenance	700.00	- 172.56
Detective Supplies	1,000.00	848.56

Detective Bonus	300.00	-
Ammunition	500.00	417.30
School Reimbursement	500.00	112.10
Out of State Travel	350.00	-
Photography	600.00	161.79
Insurance	1,100.00	75.00
Uniforms	2,600.00	1,438.61
Cleaning	1,400.00	990.30
 CAPITAL EQUIPMENT	 \$2,891.00	 -

As you can see, there are quite a few areas that need to be increased, and I have allowed for this in my proposed budget.

Respectfully submitted,

ROBERT R. FAILLE

Chief of Police

REPORT OF THE SCHOOL COMMITTEE

To The Citizens of Plainville:

This report covers the period January 1, 1975 - December 31, 1975.

The School Committee in the past year has focused much attention on the maintenance and refurbishing of your two local schools. Over the years, several maintenance areas have long been neglected, and we have accomplished much in this area. The cafeteria and kitchen area was refurbished with new floors, new light fixtures, and cooking equipment. Roofs at both the Jackson and Wood Schools were repaired. The Auditorium walls at Wood School were painted, a new ceiling installed along with new stage curtains. These areas have been in need of repair for some time.

Mr. William Cooney, formerly Head Custodian was appointed Supervisor of Buildings and Grounds, and thereby is responsible for all matters in connection with operation and maintenance of all school buildings, property and equipment, plus the care and upkeep of school grounds. Mr. Cooney repaired the boilers at Wood and Jackson Schools, thereby saving the Town considerable money through his efforts here and in many other areas.

A new pedestrian walk adjacent to the entrance roadway to the Wood School was installed for the safety of the walking students and we would like to thank Highway Supt. Everett W. Skinner and his highway forces for a job well done.

Also, due to several breaks and vandalism at both schools, both schools have had security alarms installed and tied into the Police Station, and vandalism due to break-ins has been eliminated.

During the past year, we have been fortunate to have received workers from the C.E.T.A. program including a full time custodian, and we thank the Selectmen for their efforts and consideration.

Mrs. Josephine Perkins was hired as Lunch Room Supervisor and has been a very pleasant addition to our staff as she has performed outstandingly.

We would like to thank Mrs. Gertrude Lunn for her many extra efforts in our behalf, and especially her dedication to the Plainville Schools.

Thanks to Mr. Keaney and Mr. Cashman for their continued devotion and dedication to the children and school system in Plainville, and to all who helped make this a very successful year.

Respectfully submitted,

NANCY H. LOEW, Chairman
ALICE EDWARDS, Secretary
FREDERICK METTERS
SARA ROBERTS
MARSHA ROBBINS

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Plainville School Committee:

I respectfully submit the second annual report to you as Superintendent of Schools.

INTRODUCTION

I shall try to summarize briefly those areas which have been traditionally a part of the annual report and to mention any significant items which occurred during the year.

ENROLLMENT

The total enrollment on October 1, 1975 was established at 704, which is continuing the down trend which started a few years ago. Projections based on the door-to-door census taken in February of 1975 reveal a gradual reduction in numbers during the coming years. New home construction could change this trend, with some of it already being planned and underway.

PERSONNEL

There was minimal turnover of school department personnel during this past year with only one change in the instructional staff. Mrs. Janet Hale replaced Mrs. Lynne Schweinsaut as learning disabilities teacher at the Jackson School.

With respect to the custodial operation, we were fortunate to obtain the services of Mr. Melvin Wilbur through the C.E.T.A. program. Mrs. Josephine Perkins was hired as cafeteria supervisor in April of 1975, and we were fortunate to obtain the services of this highly regarded individual.

CURRICULUM

Our curriculum was expanded and strengthened during the year with summer workshops for the purpose of developing curriculum guides in the areas of Science and Health, and Metric Measurement. Mr. Cashman has outlined most of the curriculum undertakings in his report, but I would like to mention two programs initiated at the Jackson School.

The Kindergartens adopted a new multi-media beginning language arts program called Alpha Time. This program features the huggable letter people through which the children participate actively and totally in group living, in creating, discovering, exploring and dramatizing. They are the medium for recog-

nizing the letters of the alphabet and the sounds they make in words. Parent-teacher-children enthusiasm have indicated that this is a worthwhile addition to the Kindergarten program.

Also undertaken during this year was the involvement of the entire Jackson School staff in Project ERIN, which is a federally funded operation providing direct resources to teachers and specialists in order to better equip them in handling primary school special needs children.

SUMMER HEAD START

1975 was a banner year for our Head Start program. We have had this program for a number of years, but in 1975, through receiving additional funds, we were able to expand the services to include increased time for the psychologist and speech therapist, and we added a full time social worker. Unfortunately, the prospects for this program continuing, are dim at this writing. Not enough children falling into the income-eligible category has been given as the reason for not continuing this program.

CHAPTER 766

This law, which became effective on September 1, 1974, has caused much discussion and controversy throughout the Commonwealth. No one disagrees with the purpose of ensuring maximum educational services to children with special needs, but the implementation procedures mandated have caused great concern to educators and taxpayers because of the heavy financial burdens imposed. Fortunately, in my opinion, we have had success in providing services to these children without an excessive increased cost, the reason for this being the existence of services prior to passage of the law, and being able to provide for most children without sending them out of the local system. With this in mind we have taken advantage of collaboratives which would provide services to low incidence, severely handicapped children.

MAINTENANCE

During this year we were able to make extensive necessary modifications to our physical plants. Under the very capable direction of Mr. William Cooney, Supervisor of Buildings and Grounds, our buildings have undergone thorough maintenance improvements. Most of these have been mentioned in your report to the town so I shall not duplicate.

IN-SERVICE TRAINING

There has been an increase in our in-service training for teachers which is necessary due to state requirements, national trends and expanding curriculum areas. In this regard we became members of Project ERR, which provides in-service training to member communities by specialists and practitioners in a variety of fields. This is a very worthwhile collaborative and should prove even more effective in years to come. Some of the topics which the teachers have been

involved in are alcohol education, metric measurement and special needs instruction.

GRADE ORGANIZATION

We are currently in the second year of having all children in Grades K-2 at the Jackson School and all children in Grades 3-6 at the Wood School. In my opinion, this has proved to be a viable, effective organizational move which is continuing to provide a more effective program when considering the needs of all of the children.

CONCLUSION

This was a very satisfying and rewarding time for myself, as I completed my first full year as Superintendent. As mentioned in last year's report, I have become increasingly aware of the tremendous scope which confronts us as a school system in order to effectively meet the needs of the community and children. As previously expressed, I feel confident and enthusiastic that we can continue to provide a basically sound educational program, due greatly to the overwhelming cooperation and assistance from all those involved with the operation of the schools.

ACKNOWLEDGEMENTS

Rather than acknowledging separate groups and individuals, I would like to express my gratitude and appreciation to all those people who have in any way contributed to the operation of our public schools. Working with you has been a pleasure and your contributions as a committee have been especially helpful.

Respectfully submitted,

EDWARD L. KEANEY
Superintendent of Schools

ANNUAL REPORT OF THE PRINCIPAL OF THE BEATRICE H. WOOD ELEMENTARY SCHOOL

Dear Mr. Keaney,

I respectfully submit my second annual report as Principal of the Beatrice H. Wood Elementary School, and sixth annual report as Principal in the Town of Plainville.

ORGANIZATION

The Beatrice H. Wood School continues to house grades three through six and a class for children with special needs. As of this writing, the organizational pattern continues to be extremely practical and successful.

CURRICULUM

A new Science Curriculum Guide was developed this past summer, and it delineates specific performance objectives, activities and experience. Many thanks are due the following members of the committee: Mr. William Fasulo, Mrs. Jeannette Pray, Miss Ann Sullivan and Mr. Peter Sweet (Chairman).

In Science, many new and interesting audio-visual materials have been added this year due to an N.D.E.A. federal project which enabled us to purchase a color video-tape recorder and monitor.

This past fall, for the first time, students in the sixth grade shared a two day outdoor education experience at the Ponkapoag Outdoor Education Center in Canton. The children enjoyed and profited from the program and the overnight tremendously.

Another new program was initiated this year called the Junior Great Books Program. Essentially this program is for the more able readers in grades three through six. Some enthusiastic Plainville parents volunteered to be co-leaders in discussing selections from some of the world's greatest literature. To date, this innovation has been highly successful.

Last spring, in conjunction with our Annual Open House, the students presented a Science Exhibit, and Art Exhibit and a Glee Club Performance. The evening indicated how versatile and creative our children and faculty are.

Pupils at the Wood School broadened their cultural awareness by attending Youth Concerts at Symphony Hall, a stage presentation at Kresge Auditorium at MIT, The Yankee TuneSmiths' Bi-Centennial offering, and the On-

The-Road Theater's delightful presentation of "The Red Shoes". In addition to these experiences, Field Trips to Worcester Science Museum, the New England Aquarium, Mystic Seaport in Connecticut, Sealand of Cape Cod, Swamp Land on Cape Cod, and other trips enriched the curriculum.

We have continued to provide our special needs children with excellent services. Dr. Stephen Rosensweig, our school psychologist, and Mr. Barry Rachin, our social worker, have been most valuable in this area.

Our supervisors in Art, Music and Physical Education have continued to provide varied and interesting educational programs for the children.

CONCLUSIONS AND ACKNOWLEDGEMENTS

Many individuals and groups have certainly contributed to making this year a successful one. I would like to specifically express my appreciation and gratitude to some of these people.

The entire faculty has certainly displayed a true sense of professionalism. They have worked diligently, and continually seek self-improvement by taking many specialized courses, as well as giving freely of their time outside of the normal school hours.

I would also like to express my gratitude to our four extremely competent aides: Mrs. Sylvia Botka, Mrs. Jean Henrich, Mrs. Miriam Lomasney and Miss Peggy Patton.

The Cafeteria and Custodial Staffs deserve sincerest praise for the superb job done by them.

The wonderful group of volunteer parents who have assisted in the library, the cafeteria, the classrooms, and the Great Books Program have made significant contributions to our school.

Mrs. Jeannette Pray and Mrs. Cathy Green have been invaluable in their roles as school nurse and school secretary, and to them a special thank-you.

In closing, I would like to extend my thanks and appreciation to Mr. Keaney, the Plainville Teachers' Association, the Plainville School Committee, the P.T.O., and finally all the parents and children in Plainville. I feel that the entire community can be justifiably proud of their educational system.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

Annual Report
of the
SCHOOL COMMITTEE
OF THE
King Philip
Regional School District
NORFOLK — PLAINVILLE — WRENTHAM

For the Year Ending December 31, 1975

KING PHILIP REGIONAL SCHOOL DISTRICT
Wrentham, Massachusetts

REPORT OF THE CHAIRMAN

February 12, 1976

As I write this brief report of our 1975 activities, the completion of our two year building project is in sight, and it is indeed a welcome sight. Almost 50% of the committee's time has been devoted to decisions related to the construction and equipping of the addition.

I must take this opportunity to commend the committee for producing a most austere budget without diminishing programs. I must also thank the administration for its efforts to live within that budget.

The members of the committee will remember with fondness the dedicated efforts of our recently deceased member, Patsy D.

My sincere thanks to the entire committee for all the long hours, late nights and untiring efforts.

Respectfully submitted,

V. RICHARD KELTER

Chairman

ANNUAL REPORT OF THE SUPERINTENDENT

of the

KING PHILIP REGIONAL SCHOOL DISTRICT

It is with pleasure that I submit my fourth annual report as Superintendent of the King Philip Regional School District.

The issue of greatest immediate concern to the residents of the District is the completion date of the addition to the King Philip Regional School. It appears that the new construction will be completed in the spring of 1976. Presently, a substantial portion has been accepted and is in use.

In September of 1975 the new business education classrooms and the library were ready for the opening of school. The additional classrooms enabled us to house grades nine through twelve in one building for the first time in four years. During the first quarter the art, chorus and distributive education classrooms, as well as the five new laboratories above them, were occupied. Further, a new boiler and an additional student dining area were accepted easing a potential heating problem and crowding in the cafeteria.

The sewage treatment plant has been in operation since September while the new emergency generator has been operational since December. The proper functioning of both units is essential to health and safety within the school. Both units have been fully accepted by state and local authorities.

A major disappointment and inconvenience has been the failure to complete the new kitchen and the fourth dining area by this date necessitating the preparation of food at the junior high school and the transportation of hot lunches to the high school. This problem can be attributed to the delays in the installation of the electrical systems. Most of our present construction difficulties are associated with the slowness of receipt and installation of electrical wiring and equipment.

In the next school year the automotive, machinist, carpentry, plant maintenance, vocational special needs and occupational elective programs will be in new shops with new and additional equipment allowing for increased programs and enrollments. The new gymnasium, athletic and locker rooms will also be ready by that time. We shall be able to open four new curriculum areas: culinary arts, electrical, plumbing and child care. The remaining new shops will be open in September 1977 at which time all new areas will be operational. From that point staff will be added annually until each area represents a four year vocational program with occupational electives for primarily academic students.

The equipping of the new areas and the replacement of older equipment present financial demands that are beyond the scope of the remaining money in the capital construction account. Funds will be included in the fiscal years 1977 and 1978 operating budgets to complete the initial purchases while money will be budgeted annually for an orderly replacement and repair program.

Physical plant repairs as well as equipment purchases will be scheduled to maintain or replace many of the systems in the original school building that is now about twenty years old. A maintenance supervisor has been hired to organize and carry out such a program.

Even though an inordinate amount of time has been devoted to the building program a variety of educational activities has continued including:

- (a) a review of the academic program of studies
- (b) preparation of the vocational-occupational curriculum
- (c) development of new graduation requirements
- (d) certification of academic teachers to teach vocational classes
- (e) participation in a career information program in conjunction with the Lynn, MA. Public Schools.
- (f) implementation of an enlarged special needs program and participation in a King Philip based vocational special needs collaborative.
- (g) development of standards and goals to conform with the state and federal anti-discrimination laws in athletics, selection of materials and staff promotions.
- (h) designs for coping with a continually increasing student population of the high school

We are moving closer to our goal of having one school in which students are not labeled; rather there is maximum integration as they pursue various vocational, academic and occupational choices. When we achieve that goal we shall have a school in which there exists equal dignity for all students and a curriculum with sufficient breadth and depth to meet the needs and desires of those students. The high ideals of a democratic society can best be met by the maximum development of individual potential within a framework that teaches the responsibilities of individuals to that society. The school society is a protected miniature of the national society. Within the school society there are valuable and vital lessons to be taught and learned.

The junior high school with a reduced and apparently stabilizing student population faces an interesting and extremely important professional challenge. In the next year there will be a determination as to what the curriculum of a junior high school in the late 70's and early 80's should contain. I don't mean to imply there should be a few changes. I mean, with the freedom to investigate alternatives, there must be decisions made concerning which educational experiences are of maximum value to the students within grades seven and eight as they progress from the elementary schools to the high school.

The last year has been extremely difficult for school personnel. The school committee, students, administration, teachers, guidance counselors, nurses, custodians, office personnel and cafeteria workers have all been affected by the problems inherent in working within a building under renovation and construction. Food preparation in another building, massive moving projects, preparation of equipment specifications, ordering and receipt of materials, continuing construction, disruption of various engineering systems and services from time to time, overcrowding, shortages, delays and the general atmosphere of uncertainty and transition have contributed to those problems. Through it all the educational process has continued, college board scores have risen and all involved have proceeded resolutely, if not always optimistically. To all whom I have mentioned and to the parents who have been tolerant of our many trials I am indebted and take this opportunity to express my gratitude. The most difficult part is over. Now we can go forward with the most important part — the realization of the potential in this excellent physical plant that the citizens of Norfolk, Plainville and Wrentham have provided the students of the District.

Respectfully submitted,

WILLIAM J. COSTA

Annual Report
of the
SELECTMEN
AND
BOARD OF HEALTH
of the
TOWN OF PLAINVILLE
MASSACHUSETTS

For the Year Ending December 31, 1975

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Plainville:

Submitted herewith is the report of the Board of Selectmen of the Town of Plainville for the year ending December 31, 1975.

The Board met weekly on Tuesday evening, with the exception of the Summer months when we met bi-weekly.

All meetings were opened to the public, with the exception of a few executive sessions that were held for necessary purposes. All meetings were posted with the Town Clerk and on the Bulletin Board in the Town Office Building.

George P. Glaiel, Administrative Assistant has handled complaints for the Board and many daily problems, whereby relieving the Board of time consuming hours, that we can devote to other pressing matters and planning. The purchase order system for purchase in excess of \$25.00 has been established to keep a close watch on finances of all town departments and in many cases is proving very useful.

Negotiations for the purchase of the Penn Central Railroad property voted by the townspeople has been complete, and the property deeded to the Town.

Appointments were made throughout the year to fill vacancies due to resignations, etc. Anyone seeking to fill a vacancy or seeking appointment to a committee, is requested to fill an availability card at the Selectmen's Office.

The Board was most fortunate to receive many CETA workers for the community, and this program has been most useful in allowing the Town departments to add manpower without increasing their salary budgets. The departments involved are the Police Dept., the Fire Dept., the Highway Dept., the School Dept., and the Selectmen's Office. A total of 9 people have been involved in this program.

Many discussions were held with the residents of Cross, High St., Lynn Avenue and Chestnut Streets in regards to the traffic and trucking on Cross and Green Street Railroad Bridges, and related problems as a result of them.

The Board held one hearing on a violation of Liquor Control Laws for Serving After Closing Hours, and suspended the license of the Establishment for 3 days, the suspension was appealed to the A.B.C.C. and they upheld the decision of the Local Board.

All Liquor License holders' establishments were inspected by the Board, Police and Fire Chiefs, and Building Inspector before any 1976 Licenses were released in order to keep various problems from these establishments at a minimum.

There were three Special Town Meetings held throughout the year 1975, April 14, June 9 and October 28, results of these are contained in the report of the Town Clerk elsewhere in this book.

The Council on Aging had a very active year, and the Board would like to congratulate the members of the Council for their hard work and dedication in setting up a program for the Senior Citizens that is truly an undertaking that we all can be proud of. The Council has arranged for quarters in the lower level of the Methodist Church and we are proud to have been a small part in their beginning.

The Selectmen's Office has received various fees from our Inspectors' Group, Plumbing, Gas, Electric and Building, Alcoholic Fees and turned same over to the Town Treasurer for deposit to the General Fund of the Town.

This has been we feel a very active and successful year, and in closing would like to thank the Clerks in our Office, Mrs. Irene Tremblay, Mrs. Ruth Pike, Mrs. Georgette Plante (Treasurer-Collectors Office) and George P. Glaiel Administrative Assistant to the Board for their efforts in making our job of serving You the Townspeople enjoyable to all; Mrs. Ruth Fulton, Mrs. Kathleen Sandland, Chief Robert R. Faille, Chief Clarence E. Skinner Jr., Highway Superintendent, Everett W. Skinner, Sr., for their efforts in our behalf, and any others who in any way made our job a little easier, but especially we thank the Townspeople for their understanding and the pleasure of serving you.

Respectfully submitted,

ROBERT E. LOEW, Chairman
ROBERT W. ROOT, Vice Chairman
RAY P. FELIX, Clerk

BOARD OF HEALTH REPORT

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1975.

This Board has made all necessary inspections of all Food Establishments and Liquor License holders (Common Victuallers). Reilly Laboratories of Weymouth, periodically takes samples of utensils and equipments of these establishments and reports are submitted to the Board for the necessary actions.

Mr. Russell Kenney, Sanitary Disposal Inspector, has been most cooperative and has conducted all percolation tests, following up on all sewerage related problems and complaints, and along with this Board has set up a moratorium on perc tests during the driest times of the year for the purpose of obtaining more accurate results of perc tests.

Mr. Everett W. Skinner Sr., Mr. George P. Glaiel and Robert R. Faille have been appointed Agents for the Board of Health, proving most convenient to handle complaints and problems that need investigating immediately, thereby at times saving valuable time in the investigating of Board of Health complaints.

Air pollution reports from Southeastern Mass. Air Pollution Control District has been followed up, and on several occasions, the Board also took a very active role in helping to correct problems.

All communicable diseases were reported to the Community Health Agency for their follow-up and they have conducted several clinics in the Town Offices and the local schools. An activity report from this Agency is appended to this report. A Flu clinic was held in October in conjunction with the North Attleboro Board of Health and held in North Attleboro under an agreement with that Board that we will alternate and share the burden of these clinics with them on an alternating basis.

The Town Sanitary Landfill on Cowell Street was closed in November, 1975 and we are now utilizing the facilities of Clean Community Corp. on Belcher Street free of charge to the Town. This Assignment was granted after Public Hearings on the matter, February 26, 1974. As a result of this, the Town now has a refuse pickup under the supervision of the Highway Superintendent, Everett W. Skinner, Sr., utilizing a new Compactor Truck that is leased to the Town for \$1.00, to be replaced every 5 years by Clean Communities, for 15 years, and thereby allowing the Town Refuse Pickup at a minimum of cost to the Town. We are responsible for the maintenance of the vehicle and the two men to man it, the town is saving

approximately \$25,000.00 per year in disposal costs alone. Further negotiations are undergoing at the time of this writing to resolve some related problems to the use of the Sanitary Landfill by the taxpayers.

In closing, we wish to thank the citizens of the Town for their patience and understanding, and anyone who made our job a little easier to perform.

Respectfully submitted,

ROBERT E. LOEW, Chairman
ROBERT W. ROOT, Vice Chairman
RAY P. FELIX, Clerk

TOWN OF PLAINVILLE DOMESTIC REFUSE COLLECTION RULES

Rubbish shall be collected once each week throughout the Town of Plainville from plastic bags or treated paper containers, weighing not more than sixty-five (65) pounds each, placed at the curb side by 7:00 A.M. on the date of collection for the designated area. The number of containers shall be limited to six (6) bags per family on any one collection.

No brush, wood, sand, dirt, sod, rocks, demolition lumber, broken concrete, asphalt, plaster, tile, brick or other construction material will be collected.

The refuse from motels, apartment houses with four units per building or more, restaurants, shops, stores, mercantile and manufacturing establishments will be considered commercial accounts and will not be picked up by the Town.

Refrigerators, stoves, tree-limbs or large items that cannot be placed in a rubbish compactor will be picked up periodically at designated times.

When a holiday, snow storm, or emergency situation falls on a collection day all subsequent collection will be one day later.

REPORT OF THE FINANCE COMMITTEE

To the Honorable Board of Selectmen:

Gentlemen:

During the year 1975, the Finance Committee has continued its endeavor to reorient itself so that it might better perform its functions in serving the towns people.

We have changed our meeting nights back to Mondays, so that we can have better attendance from our members that are attending Educational Courses.

We are operating under the new revision to the By-Law governing the Finance Committee with improved efficiency.

In the future, we will continue to try to establish better and more frequent communications with the towns people to keep them abreast of financial matters. To that end, we take this opportunity to invite any citizen to attend our weekly meetings.

The \$5,000.00 appropriated at the 1974 Annual Town Meeting for Extra-Ordinary and Unforeseen Expenses has been transferred as follows:

Memorial Day	75.00	Fire Department (Payroll)	1,300.00
Tax Collector	250.00	Treasurer	50.00
Fire Department (Boat)	800.00	Board of Health	375.00
Ambulance	600.00	Tax Collector	18.00
Fire Department (Hose)	750.00	Memorial Day	50.00
Selectmen	132.00	Town Office Maintenance	600.00

We wish to thank all the officials of the town for their continued cooperation during the past year.

Respectfully submitted,

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

December 31, 1975

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Civil Defense Director for the year ending December 31, 1975.

During this past year, we have increased our personnel in the Auxiliary Police. The Auxiliary Police have given many hours to the Department, which is greatly appreciated.

In the forthcoming year, we are planning to concentrate on setting up emergency rescue and communication groups. These groups will enable us to be prepared for emergencies which may arise. This will be a great asset to our Civil Defense program.

We wish to express our sincere thanks to all the other Municipal Departments for their help and cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT

Civil Defense Director

REPORT OF THE TOWN COUNSEL

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Town Counsel for the year ending December 1, 1975.

The following cases in which legal action was brought against the Town are still outstanding:

1. Nirvana Trust vs. Town of Plainville
2. Ernest Giovannucci and Ernestine Giovannucci vs.
Zoning Board of Appeal
3. Anthony T. Scanzillo Company, Inc. vs. Inhabitants
of the Town of Plainville and the Municipal Building
Committee for the Town of Plainville
4. Natalie Rammel vs. Board of Selectmen

All other cases and claims which were pending at the time of the previous report of the Town Counsel have been tried or disposed of.

During the period of time of my employment as Town Counsel, I have been called upon to give opinions and to furnish legal advice on numerous matters presented to me by Town Officers.

I wish to express my appreciation to the Board of Selectmen, to the Administrative Assistant to the Board of Selectmen and other Town Officers for their cooperation in handling the legal matters in which the Town was involved.

Respectfully submitted,

JOHN P. LEE

Town Counsel

REPORT OF THE ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen:

Gentlemen:

We are pleased to submit the following report of activities of the Zoning Board of Appeals for the Calendar year ending December 31, 1975.

There were five (5) cases handled throughout the year, consisting of several gravel and loam permits and three (3) requests for variances.

The Board received and paid to the Town Treasurer, for applications, seventy-five dollars, (\$75.00), for the Calendar year ending December 31, 1975. It spent from its established budget two hundred sixty-one dollars and ninety-eight cents, (\$261.98), for postage, office supplies, clerical fees and advertising.

Respectfully submitted,

JAMES RINALDI
LORRAINE WOODWARD
ROBERT SAPITA
CONSTANCE BOUCHER
GRACE SIMMONS

REPORT OF THE PARK COMMISSION

To the Honorable Board of Selectmen:

Gentlemen:

1975 has seen substantial improvements in our Town Park through efforts of the Park Commission and the support of many. At this time we would like to thank the Highway Department Superintendent Everett Skinner, Police Chief Robert Faille and the men of his department, also the Fire Department Chief Clarence E. Skinner Jr. for their help throughout the year.

During the summer of 1975 the park offered swimming instructions to the children, as in the past. There was also weekly cookouts held on Fridays of each week, and were enjoyed by participants both young and old. These were made possible through the effort of our staff.

A total of 160 Red Cross Certificates were earned in the following levels: Beginners 30, Intermediates 36, Sr. Life Guard 9, Advanced Beginners 71, Jr. Life Guard 11, Water Safety Aides 3.

The Park Commissioners believe that everyone should have the opportunity to learn how to swim correctly with the proper supervision to insure safety. Lessons are offered to both children and adults, and we hope more townspeople will take advantage of this opportunity.

The Commissioners realize, however, that while the pool activities may claim the majority of the park budget, The Commission has an obligation to provide other recreational facilities to the people of Plainville.

In the 1975 season there were a lot of playground activities going on such as baseball, football, tennis lessons, basketball and horse shoes. Also there were a lot of games played, such as Checkers, Hockey and Chess.

There were Arts and Craft lessons given on every Wednesday throughout the 1975 season, for boys and girls of all ages.

Thanks to the townspeople at the 1975 annual Town meeting, funds were appropriated to repair the bathhouse, the Veterans Memorial Bandstand, the pump house, and the pool area. The Ten Mile River was another site of improvement through the efforts of the Highway Superintendent. Thanks to Troop 132 for the installation of the Bicentennial Flag Pole.

The Plainville Jaycees added to the park's program this past summer by reviving the tradition of a 4th of July Fair.

This past year the park has seen a lot of improvements. As stated above, the bathhouse was completely remodeled with all new plumbing installed. The Veterans Memorial Bandstand was repaired. The ceilings in the boys' and girls' locker area was painted. All new wiring was put in the pumphouse. Also, there were two new slides put up in the pool area, and the pool was also repainted.

This year with the support of the voters, we hope to further improve our park by the addition of playground equipment, resurfacing the baseball field (through the cooperation of the Plainville Athletic League) and adding lighting to one of the tennis courts.

In October of 1974 the Park Commission received the resignation of Robert Darling as a member. Mr. Darling's position was filled by appointment by Edwin H. Harrop. As of March 1975 Mr. Harrop was elected for the next three years on this Board of Park Commissioners.

Respectfully submitted,

GEORGE BROWN, Chairman

EDWIN H. HARROP, Secretary

JERAULDE E. JILLSON

CONTROL OF INSECTS AND DUTCH ELM DISEASE

To the Honorable Board of Selectmen:

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation, July 1, 1975	\$1,000.00
Balance, December 31, 1975	\$1,000.00

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1975.

The appropriation was used to spray for Gypsy Moths in the year 1975.

Appropriation, July 1, 1975	\$100.00
Expended	<u>97.96</u>
Balance December 31, 1975	\$ 2.04

Respectfully submitted,

EVERETT W. SKINNER SR.

CLARENCE E. SKINNER JR.

Chief of Department

REPORT OF THE WATER COMMISSIONERS

To the Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Water Department for the year ending 1975. In the year 1974, 223,175,260 gallons of water was pumped and in 1975, 188,821,140 gallons of water was pumped, 3,435,412 less than in 1974. 524,503 gallons per day, 21,854 gallons per hour, 364 gallons per minute.

The Pumping Station off West Bacon Street is completed and is in operation.

Exploration and ground water tests are still being conducted by Layne New England under the direction of Camp Dresser and McKee, Inc. in order to find an acceptable well site to provide future water supplies for the town. This project has to be contained if suitable water sites are to be found.

Camp Dresser and McKee, Inc. have made a complete study and plan including the environmental policy act needed to install a water system on Washington and Taunton Streets.

Due to the construction and repairing of Route 1A many of the older services had to be renewed or lowered for drainage. Many services on George Street were also lowered during repair work done there.

Respectfully submitted,

C. E. SKINNER, JR.

Chief of the Fire Department

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen

Gentlemen:

West Bacon Street from Route 1A to the North Attleboro Town Line, Fremont Street and Cross Street from Route 1A Westerly a distance of 2,050 feet were surface treated with 1½ inches of bituminous concrete type I-1.

The State Department of Public Works have resurfaced Route 1A and installed a drainage system. In the near future the road will be turned over to the Town of Plainville.

The contract for the reconstruction of Messenger Street from Taunton Street to the North Attleboro Town Line, George Street from Messenger Street to East Bacon Street and East Bacon Street from Messenger Street to James Street has been awarded. Construction is under way and the project should be finished in the Spring of 1976.

This construction is under the Urban System Project and the monies are from the Federal Government and the Commonwealth of Massachusetts.

The old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department Program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled, bituminous patching and maintenance of roads was realized.

Construction funds expended by the Town will be reimbursable from the State under Chapter 765, Section 4, Acts of 1972 for Fiscal Year 1975-1977, up to the amount of the grant.

This year the Highway Department will be asking for a new truck and body to replace a 1956 truck.

It has been a pleasure to work with and for the other Departments during the year.

In submitting this report, I again wish to thank your Board, the Employees of the Highway Department and all other Department Heads of the Town for their cooperation during the year 1975.

Respectfully submitted,

EVERETT W. SKINNER SR.

REPORT OF BOARD OF REGISTRARS

To the Honorable Board of Selectmen:

The first meeting was held in July, 1975, Helen Cobb was elected Chairman and Francis McCabe Secretary.

Monthly meeting was set for the second Tuesday of each month.

It was a busy year with Affidavits for Registering Voters being used as of June and the change to the computer census, which will include Voting List, Street Listing and Dog Listing; hopefully this will assure us a more accurate up-to-date census and record listings.

The latest figures on registrations are:

WARRANT

for the

Annual Town Meeting

1976

WARRANT
FOR THE ANNUAL TOWN MEETING

Monday, April 5, 1976 at 8 A. M.

The Commonwealth of Massachusetts

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FIFTH DAY OF APRIL 1976 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot, viz: one Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectmen — Board of Health, One Assessor, One Water Commissioner, One Park Commissioner, One Trustee Public Library, Two Members of the Plainville School Committee for Three Years. One Member of the Planning Board for Five Years, Three Members of the Finance Committee; Two for Three Years and One for Two Years. One Member of the Housing Authority for Five Years, Two Members of the Regional School Committee; One for Three Years and One for Two Years, and the following questions:

Question No. 1

"Shall Robert R. Faille, incumbent in the position of Chief of Police, be granted tenure pursuant to sections one hundred and twenty-six to one hundred and thirty-two, inclusive, of chapter forty-one of the General Laws?"

Yes_____

No_____

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Second Monday in April at 7:30 P.M. in the Auditorium of the Beatrice H. Wood Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1975-76 (12 months)	Requested 1976-77 (12 months)
Moderator	\$25.00 per meeting	\$30.00 per meeting

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury the sum of \$25,000.00 for a reserve fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws or do or act in any manner relative thereto.

(Board of Selectmen)

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer the sum of \$1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

(Conservation Commission)

ARTICLE 15. To see if the Town will vote to authorize the Board of Selectmen to engage the services of a consultant to prepare, co-ordinate and renew Community Development Applications and other Federal Programs for the period of one year; and raise and appropriate, or transfer from unappropriated available funds, in the Treasury, the sum of \$1,500.00, or do or act in any manner relative thereto.

(Board of Selectmen)

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from the available funds in the Treasury, the sum of \$500.00 for the normal repairs and maintenance of the Town-owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

(Plainville Scout Assoc.)

ARTICLE 17. To see if the Town will vote to accept Section 11A of Chapter 85 of the General Laws which provide for mandatory registration of bicycles.

(Police Department)

ARTICLE 18. No person shall drink any alcoholic beverages as defined in Chapter 138, Section 1 of the Massachusetts General Laws, while on, in, or upon any public way to which the public has right of access, any public park, playground, conservation area, cemetery, parking lot, municipal buildings and the grounds appurtenant thereto. A violation of this By-Law shall be deemed a breach of the peace.

Nothing herein shall be construed to prohibit the duly licensed use and consumption of said liquors as provided by law, or the use and consumption of said liquors in or upon private property or dwellings as may be permitted by law.

Any person convicted for violation of this By-Law shall be punished by a fine not to exceed fifty dollars (\$50.00) for each offense.

(Police Department)

ARTICLE 19. To see whether or not the Town will vote to authorize the Board of Selectmen of the Town of Plainville, Norfolk County, Massachusetts, in the name and behalf of the Town of Plainville, to grant Armiroto Tool Co., Inc. or its successor in interest the perpetual right and easement to utilize for all purposes for which ways are commonly used in the Town of Plainville, Norfolk County, Massachusetts, other than parking, those two certain parcels or strips of land designated as R.O.W. No. 1 and R.O.W. No. 2 as shown on that certain plan of land entitled, "PLAN OF LAND in Plainville, Massachusetts to be taken by the Town of Plainville Scale 80 feet to an inch Nov. 1972 James A. Freeman Eng. Co., 429 North Main Street, Attleboro, Massachusetts By: Everett W. Skinner, Jr."; which plan was recorded with the Norfolk Registry of Deeds, Dedham, Massachusetts, on April 27, 1973 with a taking by the Town of Plainville and filed as Plan No. 555 of 1973, Plan Book 237. Said plan being also on file with the Town Clerk's office, Plainville, Norfolk County, Massachusetts, and to which reference may be had for a more particular description. Said parcel designated R.O.W. No. 1 containing approximately 20,292 square feet and the parcel designated R.O.W. No. 2 containing approximately 10,294 square feet. Consideration of the grant of the foregoing rights of way to be the sum total of \$10.00. Or to do or act in any manner relative thereto.

(Board of Selectmen)

ARTICLE 20. To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads.

(Highway Department)

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for Town Funds to be used in conjunction with and in addition

to any funds allotted by the Commonwealth and/or County for the Construction, Reconstruction and Improvements of Town roads.

(Highway Department)

ARTICLE 22. To see if the Town will vote to purchase two new trucks and bodies for the Highway Department, and raise and appropriate for this purpose the sum of \$24,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of three years, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote required).

(Highway Department)

ARTICLE 23. To see if the Town will vote under the provisions of Chapter 44, Section 64 of the General Laws of Massachusetts, to raise and appropriate the sum of \$1,090.50 to pay unpaid bills incurred by the Police Department prior to June 30, 1975 as follows: New England Telephone Co. \$700.91, W. H. Riley & Son \$161.10, and B. & L. Cleansers, Inc. \$228.49, or do or act in any manner relative thereto.

(Police Department)

ARTICLE 24 To see if the Town will vote to accept the provisions of Chapter 41, Section 41B, an act authorizing the payment of public employees by means of direct bank credits.

(Town Treasurer)

ARTICLE 25. To see if the Town will vote to purchase a Class I Ambulance, and raise and appropriate for this purpose the sum of \$35,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of three years, and to apply for such reimbursement from the appropriate Federal or State Agency as may be available, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote required.)

ARTICLE 26. To see if the Town will vote to add to the By-Laws of the Town of Plainville Chapter I, Section XV a new section, Section 15.18 a Leash Law in the following manner.

Section A. No person owning or keeping a dog within the Town shall permit it to go at large on any public ways, parks, playgrounds, school yards, or public properties or buildings, unless it is restrained or controlled by a leash of suitable material, and being not more than six (6) feet in length.

Section B. Any working dogs, such as police dogs, farm dogs, guide dogs, hunting dogs, or watch dogs, shall be allowed to perform their necessary duties with the proper restraint and control as may be required by its

master or person in whose charge the dog is so assigned.

Section C. Owners or keepers found in violation of this ordinance will be liable for a fine of not more than Fifteen (\$15.00) Dollars for each violation.

And to raise and appropriate or transfer from the available funds in the Treasury a sum of \$3,000.00 to be added to the Dog Officer's account in Article 12 of this warrant as follows, Salaries \$2,000.00, Expenses \$1,000.00, or do or act in any manner thereto.

(Board of Selectmen)

ARTICLE 27. To see if the Town will vote to install sewer main, pipe and necessary structures in conjunction with the removal of the W. Bacon Street bridge, and raise and appropriate for this purpose the sum of \$35,00.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of three years, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote required.)

ARTICLE 28. To see if the Town will vote to amend, effective July 1, 1976 its Personnel By-Law to read as follows:

APPENDIX A
